

CITY OF FARGO  
TRAFFIC TECHNICAL ADVISORY COMMITTEE MINUTES  
August 3, 2016

Members Present:           Commissioner Dave Piepkorn   April Walker  
                                  Jeremy Gorden           Nicole Crutchfield   James Garvey  
                                  Ben Dow                   James Kringlie

Members Absent:

Others Present:            Jason Baker

Commissioner Piepkorn called the meeting to order at 11:30 AM.

1. Approve Meeting Minutes from August 3 Meeting
2. Request to Change Winter No Parking Restrictions

Mr. and Mrs. Cossette have concerns over the winter parking restrictions on their block of 17<sup>th</sup> Avenue North west of Elm Street. They would like to see the winter no parking restrictions lifted on their block. There are no immediate solutions. At this time, it is too late to make any changes for this winter. It is something that will be looked into to make changes by next winter. There is a city ordinance change in progress.

3. Traffic Study Concerns on 32<sup>nd</sup> Street South

From the last Traffic Tech meeting, Engineering completed a traffic study on 32<sup>nd</sup> Street South between 28<sup>th</sup> and 30<sup>th</sup> Avenues South. The traffic study showed that 32<sup>nd</sup> Street South did not meet the criteria for traffic calming. Jeremy Gorden said that Engineering will install white delineators along 32<sup>nd</sup> Street. He is open to install speed feedback signs but they would be 100% assessed to the property owners.

4. Crosswalk Discussion on 18<sup>th</sup> Avenue South

At the August meeting the committee wanted to see an estimated cost of installing a pedestrian median. The estimated cost was \$11,508. Staff also converted to current pedestrian crosswalk to push button activated rectangular rapid flashing beacons. The motion was to reach out to Sanford with the cost estimate as they would be 100% assessed the cost to install. It can then be brought to Public Works Projects Evaluation Committee to install the median crosswalk.

5. Street Closure Request – 40 Days for Life Relay

This event is requesting that parking spots be reserved for their use. Special Event permits are not intended for parking lane closures.

With no other business the meeting was adjourned at 12:00 pm.
