Ordinance Amending Section 25-0401 and Enacting Section 25-0410 of Article 25-04 of Chapter 25 of the Fargo Municipal Code Relating to Vehicles for Hire to be Placed on First Reading at the Next Regular Meeting of the Board:

Assistant City Attorney Jason Loos said the State of North Dakota recently passed a law to regulate Transportation Network Companies (TNC) such as Uber and Lyft. He said the Board discussed an Ordinance separating these types of companies from traditional taxi companies; however, now the State regulates them and actually prohibits city regulations. Cities are allowed to make it illegal for these companies to operate without a valid state license, he said, and the amendment to the Ordinance is to include that requirement. He said the insurance of the TNC is required to provide coverage when the driver is actively looking for a fare or when they have a fare in their vehicle.

Commissioner Williams moved the Ordinance Amending Section 25-0401 and Enacting Section 25-0410 of Article 25-04 of Chapter 25 of the Fargo Municipal Code Relating to Vehicles for Hire be received and filed and placed on first reading at the next Regular Meeting of the Board.

Ordinance Amending Section 8-1006 of Article 8-10 of Chapter 8 of the Fargo Municipal Code Relating to Time-Limited Parking Zones to be Placed on First Reading at the Next Regular Meeting of the Board:

The Board received a communication from Planner Joe Nigg stating the City owns and operates eight surface parking lots and three structured parking facilities which equates to approximately 2,000 off-street spaces. He said six of the eleven facilities are gate controlled; however, only the Island Park Ramp and the GTC Garage have 24/7 access control. Over the years parking enforcement within the lots has been handled with a "warning" citation issued by Parking Services, he said; however, this approach rarely served its purpose as illegal parkers quickly learned that there was no resulting penalty even after numerous warnings. City Code allows parking ticket issuance for on-street violations, he said; however, a code amendment is needed for enforcement within off-street facilities. He said the ability to write tickets in off-street lots will be a significant system improvement and will increase the efficiency and effectiveness of facility management.

Commissioner Williams moved the Ordinance Amending Section 8-1006 of Article 8-10 of Chapter 8 of the Fargo Municipal Code Relating to Time-Limited Parking Zones be received and filed and placed on first reading at the next Regular Meeting of the Board.

Resolution Adopted Authorizing a Loan from US Bank National Association to the City of Fargo, North Dakota for the FM Diversion Project:

Finance Director Kent Costin said the FM Diversion Authority Finance Committee and the City Finance Committee have reviewed a loan offer from US Bank. He said last year US Bank was determined to have the best proposal and at that time Cass County borrowed \$50M in funds for the diversion project, which are being expended in the current fiscal year. The City agreed to borrow \$50M in funds this year, he stated, and the recommendation is to proceed with the loan from US Bank. He said this is a two-year loan with a very low interest loan of less than 1%, to be paid back by sales tax. The hope is, he said, that in two years the notes will be

converted to long term financing brought forward with federal assistance and other finance partners.

Commissioner Piepkorn moved the Resolution entitled "Resolution Authorizing a Loan from U.S. Bank National Association to the City of Fargo, North Dakota" and referred to as Attachment "B", be adopted and attached hereto.
