Cass Clay Food Commission Update. Since March 2015, the Cass Clay Food Commission (formerly the Cass Clay Food Systems Advisory Commission) has worked to advise elected officials, policy makers, and city and county staff on ways of increasing access to safe, nutritious, and affordable food in the Fargo-Moorhead metropolitan area. During much of this time, the Commission has focused on the broad area of urban agriculture and has developed a number of policy blueprints examining the technical, practical, and financial considerations for different practices. Each blueprint includes background information on an urban agriculture issue, a framework for evaluating benefits and concerns, and model codes and example ordinances from other jurisdictions in the region and throughout the country. The intended purpose of these blueprints is to provide policy guidance and education to city and county officials, planning departments, and other interested parties should a community decide to address an urban agriculture issue. Each blueprint is available to download on the Fargo Cass Public Health website.

Cass Clay Food Partners Restructure. The Cass Clay Food Systems Initiative was formed in 2010 in response to a growing local interest in healthy food access and opportunities to produce and consume locally grown food. As part of its work, the Initiative worked closely with Metro COG to develop the Metropolitan Food Systems Plan and a Joint Powers Agreement creating the Cass Clay Food Commission.

During this time, the Fargo-Moorhead food system has transformed significantly. New farms, businesses, and markets have emerged, and there are increasing opportunities to grow, buy, and sell local food. New organizations are working to provide community gardens, to teach food skills, and to build relationships with fellow community members around growing, cooking, and sharing local food. More groups are working to address issues related to hunger, waste, and community food resilience.

As the local food system has evolved and as community food systems grow, there is an opportunity to restructure the Cass Clay Food Systems Initiative to better serve the needs of the community. The goal of this restructure is to help individuals better understand what is happening in the community and to highlight ways for people to become active and involved. Additionally, with the significant growth experienced in the local food system, there is a need for more collaboration and partnerships to increase access to safe, nutritious and affordable food in the area.

The Cass Clay Food Systems Initiative will be becoming the **Cass Clay Food Partners**. The Cass Clay Food Partners will include the **Cass Clay Food Partners Steering Committee** (advisory committee of key government agencies and local food systems experts), the **Cass Clay Food Commission** (local policy board representing jurisdictions in the Fargo-Moorhead metropolitan area), and the **Cass Clay Food Action Network** (a network of community organizations and individuals working together to accelerate food system progress).

Cass Clay Food Commission Blueprints

Blueprints are documents developed by the Cass Clay Food Commission to assist local governments interested in addressing food system issues through policy and interventions. The documents are available for use by jurisdictions interested in moving a particular food system topic forward in their community.

The blueprint documents highlight background information and needs within our local food system, benefits and concerns as they relate to an evaluation framework (health, environment, economic and social perspectives), and examples of policies and ordinances in other jurisdictions in the region (i.e. Sioux Falls, Lincoln, Duluth) and throughout the United States.

Blueprints developed to date include:

- Community Gardens
- Residential Gardening
- Farmer's Markets
- Cottage Food Laws
- Backyard Season Extenders
- Backyard Composting
- Municipal Composting
- Backyard Chicken Keeping
- Beekeeping
- Gleaning (draft)

City of Fargo Staff Report			
Title:	Osgood Townsite Sixth Addition	Date:	06/07/17
		Update:	07/24/17
Location:	4575 45th Street South	Staff Contact:	Barrett Voigt
Legal Description:	Lot 3, Block 1, Osgood Townsite Sixth Addition		
Owner(s)/Applicant:	Calvary United Methodist Church/Bill Kranzler	Engineer:	None
Entitlements Requested:	Zoning Change (from MR-1, Multi-Dwelling Residential to P/I, Public and Institutional with a C-O, Conditional Overlay)		
Status:	City Commission Public Hearing: July 31, 2017		

Existing	Proposed
Land Use: Religious Institutional	Land Use: No Change
Zoning: MR-1, Multi-Dwelling Residential	Zoning: P/I, Public and Institutional with a C-O, Conditional Overlay
Uses Allowed: Allows detached houses, attached houses, duplexes, multi-dwelling structures, daycare centers up to 12 children, group living, parks and open space, religious institutions, safety services, schools, and basic utilities.	Uses Allowed: Allows colleges, community service, daycare centers of unlimited size, detention facilities, health care facilities, parks and open space, religious institutions, safety services, schools, offices, commercial parking, outdoor recreation and entertainment, industrial service, manufacturing and production, warehouse and freight movement, waste related use, agriculture, aviation, surface transportation, and major entertainment events. Conditional Overlay: See attached draft C-O for additional information
Maximum Density Allowed: 16 units per acre	Maximum Density Allowed: No maximum

Proposal:

The applicant is seeking approval of a zoning change from MR-1, Multi-Dwelling Residential to P/I, Public and Institutional with a C-O, Conditional Overlay, on part of Lot 3, Block 1, Osgood Townsite Sixth Addition. The subject property encompasses approximately 7.62 acres.

According to the applicant, the proposed zoning map amendment is being requested in order to accommodate a new electronic messaging center along 45th Street South in the northeast corner of the property. The current MR-1 zoning district does not allow for electronic messaging center signs. However, P/I, Public and Institutional zones allow for electronic messaging centers of up to 200 square feet in size. Because the property fronts only one public street, the zoning change would allow for the potential to add electronic messaging centers every 300 linear feet of the property for the maximum of two (2).

Although the petitioner has no stated plans of changing the current use of the property, the P/I zoning district would allow many uses that could potentially affect the surrounding residential neighborhood. Therefore, staff has proposed with the agreement of the applicant, the creation of a C-O, Conditional Overlay, zoning district for the subject property. The purpose of the Conditional Overlay would be to ensure compatibility between the subject property and surrounding residential uses by restricting more-intensive uses.

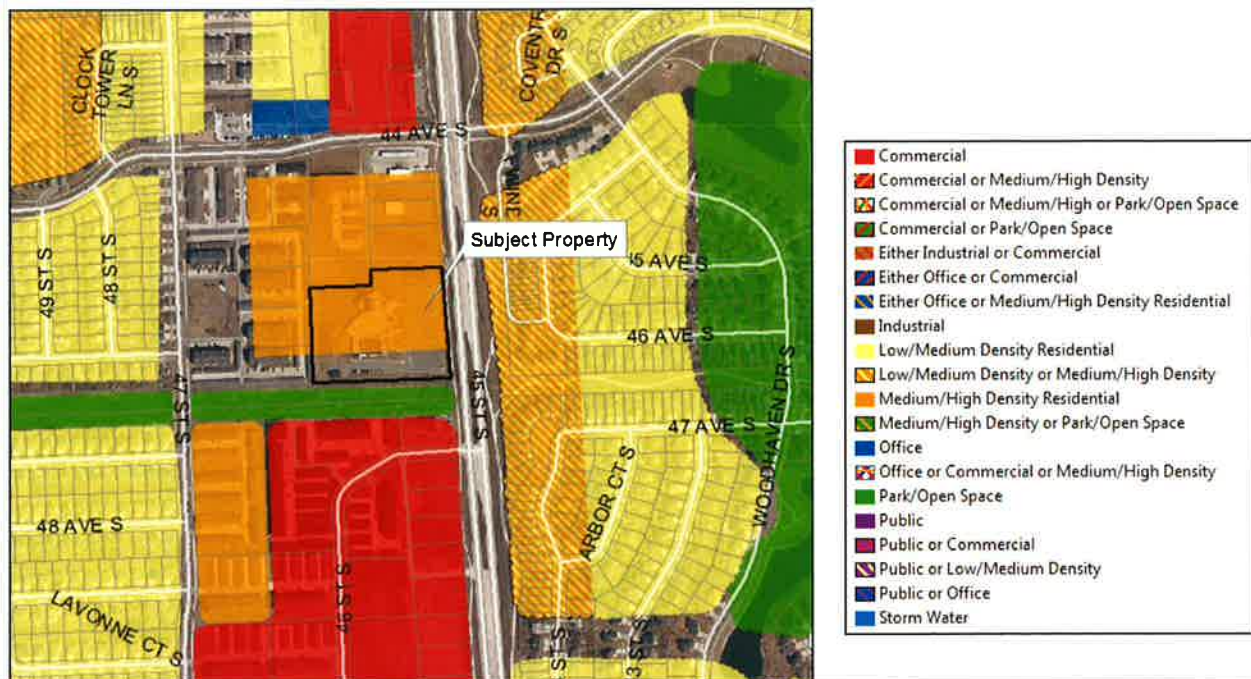

This project was reviewed by the City's Planning and Development, Engineering, Public Works, and Fire Departments ("staff"), whose comments are included in this report.

Surrounding Land Uses and Zoning Districts:

- North: MR-1, Multi-Dwelling Residential and LC, Limited Commercial with a multi-dwelling and vacant land uses
- East: Across 45th Street South, P/I, Public and Institutional with park and utility easement use
- South: MR-1, Multi-Dwelling Residential and MR-2, Multi-Dwelling Residential with vacant land use
- West: MR-2, Multi-Dwelling Residential with a multi-dwelling land use

Area Plans:

This proposal is consistent with the 2001 Growth Plan. The plan specifically states that P/I, Public and Institutional zoning with religious institutional uses should occur in areas demarcated in the plan as "Medium/High Density Residential" areas.

Schools and Parks:

Schools: The subject property is located within the West Fargo School District and is served by Independence Elementary, Liberty Middle, and Sheyenne High schools.

Parks: Woodhaven North Park & Fishing Pond (4406 44th Avenue S) is located approximately 150 feet east of the subject property and provides ADA fishing ramp, fishing, picnic table, playground, recreational trails, and soccer amenities.

Pedestrian / Bicycle: There is an off-road bike facility located along 45th Street South. This bike facility is a component of the metro area bikeways system.

Staff Analysis:

Zoning

Section 20-906. F (1-4) of the LDC stipulates the following criteria be met before a zone change can be approved:

1. **Is the requested zoning change justified by a change in conditions since the previous zoning classification was established or by an error in the zoning map?**

Staff is unaware of any error in the zoning map as it relates to this property. Staff finds that the requested zone change is justified by a change in conditions since the previous zoning classification was established.

Since the existing zoning was established, the applicant discovered that similar religious institutional uses around the city have been permitted to have electronic messaging centers and that the subject property would not be able to because the current zoning does not allow for it. In addition, the applicant feels that a P/I, Public and Institutional zoning would be more appropriate and more closely align with the use of the property.

(Criteria Satisfied)

2. Are the City and other agencies able to provide the necessary public services, facilities, and programs to serve the development allowed by the new zoning classifications at the time the property is developed?

City staff and other applicable review agencies have reviewed this proposal. Staff finds no deficiencies in the ability to provide all of the necessary services to the site. The subject property fronts on existing developed public right-of-way, which provide access and public utilities to serve the development.

(Criteria Satisfied)

3. Will the approval of the zoning change adversely affect the condition or value of the property in the vicinity?

Staff has no documentation or evidence to suggest that the approval of this zoning change would adversely affect the condition or value of the property in the vicinity. In accordance with Section 20-0901.F of the LDC, notices of the proposed use were sent out to property owners within 300 feet of the subject property. To date, staff has received no communication from the surrounding owners.

(Criteria Satisfied)

4. Is the proposed amendment consistent with the purpose of this LDC, the Growth Plan, and other adopted policies of the City?

This proposed amendment is consistent with the 2001 Growth Plan in that the property is located in an area designated in the plan as "Medium/High Density Residential." The plan specifically states that P/I, Public and Institutional zoning with religious institutional uses should occur in areas demarcated in the plan as "Medium/High Density Residential".

(Criteria Satisfied)

Conditional Overlay:

Staff is recommending that a Conditional Overlay be placed on this property in order to protect abutting MR-1 and MR-2 zoned properties from some of the higher intensity land uses allowed within P/I zoning districts. The proposed Conditional Overlay will place the following conditions on the underlying P/I zoning district:

1) The following use(s) are prohibited

- Detention Facilities
- Industrial Service
- Manufacturing and Production
- Warehouse and Freight Movement
- Waste Related Use
- Agriculture
- Aviation
- Surface Transportation
- Major Entertainment Events

Planning Commission Recommendation: July 6, 2017

On July 6, 2017, with a 8-0 vote, the Planning Commission accepted the findings and recommendations of staff to recommend approval to the City Commission of the proposed zoning change from MR-1, Multi-Dwelling Residential to P/I, Public and Institutional Commercial with a C-O, Conditional Overlay, on the basis that it satisfactorily complies with the Go2030 Fargo Comprehensive Plan, Standards of Section 20-0906.F (1-4) and all other applicable requirements of the LDC."

Staff Recommendation:
Suggested Motion: To accept the findings and recommendations of staff and the Planning Commission, and hereby waive the requirement to receive the Ordinance one week prior to first reading and place the rezoning Ordinance on first reading, and move to approve the proposed zoning change from MR-1, Multi-Dwelling Residential to P/I, Public and Institutional Commercial with a C-O, Conditional Overlay, on the basis that it satisfactorily complies with the Go2030 Fargo Comprehensive Plan, Standards of Section 20-0906.F (1-4) and all other applicable requirements of the LDC."

Zoning

Section 20-906. F (1-4) of the LDC stipulates the following criteria be met before a zone change can be approved:

(Criteria satisfied)

3. Will the approval of the zoning change adversely affect the condition or value of the property in the vicinity?

Staff has no documentation or supporting evidence to suggest that the approval of this zoning change would adversely affect the condition or value of the property in the vicinity. Status:	City Commission Public Hearing: July 31, 2017

Uses Allowed: Allows detached houses, attached houses and duplexes, daycare centers, parks and open space, religious institutions, safety services and basic utilities.
Maximum Density Allowed: 20 dwelling units per acre	Maximum Density Allowed: 14.5 units per acre

Proposal:

The applicant is seeking approval of 1) a zoning map amendment to establish a PUD, Planned Unit Development, overlay and 2) PUD Master Land Use Plan and Final Plan on part of Lot 1, Block 2, Dewitts Addition. The subject property is located at 308 9th Avenue North. The applicant, Lake Agassiz Habitat for Humanity, intends to build a single-family home on the property.

Previously, a single family detached home was located on the site. However, a permit for demolition was issued for the property in February of 2017. The previous structure was non-conforming based on dimensional standards of Section 20-0501 of the Land Development Code, specifically setbacks. Due to the non-conformity and the timing of demolition, a new structure could not be rebuilt in the same footprint. In addition, due to the setbacks of the MR-2, Multi-Dwelling Residential zoning district and the size of the lot, the property is unbuildable.

Zoning Amendment and PUD Overlay

The applicant has applied for a zoning map amendment and a PUD overlay in order to tailor development standards to the specifics of the proposed project. Specifically, the following modifications to the proposed SR-5 zoning district are being proposed:

LAKE AGASSIZ HABITAT FOR HUMANITY 308 9th Avenue N, Fargo, ND June 26, 2017

Master Land Use Plan

Setback: The rear setback of 15 feet would be modified to 6 feet.

PUD Master Land Use Plan and Final Plan

The applicant has submitted a project narrative, PUD Master Land Use Plan, and Final Plan which further describes the proposed development. These documents are attached.

Additional Information:

It is important to note that pursuant to Section 20-0302.F, unless otherwise expressly approved, access to a PUD must be from a collector and higher classification of street. The roadway that is adjacent to the property, 9th Avenue North, is a local road. The required amount of open space of PUD's has recently been contemplated by the Planning Commission. According to the applicant, the project surpasses 10% open space on site. Both of these items have been included in the draft PUD overlay.

This project was reviewed by the City's Planning and Development, Engineering, Public Works, and Fire Departments ("staff"), whose comments are included in this report.

Surrounding Land Uses and Zoning Districts:

- North: Across 9th Avenue North, SR-3, Single-Dwelling Residential, with single family use
- East: MR-2, Multi-Dwelling Residential with duplex use
- South: MR-2, Multi-Dwelling Residential with single family use
- West: DMU, Downtown Mixed-Use with surface parking lot use

Area Plans:

No area plans apply.

Schools and Parks:

Schools: The subject property is located within the Fargo School District and is served by Roosevelt Elementary, Ben Franklin Middle, and North High schools.

Parks: Mickelson Park & Softball Fields (901 Oak Street N) is located approximately a quarter mile (.25 miles) east of the subject property and provides baseball/softball, concessions, playground, recreational trails, restroom, and sledding hill amenities.

Pedestrian / Bicycle: There is an on-road bike facility located along 4th Street North. This bike facility is a component of the metro area bikeways system.

Dear Commissioners:

Attached is a copy of a reapplication made by 1023 Flats for a payment in lieu of tax (PILOT) according to N.D.C.C. Chapter 40-57.1. This new downtown apartment project was approved for a 10 year PILOT by the City Commission in February however, the projected design has changed so a new application was required. An additional floor will be added from the original design and there will be 14 apartment units. The original design was for 10 apartment units.

The Tax Exempt Review Committee has met to consider this application. There were no written or verbal protests submitted at the time the committee met and none have been filed to date.

The committee feels this project meets the necessary criteria to be eligible for a PILOT due to the addition of apartment units downtown. The committee recommends approval of a 10 year, payment in lieu of taxes based on 5 years at 100% exemption and 5 years at 75% exemption.

SUGGESTED MOTION:

Approval of a 10 year, payment in lieu of tax for a building owned by 1023 Flats based on 5 years at 100% exemption and 5 years at 75% exemption according to the attached payment schedule.

MEMORANDUM

TO: Board of City Commissioners

FROM: Steven Sprague, City Auditor

SUBJECT: Lone Star Liquor License Extension and Transfer

DATE: July 26, 2017

The Auditor's office received a request to transfer the Lone Star Class FA alcoholic beverage license to David Schlossman. Mr. Schlossman does not plan to operate a restaurant himself but rather wishes to use the license as an enticement for a restaurant to locate in Fargo. There were no concerns regarding the background check, however, the Liquor Control Board was not comfortable recommending approval to transfer a license that would not be used for its intended purpose. The Liquor Board did approve an extension of time for Mr. Schlossman to find a restaurant to whom the license could be transferred.

The request is a six-month extension of ordinance 25-1512 on liquor license to allow time to sell and transfer the license to a new entity.

Recommended Motion:

Deny the transfer of the Lone Star class FA liquor license to David Schlossman.

Approve a six-month extension of ordinance 25-1512 until January 31, 2018 for the Lone Star class FA liquor license.

RE: Request for liquor license transfer.

This letter is to request the Lonestar Steakhouse liquor license to remain inactive for a period of six months as a condition to being transferred. My intentions for the license would be to either 1) Allow a restaurant operator to utilize the license to operate a full service restaurant at one of our available properties for lease in Fargo. 2) Transfer the license to an existing tenant to expand their beverage options from just beer and wine.

If you have any questions, you may contact me directly at 701-239-5806 or email me at david.schlossman@goldmark.com

Sincerely,
David Schlossman

MEMORANDUM

TO: Board of City Commissioners
FROM: Steven Sprague, City Auditor
SUBJECT: Reese Riley Bistro Application
DATE: July 26, 2017

The Auditor's office received a request for the issuance of a class GH alcoholic beverage license from Christine Deibel owner of R & R LLC d/b/a Reese Riley Bistro. The credit history check revealed a bankruptcy in 2012 and a criminal history check revealed an ongoing criminal case in which she was charged with felony vehicle theft. The case is pending and has a court date set in August 2017.

Proponents for issuing the license state you are innocent until proven guilty and that the license can be revoked if she is found guilty. Opponents to issuing the license state; resolution to the case could happen in less than 30 days and the process to revoke a license is not immediate, it could take 60 days to meet all the publishing and notice requirements.

Recommended Motion:

The recommendation from the Liquor Board on a 3-2 split vote is to deny the issuance of the class GH alcoholic beverage license.

COLORADO HEALTH FACILITIES AUTHORITY ON BEHALF OF
THE EVANGELICAL LUTHERAN GOOD SAMARITAN SOCIETY
FOR FARGO, NORTH DAKOTA PROJECT

THIS AGREEMENT is entered into as of the 31st day of July, 2017, between the City of Fargo, North Dakota (the “City”) and The Evangelical Lutheran Good Samaritan Society, a North Dakota non-profit corporation, headquartered in Sioux Falls, South Dakota (the “Society”) in connection with the issuance by the Colorado Health Facilities Authority (“COHFA”), on behalf of the Society, of tax-exempt health facility revenue bonds (the “Bonds”) pursuant to Article 25, Title 25 of the Colorado Revised Statutes (the “Act”).

A. Section 147(f) of the Internal Revenue Code of 1986, as amended (the “Code”), requires that COHFA obtain the approval of the governing body or chief elected representative of each state or local government jurisdiction in which the financed facilities are to be located, following a Public Hearing. The Public Hearing can be held following the provision of adequate notice with the publication of a notice of the public hearing in a newspaper serving the area where the project is located. A draft notice of the Public Hearing that was published in *The Forum* on July 31, 2017, is attached hereto as EXHIBIT A.

B. Under this plan of finance, the Bonds will be issued with an aggregate new money principal amount not-to-exceed approximately \$105,750,000, of which a not-to-exceed amount of approximately \$6,600,000 is to be used to (i) finance or refinance The Evangelical Lutheran Good Samaritan Society’s (the “Society”) senior living and senior care facility located at Good Samaritan Society—Fargo, 4502 37th Avenue South, Fargo, North Dakota 58104-7599 (the “North Dakota Facilities”), (ii) fund a reserve fund for the Bonds, and (iii) pay costs of issuance of the Bonds (collectively, the “North Dakota Project”).

C. The Bonds will constitute special limited obligations of COHFA payable solely from amounts received by COHFA pursuant to a loan agreement between COHFA and the Society, the principal user of the North Dakota Facilities. The City will not issue the Bonds, nor will the City or the State of North Dakota have any liability with respect to the Bonds or the sale or offering thereof.

RESOLUTION AUTHORIZING THE ISSUANCE OF
REFUNDING IMPROVEMENT BONDS, SERIES 2017C,
APPROVING CERTAIN ACTIONS,
AWARDING THE SALE THEREOF AND
OF THE WARRANTS RELATED THERETO,
PRESCRIBING THE TERMS AND COVENANTS THEREOF, AND
CREATING A FUND FOR THE PAYMENT THEREOF

WHEREAS, the Issuer has heretofore duly created the improvement districts as set forth in **Attachment A** hereto (the "Improvement Districts"), authorized the issuance of certain definitive warrants of the Issuer (the "Warrants") for each such Improvement District in the amounts set forth in **Attachment A** hereto for the construction of improvements in the related Improvement District (the "Improvements"; and established special funds for each Improvement District (the "Special Funds, each a "Special Fund");

WHEREAS, the Issuer desires to issue a series of its refunding improvement bonds (the "Bonds") to finance the Improvements;

WHEREAS, the Issuer is authorized by North Dakota Century Code Chapter 40-27 (the "Act") to issue such Bonds;

WHEREAS, the Issuer desires to provide for the payment of such refunding improvement bonds through a pledge of the Warrants;

WHEREAS, such Bonds shall be payable solely out of moneys in the Special Funds from which the Warrants are payable;

WHEREAS, pursuant to North Dakota Century Code Section 40-26-08, whenever all special assessments for an Improvement are insufficient to pay principal or interest then due on the Warrants, the Issuer shall levy a tax upon all of the taxable property in the Issuer for the payment of such deficiency.

WHEREAS, the Issuer has received bids for the purchase of the Warrants to be exchanged for such Bonds;

BE IT RESOLVED by the governing body of City of Fargo, Cass County, North Dakota (the "Issuer"), as follows:

1. Findings. It is hereby found, determined, and declared that said Warrants were duly and legally authorized under authority of and in accordance with the provisions of Title 40 of the North Dakota Century Code, as amended; that there is not at the present time in the Special Funds sufficient money to pay the Warrants drawn thereon with interest, and by the exchange of said Warrants for the Bonds the interest rate and interest costs thereon will be substantially reduced, and the general tax which the Issuer may become obligated to levy for any deficiencies in said funds can be reduced and equalized, and the burden on the taxpayers and property owners will be substantially reduced; that said Warrants are subject to exchange at the option of the Issuer for the purpose of issuing refunding improvement bonds or warrants of the Issuer in accordance with the provisions of Chapter 40-27, North Dakota Century, Code; that all acts, conditions, and things required by the Constitution and laws of the State of North Dakota to

be done, to exist, to happen, and to be performed precedent to the issuance of the Bonds hereinafter described have been done, do exist, have happened, and have been performed in due form, time and manner as so required; and that the issuance of the Bonds is necessary and expedient and for the best interest of the Issuer and its inhabitants, taxpayers, and the owners of property liable to be assessed for said Improvements.

2. Award and Sale. All actions heretofore taken by the City Auditor and others relating to the issuance sale of the Warrants and the issuance and exchange of the Bonds, both on this date, are approved, ratified, and confirmed; that, having considered all bids received for the purchase of the Warrants, it is hereby found and determined that the most favorable of such bids is that of the purchaser set forth in **Attachment B** hereto, which is hereby incorporated herein and made a part hereof, (the "Purchaser"), to purchase the Warrants at the price plus accrued interest set forth in **Attachment B** hereto, and such Warrants are awarded to the Purchaser, on the condition that such Warrants shall be exchanged for Bonds bearing interest at the respective annual interest rates from date of issue until paid or discharged and maturing on May 1 in the years and in the amounts set forth in **Attachment B** which terms are equivalent to an average annual true interest cost on the Bonds set forth in **Attachment B**; that the Mayor and City Auditor are authorized and directed to make and execute all documents necessary on the part of the Issuer for the sale of the Warrants in accordance with this proposal; that the good faith check or deposit furnished by the successful bidder shall be retained by the City Auditor until delivery and exchange of the Bonds and Warrants; and that the good faith checks or deposits of other bidders shall be returned to them forthwith.

3. Authorization and Terms of Bonds.

(a) General. For the purpose of refunding the Warrants, the Issuer hereby authorizes the issuance, execution, and delivery, and shall forthwith issue, its registered bonds, designated REFUNDING IMPROVEMENT BONDS, SERIES 2017C, in the respective principal amounts set forth in **Attachment B**. The Bonds shall initially be dated the date of initial delivery thereof to the Purchasers thereof. Bonds issued upon exchange or transfer after such delivery date, shall be dated as of the interest payment date next preceding their issuance, or if the date of such issuance shall be on an interest payment date as of the date of such issue; provided, however, that if interest on the Bonds shall be in default, the Bonds shall be dated as of the date to which interest has been paid in full on the Bonds being transferred. The Bonds shall be issued in fully registered form in denominations of \$5,000 or any multiple thereof, of single maturities. The Bonds shall be numbered in consecutive numerical order from R-1 upwards as issued, shall mature on May 1 in the years and in the amounts, and shall bear interest at the rates set forth in **Attachment B**.

(b) Interest. Interest on the Bonds and, upon presentation and surrender thereof, the principal thereof shall be payable in lawful money of the United States of America by check or draft by the City Auditor of Fargo as Paying Agent, or its successor. Interest shall be payable on May 1 and November 1 in each year, commencing as set forth in **Attachment B**, to the holder of record on the close of the 15th day (whether or not a business day) of the immediately preceding month. Interest on the Bonds shall cease at maturity or on a date prior thereto on which they have been duly called for redemption unless the holder thereof shall present the same for payment and payment is refused.

(c) Optional Redemption. The Bonds are subject to optional redemption as set forth in **Attachment B**.

(d) Mandatory Redemption, Term Bonds. The Bonds, if any, designated in **Attachment B** as Term Bonds are subject to mandatory sinking fund redemption in part at a Redemption Price equal to 100% of the principal amount thereof, together with accrued interest to the redemption date on May 1 of the years and in the principal amounts set forth in **Attachment B**.

(e) Notice of Redemption; Selection of Bonds. In the event any Bond is called for redemption prior to maturity, the Issuer will cause a notice of redemption to be sent to the Bond Registrar, Paying Agent and the registered owners of the Bonds called for redemption at least thirty (30) days before the date specified for redemption at the address shown on the registration books of the Bond Registrar. Within ten (10) days before the thirtieth (30th) day prior to any specified redemption date, if less than all Bonds of a single maturity of are to be redeemed the Bond Registrar will select for redemption (by lot or in such manner as the Bond Registrar may determine) from all outstanding Bonds of the applicable maturity a principal amount of such Bonds equal to the aggregate principal amount of such Bonds to be redeemed, and will call such Bonds or portions thereof for redemption on such Redemption Date; provided that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or an integral multiple thereof and that in selecting Bonds for redemption, the Bond Registrar shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000. If less than all Bonds are to be optionally redeemed, the maturity or maturities of the Bonds to be redeemed shall selected by the Issuer.

If less than all Term Bonds of a single maturity are to be redeemed at the option of the Issuer, the Issuer may apply the principal amount to be redeemed to reduce the mandatory sinking fund redemption requirements for such Term Bond to be redeemed in such year or years as it determines in its sole discretion; provided that such reductions are made in amounts of \$5,000 or any integral multiple thereof.

4. Transfer and Exchange. The Bonds are transferable upon the books of the Issuer at the principal office of the Bond Registrar by the registered owner thereof in person or by his attorney duly authorized in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the registered owner or his attorney; and may also be surrendered in exchange for Bonds of the same series of other authorized denominations. Upon such transfer or exchange the Issuer will cause a new Bond or Bonds of the same series to be issued in the name of the transferee or registered owner, of the same aggregate principal amount, bearing interest at the same rate and maturing on the same date, subject to reimbursement for any tax, fee or governmental charge required to be paid with respect to such transfer or exchange. No transfer of Bonds shall be required to be made during the 15 days next preceding an interest payment date, nor during the 45 days next preceding the date fixed for redemption of such Bonds.

The Issuer and the Bond Registrar may deem and treat the person in whose name any Bond is registered as the absolute owner thereof, whether the Bond is overdue or not, for the

purpose of receiving payment and for all other purposes, and neither the Issuer nor the Bond Registrar shall be affected by any notice to the contrary.

5. Bonds Mutilated, Destroyed, Lost, or Stolen. If any Bond shall become mutilated or be destroyed, lost, or stolen, the Issuer in its discretion may execute and upon its request, the Bond Registrar shall authenticate and deliver a new Bond of the same series in exchange for the mutilated Bond or in lieu of and substitution for the Bond so destroyed, lost, or stolen. In every case of exchange or substitution, the applicant shall furnish to the Issuer and to the Bond Registrar in a form satisfactory to both (i) evidence to their satisfaction of the mutilation, destruction, loss, or theft of the applicant's Bond and of the ownership thereof and (ii) in the case of any destroyed, lost, or stolen Bond, such security or indemnity as may be required by them to save each of them harmless from all risks, however remote. The Bond Registrar may authenticate any Bond issued upon such exchange or substitution and deliver such Bond upon the request of the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses, including counsel fees, of the Issuer or the Bond Registrar.

If any Bond that has matured or is about to mature shall become mutilated or be destroyed, lost, or stolen, instead of issuing a Bond in exchange or substitution therefor, the Issuer may pay or authorize the payment of such Bond (without surrender thereof except in the case of a mutilated Bond) if the applicant for such payment shall furnish to the Issuer and to the Bond Registrar evidence to the satisfaction of the Issuer and the Bond Registrar of the mutilation, destruction, loss, or theft of such Bond and the ownership thereof and, in the case of any destroyed, lost, or stolen Bond, such security or indemnity as they may require to save them harmless from all risks.

Every Bond issued pursuant to the provisions of this Section in exchange or substitution for any Bond of the same series that is mutilated, destroyed, lost, or stolen shall constitute an additional contractual obligation of the Issuer, whether or not the destroyed, lost, or stolen Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits hereof equally and proportionately with any and all other Bonds. All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the respect to the replacement or payment mutilated, destroyed, lost, or stolen Bonds, and shall preclude any and all other rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

6. Cancellation and Disposition of Bonds. All mutilated Bonds, all Bonds surrendered for exchange or transfer, all Bonds that have been paid at maturity or upon prior redemption, and all Bonds surrendered to the Issuer for cancellation shall be canceled by the Bond Registrar Trustee (as the case may be) and cremated or destroyed by other means.

7. The Bond Form; Execution and Delivery. The Bonds shall be printed, or produced in typewritten form, under the supervision and at the direction of the City Auditor, executed by the manual or facsimile signature of the Mayor, sealed with the Issuer's official seal, and attested to by the manual signature of the City Auditor and delivered to the holder at closing upon receipt of the purchase price plus any accrued interest. The Bonds shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under this Resolution until the

Certificate of Authentication thereon shall have been executed by the Bond Registrar by manual signature of one of its authorized representatives.

The Mayor, the City Auditor, and other officers of the City are also hereby authorized to execute and deliver any such additional certificates, showings, agreements, or documents necessary or otherwise appropriate in connection with the issuance of the Bonds and the transactions contemplated thereby.

In the event of the absence or unavailability of the Mayor, the City Auditor, or other appropriate officer of the City, the Warrants and the other documents authorized for execution and delivery pursuant to this section may be executed and delivered by the individual or individuals authorized generally by the City to act on behalf of the Mayor, the City Auditor, or other officer of the City in such circumstances, including, without limitation, the Deputy Mayor and the Deputy City Auditor, as the case may be.

In case any officer signing documents authorized to be executed and delivered by this resolution shall cease to be such officer before or after the delivery of any such document, such signature, nevertheless, shall be valid and remain sufficient for all purposes as if such officer had remained in office until such delivery or later applicable time.

The Bonds shall be reproduced in substantially the form set forth in **Attachment C** hereto which is hereby incorporated herein and made a part hereof.

8. Establishment of Bond Fund. There shall be and is hereby created a special fund to be maintained by the City Auditor separate and apart from all other funds of the Issuer, to be designated as the SERIES 2017C REFUNDING IMPROVEMENT BOND FUND (herein referred to as the "Bond Fund"). To said Fund shall be credited the Warrants as defined in paragraph 1 hereof when received by the City Auditor, which warrants shall thereupon become and shall thereafter be held as an asset of said fund, and the proceeds of all collections on said Warrants so acquired shall be held by the Issuer in trust for the use and benefit of the holders from time to time of the Bonds on a parity basis between series. The Special Funds of the Improvement District described in the resolution referred to in paragraph 1 hereof shall be continued and payments shall be made therefrom on the Warrants drawn thereon in the same manner as though said Warrants had not been exchanged. All payments of principal and interest made on said Warrants shall be credited to the Bond Fund and shall be used and applied in payment of the principal of and interest on the Bonds as such principal and interest become due.

9. Tax Covenant. The Issuer covenants and agrees with the holders from time to time of the Bonds that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Bonds to become subject to taxation under the Internal Revenue Code of 1986, as amended (the "**Code**"), and Regulations, Amended Regulations, and Proposed Regulations issued thereunder, as now existing or as hereinafter amended or proposed and in effect at the time of such action.

10. Covenants. The Issuer hereby covenants and agrees with the holders from time to time of the Bonds issued pursuant hereto:

(a) That it will use due diligence to collect all amounts due on the Warrants and to levy and collect the special assessments appropriated for their payment.

(b) That it will preserve and enforce for the benefit of the holders from time to time of the Bonds all of the rights, powers, and privileges reserved, to the holders of the Warrants, and all of the covenants of the Issuer as provided in the resolution authorizing the issuance of the improvement warrants.

(c) That at the time and in the manner prescribed by § 40-26-08, North Dakota Century Code, as amended, this governing body will levy general taxes on all taxable property in the corporate limits of the Issuer for the payment of any deficiency in any Special Fund and will cause the proceeds thereof to be applied in payment of the principal of and interest on the then unpaid Warrants drawn on said Special Fund; provided that the Issuer reserves the right to levy taxes in the manner and to the extent permitted by law for payment and discharge of any deficiency in said Special Funds prior to the date upon which it may become obligatory to levy such deficiency taxes, and the amounts thereof shall be credited against the levies which the Issuer might otherwise have been obligated to make.

(d) That in the event the moneys in the Bond Fund should at any time be insufficient to meet all payments of principal and interest then due on the Bonds, said moneys shall be first used to pay the interest accrued on all outstanding Bonds of both series on a parity basis, and the balance shall be applied in payment of the principal of said Bonds of both series on a parity basis in order of their maturity dates, earliest maturities first, Bonds bearing the same maturity dates being paid pro rata. The Issuer reserves the right and privilege of refunding any of such matured Bonds for the payment of which moneys are not at the time available by issuing new bonds payable from said Bond Fund, which bonds shall be on a parity with those theretofore issued as to interest charges thereon, but the maturity thereof shall be subsequent to the maturity of all Bonds payable from said fund and then outstanding, provided that no holder of Bonds herein authorized to be issued shall be obligated to accept any such bond in exchange for any of such matured Bond.

(e) The Issuer hereby reserves the right to issue additional improvement warrants and refunding improvement bonds, payable on a parity with the Bonds issued hereunder and the Warrants exchanged for the Bonds, to the extent required to complete the improvements presently proposed for said improvement districts and to be financed by the issuance of the additional improvement warrants exchanged for additional revenue bonds.

(f) The Issuer hereby pledges all special assessments for improvements funded in whole or in part from the proceeds of the Bonds, all Warrants and the payments thereon, and all amounts on deposit from time to time in the Special Funds and the Bond Fund to the payment of the principal of, and interest on, the Bonds (and any additional bonds issued as contemplated by Section 8(e) above) on a parity basis.

11. Payment and Discharge; Defeasance. When all of the Bonds have been discharged as provided in this paragraph, all pledges, covenants and other rights granted by this resolution shall cease. The Issuer may discharge its obligations with respect to all or a portion of the Bonds which are due on any date by depositing with the Paying Agent on or before that date a sum sufficient for the payment of the principal thereof, and interest accruing thereon to such duty in full. If any Bond shall not have been paid when due, the same may nevertheless be discharged by depositing with the Paying Agent a sum sufficient for the payment of the principal thereof in full with interest accrued thereon from the date to which interest has been paid to the date of such

deposit and payment to the owners thereof. The Issuer may also discharge its obligations with respect to all or a portion of the Bonds, by depositing with the paying agent on or before that date an amount equal to the principal, interest and redemption premium, if any, which are due on the maturity date, or earlier redemption date selected by the Issuer, provided that notice of such redemption has been duly given as provided herein. The Issuer may also at any time discharge its obligations with respect to all or a portion of the Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a bank or financial institution qualified by law as an escrow agent for this purpose, cash or securities which are general obligations of the United States or securities of United States agencies which are authorized by law to be so deposited, bearing interest payable at such times and at such rates and maturing on such dates as shall be sufficient to pay all principal, interest, and redemption premium to become due thereon to maturity or the date of earlier redemption selected by the Issuer. If less than all of the Bonds are to be discharged pursuant to this paragraph, the maturity date, the mandatory sinking fund redemption requirement with respect to Term Bonds, and series may be selected by the Issuer in its sole discretion.

12. Further Actions Authorized. The officers of the Issuer and the City Auditor are hereby authorized and directed to prepare and furnish to said Purchaser, and to the attorneys approving the legality of the Bonds, certified copies of such proceedings, ordinances, resolutions, and records and all such certificates and affidavits and other instruments as may be required to evidence the legality and marketability of said Bonds, and all certified copies, certificates, affidavits, and other instruments so furnished, including any heretofore furnished, shall constitute representations of the Issuer as to the correctness of all facts stated or recited therein.

13. Appointment of Paying Agent and Bond Registrar. The Issuer hereby designates City Auditor as Paying Agent and as Bond Registrar for the Bonds.

14. Book-Entry Only Provisions.

(a) Notwithstanding the provisions of this Resolution regarding registration, ownership, transfer, payment, and exchange of Bonds, unless the Issuer determines to permit the exchange of Depository Bonds (as designated in (c) below) for Bonds in the denominations provided in Section 3, the Bonds shall be issued as Depository Bonds in denominations of the entire principal amount of a particular maturity; such Bonds to be registered in the name of the Bond Depository (as defined in (g) below) or its nominee. The Bonds shall be solely in the denominations of the entire principal amount of each particular maturity except as provided in paragraph (b) or (c).

(b) Upon (i) a determination by the Issuer that the Bond Depository is no longer able to carry out its functions or is otherwise determined unsatisfactory by the Issuer in its sole discretion or (ii) a determination by the Bond Depository that the Bonds are no longer eligible for its depository services or (iii) a determination by the Issuer that the Bond Depository has resigned or discontinued its services for the Bonds, the Issuer shall either (i) designate a substitute Bond Depository in accordance with paragraph (d) or (ii) provide for the exchange of Depository Bonds for Bonds in the denominations provided in Section 3.

(c) If the Issuer determines to provide for the exchange of Depository Bonds for Bonds in the denominations provided in Section 3, the Issuer shall so notify the Bond Depository for notification of the beneficial owners thereof and provide for such exchange.

(d) Any substitute Bond Depository shall be a “clearing corporation” as defined in North Dakota Uniform Commercial Code, North Dakota Century Code, § 41-08-02, and shall be a qualified and registered “clearing agency” as provided in § 17A of the Securities Exchange Act of 1934, as amended. The substitute Bond Depository shall provide for (i) immobilization of the Depository Bonds, (ii) registration and transfer of beneficial ownership of interests in the Depository Bonds by book entries made on records of the Bond Depository and participating entities, and (iii) payment of principal of, premium, if any, and interest to the Bond Depository participating entities and beneficial owners.

(e) So long as the Bonds are Depository Bonds, the following provisions shall apply unless amended by the Bond Depository. The principal of the Bonds shall be payable when due in next day funds to the Bond Depository, initially Cede & Co. as nominee of the Depository Trust Company at The Depository Trust Company, Muni Redemption Department, 570 Washington Boulevard, Jersey City, New Jersey 07310, Attn: Underwriting Packaging Department (or such other nominee or address as the Depository shall specify in writing to the Issuer) and if the payment is of only part of the principal hereof, the Issuer shall mail by first class mail to the Bond Depository a written statement of the principal amount paid as to the Bonds of each maturity outstanding following such payment, and upon such payment the Bond Depository as registered owner may in its discretion make a notation on a register of partial payments attached to the Bond of the principal amount paid, provided that the Bond Depository may at its option surrender the Bonds for exchange for a Bond registered with the new principal amount and provided the Bond shall be surrendered for payment upon redemption in full or at maturity. Such notation if made by the Bond Depository, shall be for reference only, and may not be relied upon by any other person as being in any way determinative of the principal amount of the Bonds outstanding. Interest is payable in next day funds from the Issuer to the Bond Depository or its nominee, at its address as it appears on the bond registration books of the Issuer. Each payment of interest and/or principal shall specifically separate such payment amount by CUSIP number identification provided to the Bond Depository. The transfer permitted pursuant to Section 13 of this Resolution shall occur only with respect to Bonds of a minimum denomination of the remaining principal amount of an entire maturity thereof so long as the Bonds are Depository Bonds. Upon a partial redemption of a Bond which results in the stated amount thereof being reduced, the Bond Depository, or its nominee, may in its discretion make notation on a register of partial payments attached to the Bond of such redemption, stating the amount so redeemed. Such notation, if made by the Bond Depository, or its nominee, shall be for reference only, and may not be relied upon by any other person as being in any way determinative of the principal amount of the Bond outstanding. The Bond Depository, or its nominee, may surrender the Bond to the Issuer (with, if the Issuer so requires, a written instrument of transfer in form satisfactory to the Issuer duly executed by the Bond Depository, or its nominee, or his attorney duly authorized in writing) and the Issuer shall execute and deliver to the Bond Depository, or its nominee, without service charge, a new Bond of the same series having the same stated maturity and interest rate and of the authorized denomination in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

(f) “Depository Bonds” shall mean Bonds which pursuant to an Issuer determination are available to the beneficial owners thereof only in book entry form (with no delivery of physical certificates except to the Depository) pursuant to a book entry system operated by the Depository.

(g) “Bond Depository” shall mean Depository Trust Company or any substitute depository pursuant to (d) above.

(h) In the event of any solicitation from and voting by holders of the Bonds, the Issuer may establish a record date or from time to time record dates, which date of establishment shall be not less than fifteen (15) days prior to such record date and upon establishment said record date shall immediately be transmitted to the Bond Depository for such purpose and such other policies and procedures as may be necessary or helpful in soliciting, evidencing, and counting such consents or revocations thereof and do not violate or are not in conflict with the provisions of the Bond Resolution. The record date shall be that date on which the registered owner to which any mailing of a solicitation is sent are determined, but shall not give the registered owner of the Bonds any rights to vote upon ceasing to be a registered owner. Additional record dates may be established to solicit subsequent registered holders.

(i) The Mayor or City Auditor is authorized and directed to execute and deliver a global Letter of Representation to Depository Trust Company, if not previously filed, and such other documents in connection with the book entry only system for the Bonds as required from time to time by Depository Trust Company.

15. Exchange and Transfer. In the event that any transfer or exchange of Bonds is permitted under Section 14(b) hereof, such transfer or exchange shall be accomplished upon receipt, by the Bond Registrar from the registered owner of the Bonds to be transferred or exchanged, of appropriate instruments of transfer to the transferees. In the event Bond certificates are issued to holders other than Cede & Co., its successor as nominee for DTC as holder of all the Bonds, or other securities depository as holder of all the Bonds, the provisions of the Resolution shall also apply to, among other things, the printing of such certificates and the method of payment of principal of and interest on such certificates.

16. Continuing Disclosure. The City Auditor is hereby authorized to execute, on behalf of the Issuer, the Continuing Disclosure Certificate in a form substantially similar to that attached as **Attachment D** hereto, which is hereby incorporated herein and made a part hereof.

RESOLUTION CREATING THE FUNDS OF IMPROVEMENT DISTRICTS,
PROVIDING FOR AND APPROPRIATING SPECIAL ASSESSMENTS FOR
THE SUPPORT AND MAINTENANCE OF SAID FUNDS, AND AUTHORIZING
THE ISSUANCE OF IMPROVEMENT WARRANTS (SERIES 2017C) THEREON

BE IT RESOLVED by the governing body of the City of Fargo, Cass County, North Dakota (the "Issuer") as follows:

1. Findings. It is hereby found, determined, and declared that the Issuer has heretofore duly created the improvement districts as set forth in **Attachment A** hereto, which is incorporated herein (the "Improvement Districts"), and has ordered, received, and approved plans and specifications, and estimates of the cost, for the construction of the improvements in said Improvement Districts (the "Improvements"); that the governing body determined the necessity of constructing the Improvements; that the Improvements have been petitioned by the owners or that insufficient protests to the project were filed in accordance with State of North Dakota (the "State") law; that contracts for construction of the Improvements have been duly awarded and executed; that the contracts and contractors' bonds have been and are hereby approved; that the Issuer possesses and has power to exercise through this governing body full and exclusive jurisdiction over all streets and places wherein said improvements are located; that the total cost of said Improvements in excess of any other funds on hand and appropriated for the payment of such cost including reimbursing other funds of the Issuer for any amounts temporarily advanced to meet immediate expenses of the Improvements less prepayments actually received and to be used to pay the cost of said Improvements is now estimated to be approximately the amount set forth in **Attachment B** hereto, which is incorporated herein; that to pay the total cost of said Improvements, the Issuer will sell at competitive sale improvement warrants in at least the total principal amount set forth in **Attachment B** hereto; that the total benefits to all lots, tracts, and parcels of land liable to be specially assessed for benefits resulting from the Improvements in said Improvement Districts will be substantially in excess of the cost of said Improvements to be assessed against said properties as herein provided; and that all acts, conditions, and things required by the Constitution and laws of the State of North Dakota to be done, to exist, to happen, and to be performed preliminary to the issuance and sale of warrants to provide moneys to pay for said Improvements (the "Warrants") have been done, do exist, have happened, and have been performed in regular and due form and in the time and manner as so required. Each Warrant is payable from and secured by a special fund of the Issuer created with respect to an Improvement District and the special assessments levied within such Improvement District for the Improvements relating to such district.

2. Creation and Uses of Funds and Accounts. There are hereby created special funds of the Issuer for each Improvement District (the "Special Funds," each a "Special Fund"), which Special Funds shall be held and administered by the City Auditor separate and apart from all other funds of the Issuer and each Special Fund shall be continued and maintained as directed in this resolution until all Warrants issued thereon shall have been fully paid with interest. In each such Special Fund there shall be maintained two separate accounts to be designated as the "Construction Account" and "Principal and Interest Account," respectively.

(a) There shall be credited to the Construction Account in each Special Fund the proceeds of the sale of the Warrants issued against such Special Fund except the accrued interest and except any amounts necessary to reimburse other funds of the Issuer for temporary advances made for the Improvements. All costs and expenses of making said Improvements, including interest coming due during construction, shall be paid from time to time as incurred and allowed from said Construction Account, upon Construction Account warrants signed by the Mayor and City Auditor, or in their absence, the Deputy Mayor and/or the Deputy City Clerk, and moneys in said Account shall be used for no other purpose, provided, that if upon completion of the Improvements and approval thereof by the Engineer for the Issuer, and payment of all claims and expenses in respect to said Improvement, there shall remain any unexpended balance in said Construction Account, such balance shall be transferred to the respective Principal and Interest Account and handled and accounted for in the same manner as other moneys in that account.

(b) There shall be credited to the Principal and Interest Account in each Special Fund the accrued interest, if any, on the Warrant drawn on said fund from the date of the Warrant to the date of delivery thereof to the purchaser, the entire amount of special assessments and any taxes to be levied with respect to that improvement as herein set forth, and any balance remaining in the Construction Account after completion of said Improvement. Moneys in the Principal and Interest Account shall be used only for payment of the principal of and interest on the Warrants drawn against said fund as such payments become due.

(c) The Issuer covenants and agrees with the holders from time to time of the Issuer's refunding improvement bonds, which are payable from, and secured by, the Warrants and the interest on which is excluded from gross income for federal tax purposes (the "Bonds"), that it will not take or permit to be taken by any of its officers, employees, or agents any action which would cause the interest on the Bonds to become subject to taxation under the Internal Revenue Code of 1986, as amended, and regulations, amended regulations, and proposed regulations issued thereunder, as now existing or as hereinafter amended or proposed and in effect at the time of such action.

3. Special Assessments. With respect to the Improvement Districts, the Issuer covenants and agrees with all holders of Warrants that it will do and perform as soon as may be possible, in accordance with law, all acts and things necessary for the final and valid levy of special assessments against properties within the Improvement Districts benefited by the Improvements, in an aggregate amount equal to the total cost of the Improvement to the Issuer, except any portion, not exceeding one-fifth of the cost of the improvement and not exceeding any applicable constitutional or statutory debt limit, as the Issuer may determine to pay by the levy of *ad valorem* taxes upon all taxable property within its corporate limits.

In the event that the special assessment should at any time be held invalid with respect to any lot or tract of land, due to any error, defect or irregularity in any action or proceeding taken or to be taken by the Issuer or by the governing body or by any officers or employees, either in the making of the special assessment or in the performance of any condition precedent thereto, the Issuer and this governing body covenant and agree that they will forthwith do all such further acts and take all such further proceedings as may be required by law to make such special assessment a valid and binding lien upon such lot or tract.

The installments of special assessments from time to time remaining unpaid shall bear interest at the rate, not exceeding one percentage point above the true interest cost (TIC) annual interest rate on bonds issued on special improvement districts, set forth in **Attachment A** hereto, said special assessments to be levied in equal annual installments of principal, together with the interest to accrue thereon, as set forth in **Attachment A** hereto.

4. Authorization and Terms of Warrants. In anticipation of the collection of said special assessments and taxes, if any, and for the purpose of borrowing money to pay the cost of said Improvements, the Issuer shall issue its Warrants on each special Fund. The Warrants shall be dated as set forth in **Attachment B**. The Warrants shall bear interest from the date of issue until paid at the interest rate per annum set forth in **Attachment B**, in each case payable semi-annually on each May 1 and November 1, commencing on the date set forth in **Attachment B**. The warrants shall not be subject to redemption or exchange except through the issuance of refunding special assessment warrants or bonds in accordance with the provisions of Chapter 40-27, North Dakota Century Code, for which purpose the warrants may be redeemed or exchanged on any date at par and accrued interest. The principal of and interest on the warrants shall be payable at the office of the City Auditor. The Warrants shall be in the aggregate principal amounts with annual installments of principal payable on May 1 in the respective years set forth in **Attachment A** hereto. The first payment date on which a principal installment on the Warrants is due is as set forth in **Attachment B**.

5. Form of Warrant. The Warrants shall be typewritten and photocopied in substantially the form set forth in **Attachment C** hereto and incorporated herein.

6. Execution and Delivery. Each Warrant shall be prepared for execution under the direction of the City Auditor and shall be executed on behalf of the Issuer by the signature of the Mayor, countersigned by the City Auditor and sealed with the official seal of the Issuer. When executed, the warrants shall be delivered by the City Auditor to the Purchaser thereof upon payment of the purchase price agreed upon, and the Purchaser shall not be obligated to see to the application of the purchase price.

The Mayor, the City Auditor, and other officers of the City are also hereby authorized to execute and deliver any such additional certificates, showings, agreements, or documents necessary or otherwise appropriate in connection with the issuance of the Warrants and the transactions contemplated thereby.

In the event of the absence or unavailability of the Mayor, the City Auditor, or other appropriate officer of the City, the Warrants and the other documents authorized for execution and delivery pursuant to this section may be executed and delivered by the individual or individuals authorized generally by the City to act on behalf of the Mayor, the City Auditor, or other officer of the City in such circumstances, including, without limitation, the Deputy Mayor and the Deputy City Auditor, as the case may be.

In case any officer signing documents authorized to be executed and delivered by this resolution shall cease to be such officer before or after the delivery of any such document, such signature, nevertheless, shall be valid and remain sufficient for all purposes as if such officer had remained in office until such delivery or later applicable time.

7. Covenant as to Tax Levy. With respect to each Special Fund, the Issuer hereby recognizes its obligation with respect to the Warrants drawn against the Funds, as set forth in § 40-26-08, North Dakota Century Code, as amended, and covenants that whenever all special assessments and taxes, if any, theretofore collected for the related Improvement are insufficient to pay principal of or interest then due on the applicable Warrant, the governing body of the Issuer shall thereupon levy a tax upon all taxable property in the corporate limits of the Issuer for the payment of such deficiency; provided, that if said Warrant has been exchanged for refunding improvement bonds pursuant to the provisions of Chapter 40-27, North Dakota Century Code, such deficiency tax may be made payable in the years and amounts required to pay the principal of and interest on such refunding improvement bonds as the same become due. Nothing herein contained shall be deemed to limit the power of the Issuer and this governing body under the provisions of said § 40-26-08, as amended, to levy a general tax in anticipation of a deficiency considered likely to occur in said Special Fund within one year, and it is hereby declared to be the policy of the Issuer that the governing body will annually review the current requirements and resources of each Special Fund, at the time of the preparation of and hearing on the budget, in accordance with the provisions of Chapter 40-40, North Dakota Century Code, to the end that provisions may be made in each annual budget for any deficiency in said applicable Funds which is deemed likely to occur within the then next succeeding year. Any taxes levied in accordance with the provisions of this paragraph in payment of a deficiency, or in anticipation of a deficiency, shall be paid upon collection into the Principal and Interest Account of the Special Fund and applied as provided in paragraph 2(b) hereof.

8. Refunding. With respect to the Special Funds, the Issuer reserves the right and privilege of refunding any warrants drawn against any of the Special Funds and refunding improvement bonds payable from such warrants which are past due, or which are redeemable at the option of the Issuer, or to the redemption or exchange of which the holder thereof shall have consented, and for the payment of which Warrants moneys are not at the time available in said fund, by issuing new warrants pursuant to the provisions of § 40-27-06, North Dakota Century Code. Such refunding warrant shall be payable from the applicable Special Funds on a parity with the Warrants previously issued as to interest charges, provided, however, the principal maturities of such refunding warrant shall be subsequent to the maturities of all Warrants payable from such Special Fund and then outstanding, except the warrants so refunded.

With respect to the Special Funds, the Issuer also reserves the right to issue additional warrants and refunding improvement bonds for the payment of the cost of the improvement in said districts if the actual cost of said improvement should be greater than has been estimated, such additional warrants to be payable from said fund on a parity with other warrants drawn on said funds.

9. Further Actions. The officers of this Issuer and the County Auditor of Cass County are authorized and directed to prepare and furnish to the purchaser of said warrants and to the attorneys approving the same, certified copies of all ordinances, resolutions, affidavits or other instruments relating to the establishment and construction of said improvement and the operation and maintenance thereof, and the levy of special assessments and taxes therefore or the

issuance of said improvement warrants, which may be necessary or proper to show the validity or marketability of said warrants, and all instruments and transcripts so furnished, constitute representations of the Issuer as to the correctness of the facts as stated or recited therein.

BE IT RESOLVED by the governing body of City of Fargo, Cass County, North Dakota (the “**Issuer**”), as follows:

1. Findings. It is hereby found, determined, and declared that said Warrants and Prior Bonds were duly and legally authorized under authority of and in accordance with the provisions of Title 40 of the North Dakota Century Code, as amended; that there is not at the present time in the Special Funds sufficient money to pay the Warrants drawn thereon with interest, and by refunding the Prior Bonds the interest rate and interest costs thereon will be substantially reduced, and the general tax which the Issuer may become obligated to levy for any deficiencies in said funds can be reduced and equalized, and the burden on the taxpayers and property owners will be substantially reduced; that all acts, conditions, and things required by the Constitution and laws of the State of North Dakota to be done, to exist, to happen, and to be performed precedent to the issuance of the Bonds hereinafter described have been done, do exist, have happened, and have been performed in due form, time and manner as so required; and that the issuance of the Bonds is necessary and expedient and for the best interest of the Issuer and its inhabitants, taxpayers, and the owners of property liable to be assessed for said Improvements.

2. Award and Sale. All actions heretofore taken by the City Auditor and others relating to the sale of the Bonds sold on this date are approved, ratified, and confirmed; that, having considered all bids received for the purchase of the Bonds, it is hereby found and determined that the most favorable of such bids is that of the purchaser set forth in **Attachment A** hereto, which is hereby incorporated herein and made a part hereof, (the “**Purchaser**”), to purchase the Bonds at the price plus accrued interest set forth in **Attachment A** hereto, and such Bonds are awarded to the Purchaser, bearing interest at the respective annual interest rates from date of issue until paid or discharged and maturing on May 1 in the years and amounts set forth in **Attachment A** which terms are equivalent to the average annual true interest cost on the Bonds set forth in **Attachment A**; that the Mayor and City Auditor are authorized and directed to make and execute all documents necessary on the part of the Issuer for

the sale of the Bonds in accordance with the proposal of the Purchaser; that the good faith check or deposit furnished by the successful bidder shall be retained by the City Auditor until delivery and exchange of the Bonds; and that the good faith checks or deposits of other bidders shall be returned to them forthwith.

3. Authorization and Terms of Bonds.

(a) General. For the purpose of refunding the Prior Bonds, the Issuer hereby authorizes the issuance, execution, and delivery, and shall forthwith issue its registered bonds, designated REFUNDING IMPROVEMENT BONDS, SERIES 2017D, in the respective principal amounts set forth in **Attachment A**. The Bonds shall initially be dated the date of initial delivery thereof to the Purchasers thereof. Bonds issued upon exchange or transfer after such delivery date, shall be dated as of the interest payment date next preceding their issuance, or if the date of such issuance shall be on an interest payment date as of the date of such issue; provided, however, that if interest on the Bonds shall be in default, the Bonds shall be dated as of the date to which interest has been paid in full on the Bonds being transferred. The Bonds shall be issued in fully registered form in denominations of \$5,000, or any multiple thereof, of single maturities. The Bonds shall be numbered in consecutive numerical order from R-1 upwards as issued, shall mature on May 1 in the years and in the amounts, and shall bear interest at the rates set forth in **Attachment A**.

(b) Interest. Interest on the Bonds and, upon presentation and surrender thereof, the principal thereof shall be payable in lawful money of the United States of America by check or draft by the City Auditor of Fargo as Paying Agent, or its successor. Interest shall be payable on May 1 and November 1 in each year, commencing as set forth in **Attachment A**, to the holder of record on the close of the 15th day (whether or not a business day) of the immediately preceding month. Interest on the Bonds shall cease at maturity or on a date prior thereto on which they have been duly called for redemption unless the holder thereof shall present the same for payment and payment is refused.

(c) Optional Redemption. The Bonds are subject to optional redemption as set forth in **Attachment A**.

(d) Mandatory Redemption, Term Bonds. The Bonds, if any, designated in **Attachment A** as Term Bonds are subject to mandatory sinking fund redemption in part at a Redemption Price equal to 100% of the principal amount thereof, together with accrued interest to the redemption date on May 1 of the years and in the principal amounts set forth in **Attachment A**.

(e) Notice of Redemption; Selection of Bonds. In the event any Bond is called for redemption prior to maturity, the Issuer will cause a notice of redemption to be sent to the Bond Registrar, Paying Agent and the registered owners of the Bonds called for redemption at least thirty (30) days before the date specified for redemption at the address shown on the registration books of the Bond Registrar. Within ten (10) days before the thirtieth (30th) day prior to any specified redemption date, if less than all Bonds of a single maturity of one series are to be redeemed the Bond Registrar will select for redemption (by lot in such manner as the Bond Registrar may determine) from all outstanding Bonds of the applicable maturity and series a principal amount of such Bonds equal to the aggregate principal amount of such Bonds to be

redeemed, and will call such Bonds or portions thereof (\$5,000 in principal amount of any integral multiple thereof) for redemption on such Redemption Date and give notice of such call. If less than all Bonds of a single series are to be optionally redeemed as permitted above, the maturity or maturities of the Bonds to be redeemed shall be selected by the Bond Registrar as directed by the Issuer.

If less than all Term Bonds of a single maturity of the same series are to be redeemed at the option of the Issuer, the Issuer may apply the principal amount to be redeemed to reduce the mandatory sinking fund redemption requirements in such the Term Bond to be redeemed in such year or years as it determines in its sole discretion.

The Issuer may choose to optionally redeem Bonds of one series without optionally redeeming any Bonds of the other series.

4. Transfer and Exchange. The Bonds are transferable upon the books of the Issuer at the principal office of the Bond Registrar by the registered owner thereof in person or by his attorney duly authorized in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the registered owner or his attorney; and may also be surrendered in exchange for Bonds of the same series of other authorized denominations. Upon such transfer or exchange the Issuer will cause a new Bond or Bonds of the same series to be issued in the name of the transferee or registered owner, of the same aggregate principal amount, bearing interest at the same rate and maturing on the same date, subject to reimbursement for any tax, fee or governmental charge required to be paid with respect to such transfer or exchange. No transfer of Bonds shall be required to be made during the 15 days next preceding an interest payment date, nor during the 45 days next preceding the date fixed for redemption of such Bonds.

The Issuer and the Bond Registrar may deem and treat the person in whose name any Bond is registered as the absolute owner thereof, whether the Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and neither the Issuer nor the Bond Registrar shall be affected by any notice to the contrary.

5. The Bond Form; Execution and Delivery. The Bonds shall be printed, or produced in typewritten form, under the supervision and at the direction of the City Auditor, executed by the manual or facsimile signature of the Mayor, sealed with the Issuer's official seal, and attested to by the manual signature of the City Auditor and delivered to the holder at closing upon receipt of the purchase price plus any accrued interest. The Bonds shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under this Resolution until the Certificate of Authentication thereon shall have been executed by the Bond Registrar by manual signature of one of its authorized representatives.

The Mayor, the City Auditor, and other officers of the City are also hereby authorized to execute and deliver any such additional certificates, showings, agreements, or documents necessary or otherwise appropriate in connection with the issuance of the Bonds and the transactions contemplated thereby.

In the event of the absence or unavailability of the Mayor, the City Auditor, or other appropriate officer of the City, the Warrants and the other documents authorized for execution

and delivery pursuant to this section may be executed and delivered by the individual or individuals authorized generally by the City to act on behalf of the Mayor, the City Auditor, or other officer of the City in such circumstances, including, without limitation, the Deputy Mayor and the Deputy City Auditor, as the case may be.

In case any officer signing documents authorized to be executed and delivered by this Resolution shall cease to be such officer before or after the delivery of any such document, such signature, nevertheless, shall be valid and remain sufficient for all purposes as if such officer had remained in office until such delivery or later applicable time.

The Bonds shall be reproduced in substantially the form set forth in **Attachment C** hereto which is hereby incorporated herein and made a part hereof.

6. Establishment of Bond Fund. There shall be and is hereby created a special fund to be maintained by the City Auditor separate and apart from all other funds of the Issuer, to be designated as the SERIES 2017D REFUNDING IMPROVEMENT REFUNDING BOND FUND (herein referred to as the “**Bond Fund**”), as a separate and special fund for the sole purpose of payment of principal and interest on any outstanding Bonds and shall be maintained until all balances of principal and interest on the Bonds are fully paid. There is hereby appropriated to the Bond Fund all of the funds and the Warrants heretofore appropriated for the payment of the Prior Bonds, subject to the prior lien of the Prior Bonds upon such funds until they have been fully paid or redeemed. All payments of principal and interest made on the Warrants through the Crossover Date (May 1, 2021) shall be used and applied first to pay principal of and interest on the Prior Bonds and the Bonds payable on or before such date. Thereafter, assuming the payment of the interest due on all Prior Bonds on the Crossover Date and the principal amount of the Prior Bonds maturing on the Crossover Date, all payments of principal and interest on the Warrants shall be used and applied to pay principal of, premium (if any), and interest on the Bonds.

7. Retirement of Prior Bonds; Establishment of Escrow Fund. Simultaneously with the delivery of the Bonds herein authorized, the proceeds of the Bonds and certain other funds now on hand and available in the amounts set forth in **Attachment A** are hereby irrevocably appropriated to the Escrow Fund and shall be deposited in trust with the Escrow Agent and invested as set forth in the Escrow Agreement in obligations of or fully guaranteed by the United States Government which will mature in such amounts and at such time or times and, together with the earnings arising from such obligations, and other necessary monies deposited therein, will be fully sufficient to provide for payment of the principal amount of the maturities of the Prior Bonds to be called for redemption prior to maturity on the Crossover Dates, to pay all interest on the Bonds through the Crossover Date. The Mayor and the City Auditor are hereby authorized to enter into the Escrow Agreement with the Escrow Agent, which agreement shall provide that the obligation in which said funds are so invested will be sufficient to make the required payments specified in the preceding sentence. The Escrow Agreement shall be in substantially the form acceptable to the City Finance Director. The City Finance Director is authorized to transfer up to the amount of other funds specified in **Attachment A** hereto to the Escrow Agent for deposit in the Escrow Fund.

8. Transfer of Warrants. It is hereby found, determined, and declared that the Warrants held as assets in the Issuer’s bond funds for the Prior Bonds shall, simultaneously with the issuance of the Bonds herein authorized, be immediately transferred and deposited into the

Bond Fund. The Warrants shall be held in trust for the holders of the Bonds subject only to the prior lien in favor of the holders of the Prior Bonds until the Prior Bonds are fully paid or redeemed.

9. Tax Covenant. The Issuer covenants and agrees with the holders from time to time of the Bonds that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Bonds to become subject to taxation under the Internal Revenue Code of 1986, as amended (the “Code”), and Regulations, Amended Regulations, and Proposed Regulations issued thereunder, as now existing or as hereinafter amended or proposed and in effect at the time of such action.

10. Covenants. The Issuer hereby covenants and agrees with the holders from time to time of the Bonds issued pursuant hereto:

(a) That it will use due diligence to collect all amounts due on the Warrants and to levy and collect the special assessments appropriated for their payment.

(b) That it will preserve and enforce for the benefit of the holders from time to time of the Bonds all of the rights, powers, and privileges reserved, to the holders of the Warrants, and all of the covenants of the Issuer as provided in the resolution authorizing the issuance of the improvement warrants.

(c) That at the time and in the manner prescribed by § 40-26-08, North Dakota Century Code, as amended, this governing body will levy general taxes on all taxable property in the corporate limits of the Issuer for the payment of any deficiency in any Special Fund and will cause the proceeds thereof to be applied in payment of the principal of and interest on the then unpaid Warrants drawn on said Special Fund; provided that the Issuer reserves the right to levy taxes in the manner and to the extent permitted by law for payment and discharge of any deficiency in said Special Funds prior to the date upon which it may become obligatory to levy such deficiency taxes, and the amounts thereof shall be credited against the levies which the Issuer might otherwise have been obligated to make.

(d) That in the event the moneys in the Bond Fund should at any time be insufficient to meet all payments of principal and interest then due on the Bonds, said moneys shall be first used to pay the interest accrued on all outstanding Bonds of both series on a parity basis, and the balance shall be applied in payment of the principal of said Bonds of both series on a parity basis in order of their maturity dates, earliest maturities first, Bonds bearing the same maturity dates being paid pro rata. The Issuer reserves the right and privilege of refunding any of such matured Bonds for the payment of which moneys are not at the time available by issuing new bonds payable from said Bond Fund, which bonds shall be on a parity with those theretofore issued as to interest charges thereon, but the maturity thereof shall be subsequent to the maturity of all Bonds payable from said fund and then outstanding, provided that no holder of Bonds herein authorized to be issued shall be obligated to accept any such bond in exchange for any of such matured Bond.

(e) The Issuer hereby reserves the right to issue additional improvement warrants and refunding improvement bonds, payable on a parity with the Bonds issued hereunder and the Warrants exchanged for the Bonds, to the extent required to complete the improvements

presently proposed for said improvement districts and to be financed by the issuance of the additional improvement warrants exchanged for additional revenue bonds.

(f) The Issuer hereby pledges (i) all special assessments for improvements funded in whole or in part from the proceeds of the Warrants, (ii) the Warrants and the payments thereon, (iii) all amounts on deposit from time to time in the Special Funds, including the Bond Fund, and (iv) all amounts on deposit in the Escrow Account to the payment of the principal of and interest on the Prior Bonds and the Bonds (and any additional bonds issued as contemplated by Section 10(e) above) on a parity basis except for the prior pledge of the Warrants to the Prior Bonds and except as otherwise set forth in this Resolution, the Bonds, and the Escrow Agreement.

11. Payment and Discharge; Defeasance. When all of the Bonds have been discharged as provided in this paragraph, all pledges, covenants and other rights granted by this Resolution shall cease. The Issuer may discharge its obligations with respect to all or a portion of the Bonds which are due on any date by depositing with the Paying Agent on or before that date a sum sufficient for the payment of the principal thereof, and interest accruing thereon to such duty in full. If any Bond shall not have been paid when due, the same may nevertheless be discharged by depositing with the Paying Agent a sum sufficient for the payment of the principal thereof in full with interest accrued thereon from the date to which interest has been paid to the date of such deposit and payment to the owners thereof. The Issuer may also discharge its obligations with respect to all or a portion of the Bonds, by depositing with the paying agent on or before that date an amount equal to the principal, interest and redemption premium, if any, which are due on the maturity date, or earlier redemption date selected by the Issuer, provided that notice of such redemption has been duly given as provided herein. The Issuer may also at any time discharge its obligations with respect to all or a portion of the Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a bank or financial institution qualified by law as an escrow agent for this purpose, cash or securities which are general obligations of the United States or securities of United States agencies which are authorized by law to be so deposited, bearing interest payable at such times and at such rates and maturing on such dates as shall be sufficient to pay all principal, interest, and redemption premium to become due thereon to maturity or the date of earlier redemption selected by the Issuer. If less than all of the Bonds are to be discharged pursuant to this paragraph, the maturity date, the mandatory sinking fund redemption requirement with respect to Term Bonds, and series may be selected by the Issuer in its sole discretion.

12. Further Actions Authorized. The officers of the Issuer and the City Auditor are hereby authorized and directed to prepare and furnish to said Purchaser, and to the attorneys approving the legality of the Bonds, certified copies of such proceedings, ordinances, resolutions, and records and all such certificates and affidavits and other instruments as may be required to evidence the legality and marketability of said Bonds, and all certified copies, certificates, affidavits, and other instruments so furnished, including any heretofore furnished, shall constitute representations of the Issuer as to the correctness of all facts stated or recited therein.

13. Appointment of Paying Agent and Bond Registrar. The Issuer hereby designates City Auditor as Paying Agent and Bond Registrar for the Bonds. The Issuer reserves the right to appoint replacement or successor paying agents or bond registrars.

14. Book-Entry Only Provisions.

(a) Notwithstanding the provisions of this Resolution regarding registration, ownership, transfer, payment, and exchange of Bonds, unless the Issuer determines to permit the exchange of Depository Bonds (as designated in (c) below) for Bonds in the denominations provided in Section 3(a), the Bonds shall be issued as Depository Bonds in denominations of the entire principal amount of a particular maturity; such Bonds to be registered in the name of the Bond Depository (as defined in (g) below) or its nominee. The Bonds shall be solely in the denominations of the entire principal amount of each particular maturity except as provided in paragraph (b) or (c).

(b) Upon (i) a determination by the Issuer that the Bond Depository is no longer able to carry out its functions or is otherwise determined unsatisfactory by the Issuer in its sole discretion or (ii) a determination by the Bond Depository that the Bonds are no longer eligible for its depository services or (iii) a determination by the Issuer that the Bond Depository has resigned or discontinued its services for the Bonds, the Issuer shall either (i) designate a substitute Bond Depository in accordance with paragraph (d) or (ii) provide for the exchange of Depository Bonds for Bonds in the denominations provided in Section 3(a).

(c) If the Issuer determines to provide for the exchange of Depository Bonds for Bonds in the denominations provided in Section 3(a), the Issuer shall so notify the Bond Depository for notification of the beneficial owners thereof and provide for such exchange.

(d) Any substitute Bond Depository shall be a “clearing corporation” as defined in North Dakota Uniform Commercial Code, North Dakota Century Code, § 41-08-02, and shall be a qualified and registered “clearing agency” as provided in § 17A of the Securities Exchange Act of 1934, as amended. The substitute Bond Depository shall provide for (i) immobilization of the Depository Bonds, (ii) registration and transfer of beneficial ownership of interests in the Depository Bonds by book entries made on records of the Bond Depository and participating entities, and (iii) payment of principal of, premium, if any, and interest to the Bond Depository participating entities and beneficial owners.

(e) So long as the Bonds are Depository Bonds, the following provisions shall apply unless amended by the Bond Depository. The principal of the Bonds shall be payable when due in next day funds to the Bond Depository, initially Cede & Co. as nominee of the Depository Trust Company at The Depository Trust Company, Muni Redemption Department, 570 Washington Boulevard, Jersey City, New Jersey 07310, Attn: Underwriting Packaging Department (or such other nominee or address as the Depository shall specify in writing to the Issuer) and if the payment is of only part of the principal hereof, the Issuer shall mail by first class mail to the Bond Depository a written statement of the principal amount paid as to the Bonds of each maturity outstanding following such payment, and upon such payment the Bond Depository as registered owner may in its discretion make a notation on a register of partial payments attached to the Bond of the principal amount paid, provided that the Bond Depository may at its option surrender the Bonds for exchange for a Bond registered with the new principal amount and provided the Bond shall be surrendered for payment upon redemption in full or at maturity. Such notation if made by the Bond Depository, shall be for reference only, and may not be relied upon by any other person as being in any way determinative of the principal amount of the Bonds outstanding. Interest is payable in next day funds from the Issuer to the Bond

Depository or its nominee, at its address as it appears on the bond registration books of the Issuer. Each payment of interest and/or principal shall specifically separate such payment amount by CUSIP number identification provided to the Bond Depository. The transfer permitted pursuant to Section 15 of this Resolution shall occur only with respect to Bonds of a minimum denomination of the remaining principal amount of an entire maturity thereof so long as the Bonds are Depository Bonds. Upon a partial redemption of a Bond which results in the stated amount thereof being reduced, the Bond Depository, or its nominee, may in its discretion make notation on a register of partial payments attached to the Bond of such redemption, stating the amount so redeemed. Such notation, if made by the Bond Depository, or its nominee, shall be for reference only, and may not be relied upon by any other person as being in any way determinative of the principal amount of the Bond outstanding. The Bond Depository, or its nominee, may surrender the Bond to the Issuer (with, if the Issuer so requires, a written instrument of transfer in form satisfactory to the Issuer duly executed by the Bond Depository, or its nominee, or his attorney duly authorized in writing) and the Issuer shall execute and deliver to the Bond Depository, or its nominee, without service charge, a new Bond of the same series having the same stated maturity and interest rate and of the authorized denomination in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

(f) **“Depository Bonds”** shall mean Bonds which pursuant to an Issuer determination are available to the beneficial owners thereof only in book entry form (with no delivery of physical certificates except to the Depository) pursuant to a book entry system operated by the Depository.

(g) **“Bond Depository”** shall mean Depository Trust Company or any substitute depository pursuant to (d) above.

(h) In the event of any solicitation from and voting by holders of the Bonds, the Issuer may establish a record date or from time to time record dates, which date of establishment shall be not less than fifteen (15) days prior to such record date and upon establishment said record date shall immediately be transmitted to the Bond Depository for such purpose and such other policies and procedures as may be necessary or helpful in soliciting, evidencing, and counting such consents or revocations thereof and do not violate or are not in conflict with the provisions of the Resolution. The record date shall be that date on which the registered owner to which any mailing of a solicitation is sent are determined, but shall not give the registered owner of the Bonds any rights to vote upon ceasing to be a registered owner. Additional record dates may be established to solicit subsequent registered holders.

(i) The Mayor or City Auditor is authorized and directed to execute and deliver a global Letter of Representation to Depository Trust Company, if not previously filed, and such other documents in connection with the book entry only system for the Bonds as required from time to time by Depository Trust Company.

15. Exchange and Transfer. In the event that any transfer or exchange of Bonds is permitted under Section 14(b) hereof, such transfer or exchange shall be accomplished upon receipt, by the Bond Registrar from the registered owner of the Bonds to be transferred or exchanged, of appropriate instruments of transfer to the transferees. In the event Bond certificates are issued to holders other than Cede & Co., its successor as nominee for DTC as

holder of all the Bonds, or other securities depository as holder of all the Bonds, the provisions of the Resolution shall also apply to, among other things, the printing of such certificates and the method of payment of principal of and interest on such certificates.

16. Repealer. All prior resolutions and other acts or proceedings of this governing body which are in any way inconsistent with the terms of this Resolution are hereby amended to the extent necessary to give full force and effect to this Resolution.

Nothing herein contained shall be deemed to modify, amend, violate, repudiate or repeal any provision or covenant contained in any Prior Bond, or any resolution pursuant to which any Prior Bond has been issued and is outstanding, to the extent that a modification, amendment, violation, repudiation or repealer would impair the obligation or contract owed to any holders of such Prior Bonds or would otherwise be invalid or ineffective.

17. Continuing Disclosure. The City Auditor is hereby authorized to execute, on behalf of the Issuer, the Continuing Disclosure Certificate in a form substantially similar to that attached as **Attachment C** hereto, which is hereby incorporated herein and made a part hereof.

KNOW ALL MEN BY THESE PRESENTS that the City of Fargo, Cass County, North Dakota, (the “Issuer”) acknowledges itself to be specially indebted and for value received promises to pay to the registered owner specified above or registered assigns, the principal amount specified above, but only from its SERIES 2017D REFUNDING IMPROVEMENT REFUNDING BOND FUND (the “Bond Fund”) on the maturity date specified above, with interest thereon from the Date of Original Issue set forth above at the annual rate specified above, payable on May 1 and November 1 in each year, commencing May 1, 2018, to the holder of record on the close of the 15th day (whether or not a business day) of the immediately preceding month, all subject to the provisions referred to herein with respect to the redemption of the principal of this Bond before maturity. The interest hereon and, upon presentation and surrender hereof, the principal hereof are payable in lawful money of the United States of America by check or draft by City Auditor of Fargo or its successor, as paying agent (the “Paying Agent”).

This Bond is one of an issue designated the CITY OF FARGO REFUNDING IMPROVEMENT BONDS, SERIES 2017D (the “Bonds”), in the aggregate principal amount of \$_____, all of like original issue date and tenor except as to serial number, maturity date, interest rate, and redemption privilege, issued, pursuant to a resolution adopted by the governing body of the

Issuer on _____, 2017 (the “Bond Resolution”). The Bonds are being issued to finance the refunding of the Issuer’s REFUNDING IMPROVEMENT BONDS, SERIES 2013C (the “Prior Bonds”). The Bonds are payable solely from, and secured by, (i) certain special assessments and certain improvement warrants issued with respect to such special assessments; (ii) a portion of the investments held in the escrow account (the “Escrow Account”) established pursuant to an escrow agreement dated the date hereof (the “Escrow Agreement”), by and between the Issuer and Wells Fargo, National Association, Minneapolis, Minnesota, as escrow agent (the “Escrow Agent”); and (iii) in certain circumstances, taxes to be levied by the Issuer, all as more fully described in this Bond and the Bond Resolution.

Proceeds of the Bonds, together with other available funds of the Issuer will be used for the purpose of crossover refunding the May 1, 2024, through May 1, 2039, maturities of the Prior Bonds (the “Refunded Prior Bonds”) on May 1, 2021 (the “Crossover Date”). The Prior Bonds were issued for the purpose of refunding outstanding special assessment improvement warrants of the Issuer (the “Warrants”) issued for improvement districts of the Issuer (the “Districts”) for the purpose of paying the costs of local improvements in a particular District.

All collections of the special assessments appropriated to pay the Warrants, and any deficiency tax levies, are to be used and applied in said fund for the payment of principal of and interest on the Prior Bonds and the Bonds. Prior to the Crossover Date, all of the Warrants will remain pledged to the payment of the debt service on the Prior Bonds. Prior to the Crossover Date, debt service on the Bonds will be paid from amounts on deposit in the Escrow Account. On the Crossover Date, the unpaid principal amount of the Refunded Prior Bonds is required to be paid in full from amounts on deposit in the Escrow Account. After the Crossover Date, the Warrants will be held in trust in the Bond Fund as security for the Bonds and all collections of special assessments thereon and of any deficiency taxes levies are required to be used for the payment of debt service on the Bonds.

The Bonds maturing on or after May 1, 2028, are subject to optional redemption on May 1, 2027, and any date thereafter at a price of par plus accrued interest to the date of redemption.

In the event Bonds are called for optional redemption in part, the maturities, and the Bonds within a maturity, shall be selected by the Issuer in such manner as the Issuer shall determine. Not less than 30 days prior to the date specified for redemption and prepayment of any of the Bonds, the Issuer will cause notice of the call thereof to be sent by mail to the Bond Registrar, the Paying Agent, and the registered owner of the Bond to be redeemed, in whole or in part, at the address shown on the registration books of US Bank, National Association, or its successor, as bond registrar (the “Bond Registrar”).

The Bonds maturing May 1, 20___, shall be known as Term Bonds. The Term Bonds are subject to mandatory sinking fund redemption in part at a Redemption Price equal to 100% of the principal amount thereof, together with accrued interest to the Redemption Date on May 1 of the following years and in the following principal amounts:

The Bonds maturing May 1, 20__, shall be known as Term Bonds. The Term Bonds are subject to mandatory sinking fund redemption in part at a Redemption Price equal to 100% of the principal amount thereof, together with accrued interest to the Redemption Date on May 1 of the following years and in the following principal amounts:

In the event Bonds are called for prior mandatory sinking fund redemption, the Bonds to be redeemed within a maturity shall be selected by the Issuer in such manner as the Issuer shall determine. Not less than 30 days prior to the date specified for redemption and prepayment of any of the Bonds, the Issuer will cause notice of the call thereof to be sent by mail to the Bond Registrar, the Paying Agent, and the registered owner of this Bond to be redeemed, in whole or in part, at the address shown on the registration books of the Bond Registrar.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Bond Resolution until the Certificate of Authentication hereon shall have been executed by the Bond Registrar by manual signature of one of its authorized representatives.

As provided in the Bond Resolution and subject to certain limitations set forth therein, this Bond is transferable upon the books of the Issuer at the principal office of the Bond Registrar, by the registered owner hereof in person or by its attorney duly authorized in writing upon surrender hereof together with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the registered owner or attorney, and may also be surrendered in exchange for Bonds of other authorized denominations. Upon such transfer or exchange, the Issuer will cause a new Bond or Bonds to be issued in the name of the transferee or registered owner, of the same aggregate principal amount, bearing interest at the same rate, and maturing on the same date, subject to reimbursement for any tax, fee, or governmental charge required to be paid with respect to such transfer or exchange. The Issuer and the Bond Registrar may deem and treat the person in whose name this Bond is registered as the absolute owner hereof, whether this Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and neither the Issuer nor the Bond Registrar shall be affected by any notice to the contrary.

So long as the Bonds are Depository Bonds (as defined in the Bond Resolution), the following provisions shall apply as may be amended from time to time by the Bond Depository. The principal of the Bonds shall be payable when due in next day funds to Cede & Co. as nominee of the Depository Trust Company (the "Bond Depository") at The Depository Trust

Company, Muni Redemption Department, 570 Washington Boulevard, Jersey City, New Jersey 07310, Attn: Underwriting Packaging Department (or such other nominee or address as the Bond Depository shall specify in writing to the Issuer), and if the payment is of only part of the principal hereof, the Issuer shall mail by first-class mail to the Depository a written statement of the principal amount paid as to the Bonds of each maturity outstanding following such payment, and upon such payment the Bond Depository as Holder may in its discretion make a notation on a register of partial payments attached to the Bond of the principal amount paid, provided that the Bond Depository may at its option surrender the Bonds for exchange for a Bond registered with the new principal amount and provided the Bond shall be surrendered for payment upon redemption in full or at maturity. Such notation, if made by the Bond Depository, shall be for reference only, and may not be relied upon by any other person as being in any way determinative of the principal amount of the Bonds Outstanding. Interest is payable in next day funds from the Issuer to Cede & Co. as nominee of the Depository Trust Company, at its address as it appears on the bond registration books of the Issuer. Each payment of interest and/or principal shall specifically separate such payment amount by CUSIP number identification provided to the Bond Depository. The transfer permitted pursuant to Section 15 of the Bond Resolution shall occur only with respect to Bonds of a minimum denomination of the remaining principal amount of an entire maturity thereof so long as the Bonds are Depository Bonds. Upon a partial redemption of a Bond which results in the stated amount thereof being reduced, the Bond Depository may in its discretion make notation on a register of partial payments attached to the bond of such redemption, stating the amount so redeemed. Such notation, if made by the Bond Depository, shall be for reference only, and may not be relied upon by any other person as being in any way determinative of the principal amount of the Bonds Outstanding. The Bond Depository may surrender a Bond to the Issuer (with, if the Issuer so requires, a written instrument of transfer in form satisfactory to the Issuer duly executed by the Bond Depository or its attorney duly authorized in writing) and the Issuer shall execute and deliver to the Bond Depository of such Bond, without service charge, a new Bond having the same stated maturity and interest rate and of the authorized denomination in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

IT IS HEREBY CERTIFIED, RECITED, COVENANTED, AND AGREED that all acts, conditions and things required by the Constitution and laws of the State of North Dakota to be done, to exist, to happen and to be performed precedent to and in the valid issuance of this Bond have been done, do exist, have happened and have been performed in regular and due form, time and manner as so required; that the Issuer has duly created the SERIES 2017D REFUNDING IMPROVEMENT REFUNDING BOND FUND as a separate and special fund and has appropriated thereto the Warrants and payments thereon, and will use due diligence to collect said improvement warrants and the special assessments and any taxes appropriated for their payment; the Issuer has reserved the right and privilege of issuing additional improvement warrants on the funds of the Districts, if and to the extent necessary to complete payment of the cost of the improvements, and the right and privilege of refunding such warrants by the issuance of additional series of refunding improvement bonds, payable on a parity with the Bonds of this series, provided that the total amount of special assessments and taxes appropriated for payment of the cost of the improvements shall be not less than the total amount of warrants issued with respect thereto; that the governing body is required by law to levy a tax upon all the taxable property in the corporate limits of the Issuer, without limitation as to rate or amount, to meet any deficiency in any of said improvement district funds for the payment of all warrants drawn thereon, with interest; and that all collections of special assessments and taxes appropriated for the payment of said improvement warrants are required by law to be credited to the Bond Fund and applied in payment of the principal of and interest on the Bonds and any other series issued

pursuant to the authority hereinbefore reserved; all as more fully stated in the Bond Resolution; and that the issuance of this Bond has not caused the indebtedness of the Issuer to exceed any constitutional or statutory limitation of indebtedness.

IN WITNESS WHEREOF the City of Fargo, North Dakota, by its governing body, has caused this Bond to be executed in its behalf by the manual or facsimile signature of the Mayor and City Auditor, and sealed with its official seal, and has caused the certificate appearing on the following page to be executed by the manual or facsimile signatures of said officers.
