Board of City Commissioners

Fargo, ND 58102

Dear Commissioners:

Chapter 57-02.2 of the North Dakota Century Code provides for a property tax exemption for certain types of improvements made to existing buildings.

I have attached a copy of an application for real estate tax exemption of building improvements for the property at 43 18 Ave. N as submitted by Steven T. & Eileen A. Carroll. A description of the property involved, types of improvements to be made, and assessment information are indicated on the application.

It is my opinion that the value of some of the improvements, referred to in the application, qualifies for the exemption. This exemption would be for the years 2019, 2020, 2021, 2022, & 2023.

The estimated annual tax revenue lost by granting the exemption, based upon the estimated cost of the improvements, would be about \$195 with the City of Fargo's share being \$35.

Sincerely,

Ben Hushka
City Assessor

Fargo, ND 58102

Dear Commissioners:

Chapter 57-02.2 of the North Dakota Century Code provides for a property tax exemption for certain types of improvements made to existing buildings.

I have attached a copy of an application for real estate tax exemption of building improvements for the property at 1551 32 St. S Unit 201E as submitted by Vicki A. Fredrikson. A description of the property involved, types of improvements to be made, and assessment information are indicated on the application.

It is my opinion that the value of some of the improvements, referred to in the application, qualifies for the exemption. This exemption would be for the years 2019, 2020, & 2021.

The estimated annual tax revenue lost by granting the exemption, based upon the estimated cost of the improvements, would be about \$405 with the City of Fargo's share being \$70.

Sincerely,

Ben Hushka

City of Fargo)	AND
)	DEMAND FOR JURY TRIAL
)	
Defendant.)	
)	

COMES NOW the Plaintiff, Scot Kelsh,, and for his Complaint against the Defendant states as follows:

I. PARTIES AND JURISDICTION

1. Plaintiff Scot Kelsh is a resident of Fargo, North Dakota.
2. Defendant City of Fargo, pursuant to its Home Rule Charter, is a municipal body politic and corporate in perpetuity, under the name of "City of Fargo."
3. This action arises under the Americans with Disabilities Act of 1990 (ADA), 42 U.S.C. 12101 et seq., and the Rehabilitation Act, 29 U.S.C. § 794. The jurisdiction of this court is founded on 28 U.S.C. §1331.
4. Venue is proper in the U.S. District Court for the District of North Dakota pursuant to 28 U.S.C. § 1391(b).

II. STATEMENT OF FACTS RELEVANT TO ALL CLAIMS

5. Kelsh began employment as a firefighter with the City of Fargo Fire Department on August 24, 2009.

6. In September 2015, Kelsh was diagnosed with a work-related disability -- post-traumatic stress disorder (PTSD) -- which prevented him from performing the essential functions of his position as a firefighter.

7. Kelsh was placed under temporary medical restrictions which were accommodated by Defendant, which assigned him to administrative duties.

8. On December 4, 2015, Defendant received a Interactive Process Questionnaire completed by Kelsh's physician. As to the expected duration of Kelsh's disability, the physician stated "No way to know, work impairment is long term. Treatment for sleep is ongoing w/medical stuff with limited success...I believe this is an ongoing issue..."

9. On December 10, 2015, based on the Interactive Process Questionnaire, the City of Fargo was no longer temporary but permanent in nature.

10. Defendant then informed Kelsh that he had six weeks to find other employment with the City of Fargo. Kelsh filed applications for at least eight City positions, but he was rejected for all those positions.

11. Defendant terminated Kelsh's employment on February 2, 2016.

12. Kelsh appealed his termination to the Fargo Civil Service Commission, which upheld the termination. Kelsh then appealed to the Fargo City Commission, which also upheld the termination.

13. In the course of the public hearing before the Fargo Civil Service Commission on

March 1, 2016, which was attended by various press and media outlets, one of the commissioners asked Kelsh questions about his disability and specifically referred to that disability as “post-traumatic stress disorder.” As a result, an article published on the front page of the *Fargo Forum* on March 2, 2016, identified Kelsh as suffering from post-traumatic stress disorder.

14. As a result of the nature of Kelsh’s disability being made public, Kelsh has been unable to secure employment of a permanent nature since March 2016. In addition, Kelsh has suffered emotional distress and mental anguish, and damage to his reputation, as a result of the Defendant’s unlawful disclosure of his disability.

15. John Seral was employed as a firefighter by Defendant City of Fargo Fire Department at the same time as Kelsh. Due to a physical disability, Seral was accommodated with light duty assignments for a period of 18-24 months. By contrast, Kelsh, who had a mental disability, was accommodated with light duty assignments for less than six months.

16. Kelsh’s total compensation including salary and benefits at the time of his discharge On February 2, 2016, was approximately \$70,000 per year.

17. On June 22, 2016, Kelsh filed a charge of discrimination with the U.S. Equal Employment Opportunity Commission, Minneapolis Area Office. The charge was transferred to the North Dakota Department of Labor and Human Rights for investigation.

18. The Labor Department issued its determination on June 18, 2018. Following a review by the EEOC, the EEOC issued a “Dismissal and Notice of Rights” letter dated September 24, 2018. This action is timely filed within 90 days of Kelsh’s receipt of that letter.

COUNT ONE

DISCRIMINATION UNDER THE ADA AND VIOLATION OF THE ADA’S CONFIDENTIALITY PROVISIONS

19. Plaintiff re-alleges and incorporates herein the allegations set forth in Paragraphs 1-18.

20. At the time he was terminated, Kelsh was a protected person under the ADA. He was qualified to perform the administrative duties to which he had been assigned and he had a qualifying disability.

21. Kelsh sustained two types of adverse employment action in violation of the ADA. First, he was treated less favorably than a similarly situated employee with a different type of disability. Secondly, his confidential medical information was disclosed to the public, in violation of 42 U.S.C. § 12112(d).

22. The actions of the City of Fargo were in violation of the ADA and as a direct and proximate result of those actions, Kelsh has suffered a loss of past and future salary and benefits in the approximate amount of \$700,000, and has also suffered mental anguish and emotional distress.

23. The actions of the City of Fargo herein described were taken with malice and recklessness, entitling Kelsh to an award of punitive damages pursuant to 42 U.S.C. § 1981a.

24. Kelsh is also is entitled to an award of his reasonable attorney fees in this matter pursuant to 42 U.S.C. § 12205.

COUNT TWO

DISPARATE TREATMENT UNDER THE REHABILITATION ACT

25. Plaintiff re-alleges and incorporates herein the allegations set forth in Paragraphs 1-24.

26. At all times material hereto, Defendant City of Fargo was a “program or activity” receiving Federal financial assistance, as that term is defined in the Rehabilitation Act at 29 U.S.C. § 794(a).

27. The actions of the City of Fargo set forth herein constituted a violation of the

Rehabilitation Act because Kelsh was a member of a protected class, he was qualified to perform the administrative duties assigned to him, he was subjected to an adverse employment in not being accommodated for a longer period of time, and he was treated less favorably than a similarly situated employee with a different type of disability.

28. As a direct and proximate result of Defendant's violation of the Rehabilitation Act, Kelsh has suffered a loss of past salary and benefits in the approximate amount of \$100,000, and has also suffered mental anguish and emotional distress.

29. Kelsh is entitled to an award of his reasonable attorney fees in this matter pursuant to 29 U.S.C. § 704a.

WHEREFORE, Plaintiff Scott Kelsh prays for judgment against Defendant City of Fargo as follows:

1. For lost salary and benefits in the amount of \$800,000 or such other amount as is proved at trial;
2. For compensatory damages for emotional distress and mental anguish in the amount of \$500,000;
3. For punitive damages in the amount of \$500,000;
4. For an award of his reasonable attorney fees incurred in this action;
5. For an award of his costs and disbursements herein;
6. For such other and further relief as the Court may deem just and equitable in the circumstances.

DEMAND FOR JURY TRIAL

Plaintiff Scot Kelsh hereby demands a trial by jury of the maximum number of jurors permitted by law.

Dated this 21st day of December, 2018.

Summary of Proposed Amendment:

1. Revised Activity: Slum & Blight Abatement/Hazardous Property Clearance + \$520,585

May include any of the following clearance and remediation activities: acquisition, environmental remediation, clearance, demolition, rehabilitation to the extent necessary to eliminate a specific condition detrimental to public health and safety, and relocation benefits to qualified tenants or owners as required by state or federal law. The purpose of the amendment is to expand project location to city-wide, allowing for slum and blight removal to occur on a "spot basis" rather than in a specified area (i.e., slum blight area) and to increase the budget to help the City of Fargo meet timely expenditure requirements. Amendment would revise 5-Year Consolidated Plan and 2016/2017/2018 annual action plans. National Objective: Slum & Blight Spot Basis [24 CFR Part 570.208 (b)(2)]; potential HUD Matrix Codes: 04 Clearance and Demolition; 14G Acquisition for Rehabilitation

Priorities – Blighted/Hazardous structures and properties in deteriorated condition, including those under the City's abatement/code enforcement authority when the owner has not complied.

Financial – This amendment would increase the budget for this activity from \$100,000 to approximately \$620,585. Approximately \$520,585 will be obligated from unallocated resources due to over-budgeted activities, cancelled activities, and program income receipts higher than expected.

Amount	Source
\$100,000	Existing approved 2018 budget for Slum & Blight Abatement
\$165,000	Full reallocation of Public Facilities Improvements projects (i.e., Great Plains Food Bank - \$75,000/Jeremiah Program - \$50,000/Youthworks - \$40,000)
\$45,000	Partial reallocation of Rape & Abuse Crisis Center Public Facilities Improvements (Owner reduced scope of work)
\$100,000	Reallocation of 2017 Storefront Rehabilitation unused (2016 budget was over-budgeted and used to fund actual 2017 projects)
\$210,585	Program Income – Nokomis
\$620,585	TOTAL BUDGET (approx.)

Any additional CDBG program income received in 2018 will also be used for this activity. Program income is primarily based on sporadic single family loan repayments. It fluctuates from year to year and annual estimations may be over or under actual.

2. Canceled Activity: Great Plains Food Bank

CDBG funds were designated to support a facility upgrade at the Great Plains Food Bank (1720 3rd Avenue North). Based on factors such as availability of contractors and timing of donor pledge payments, Great Plains Food Bank notified the City of Fargo that they were not in a position to fulfill the federal requirements of the grant and declined the 2016 award. National Objective: 570.208(a)(1) – LMA/Eligibility 570.201(c); HUD Matrix Code 03E – Neighborhood Facilities.

Financial: \$75,000 is proposed to be redirected from the Great Plains Food Bank project to Slum & Blight Abatement/Hazardous Property Clearance.

3. Canceled Activity: Jeremiah Program Fargo-Moorhead

The Jeremiah Program Fargo-Moorhead (801 Page Drive South), which houses and assists low-to-moderate income single mothers working on post-secondary education, declined a 2017 award for a public facilities improvement(s) project. Contractors and sub-contractors did not register in the System for Award Management prior to their construction deadline. Registration is required prior to entering into contracts on federally funded projects. National Objective: 570.208(a)(2) LMC/Eligibility 570.201(c); HUD Matrix Code 03C – Homeless Facilities – Not Operating Costs

Financial – \$50,000 is proposed to be redirected from the Jeremiah Program Fargo-Moorhead project to Slum & Blight Abatement/Hazardous Property Clearance.

4. Canceled Activity: Youthworks

Youthworks (315 University Drive South), which houses and assists homeless youth and young adults, declined a 2017 award for a public facilities improvement(s) project. They were unable to secure a contractor to complete the project following federal regulations of Davis Bacon Labor Standards (prevailing wages) and registration in the System for Award Management. Registration is required prior to entering into contracts on federally funded projects. National Objective: 570.208(a)(2) LMC/Eligibility 570.201(c); HUD Matrix Code 03Q – Facilities for Abused and Neglected Children

Financial – \$40,000 is proposed to be redirected from the Youthworks project to Slum & Blight Abatement/Hazardous Property Clearance.

5. New Activity – Gladys Ray Emergency Homeless Shelter Facilities Improvements or Relocation + \$150,000

The Gladys Ray Emergency Homeless Shelter (1519 1 Avenue South) provides a safe, temporary shelter to people who cannot access other shelter options in the community, and to help connect people to housing and services in a welcoming and non-judgmental environment. It has a capacity for 25 adult males and 10 adult females and is sponsored by the VA Health Care System to provide a Veteran’s Drop-In Center. It also

provides short-term residential, social (non-medical) detoxification services at its Withdrawal Management Unit (WMU). Since the shelter has occupied the space (2007), there has been no significant rehabilitation to the facility. The shelter has various needs for improvement including, but not limited to improvements in public common areas, sleeping areas, restrooms, the WMU, and exterior areas. It is possible that funds may be used for relocation to a different building if the costs of improvements outweigh the costs of relocation. This new goal would be added to the 5-Year Consolidated Plan, with the specific activity being added to the 2018 Annual Action Plan. National Objective: 570.208(a)(2) LMC/Eligibility 570.201(c); HUD Matrix Code 03C – Homeless Facilities (non-operating costs)

Financial – \$150,000 is proposed to be redirected from multiple years of unallocated resources due to over-budgeted activities, cancelled activities, and program income receipts higher than expected.

6. New Activity – Washington Elementary School Playground Improvements + \$150,000

Playground equipment at the Fargo Public School's Washington Elementary is 30 years old and replacement parts are no longer available to repair the old playground. Replacing equipment and surfaces/landscaping would increase accessibility and safety as new equipment and playground-related codes have been changed significantly in the past 30 years. This playground also functions as a neighborhood playground and may be used by anyone. This new goal would be added to the 5-Year Consolidated Plan, with the specific activity being added to the 2018 Annual Action Plan. National Objective: 570.208(a)(1) – LMA/Eligibility 570.201(c); HUD Matrix Code 03F – Parks, Recreational Facilities

Financial – \$150,000 is proposed to be redirected from multiple years of unallocated resources due to over-budgeted activities, cancelled activities, and program income receipts higher than expected.

Comments and suggestions from the public are encouraged during the public comment period and/or at the public hearing (schedule above). In advance of the public hearing, alternative formats of this information or accommodation for persons with disabilities or limited English proficiency will be made upon request (10 hours notice is required). RE: RFP for Aerial Lift Truck (RFP18352)

Commissioners:

On December 14th, 2018, proposals were received for one (1) Aerial Lift Truck. Three proposals were submitted by three separate vendors.

The results were as follows:

Table with 2 columns: Firm, Price. Rows include ABM Truck Equipment (\$115,950.00), Altec Industries, Inc. (\$125,892.00), and Truck Utilities (\$130,500.00).

The review committee, consisting of Scott Liudahl, Tracy Zaboltny and Tanner Smedshammer determined that all vendor's met required specifications. Our recommendation is to purchase based on the low cost proposal from ABM Truck Equipment. Funding for this project is included in the 2019 Forestry Budget.

SUGGESTED MOTION:

Approve the recommendation to purchase one (1) Aerial Lift Truck from ABM Truck Equipment for the amount of \$115,950.00.

Respectfully Submitted,

<u>Activity</u>	<u>2018 rate</u>	<u>2019 proposed rates</u>
Tree Removal	\$16.40 per diameter inch	\$16.73
Stump Removal	\$96.82 per stump	\$98.76
All-Terrain Grounds Maintenance	\$1910 bi-weekly	\$1910 (no change)

Considering last year's numbers, a 2% increase would be approximately \$1315 more for tree removals, \$249 more for stump removal.

The 2019 forestry budget can support the proposed rates from Cougar Tree Care, Inc., and All-Terrain Grounds Maintenance.

Recommended motion:

Move to approve 2019 contracted forestry services agreements with Cougar Tree Care, Inc. for tree and stump removal (RFP18090), and All-Terrain Grounds Maintenance for landscape bed maintenance (RFP17025).

Your approval of this request is appreciated.

Honorable Board of
City Commissioners
City of Fargo
Fargo, ND 58102

Dear Commissioners:

One bid was received for supplying pebble lime to the Water Treatment Plant for 2019.
That bid is listed below:

Water Treatment Plant Lime Chemical Bid Results		
Product Name	Vendor	Unit Price
Lime	Graymont (WI) LLC	\$173.00 / ton

The recommendation is to award the 2019 lime chemical bid as listed above.

The unit price of \$173.00 / ton for lime reflects no change in price from 2018 and equates to an estimated annual cost of \$875,380.00 for 2019. With the additional water treatment through the Membrane Water Treatment Facility, the lime usage for 2019 is estimated to be 5,060 tons which is a 24% reduction from 2018.

Sincerely,

Brian A. Ward
Water Plant Superintendent
