I. PURPOSE OF PROPOSAL

The City of Fargo is seeking contractors to work with Public Works for Generator maintenance services.

Public Works has miscellaneous standby generators. Manufacturers include Katolite, and Cummins. Request is for two (2) service visits annually: one (1) full maintenance service (fluids and filters included) and one (1) maintenance inspection. The replacement of batteries and air filters will be considered extra, and not included in price of service.. All parts, repairs and / or fluid changing must be done with parts and fluids that meet or exceeds the manufacturer's specifications and requirements. Any substitution of these parts, fluids, or the changing of any factory settings must be approved by the Contract Administrator. Any used oil taken out of the generators must be transported and properly disposed of.

PROPOSAL TERMS:

The city reserves the right to reject any and all proposals received as a result of this RFP. If a proposal is selected it will be the most advantageous regarding price, quality of service, contractors' qualifications and capabilities to provide the specified service. The city reserves the right to consider proposals for modifications at any time before a contract would be awarded, and negotiations would be undertaken with that contractor whose proposal is deemed to best meet the city's specifications and needs.

Proposals must be signed by an official authorized to bind the contractor to its provisions for at least a period of 60 days. Failure of the successful proposer to accept the obligation of the contract may result in the cancellation of any award.

In the event it becomes necessary to revise any part of this RFP an addenda will be provided. Deadlines for submission of RFPs may be adjusted to allow for revisions. To be considered, original proposal and amended proposal must be at the City of Fargo Auditors Office on or before the date and time specified.

The prices stated in the bidder's proposal will not be subject to any price increase from the date on which the proposal is opened to the mutually agreed end date of contract.

II. PROPOSAL SPECIFICATIONS

The proposal should include all of the following information:

- A. Contractor's qualifications, years in business, experience in providing the level and type of service specified in the proposal.
- B. Proposals should be prepared simply and economically providing a straight-forward, concise description of the contractor's ability to meet the requirements of the RFP. Proposal shall be written in ink or typewritten. No erasures are permitted. Mistakes may be crossed out and corrected and must be initialed by the person signing the proposal.

K. Other Repairs

A repair is defined as a deficiency which is identified during regular preventive maintenance that is not the result of normal wear and tear and is not because of any improper performance by the Contractor or failure to perform preventative maintenance.

Contractor should prepare and submit to the Contract Administrator a written "not-to exceed" estimate of the man hours and materials, based on the labor rate and parts mark-up listed on the Price Form, which will be required to perform any major repairs. Repairs shall be made only with the written Authorization of the Contract Administrator. The City may obtain additional repair cost estimates and authorize major repair work to be done by another contractor when it is determined to be in the best interest of the City .

Parts estimated to be over \$30,000 will require competitive bidding. Contractor will not purchase parts over \$30,000 until authorized by the City.

M. Property Damage

Contractors will be notified in writing by the Director of Public Works of any property damage that occurs as a result of generator maintenance services. Notification will be within 48 hours of Director of Public Works becoming aware of such property damage. Contractor will be solely and wholly financially liable for any damaged property, as a result of negligence on the part of the contractor. The contractor will repair, to the satisfaction of the Public Works Department, any damaged property in a timely manner after the terms of this contract.

V. STANDARD PROVISIONS FOR CONTRACTS

A. Reporting of Contractor

The contractor will work closely with Street Department Staff and will cooperate and confer with him/her as necessary to insure satisfactory work progress.

All reports, estimates, memoranda and documents submitted by the contractor must be dated and bear the contractor's name. All reports made in connection with these services are subject to review and final approval by city.

The city reserves the right to inspect the contractor's activities during the term of this contract.

B. Personnel

The contractor will provide the required services personally and will not subcontract or assign services without the city's written approval.

The contractor will not hire any city employee for any of the required services without the city's written approval.

C. Indemnification Agreement

The contractor will protect, defend and indemnify the city, its officers, agents, servants, volunteers and employees for any and all liabilities, claims, liens, fines, demands and costs including legal fees, of whatsoever kind and nature which may result in injury or death to any persons, including the contractor's own employees, and for loss or damage to any property, including property owned or in the care, custody or control of the city in connection with or in any way incident to or arising out of the occupancy, use, service, operations, performance or non-performance of work in connection with this contract resulting in whole or in part from negligent acts or omissions of Contractor, any sub-contractor, or any employee, agent or representative of the Contractor.

D. Insurance Requirements

All insurance (Worker's Compensation, Comprehensive General Liability, and/or Automobile) shall be maintained at the expense of the contractor during the term of this contract.

E. Compliance with Laws and Regulations

The contractor will comply with all federal, state, and local laws and regulations.

F. Interest of Contractor

The contractor promises that it has no interest which would conflict with the performance of services required by the contract. The contractor also promises that, in the performance of this contract, no officer, agency, employee of the city, or member of its governing bodies, may participate in any decision relating to this contract which effects his/her personal interest or interest of any corporation, partnership or association in which he/she is directly or indirectly interested, or has any personal or pecuniary interest.

G. Contingent Fees

The contractor promises that it has not employed or retained any company or person, other than a bona fide employee working solely for the contractor, to solicit or secure this contract, and that it has not paid or agreed to pay any company or person, other than bona fide employees working solely for the Contractor, any fee commission, percentage, brokerage fee, gifts or any other consideration contingent upon or resulting from the award or making of this contract. For breach of this promise, the city may cancel this contract without liability or, at its discretion, deduct the full amount of the fee, commission, percentage, brokerage fee, gift or contingent fee from the compensation due the contractor.

H. Equal Employment Opportunity

The contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, sexual orientation, national origin, physical handicap, age, height, weight, marital status, veteran status, religion or political belief (except as it relates to a bona fide occupational qualification reasonably necessary to the normal operation of business).

I. Ownership of Documents and Publications

All documents developed as a result of this contract will be freely available to the public. None may be copyrighted by the contractor. During the performance of the service, the contractor will be responsible for any loss of or damage to the documents which are in its possession and must restore the loss or damage at its expense. Any use of the information and results of this contract by the contractor must reference the project sponsorship by the city.

J. Assigns & Successors

This contract is binding on the city and the contractor, their successors and assigns. Neither the city nor the contractor will assign or transfer its interest in this contract without the written consent of the other.

K. Termination of Contract

Termination without cause. Either party may terminate the contract by giving ten (10) days written notice to the other party.

L. Payroll Taxes

The contractor is responsible for all applicable state and federal social security benefits and unemployment taxes and agrees to indemnify and protect the city against such liability.

M. Practice and Ethics

The parties will conform to the code of ethics of their respective national professional associations.

N. Changes in Scope or Schedule of Services

Changes due to the sale or the purchase of properties will be incorporated into this contract by written amendment.

O. Extent of Contract

This contract represents the entire agreement between the parties and supersedes all prior representations, negotiations or agreements whether written or oral.

VI. TERMS AND CONDITIONS

A. Award

The city reserves the right to reject any and all proposals received as a result of this RFP. If a proposal is selected it will be the most advantageous regarding price, quality of service, the contractors' qualifications and capabilities to provide the specified service.

The city does not intend to award a contract fully on the basis of response made to the proposal; the city reserves the right to consider proposals for modifications at any time before a contract would be awarded, and negotiations would be undertaken with that contractor whose proposal is deemed best to meet the city's specification and needs.

C. Term of Contract

The initial term of this contract shall be for one (2) year commencing on November 15, 2019 and expiring November 15, 2021. The term of this agreement may be extended for one-year periods for a maximum of three (3) additional years, if approved and accepted in writing by both the contractor and the city prior to September 30th of the appropriate year.

Contractor performance, quality of service, price, and reliability are some of the criteria that will be used as a basis for the city to exercise an option year. The awarded contractor or city may submit a written notification requesting to exercise the extension by no later than September 15th of the appropriate year.

The initial agreement places no obligation on the City to renew beyond the initial term of the contract.

- D. Evaluation Criteria
- E. The proposal submitted and received by CITY will be evaluated and ranked according to the following criteria:
 1. Previous Work Experience – 35%
 2. Available Equipment Inventory – 35%
 3. Price – 30%
