

Attachment A lists paper cleaning and other supplies the FARGODOME currently uses throughout the year, along with usage of each specific item for an average year. We are requesting bids for these items to commence at bid award (approx. Oct 1, 2018) through 12/31/2019 with the option for two one-year annual renewals at prices mutually agreeable to both parties; the following instructions apply:

- Please complete Attachment B and submit as per instructions. All proposals must be received by noon on Friday, August 10, 2018 at the FARGODOME Administrative Office 1800 North University Drive Fargo, ND 58102. Proposals shall be labeled: FARGODOME Concessions Supplies Proposal.
- It is our intent to award the bid for a majority of these items to one vendor; however, we reserve the right to award bids on specific products to other vendors due to pricing, specific brands provided, item quality, and/or other relevant factors.
- Please provide fixed pricing for the period ending 12/31/2019. FARGODOME intends to contract for the period through 12/31/19, with the option for two one-year annual renewals at prices mutually agreeable to both parties.
- If the brand you are supplying differs from the item listed, please indicate on the "notes" line the brand you are proposing. Provide a sample of the product and we will evaluate whether it is an acceptable substitution. Note: some items are required as "brand-specific" or "size-specific".
- Items are typically ordered in case/bulk quantities with those quantities listed on the far right column. If your case/bulk sizes differ from those listed, please indicate the proposed size in the second column.
- Orders are to be delivered within 48 hours of the order being placed.
