

FARGO CITY COMMISSION AGENDA
Monday, January 13, 2020 - 5:00 p.m.

Executive Session at 4:00 p.m.

Roll call.

PLEASE NOTE: The City Commission will consider a motion to retire into Executive Session to discuss negotiating strategy and/or to provide negotiating instructions to its negotiator, the Mayor, and also to consult with its attorneys regarding the terms of an existing agreement with, and the negotiation of a revised agreement with, the Fargo Municipal Airport Authority, which matters are reasonably anticipated to result in civil litigation, said matters being authorized by North Dakota Century Code 44-04-19.1 subsections 2 and 9 as it would create an adverse fiscal effect on the bargaining and/or litigation position of the City if discussions regarding offers to be made or accepted, negotiating strategy to be taken or legal consultation about negotiations or litigation were to occur in an open meeting AND the City of Fargo Board of City Commissioners will also move into Executive Session for the purpose of attorney consultation in the following pending matter: Kelsh v. City of Fargo, Case No. 3:18-cv-269 to discuss negotiating strategy or provide negotiating instructions to its attorney or other negotiator regarding the pending litigation. To discuss this matter in open meeting will have a negative fiscal effect on the bargaining and/or litigation position of the City. Thus, an Executive Session for said matters is authorized pursuant to North Dakota Century Code 44-04-19.1 subsections 2 and 9.

Neighborhood: The subject property is located within the Roosevelt neighborhood.

Parks: Roosevelt Park is located approximately less than one quarter mile to the southeast of the project site and provides the amenities of a multipurpose field, outdoor skating/warming house, and playground.

Pedestrian / Bicycle: There are shared use paths along 12th Avenue North and bike lanes along University Drive North and 10th Street North that are components of the metro area bikeways system.

Staff Analysis:

a. Zone Change (from MR-3 to LC, located at 1206 13th Avenue North)

Section 20-906.F of the LDC stipulates the following criteria be met before a zone change can be approved:

1. **Is the requested zoning change justified by a change in conditions since the previous zoning classification was established or by an error in the zoning map?**

Staff is unaware of any zoning map error in regard to the subject property. Staff finds that the requested zone change is justified by a change in conditions, as the owner wishes to demolish and rebuild a new sorority house utilizing both the 1261 University Drive North and 1206 13th

Avenue North lots. This is adjusting from the existing house that is on the 1261 University Drive North property, currently zoned LC, Limited Commercial. The zone change is requested in order to match the zoning of the subject property to the zoning of the existing and proposed facility at 1261 University Drive North so both properties have the same zoning.

(Criteria Satisfied)

2. **Are the City and other agencies able to provide the necessary public services, facilities, and programs to serve the development allowed by the new zoning classifications at the time the property is developed?**

The development is served with city services (water, sewer, streets, police/fire protection, etc.) as well as other needed utility services as needed. The City Engineer and other applicable review agencies have reviewed this proposal. No deficiencies to provide the necessary public services, facilities and programs to this development have been identified. **(Criteria Satisfied)**

3. **Will the approval of the zoning change adversely affect the condition or value of the property in the vicinity?**

Staff has no evidence that would suggest this proposal would adversely affect the condition or value of the property in the vicinity. Written notice of the proposal was sent to all property owners within 300 feet of the subject property and additionally to the Roosevelt Neighborhood Association. To date, staff has not received any phone calls or comments in response to these notices. Staff finds that the approval will not adversely affect the condition or value of the property in the vicinity.

(Criteria Satisfied)

4. **Is the proposed amendment consistent with the purpose of this LDC, the Growth Plan, and other adopted policies of the City?**

The purpose of the LDC is to implement Fargo's Comprehensive Plan and related policies in a manner that protects the health, safety, and general welfare of the citizens of Fargo. Staff finds this proposal is consistent with the purpose of the LDC, the Go2030 Comprehensive Plan, and other adopted policies of the City.

(Criteria Satisfied)

Staff Recommendation:

Suggested Motion: "To accept the findings and recommendations of the Planning Commission and staff and hereby waive the requirement to receive the Ordinance one week prior to the first reading and place the rezoning Ordinance on for first reading, and move to approve the **Zone Change** from MR-3, Multi-Dwelling Residential to LC, Limited Commercial as the proposal complies with the Go2030 Fargo Comprehensive Plan, Standards of Section 20-0906.F, and all other requirements of the LDC."

Planning Commission Recommendation: December 3, 2019

On December 3rd, 2019, with a 8-0 vote, with two Commissioners absent and one Commissioner abstaining from the vote, the Planning Commission accepted the findings and recommendations of staff and recommended approval to the City Commission of the proposed zone change from MR-3, Multi-Dwelling Residential to LC, Limited Commercial on the basis that it satisfactorily complies with the Go2030 Fargo Comprehensive Plan, Standards of Section 20-0906.F, and all other applicable requirements of the LDC.

Upon a failure by the Issuer to appropriate moneys sufficient to pay debt service on the Series 2020A Bonds, the Series 2020A Bonds will be cancelled and the Issuer will have no further obligation for the payment of principal of, and interest on, the Series 2020A Bonds.

In the event that the Issuer adopts a budget for the following Fiscal Year with a specific line-item designated for the payment of, and in the amount of, the principal of, and interest on, the Series 2020A Bonds and annual fees of the Bond Trustee due and payable in the following Fiscal Year, funds in such amount are deemed appropriated for the payment of debt service on the Series 2020A Bonds. The resolution required

above for non-appropriation may be included in the resolution of the Issuer with respect to the approval of the budget generally.

The Series 2020A Bonds do not constitute a debt or liability of the State or of any political subdivision thereof or a pledge of the faith and credit of the State or any political subdivision thereof. The issuance of the Series 2020A Bonds under the provisions of the Act does not, directly, indirectly or contingently, obligate the State or any political subdivision thereof to levy any form of taxation for the payment thereof or to make any appropriation for their payment, and such Series 2020A Bonds and interest payable thereon do not now and shall never constitute a debt of the State or any political subdivision thereof within the meaning of the Constitution or the statutes of the State and do not now and shall never constitute a charge against the credit or taxing power of the State or any political subdivision thereof. (b) a request and authorization to the Bond Trustee on behalf of the Issuer and signed by its Mayor and City Auditor (or such other officer as may be designated by the Issuer) to authenticate and deliver the Series 2020A Bonds to the purchasers therein identified upon payment to the Issuer, of the net proceeds from the sale of the Series 2020A Bonds;

(c) a copy of the receipt of the Issuer acknowledging receipt of the net proceeds of the Series 2020A Bonds;

(d) the approving opinion of Bond Counsel addressed to the Bond Trustee as to the valid authorization, execution and delivery of the Series 2020A Bonds and this Bond Indenture, and an opinion of counsel addressed to the Bond Trustee to the effect that the Series 2020A Bonds need not be registered under the Securities Act of 1933, as amended, and that this Bond Indenture need not be qualified under the Trust Indenture Act of 1939, as amended; and

(e) such other closing documents and opinions of counsel as the Bond Trustee or the Issuer may reasonably specify.

Section 209. Mutilated, Lost, Stolen or Destroyed Series 2020A Bonds. In the event any temporary or definitive Series 2020A Bond is mutilated, lost, stolen or destroyed, the Issuer may execute and the Bond Trustee may authenticate a new Series 2020A Bond of like form, date, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Series 2020A Bond, such mutilated Series 2020A Bond shall first be surrendered to the Bond Trustee, and in the case of any lost, stolen or destroyed Series 2020A Bond, there shall

be first furnished to the Issuer and the Bond Trustee evidence of such loss, theft or destruction satisfactory to the Issuer and the Bond Trustee, together with indemnity satisfactory to them. In the event any such Series 2020A Bond shall have matured, instead of issuing a replacement Series 2020A Bond the Issuer may pay the same without surrender thereof. The Issuer and the Bond Trustee may charge the holder or owner of such Series 2020A Bond with their reasonable fees and expenses in this connection.

Section 210. Bond Register; Transfer and Exchange of Series 2020A Bonds; Persons Treated as Owners. The Bond Register shall be kept by the Bond Trustee at its principal corporate trust office. At reasonable times and under reasonable regulations established by the Bond Trustee, the Bond Register may be inspected and copied by the Issuer.

Upon surrender for registration of transfer of any Series 2020A Bond at the principal corporate trust office of the Bond Trustee, the Issuer shall execute and the Bond Trustee shall authenticate and deliver in the name of the transferee or transferees a new fully registered Series 2020A Bond or Series 2020A Bonds of the same maturity and of authorized denomination for the aggregate principal amount which the registered owner is entitled to receive. Any Series 2020A Bond or Series 2020A Bonds may be exchanged at said office of the Bond Trustee for a like aggregate principal amount of Series 2020A Bond or Series 2020A Bonds of the same maturity of other authorized denominations. The execution by the Issuer of any Series 2020A Bond shall constitute full and due authorization of such Series 2020A Bond, and the Bond Trustee shall thereby be authorized to authenticate, date and deliver such Series 2020A Bond.

All Series 2020A Bonds presented for registration of transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and with guaranty of signature satisfactory to the Bond Trustee, duly executed by the registered owner or by such owner's duly authorized attorney. Neither the Bond Trustee nor any agent shall have any responsibility or liability for any actions taken or not taken by DTC.

No service charge shall be imposed for any exchange or registration of transfer of Series 2020A Bonds. The Issuer and the Bond Trustee may, however, require payment by the person requesting an exchange or registration of transfer of Series 2020A Bonds of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto, except in the case of the issuance of a Series 2020A Bond or Series 2020A Bonds for the unredeemed portion of a Series 2020A Bond surrendered for redemption.

The Issuer and the Bond Trustee shall not be required to register the transfer of or exchange any Series 2020A Bond after notice calling such Series 2020A Bond or portion thereof for redemption has been given or during the 15-day period next preceding the first mailing of such notice of redemption of Series 2020A Bonds of the same maturity.

New Series 2020A Bonds delivered upon any registration of transfer or exchange shall be valid obligations of the Issuer, evidencing the same debt as the Series 2020A Bonds surrendered, shall be secured by this Bond Indenture and shall be entitled to all of the security and benefits hereof to the same extent as the Series 2020A Bond surrendered.

The Issuer and the Bond Trustee may treat the registered owner of any Series 2020A Bond as the absolute owner thereof for all purposes, whether or not such Series 2020A Bond shall be overdue, and shall not be bound by any notice, actual or constructive, to the contrary. All payments of or on account of the principal of and premium, if any, and interest on any such Series 2020A Bond as herein provided shall be made only to or upon the written order of the registered owner thereof or his legal representative, but such registration may be changed as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Series 2020A Bond to the extent of the sum or sums so paid.

Section 211. Cancellation. Any Series 2020A Bond surrendered for the purpose of payment or retirement or for exchange or registration of transfer or for replacement pursuant to Section 208 or Section 209 hereof or upon an Event of Non-Appropriation pursuant to Section 205 hereof, shall be cancelled upon surrender thereof to the Bond Trustee or any Paying Agent. If the Issuer shall acquire any of the Series 2020A Bonds, the Issuer shall deliver such Series 2020A Bonds to the Bond Trustee for cancellation and the Bond Trustee shall cancel the same. Any such Series 2020A Bonds cancelled by any Paying Agent other than the Bond Trustee shall be promptly transmitted by such Paying Agent to the Bond Trustee. A certificate identifying all Series 2020A Bonds so cancelled shall be delivered by the Bond Trustee to the Issuer. Cancelled Series 2020A Bonds may be destroyed by the Bond Trustee unless instructions to the contrary are received from the Issuer.

Upon cancellation of the Series 2020A Bonds, the Series 2020A Bonds shall no longer be outstanding and the Issuer shall not be liable for the payment of any unpaid principal of, or interest on, the Series 2020A Bonds neither the Issuer nor the Bond Trustee shall be liable for any claims for damages or losses, direct or consequential, in connection with the cancellation of the Series 2020A Bonds.

Section 212. Book-Entry Only System. The Series 2020A Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Series 2020A Bond shall be registered in the Bond Register in the name of Cede & Co., as nominee of DTC, and except as provided in Section 213 hereof, all of the outstanding Series 2020A Bonds shall be registered in the Bond Register in the name of Cede & Co., as nominee of DTC.

With respect to Series 2020A Bonds registered in the Bond Register in the name of Cede & Co., as nominee of DTC, the Issuer, and the Bond Trustee shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Series 2020A Bonds. Without limiting the immediately preceding sentence, the Issuer, and the Bond Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Series 2020A Bonds, (ii) the delivery to any DTC Participant or any other person, other than a Bondholder, as shown in the Bond Register, of any notice with respect to the Series 2020A Bonds, including any notice of redemption, (iii) the payment to any DTC Participant or any other person, other than a Bondholder, as shown in the Bond Register, of any amount with respect to principal of or interest on, the Series 2020A Bonds or (iv) any consent given by DTC as registered owner. So long as the certificates for the Series 2020A Bonds are not issued pursuant to Section 213 hereof, the Issuer and the Bond Trustee may treat DTC or any successor securities

depository as, and deem DTC or any successor securities depository to be, the absolute owner of the Series 2020A Bonds for all purposes whatsoever, including without limitation (i) the payment of principal, premium, if any, and interest on the Series 2020A Bonds, (ii) giving notice of redemption and other matters with respect to the Series 2020A Bonds, (iii) registering transfers with respect to the Series 2020A Bonds and (iv) the selection of Series 2020A Bonds for redemption. Notwithstanding any other provision of this Bond Indenture to the contrary, the Issuer, the Bond Trustee and any Paying Agent shall be entitled to treat and consider the Person in whose name each Series 2020A Bond is registered in the Bond Register as the absolute owner of such Series 2020A Bond for the purpose of payment of principal, premium, if any, and interest with respect to such Series 2020A Bond, for the purpose of giving notices of redemption and other matters with respect to such Series 2020A Bond, for the purpose of registering transfers with respect to such Series 2020A Bond, and for all other purposes whatsoever. The Bond Trustee and any Paying Agent shall pay all principal of, premium, if any, and interest on the Series 2020A Bonds only to or upon the order of the respective Bondholders, as shown in the Bond Register as provided in this Bond Indenture, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal of and interest on the Series 2020A Bonds to the extent of the sum or sums so paid. No Person other than a Bondholder, as shown in the Bond Register, shall receive a Series 2020A Bond certificate evidencing the obligation of the Issuer to make payments of principal, premium, if any, and interest pursuant to this Bond Indenture. Upon delivery by DTC to the Bond Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Bond Indenture with respect to interest checks or drafts being mailed to the registered owner at the close of business on the Record Date, the term "Cede & Co." in this Bond Indenture shall refer to such new nominees of DTC; and upon receipt of such a notice the Bond Trustee shall promptly deliver a copy of the same to any Paying Agent. Except as provided in Section 213 hereof, the Series 2020A Bonds may be transferred, in whole but not in part, only to DTC or to Cede & Co., or to a successor securities depository selected or approved by the Issuer or to a nominee of such successor securities depository. If at any time DTC notifies the Issuer that it is unwilling or unable to continue as securities depository with respect to the Series 2020A Bonds, or if at any time DTC shall no longer be registered or in good standing under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation and a successor securities depository is not appointed by the Issuer within 90 days after the Issuer receives notice or becomes aware of such condition, as the case may be, then the Issuer shall execute and the Bond Trustee shall authenticate and deliver certificates representing the Series 2020A Bonds as provided in Section 213.

Section 213. Successor Securities Depository; Transfers Outside Book-Entry Only System. The Bondholders have no right to a depository for the Series 2020A Bonds. The Issuer may remove DTC or any successor thereto for cause at any time. In such event, the Issuer shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Series 2020A Bond certificates to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Series 2020A Bond certificates and transfer one or more separate Series 2020A Bond certificates to DTC Participants having Series 2020A Bonds credited to their DTC accounts. In such event, the Series 2020A Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede & Co., as nominee of DTC, but may

be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Bondholders transferring or exchanging Series 2020A Bonds shall designate, in accordance with the provisions of this Bond Indenture.

The Issuer has executed the Letter of Representations in connection with the issuance of its bonds. The Letter of Representations is for the purpose of effectuating the book-entry only system of DTC and shall not be deemed to amend, supersede or supplement the terms of this Bond Indenture which are intended to be complete without reference to the Letter of Representations. In the event of any conflict between the terms of the Letter of Representations and the terms of this Bond Indenture, the terms of this Bond Indenture shall control. DTC may exercise the rights of a Bondholder hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

Section 214. Payments and Notices to Cede & Co. Notwithstanding any other provision of this Bond Indenture to the contrary, so long as a Series 2020A Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Series 2020A Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Letter of Representations. The Bond Trustee shall request in each notice sent to Cede & Co. pursuant to the terms of this Bond Indenture that Cede & Co. forward or cause to be forwarded such notice to the DTC Participants.

Section 302. Deposit of Funds. The Issuer shall retain all net proceeds of the Series 2020A Bonds (\$[]) to pay costs of the Garage (\$[]), costs of issuance of the Series 2020A Bonds (\$[]), and capitalized interest during construction (\$[]), pursuant to the Resolution.

Section 303. Source of Payment of Series 2020A Bonds. The Series 2020A Bonds herein authorized and all payments to be made by the Issuer thereon and into the various funds established under this Bond Indenture are not general obligations of the Issuer. The Series 2020A Bonds are special, limited obligations of the Issuer payable solely from funds appropriated annually by the City Commission of the Issuer expressly for the purpose of paying debt service on the Series 2020A Bonds for the following Fiscal Year of the Issuer; the Issuer reserves the right not to appropriate such funds as set forth herein, and the failure so to appropriate funds for the payment of debt service payable on the Series 2020A Bonds in any year is not a default or Event of Default hereunder but shall result in cancellation of the Series 2020A Bonds pursuant to Section 205 hereof.

Section 304. Debt Service Fund. On or before the twenty-fifth day of each May and November, the Issuer shall deposit with the Bond Trustee solely from expressly appropriated funds for such Fiscal Year, an amount sufficient, together with amounts already on deposit in the Debt Service Fund, to pay the principal, if any, of, and interest on, the Series 2020A Bonds on the immediately following June 1 or December 1, as the case may be. Section 306. Reserved.

Section 307. Investment of Funds. (a) Upon receipt of a Written Request of the Issuer filed with the Bond Trustee, moneys in the Debt Service Fund and Optional Redemption Fund shall be invested in Authorized Investments, specified by the Issuer. Such investments shall be made so as to mature on or prior to the date or dates that moneys therefrom are reasonably anticipated to be required. If the Issuer fails to give such direction and file such Written Request with the Bond Trustee, moneys in such funds shall be invested in Government Obligations, maturing not more than fourteen days after the day such investment is made. As and when any amounts invested pursuant to this Bond Indenture may be needed for disbursements from the Debt Service Fund or the Optional Redemption Fund, the Bond Trustee shall cause a sufficient amount of such investments to be sold or otherwise converted into cash to the credit of such fund. The Bond Trustee may rely upon the Written Request of the Issuer as to the suitability and legality of the directed investments. The Bond Trustee shall have no responsibility whatsoever to determine whether any investments made pursuant to this Bond Indenture are or continue to be Authorized Investments. The Bond Trustee, when authorized by the Issuer, may trade with itself in the purchase and sale of securities for such investment. The Bond Trustee shall not be liable or responsible for any loss resulting from any such investments. Gains from investments shall be credited to and held in, and losses shall be charged to, the fund or account from which the investment is made.

The Issuer acknowledges that regulations of the Comptroller of the Currency grant the Issuer the right to receive brokerage confirmations of security transactions as they occur. The Issuer specifically waives such right to notification to the extent permitted by law and acknowledge that they will receive periodic transaction statements that will detail all investment transactions.

Section 308. Trust Funds. All moneys received by the Bond Trustee under the provisions of this Bond Indenture shall be trust funds under the terms hereof for the benefit of all Series 2020A Bonds Outstanding hereunder (except as otherwise provided) and shall not be subject to lien or attachment of any creditor of the Issuer. Such moneys shall be held in trust and applied in accordance with the provisions of this Bond Indenture.

ARTICLE IV

REDEMPTION OF SERIES 2020A BONDS

Section 401. Redemption. Outstanding Series 2020A Bonds are subject to redemption prior to maturity (herein referred to as “Optional Redemption”) on any date on or after December 1, [2029] at the option of the Issuer, in whole or in part, and if in part by maturities designated by the Issuer (and if less than all of a single maturity is being redeemed, by lot within a maturity), at a redemption price of 100% of the principal amount of the Series 2020A Bonds to be redeemed plus accrued interest thereon to the date of redemption, without penalty.

No Optional Redemption of less than all of the Series 2020A Bonds Outstanding at the time of such redemption shall be made pursuant to the foregoing provisions of this Section 401 unless the aggregate principal amount of Series 2020A Bonds to be redeemed is equal to or greater than \$100,000.

Series 2020A Bonds may be called for Optional Redemption by the Bond Trustee pursuant to this Section 401 upon receipt by the Bond Trustee at least 35 days prior to the redemption date of a Written Request of the Issuer requesting such redemption. Such Written Request shall specify the principal amount of the Series 2020A Bonds to be called for redemption, the redemption date, the applicable redemption price or prices, the provision or provisions above specified pursuant to which such Series 2020A Bonds are to be called for redemption and if the Series 2020A Bonds are to be redeemed in part, the maturities of such Series 2020A Bonds, and the amounts within each such maturity to be redeemed, together with any conditions to the effectiveness of such redemption. If for any reason the Bond Trustee has not received a Written Request as to the maturities of the Series 2020A Bonds or the amounts within any maturity to be redeemed, it shall apply the funds available for redemption to redeem the Series 2020A Bonds in inverse order of maturity.

In addition to Optional Redemption, the Series 2020A Bonds are subject to mandatory sinking fund redemption pursuant to and in the manner specified in Section 402 (herein referred to as “Mandatory Sinking Fund Redemption”).

Series 2020A Bonds maturing on December 1, 20[], December 1, 20[], December 1, 20[], and December 1, 20[] (the “Term Bonds”) shall be subject to mandatory redemption prior to maturity at a redemption price equal to the stated principal amount thereof plus interest accrued thereon to the redemption date, without premium. The Bond Trustee shall select for redemption, by lot or other manner deemed fair, on December 1 in each of the following years the following stated principal amounts of such Series 2020A Bonds:

Term Bonds Due December 1, 20[]

<u>Year</u>	<u>Amount</u>
(Maturity)	

Term Bonds Due December 1, 20[]

<u>Year</u>	<u>Amount</u>
(Maturity)	

Term Bonds Due December 1, 20[]

<u>Year</u>	<u>Amount</u>
-------------	---------------

(Maturity)

Series 2020A Term Bonds December 1, 20[]

<u>Year</u>	<u>Amount</u>
-------------	---------------

(Maturity)

Such amounts shall be reduced (a) by the amount of Term Bonds acquired and delivered as provided hereinbelow in satisfaction of such mandatory redemption requirements and (b) in connection with a partial redemption of Series 2020A Bonds if the Issuer so elects.

In lieu of redeeming Series 2020A Bonds pursuant to this Section, the Bond Trustee may, at the Written Request of the Issuer, use such funds otherwise available hereunder for redemption of Series 2020A Bonds to purchase for cancellation Series 2020A Bonds in the open market at a price not exceeding the redemption price then applicable hereunder. It is understood that in the case of any such redemption or purchase and cancellation of Series 2020A Bonds, the Issuer shall receive credit against its required Debt Service Fund deposits with respect to the Series 2020A Bonds of such maturity, which in the case of Series 2020A Bonds subject to mandatory sinking fund redemption shall be applied to the mandatory deposits with respect to mandatory sinking fund redemption which the Issuer elects or, if no election is made, in the inverse order thereof.

The portion of any Series 2020A Bonds to be redeemed shall be in the principal amount of \$5,000 or a multiple thereof, and in selecting portions of such Series 2020A Bonds for redemption, the Bond Trustee shall treat each such Series 2020A Bond as representing that number of Series 2020A Bonds of \$5,000 denominations which is obtained by dividing the principal amount of such Series 2020A Bond by \$5,000.

Section 402. Notice of Redemption. Notice of the call for any redemption of the Series 2020A Bonds shall state the following: (i) the name of the Series 2020A Bonds, (ii) the CUSIP number of the Series 2020A Bonds to be redeemed, (iii) the original dated date of the Series 2020A Bonds, (iv) the interest rate and maturity date of the Series 2020A Bonds to be redeemed, (v) the date of the redemption notice, (vi) the redemption date, (vii) the redemption price; (viii) the address and telephone number of the principal office of the Bond Trustee and (ix) any conditions to the effectiveness of the redemption. Such notice shall further state that on the redemption date for such Series 2020A Bonds there shall become due and payable upon each Series 2020A Bond to be redeemed the redemption price thereof, or the redemption price of the specified portion of the principal amount thereof in the case of a Series 2020A Bond to be redeemed in part only, with interest accrued and unpaid to such date, and that from and after such date, interest thereon shall cease to accrue and be payable. The redemption notice shall be given by mailing a copy of such notice of redemption by first class mail, postage prepaid, to the Issuer, and the registered owners of the Series 2020A Bonds to be redeemed at the address shown on the Bond Register not less than 20 or more than 60 days prior to the redemption date; provided, however, that failure to give such notice by mailing or a defect in the notice or the mailing as to any Series 2020A Bond will not affect the validity of any proceedings for redemption as to any other Series 2020A Bond with respect to which notice was properly given. Said notice shall also be given by the Bond Trustee

by certified mail, return receipt requested, at least thirty days prior to the date fixed for redemption, to the Municipal Securities Rulemaking Board's Electronic Municipal Market Access System or as may be required by applicable law or regulation at the time of giving such notice as directed by the Issuer. The notice of redemption may state that if funds are not on deposit with the Bond Trustee on or prior to the redemption date, the redemption shall be cancelled and the Series 2020A Bonds so called for redemption shall remain Outstanding and continue to bear interest.

Series 2020A Bonds, or portions thereof, thus called for redemption shall not bear interest after the applicable redemption date, shall no longer be protected by this Bond Indenture and shall not be deemed to be outstanding under the provisions of this Bond Indenture.

ARTICLE V

GENERAL COVENANTS

Section 501. Payment of Principal and Interest. Subject to the limited source of payment hereinafter described and the Issuer's right to cancel its obligation to pay the Series 2020A Bonds in the event the Issuer does not appropriate monies for the payment thereof, the Issuer covenants that it will promptly pay the principal of, premium, if any, and interest on every Series 2020A Bond issued under this Bond Indenture at the place, on the dates and in the manner provided herein and in said Series 2020A Bonds according to the true intent and meaning thereof. The principal of, premium, if any, and interest on the Series 2020A Bonds are payable solely from payments or prepayments by the Issuer and nothing in the Series 2020A Bonds or in this Bond Indenture shall be considered as assigning or pledging any funds or assets of the Issuer except expressly appropriated for the payment of principal of, and interest on, the Series 2020A Bonds.

Section 502. Budget, Appropriation, and Non-Appropriation. The Issuer covenants to cause the proposed annual budget for the following Fiscal Year to be submitted for consideration by the City Commission each year to include a specific line-item for an amount equal to the debt service on the Series 2020A Bonds and the annual fees of the Bond Trustee, provided, however, that the inclusion of such line-item does not obligate the City Commission to appropriate such funds. In the event such funds are not appropriated, the Bonds are subject to cancellation pursuant to Section 205 hereof.

In the event that the Issuer adopts a budget for the following Fiscal Year with a specific line-item designated for the payment of, and in the amount of, the principal of, and interest on, the Series 2020A Bonds and annual fees of the Bond Trustee due and payable in the following Fiscal Year, funds in such amount are deemed appropriated for the payment of debt service on the Series 2020A Bonds. The Issuer hereby covenants that, if such appropriation is made by approval of the Issuer's budget, it will not repeal, reduce or abate such appropriation or otherwise prohibit the use of such appropriated funds for the payment of debt service on the Series 2020A Bonds in the following Fiscal Year.

Section 503. Performance of Covenants; Legal Authorization. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Bond Indenture, in any and every Series 2020A Bond executed, authenticated and delivered hereunder and in all proceedings of its members pertaining thereto. The Issuer represents that it is duly authorized under the Constitution and laws of the State and its home rule charter to issue the Series 2020A Bonds authorized hereby and to execute this Bond Indenture, that all action on its part for the issuance of the Series 2020A Bonds and the execution and delivery of this Bond Indenture has been duly and effectively taken, and that the Series 2020A Bonds in the hands of the owners thereof are and will be valid and enforceable obligations of the Issuer according to the import thereof.

ARTICLE VI

EVENTS OF DEFAULT; REMEDIES

Section 601. Extension of Payment; Penalty. In case the time for the payment of principal of or the interest on any Series 2020A Bonds shall be extended, whether or not such extension be by or with the consent of the Issuer, such principal or such interest so extended shall not be entitled in case of default hereunder to the benefit or security of this Bond Indenture except subject to the prior payment in full of the principal of all Series 2020A Bonds then outstanding and of all interest thereon, the time for the payment of which shall not have been extended.

Section 602. Events of Default. Each of the following events is hereby declared an "Event of Default":

(a) payment of any installment of interest payable on any of the Series 2020A Bonds for which the Issuer has appropriated funds shall not be made when the same shall become due and payable; or

(b) payment of the principal of, or the premium, if any, on the Series 2020A Bonds for which the Issuer has appropriated funds shall not be made when the same shall become due and payable, either at maturity or by proceedings for redemption; or

(c) the Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Series 2020A Bonds, in this Bond Indenture, or in any indenture supplemental hereto to be performed on the part of the Issuer, and such default shall continue for the period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by the Bond Trustee, provided that the Bond Trustee may give such notice in its discretion and shall give such notice at the written request of the owners of not less than twenty-five percent (25%) in aggregate principal amount of the Series 2020A Bonds then outstanding hereunder; provided further that if such default cannot with due diligence and dispatch be wholly cured within 30 days but can be wholly cured, the failure of the Issuer to remedy such default within such 30-day period shall not constitute a default hereunder if the Issuer shall immediately upon receipt of such notice commence with due diligence and dispatch the curing of such default and, having so commenced the curing of such default, shall thereafter prosecute and complete the same with due diligence and dispatch.

If on the date payment of principal of or interest on the Series 2020A Bonds is due, sufficient moneys are not available to make such payment, the Bond Trustee shall give telephonic notice, confirmed in writing, of such insufficiency to the Issuer.

Section 603. No Acceleration. Upon the occurrence and/or continuation of an Event of Default, the Bond Trustee and/or the Bondholders may not declare the entire principal amount of the Series 2020A Bonds then outstanding hereunder and the interest accrued thereon, immediately due and payable.

Section 604. Remedies; Rights of Bondholders. Upon the occurrence of any Event of Default, the Bond Trustee may pursue any available remedy including a suit at law or in equity to

enforce the payment of the principal of, premium, if any, and interest on the Series 2020A Bonds outstanding hereunder.

If an Event of Default shall have occurred, and if it shall have been requested so to do by the holders of not less than twenty-five percent in aggregate principal amount of Series 2020A Bonds then outstanding and if it shall have been indemnified as provided in Section 701 hereof, the Bond Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Article VI as the Bond Trustee shall deem most expedient in the interests of the holders of Series 2020A Bonds, provided, however, that the Bond Trustee shall have the right to decline to comply with any such request if the Bond Trustee shall be advised by counsel (who may be its own counsel) that the action so requested may not lawfully be taken or that such action would be unjustly prejudicial to the holders of Series 2020A Bonds not parties to such request.

No remedy by the terms of this Bond Indenture conferred upon or reserved to the Bond Trustee (or to the holders of Series 2020A Bonds) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bond Trustee or to the holders of Series 2020A Bonds hereunder now or hereafter existing at law or in equity or by statute.

No delay in exercising or failure to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default, or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder, whether by the Bond Trustee or by the holders of Series 2020A Bonds, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

Section 605. Direction of Proceedings by Bondholders. The owners of 51% or more in aggregate principal amount of Series 2020A Bonds then outstanding shall have the right at any time, by an instrument or instruments in writing executed and delivered to the Bond Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Bond Indenture, including the appointment of a receiver or any other proceedings hereunder, provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Bond Indenture.

Section 606. Application of Moneys. All moneys received by the Bond Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the cost and expenses (including the fees and expenses of counsel, which may be its in-house legal counsel) of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances incurred or made by the Bond Trustee, and all moneys in the funds maintained by the Bond Trustee under Article III, be applied as follows:

First: To the payment of the principal and interest then due and unpaid upon the Series 2020A Bonds, without preference or priority of principal or interest over the other, or of any installment of interest over any other installment of interest, or of any Series 2020A Bond over any other Series 2020A Bond, ratably, according to the amounts due

respectively for principal and interest, to the Persons entitled thereto without any discrimination or privilege;

Second: To the payment of the principal and interest then due and unpaid upon Series 2020A Bonds with respect to which the payment of principal and interest has been extended as described in Section 601; and

Whenever moneys are to be applied by the Bond Trustee pursuant to the provisions of this Section, such moneys shall be applied by it at such times, and from time to time, as the Bond Trustee shall determine, having due regard for the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Bond Trustee shall apply such moneys, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable, or, with respect to payments of Defaulted Interest, shall be such date as is required by the last paragraph of Section 203 hereof) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Bond Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date and of the Special Record Date by mailing a copy of such notice by first class mail, postage prepaid, to the registered owners of the Series 2020A Bonds, at least 10 days prior to the Special Record Date. The Bond Trustee shall not be required to make payment to the holder of any Series 2020A Bond until such Bond shall be presented to the Bond Trustee for appropriate endorsement or for cancellation if fully paid.

Whenever all Series 2020A Bonds and interest thereon have been paid under the provisions of this Section 606 and all expenses and charges of the Bond Trustee have been paid, any balance remaining shall be paid to the persons entitled to receive the same; if no other Person shall be entitled thereto, then the balance shall be paid to the Issuer.

Section 607. Remedies Vested in Bond Trustee. All rights of action including the right to file proof of claims under this Bond Indenture or under any of the Series 2020A Bonds may be enforced by the Bond Trustee without the possession of any of the Series 2020A Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Bond Trustee shall be brought in its name as Bond Trustee without the necessity of joining as plaintiffs or defendants any holders of the Series 2020A Bonds, and any recovery of judgment shall be for the equal benefit of the holders of the outstanding Series 2020A Bonds.

Section 608. Rights and Remedies of Bondholders. No holder of any Series 2020A Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Bond Indenture or for the execution of any trust hereof or for the appointment of a receiver or any other remedy hereunder, unless (i) a default shall have become an Event of Default, (ii) the holders of twenty-five percent in aggregate principal amount of Series 2020A Bonds then outstanding shall have made written request to the Bond Trustee and shall have offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, and unless also they have offered to the Bond Trustee indemnity as provided in Section 701, and (iii) unless the Bond Trustee shall thereafter fail or refuse to exercise the power hereinbefore granted, or to institute such action, suit or proceeding in its own name; and such notification, request and offer of indemnity are hereby

declared in every case at the option of the Bond Trustee to be conditions precedent to the execution of the powers and trusts of this Bond Indenture and to any action or cause of action for the enforcement of this Bond Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more holders of the Series 2020A Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Bond Indenture by any action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the holders of all Series 2020A Bonds outstanding. Nothing in this Bond Indenture contained shall, however, affect or impair the right of any holder to enforce the payment of the principal of and interest on any Series 2020A Bond at and after the maturity thereof, or the obligation of the Issuer to pay the principal of and interest on each of the Series 2020A Bonds issued hereunder to the respective holders thereof at the time and place, from the source and in the manner in said Series 2020A Bonds expressed.

Section 609. Termination of Proceedings. In case the Bond Trustee shall have proceeded to enforce any right under this Bond Indenture by the appointment of a receiver, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Bond Trustee, then and in every case the Issuer and the Bond Trustee shall, subject to any determination in such proceeding, be restored to their former positions and rights hereunder with respect to the property pledged and assigned hereunder, and all rights, remedies and powers of the Bond Trustee shall continue as if no such proceedings had been taken.

Section 610. Waiver of Events of Default. The Bond Trustee may in its discretion waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal upon written request of the holders of (1) at least 51% in aggregate principal amount of all the Series 2020A Bonds outstanding in respect of which default in the payment of principal and/or interest exists, or (2) at least 51% in aggregate principal amount of all the Series 2020A Bonds outstanding. The foregoing notwithstanding, in no event shall there be waived (a) any Event of Default in the payment when due of the principal of any outstanding Series 2020A Bonds whether by Mandatory Sinking Fund Redemption or at the dates of maturity specified therein or (b) any default in the payment when due of the interest on any such Series 2020A Bonds, unless prior to such waiver or rescission all arrears of interest, with interest thereon (to the extent permitted by law) at the rate borne by the Series 2020A Bonds in respect of which such default shall have occurred on overdue installments of interest or all arrears of payments of principal when due, as the case may be, and all expenses of the Bond Trustee and any Paying Agent in connection with such default shall have been paid or provided for. In case of any such waiver or rescission or in case any proceeding taken by the Bond Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Bond Trustee and the Bondholders shall, subject to any determination in such proceeding, be restored to their former positions and rights hereunder respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

Section 611. Notice of Default. Upon the occurrence of an Event of Default hereunder, the Bond Trustee will promptly give written notice thereof to the Issuer and Bondholders setting forth the nature of such Event of Default.

ARTICLE VII

THE BOND TRUSTEE

Section 701. Acceptance of the Trusts. The Issuer initially appoints the Bond Trustee as Paying Agent and Registrar. The Bond Trustee accepts and agrees to execute the trusts imposed upon it by this Bond Indenture and to act as the Bond Trustee, but only upon the terms and conditions set forth herein, to all of which the Issuer agrees and the respective owners of the Series 2020A Bonds agree by their acceptance of delivery of any of the Series 2020A Bonds. The Bond Trustee, prior to the occurrence of an Event of Default hereunder and after the curing of all events of default hereunder which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Bond Indenture and no duties shall be implied. If an Event of Default has occurred and is continuing, the Bond Trustee shall exercise such of the rights and powers vested in it by this Bond Indenture and shall use the same degree of care as a prudent person would exercise in the circumstances in the conduct of such person's own affairs. The Bond Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for its own negligence or willful misconduct. The Bond Trustee agrees to perform such trusts only upon and subject to the following expressed terms and conditions:

(a) The Bond Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, employees, or receivers and shall not be responsible for the misconduct or negligence of any such attorneys, agents, employees or receivers appointed with due care, and shall be entitled to advice of counsel concerning all matters of trusts hereof and duties hereunder, and may in all cases pay and be reimbursed for such reasonable compensation to any attorney, agent, employee, receiver or employee retained or employed by it in connection herewith. The Bond Trustee may act upon the opinion or advice of an attorney, surveyor, engineer or accountant selected by it in the exercise of reasonable care. The Bond Trustee shall not be responsible for any loss or damage resulting from any action or nonaction based on its good faith reliance upon such opinion or advice.

(b) The Bond Trustee shall not be responsible for any recital herein, or in the Series 2020A Bonds (except with respect to the certificate of the Bond Trustee endorsed on the Series 2020A Bonds), or for the investment of moneys as herein permitted (except that no investment shall be made except in compliance with Section 307 hereof), or for the recording or re-recording, filing or re-filing of this Bond Indenture, or any supplement or amendment thereto, or the filing of financing statements, or for the validity of the execution by the Issuer of this Bond Indenture, or of any supplemental indentures or instruments of further assurance, or for the sufficiency of the security for the Series 2020A Bonds issued hereunder or intended to be secured hereby, or for the value or title of the property herein conveyed or otherwise as to the maintenance of the security hereof.

(c) The Bond Trustee shall not be accountable for the investment, use or application by the Issuer of any of the Series 2020A Bonds or the proceeds thereof or for the use or application of any money paid over by the Bond Trustee in accordance with the provisions of this Bond Indenture or for the use and application of money received by any

Paying Agent. The Bond Trustee may become the owner of Series 2020A Bonds secured hereby with the same rights it would have if not Bond Trustee.

(d) The Bond Trustee shall be protected in acting upon any notice, order, requisition, request, consent, certificate, order, opinion (including an opinion of Independent Counsel), affidavit, letter, telegram or other paper or document in good faith deemed by it to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Bond Trustee pursuant to this Bond Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Series 2020A Bond, shall be conclusive and binding upon all future owners of the same Series 2020A Bond and upon Series 2020A Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Bond Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer by its Mayor, Deputy Mayor, City Auditor, Director of Finance, or Deputy City Auditor as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which the Bond Trustee has been notified as provided in subsection (g) of this Section, or of which by said subsection it is deemed to have notice, may accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Bond Trustee may accept a certificate of the City Auditor or Deputy City Auditor of the Issuer to the effect that a resolution in the form therein set forth has been adopted by the Issuer as conclusive evidence that such resolution has been duly adopted, and is in full force and effect.

(f) The permissive right of the Bond Trustee to do things enumerated in this Bond Indenture shall not be construed as a duty and the Bond Trustee shall not be answerable for other than its gross negligence or willful default.

(g) The Bond Trustee shall not be required to take notice or be deemed to have notice of any default hereunder, other than an Event of Default under clause (a) or (b) of Section 602 hereof unless the Responsible Officer shall be specifically notified in writing of such default by the Issuer or by the holders of at least twenty-five percent in aggregate principal amount of all Series 2020A Bonds then outstanding, and all notices or other instruments required by this Bond Indenture to be delivered to the Responsible Officer must, in order to be effective, be delivered at the principal corporate trust office of the Bond Trustee, and in the absence of such notice so delivered the Bond Trustee may conclusively assume there is no default except as aforesaid.

(h) The Bond Trustee shall not be personally liable for any debts contracted or for damages to persons or to personal property injured or damaged, or for salaries or nonfulfillment of contracts during any period in which it may be in possession of or managing the property of the Issuer and shall have no obligation to expend its own funds for any purpose whatsoever.

(i) At any and all reasonable times, the Bond Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect any and all books, papers and records of the Issuer pertaining to the Series 2020A Bonds, and to take such memoranda from and in regard thereto as may be desired.

(j) The Bond Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(k) Notwithstanding anything elsewhere in this Bond Indenture contained, the Bond Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Series 2020A Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Bond Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Bond Trustee deemed reasonably necessary for the purpose of establishing the right of the Issuer to the authentication of any Series 2020A Bonds, the withdrawal of any cash, the release of any property or the taking of any other action by the Bond Trustee.

(l) Before taking any action under Articles VI or VII of this Bond Indenture, the Bond Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its gross negligence or willful default in connection with any action so taken.

(m) All moneys received by the Bond Trustee or any Paying Agent shall, until used or applied or invested as provided in this Bond Indenture, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law or by this Bond Indenture. Neither the Bond Trustee nor any Paying Agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(n) The Bond Trustee shall not be liable for any error in judgment exercised in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Bond Indenture.

(o) In no event shall the Bond Trustee be liable for incidental, indirect, special, consequential or punitive damages or penalties (including, but not limited to lost profits), even if the Bond Trustee has been advised of the likelihood of such damages or penalty and regardless of the form of action.

(p) No provision of this Bond Indenture shall require the Bond Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

Section 702. Fees, Charges and Expenses of Bond Trustee and any Additional Paying Agent. The Bond Trustee shall be entitled to payment and/or reimbursement for

reasonable fees and for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Bond Trustee in connection with such services. The Bond Trustee shall be entitled to payment and/or reimbursement for the reasonable fees and charges of the Bond Trustee as Paying Agent and Registrar for the Series 2020A Bonds as hereinabove provided. Any additional Paying Agent shall be entitled to payment and/or reimbursement for its reasonable fees and charges as additional Paying Agent for the Series 2020A Bonds. Upon an Event of Default hereunder, but only upon an Event of Default hereunder, the Bond Trustee and any additional Paying Agent shall have a right of payment prior to payment on account of interest or principal of, or premium, if any, on any Series 2020A Bond for the foregoing advances, fees, costs and expenses incurred; provided, however, that in no event shall the Bond Trustee or any such additional Paying Agent have any such prior right of payment or claim therefor against moneys or obligations deposited with or paid to the Bond Trustee for the redemption or payment of Series 2020A Bonds which are deemed to have been paid in accordance with Article IX hereof.

Section 703. Notice to Issuer and the Bondholders if Default Occurs. If a default occurs of which the Bond Trustee is by subsection (g) of Section 701 hereof required to take notice or if notice of default is given as in said subsection (g) provided, then the Bond Trustee shall give written notice thereof by first class mail, postage prepaid, to the Issuer and the registered owners of all Series 2020A Bonds then outstanding.

Section 704. Good Faith Reliance. The Bond Trustee and any additional Paying Agent shall be protected and shall incur no liability in acting or proceeding in good faith upon any resolution, notice, telegram, telex or facsimile transmission, request, consent, waiver, certificate, statement, affidavit, voucher, bond, requisition or other paper or document which it shall in good faith believe to be genuine and to have been passed or signed by the proper board, body or person or to have been prepared and furnished pursuant to any of the provisions of this Bond Indenture, or upon the written opinion of any attorney, engineer, accountant or other expert believed by the Bond Trustee and any additional Paying Agent, as the case may be, to be qualified in relation to the subject matter, and the Bond Trustee and any additional Paying Agent shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument, but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements. Neither the Bond Trustee nor any Paying Agent shall be bound to recognize any person as an owner of Series 2020A Bonds or to take any action at such person's request unless satisfactory evidence that such person is the registered owner of such Series 2020A Bond shall be furnished to such entity.

Section 705. Dealings in Series 2020A Bonds. The Bond Trustee and any additional Paying Agent, in its individual capacity, may in good faith buy, sell, own, hold and deal in any of the Series 2020A Bonds issued hereunder, and may join in any action which any owner may be entitled to take with like effect as if it did not act in any capacity hereunder. The Bond Trustee and any additional Paying Agent, in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other transaction with the Issuer, and may act as depository, trustee or agent for any committee or body of owners of Series 2020A Bonds secured hereby or other obligations of the Issuer as freely as if it did not act in any capacity hereunder.

Section 706. Several Capacities. Anything in this Bond Indenture to the contrary notwithstanding, the same entity may serve hereunder as the Bond Trustee, the Paying Agent and the Registrar, and in any other combination of such capacities, to the extent permitted by law.

Section 707. Intervention by Bond Trustee. In any judicial proceeding to which the Issuer is a party and which in the opinion of the Bond Trustee and its counsel has a substantial bearing on the interests of owners of the Series 2020A Bonds, the Bond Trustee may intervene on behalf of Bondholders and shall do so if requested in writing by the owners of at least twenty-five percent in aggregate principal amount of all Series 2020A Bonds then outstanding. The rights and obligations of the Bond Trustee under this Section are subject to the approval of a court of competent jurisdiction.

Section 708. Successor Bond Trustee by Merger or Consolidation. Any corporation or association into which the Bond Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, provided such corporation or association is otherwise eligible under Section 709 hereof, shall be and become successor Bond Trustee hereunder and vested with all of the title to the whole property or Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 709. Bond Trustee Required; Eligibility. There shall at all times be a Bond Trustee hereunder which shall be a bank or trust company in good standing under the law of the State and organized under the laws of the United States of America or any state, authorized to exercise corporate trust powers, subject to supervision or examination by federal or state authorities, and having a reported combined capital and surplus of not less than \$75,000,000. If at any time the Bond Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner provided in Section 710 hereof. No resignation or removal of the Bond Trustee and no appointment of a successor Bond Trustee shall become effective until the successor Bond Trustee has accepted its appointment under Section 713 hereof.

Section 710. Resignation by the Bond Trustee. Subject to Section 709, the Bond Trustee and any successor Bond Trustee may at any time resign from the trusts created by this Bond Indenture by executing any instrument in writing resigning such trusts and specifying the date when such resignation shall take effect, and filing the same with the Issuer, not less than 45 days before the date specified in such instrument when such resignation shall take effect, and by giving notice of such resignation by first class mail, postage prepaid, not less than 20 days prior to such resignation date, to each registered owner of Series 2020A Bonds then outstanding, as shown by the Bond Register.

Section 711. Removal of the Bond Trustee. Subject to Section 709, the Bond Trustee may be removed by filing with the Bond Trustee so removed, and with the Issuer, an instrument or instruments in writing by the owners of not less than fifty-one percent in aggregate principal amount of the Series 2020A Bonds which are outstanding hereunder at the time of execution of such instrument, appointing a successor, or an instrument or instruments in writing by the owners

of not less than fifty-one percent in aggregate principal amount of the Series 2020A Bonds which are outstanding hereunder at the time of execution of such instrument, consenting to the appointment by the Issuer of a successor and accompanied by an instrument of appointment by the Issuer of such successor.

Unless an Event of Default has occurred and is continuing, the Bond Trustee may also be removed by the Issuer 30 days after mailing to the Bond Trustee and the Bondholders a notice of its intent to remove the Bond Trustee unless objections to such action signed by the Holders of 51% or more of the principal amount of Series 2020A Bonds outstanding are filed with the Bond Trustee within such 30-day period. If the Holders of 51% or more of the outstanding principal amount of Series 2020A Bonds fail to so object, the Bond Trustee may be removed upon appointment of a successor in accordance with Section 712.

Section 712. Appointment of Successor Bond Trustee; Temporary Bond Trustee. Subject to Section 709, in case the Bond Trustee hereunder shall resign or be removed, or be dissolved, or shall be in the process of dissolution or liquidation, or otherwise becomes incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed, by the owners of 51% or more in aggregate principal amount of Series 2020A Bonds then outstanding, by an instrument or concurrent instruments in writing signed by such owners, or by their attorneys in fact, duly authorized, provided, nevertheless, that in case of such vacancy the Issuer by an instrument executed and signed by a duly authorized officer, may appoint a temporary Bond Trustee to fill such vacancy until a successor Bond Trustee shall be appointed by the Bondholders in the manner above provided; provided further, that if no permanent successor Bond Trustee shall have been appointed by the Bondholders within the six calendar months next succeeding the month during which the Issuer appoints such a temporary Bond Trustee, such temporary Bond Trustee shall without any further action on the part of the Issuer or the Bondholders become the permanent successor Bond Trustee. The foregoing notwithstanding, any such temporary Bond Trustee so appointed by the Issuer shall immediately and without further act be superseded by any successor Bond Trustee so appointed by such Bondholders within the six calendar months next succeeding the month during which such temporary Bond Trustee is appointed.

Section 713. Judicial Appointment of Successor Trustee. In case at any time the Bond Trustee shall resign and no appointment of a successor Bond Trustee shall be made pursuant to the foregoing provisions of this Article VII prior to the date specified in the notice of resignation as the date when such resignation is to take effect, the resigning Bond Trustee may forthwith apply to a court of competent jurisdiction for the appointment of a successor Bond Trustee. If no appointment of a successor Bond Trustee shall be made pursuant to the foregoing provisions of this Article VII within 30 days after a vacancy shall have occurred in the office of Bond Trustee, any owner of Series 2020A Bonds may apply to any court of competent jurisdiction to appoint a successor Bond Trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Bond Trustee.

Section 714. Concerning Any Successor Bond Trustees. Every successor Bond Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the

estates, properties, rights, powers, trusts, duties and obligations of its predecessor, but such predecessor shall, nevertheless, on the written request of the Issuer, or of its successor, execute and deliver an instrument transferring to such successor Bond Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Bond Trustee shall deliver all securities and moneys held by it as Bond Trustee hereunder to its successors. Should any instrument in writing from the Issuer be required by any successor Bond Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. The resignation of any Bond Trustee and the instrument or instruments removing any Bond Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article shall be filed and/or recorded by the successor Bond Trustee in each recording office, if any, where this Bond Indenture shall have been filed and/or recorded.

Section 715. Bond Trustee Protected in Relying Upon Documents. The resolutions, opinions, certificates and other instruments provided for in this Bond Indenture may be accepted by the Bond Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and Issuer to the Bond Trustee for the release of property and the withdrawal of cash hereunder.

Section 716. Successor Bond Trustee as Trustee of Funds, Paying Agent and Bond Registrar. In the event of a change in the office of Bond Trustee, the predecessor Bond Trustee which has resigned or been removed shall cease to be trustee of the funds provided hereunder and Registrar and Paying Agent for principal of, premium, if any, and interest on the Series 2020A Bonds, and the successor Bond Trustee shall become such Bond Trustee, Registrar and Paying Agent unless a separate Paying Agent or Agents are appointed by the Issuer in connection with the appointment of any successor Bond Trustee.

Section 717. Indemnification of Trustee. To the extent authorized by law, the Issuer shall indemnify and hold harmless the Bond Trustee against any and all loss, damage, claims, expense and liability arising out of or in connection with the acceptance of administration of the trust or trusts hereunder, including the costs and expenses of defending itself against any claim (whether asserted by the Issuer, any bondholder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder except to the extent that such loss, damage, claim, expense or liability is determined by a court of competent jurisdiction to have been caused solely by Bond Trustee's gross negligence or willful misconduct.

ARTICLE VIII

SUPPLEMENTAL BOND INDENTURES

Section 801. Supplemental Bond Indentures Not Requiring Consent of Bondholders. Subject to the limitations set forth in Section 802 hereof with respect to this Section 801, the Issuer and the Bond Trustee may, without the consent of, or notice to, any of the Bondholders, enter into an indenture or indentures supplemental to this Bond Indenture, as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

- (a) to cure any ambiguity or formal defect or omission in this Bond Indenture;
- (b) to grant to or confer upon the Bond Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders and the Bond Trustee, or either of them;
- (c) to assign and pledge under or subject to this Bond Indenture additional revenues, properties or collateral;
- (d) to evidence the appointment of a separate bond trustee or the succession of a new bond trustee hereunder;
- (e) to permit the qualification of this Bond Indenture under the Trust Indenture Act of 1939, as then amended, or any similar federal statute hereafter in effect or to permit the qualification of the Series 2020A Bonds for sale under the securities laws of any state of the United States; and
- (f) to make any other change that does not materially adversely affect the rights of any Bondholders.

Section 802. Supplemental Bond Indentures Requiring Consent of Bondholders. Dear Commissioners:

Chapter 57-02.2 of the North Dakota Century Code provides for a property tax exemption for certain types of improvements made to existing buildings.

I have attached a copy of an application for real estate tax exemption of building improvements for the property at 3217 35 ½ Court Ave. S as submitted by Francis E. & Barbara M. Leier. A description of the property involved, types of improvements to be made, and assessment information are indicated on the application.

It is my opinion that the value of some of the improvements, referred to in the application, qualifies for the exemption. This exemption would be for the years 2019, 2020, & 2021.

The estimated annual tax revenue lost by granting the exemption, based upon the estimated cost of the improvements, would be about \$100 with the City of Fargo's share being \$15.

Sincerely,

A handwritten signature in black ink, appearing to read "Ben Hushka".

Fargo, ND 58102

Dear Commissioners:

Chapter 57-02.2 of the North Dakota Century Code provides for a property tax exemption for certain types of improvements made to existing buildings.

I have attached a copy of an application for real estate tax exemption of building improvements for the property at 77 Prairiewood Dr. S as submitted by Rhet & Maha Fiskness. A description of the property involved, types of improvements to be made, and assessment information are indicated on the application.

It is my opinion that the value of some of the improvements, referred to in the application, qualifies for the exemption. This exemption would be for the years 2020, 2021, 2022, 2023, & 2024.

The estimated annual tax revenue lost by granting the exemption, based upon the estimated cost of the improvements, would be about \$1,580 with the City of Fargo's share being \$270.

Sincerely,

A handwritten signature in cursive script, which appears to read "Ben Hushka".

Dear Commissioners:

Attached is *Application For Abatement Or Refund Of Taxes #4486* prepared by Christopher Stafford of Fredrickson & Byron, PA, representing Fargo Doublewood Inn, LP. The application is for the Ramada Inn hotel property at 3333 13th Ave. S. and is requesting that the valuation for 2017 be reduced from \$7,990,000 to \$5,000,000.

The abatement application was filed with the County Auditor on the last day legally allowed for the 2017 assessment year. Fredrickson & Byron, PA also filed abatements for the 2017 tax year at about the same time on a number of properties across the state.

There was no contact with our office from the owner of the property requesting a review of the valuation. We also have not received an authorization signed by the ownership of the property designating Fredrickson & Byron, PA to represent them in this matter.

During our review of the property information for this appeal, we discovered that the value for 2018 & 2019 was incorrectly certified to the County, as a result of a clerical error, as \$5,054,000 rather than \$7,990,000. Corrections were sent to the County for each of those years. The owner was notified of the omitted assessment and was given an opportunity to appeal to the County Auditor. The additional tax for 2018 was paid shortly after being notified by the County.

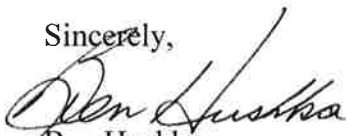

Our current value was arrived at using the same valuation methodology and approaches that we have used to arrive at the valuations of all other similar properties in the city. We have provided information indicating how our current value of the subject property is supported by sales and is consistent with our value on competing properties.

There was no appraisal, valuation analysis, or any information provided by the applicant to support the requested value of \$5,000,000.

SUGGESTED MOTION:

Denial of Application For Abatement Or Refund Of Taxes #4486 submitted by Christopher Stafford of Fredrickson & Byron, PA on behalf of Fargo Doublewood Inn, LP on 3333 13th Ave. S.

Sincerely,

Ben Hushka

Michael S Raum and Christopher A Stafford

Fredrikson & Byron, PA, as agent, has filed an application for abatement and refund of taxes on the above referenced property for the 2017 assessment year. The application, County Auditor's File No. 4486, is requesting a value of \$5,000,000 or a reduction of \$2,990,500 on behalf of Fargo Doublewood Inn, LP as the owner.

Assessment Department staff reviewed the 2017 certified value by verifying property data and performing an updated cost estimate. Staff also reviewed the valuation history. In that review, it was discovered that, due to a clerical error, the 2018 & 2019 value was incorrectly certified as \$5,054,000. Omitted assessment corrections were submitted to Cass County who corrected the valuation for both years to \$7,990,500. Ownership promptly paid the additional tax for 2018 after being notified by the County Auditor without exercising their right to dispute the added valuation.

We have requested an authorization letter granting the preparer of the application the right to act on the owner's behalf in this appeal. We have also requested any recent appraisals of the property and three years of income and expense data. We have not received the requested information and no information has been provided by the preparer to support their requested value.

In our review of this appeal, we found that there was a mortgage recorded on 2/12/2018 in the amount of \$5,250,000 for this property. This would indicate that there has likely been a recent appraisal completed. Typical financing for similar properties would carry a 70% loan-to-value ratio. That would indicate a value of approximately \$7,500,000.

Local sales provide support for the current value and we believe there is uniformity in our valuation of comparable properties.

Sale Analysis

The sales, all located in Fargo, as recapped in the following table, occurred between March 2016 and September 2019. Some of the sales occurred after the 2017 assessment date. They were simply used as data for a test of the reliability of the value arrived at for 2017.

As recapped in the following table, the 2017 value of the Ramada Inn (formerly known as the Best Western Doublewood Inn) falls well below the mean and median indications of value for all but the "Economy" properties and then only on the value per room unit of comparison.

When compared to competing "Economy" properties, the value of the Ramada Inn is valued in-line based on a per square foot basis and high based on a per room basis. The explanation for this is fewer rooms, in larger properties, results in a higher value on a per room basis. Furthermore, these "Economy" hotels generally do not provide all the extra amenities offered by the Ramada Inn such as restaurant, lounge, banquet facilities, and in some case pools.
