

CITY OF FARGO
TRAFFIC TECHNICAL ADVISORY COMMITTEE MINUTES
May 4, 2016

Members Present:	Jeremy Gorden	Commissioner Mike Williams
	Ryan Erickson	Ben Dow
	Derrick LaPointe	Ross Renner

Members Absent: April Walker

Others Present: Jason Baker, Thad Thorlson, Andrew Thompson

Mike Williams called the meeting to order at 3:30 PM.

1. Approve Meeting Minutes from April 6 Meeting
2. Old Broadway Appeal of Denial to 3 Special Event Permits

With the special events closure permit in the process of being restructured there has been added emphasis on what warrants the closure of a city street. Thad stated that he submitted one permit on the behalf of the Fargo Marathon. That event is the official marathon after party. He said that if NP Avenue is still closed by Roberts Street they will hold the event in their parking lot. He will resubmit permit. The closure for Oktoberfest had some concern if this was a public event. If they could include letters from adjacent property owners showing their support for the event and closure would be beneficial. There is some time before the scheduled events to resubmit permits.

3. Winter No Parking

Continue discussions on revamping the winter no parking ordinance.

4. Other Business

Andrew Thompson from NODAK Mutual Insurance location on 12th St N north of 1st Avenue North requested that 12th St N have parking allowed only on one side of the street. With parking on both sides of the street, the street is only passable to one vehicle. Parking was recently allowed on both sides as a part of the new downtown parking master plan. Engineering will look at removing some parking in order to help the flow of traffic.

With no other business the meeting was adjourned at 4:15 pm.
