MEMORANDUM

TO: City Commission
FROM: Tyrone Grandstrand, ^{TE} Assistant Planner, Community Development
DATE: August 24, 2017
SUBJECT: Fargo Policy Fellowship Presentation on Affordability in Fargo

The Fargo Policy Fellowship is an 8-week intensive fellowship that gives university students and recent graduates an opportunity to work on an important policy area for the City of Fargo. In this inaugural year of the program, three students from regional universities collaborated with Planning and Development staff on the issue of affordability: Catlyn Christie, Katie Black, and Mary-Bianca Fuller.

The fellows spent two weeks learning the basics of policy analysis – in these two weeks we covered the reading and discussions of an entire graduate level introductory class in policy analysis. The remaining six weeks were spent intensively studying affordability, the costs of living, what the drivers of those costs are, and how the local economy interacts with these factors. This included many stakeholder interviews. The three fellows have prepared a presentation that they will share.

The policy area of affordability was selected from the focus areas identified earlier this year by interviewing residents of the Roosevelt Neighborhood and other core neighborhoods.

MEMORANDUM

B2a

TO: Chief David Todd

FROM: Sergeant Matt Christensen

DATE: August 3rd, 2017

SUBJECT: Application for a Class "GH" Alcoholic Beverage License for R & R LLC d/b/a: Reese Riley Bistro to be located at 2653 45th Street South Fargo, ND.

In accordance with Section 25-1505 of the Fargo Municipal Code, I have conducted an investigation into the character, reputation and fitness of the applicant(s) listed on the supplied application.

During this investigation I questioned the applicant's criminal background, credit history, past residence history as well as any interaction they have had with law enforcement in any state.

The following information was discovered through this investigation:

Matthew Michael Berreth-Owner

Criminal History-

- Mr. Berreth was arrested in November of 2016 for Domestic Violence where he threw a water bottle at his girlfriend striking her in the face causing a bruise. Mr. Berreth ended up pleading guilty to Disorderly Conduct in relation to the Domestic Violence and received a deferred sentence for 3 months and 3 months of unsupervised probation.
- Mr. Berreth pled guilty in March of 2017 to Simple Assault that occurred in November of 2016 where he assaulted a male that was in his apartment hanging out with his ex-girlfriend who he lived with at the time. Mr. Berreth received 30 days in jail, all suspended and a \$400 fine.
- Mr. Berreth was charged in September of 2012 with Criminal Trespass for being on the property of his then ex-girlfriend which he had been previously trespassed from. Mr. Berreth was found guilty of Criminal Trespass in February of 2013 and received 16 hours of community service and a \$325 fine.

Credit History-

- Mr. Berreth has a low end Credit Score of 600, because of a small number of accounts (3). Mr. Berreth does currently have one account assigned to a Collection Agency that is past due with an unpaid balance of \$83, which he is working to pay.
- No other credit issues were noted.

Christine Mary Deibel-Operator/Manager

Criminal History-

- Ms. Deibel is currently the Defendant in an ongoing criminal case in Anoka County, MN. The case involves a vehicle of Ms. Deibel's that was stolen in 2008. Ms. Deibel collected an insurance payment for the vehicle. A few months later, the vehicle was recovered and Ms. Deibel took possession of the vehicle. The insurance company then tried to take possession of the vehicle from Ms. Deibel which took several months. Anoka County currently has pending theft charges against Ms. Deibel because of this case.
- Ms. Deibel explained to me that she was contacted by the DMV that her vehicle was recovered and that she needed to pick it up or she would be charged for the storage of the recovered vehicle.
- Ms. Deibel told me that the insurance company would not come and get it and it was not until 2016 that they came to take possession of the vehicle, and are now claiming that she was in possession of the vehicle illegally.
- The next court date related to this is in August of 2017. Ms. Deibel said she is trying to get a resolution to this case but the court proceedings keep getting continued.
- There are no other criminal issues noted for Ms. Deibel.

Credit History-

- Filed for Bankruptcy in 2012. Prior to that there were some outstanding debt issues, including four civil judgements against Ms. Deibel. These were taken care of by the Bankruptcy filing in 2012. Due to these issues, Ms. Deibel does have a low credit rating (568).
- There are no new issues regarding her credit at this time.

Investigation Notes

This is the second application for this business after being denied the first time. This application has an added applicant, Mr. Berreth, as well as the previous applicant, Christine Deibel. In speaking with Deibel, she stated Berreth was not included on the first application because they were working on financing issues at that time and they were not sure whether he would be able to be involved with the business. Since that application, he has become a partner with Deibel. Deibel also stated it would be difficult for her to try to run two businesses at the same time as she does currently have a similar business in Champlain, MN. The Reese Riley Bistro will be a restaurant specializing in different types of oils and vinegars. There will be cooking classes and wine tastings at this location. Ms. Deibel's other similar business in Champlain, MN, is called Thomas Reese Olive Oil. The liquor license for that business was approved by the Champlain city council in June of 2017. There was a small issue with this business in December of 2016 when it closed abruptly. It has since re-opened in the same location, and Ms. Deibel explained the reason for the closing was because of a divorce with her then husband who she ran the business with

Business Location

The Reese Riley Bistro will be located at 2653 45th Street South Fargo, ND. Other businesses in the area with an alcoholic beverage license include; Golf Addiction, La Quinta Inn & Suites, People's Organic Café, Old Chicago, Applebee's, Famous Dave's,

Conclusion

I believe I have discovered all information related to the listed applicant(s) and all information related to the issuance of the requested liquor license. I have provided this completed background investigation to Fargo Police Chief David Todd for his review and recommendation.

The following section to be completed by the applicant:

ALL APPLICANTS must initial #1 - #9 and sign in the space provided below.

- 1. MB All applicants must assure there is adequate off-street parking for my business (within the direction of and as approved by the City Commission). Membership in the current City parking program (e.g. "P.O.P") may place me in compliance with this requirement.
- 2. MB I have received a copy of the Alcoholic Beverage Ordinance(s) of the City of Fargo, read the ordinances and am familiar with the conditions and requirements of these ordinances.
- 3. MB If granted an alcoholic beverage license, I will obey, abide by and comply with the State of North Dakota Liquor Control Act, and the City of Fargo Alcoholic Beverage ordinances, as well as any amendments to either of these, which may be made from time to time.
- 4. MB understand either, I, my manager(s), or both of us must attend a yearly meeting (date and time to be announced) with representatives from the Police and Health departments to discuss law enforcement and safety concerns as a condition of license renewal.
- 5. MB I understand that the premises described in the application, if licensed for alcoholic beverage sales, may be inspected at any time by the Chief of Police, or any officer of the Police or Health Departments as allowed by city ordinances and state law. My employees and I will cooperate with such inspections.
- 6. MB I understand that all employees, managers and owners engaged in mixing, pouring or service of alcoholic beverages **MUST** attend Server Training.
- 7. MB am familiar with the question, answers and other information as it appears in the complete application of an alcoholic beverage license, and the answers and information are, to the best of my belief and knowledge, true, complete and accurate. (Note: This application must be made under oath before a Notary Public.)
- 8. MB recognize the City of Fargo is subject to open records laws contained in chapter 44-04 of the N.D. Century Code. Section 44-04-18.4 contains an exception for trade secrets, proprietary, commercial, and financial information. I agree in submitting the application, that I have familiarized myself with this law. If any information being forwarded to the City of Fargo is claimed as confidential or proprietary under this section, I must clearly indicate this in writing when I submit this application, pointing out, in detail, why the information submitted is claimed as an exemption under section 44-04-18.4. I further agree to respond to, as well as to aid the City, in responding to any claim under 44-04-21.1 concerning this claim of confidentiality under 44-04-18.4.
- 9. MB I understand that **the license will expire on June 30 of each year** and a renewal process will need to be completed. This process will include a completed renewal application, payment in full for the required annual fee, a completed roster for each employee who pours or serves alcohol, attendance of Server Training for those listed on the roster, and a copy of your certified food sales if applicable to your license.

The Venue must derive 60% or more of its annual gross receipts from the sale of tickets.
- () Class W Authorizes the licensee to operate a wine bar, serving wine and limited beer "on-sale". A physical bar is allowed and requires 20% food sales.
- () Class Y Shall authorize the production brewery to obtain a brewer license and a retailer license.
- () Class Z Authorizes the licensee to sell "on-sale" only issued to individuals and partnership not currently holding another "A", "AB", "ABH", or "ABH-RZ". This license is non-refundable.

The following section to be completed by the applicant:

ALL APPLICANTS must initial #1 - #9 and sign in the space provided below.

- 1. BB All applicants must assure there is adequate off-street parking for my business (within the direction of and as approved by the City Commission). Membership in the current City parking program (e.g. "P.O.P") may place me in compliance with this requirement.
- 2. BB I have received a copy of the Alcoholic Beverage Ordinance(s) of the City of Fargo, read the ordinances and am familiar with the conditions and requirements of these ordinances.
- 3. BB If granted an alcoholic beverage license, I will obey, abide by and comply with the State of North Dakota Liquor Control Act, and the City of Fargo Alcoholic Beverage ordinances, as well as any amendments to either of these, which may be made from time to time.
- 4. BB I understand either, I, my manager(s), or both of us must attend a yearly meeting (date and time to be announced) with representatives from the Police and Health departments to discuss law enforcement and safety concerns as a condition of license renewal.
- 5. BB I understand that the premises described in the application, if licensed for alcoholic beverage sales, may be inspected at any time by the Chief of Police, or any officer of the Police or Health Departments as allowed by city ordinances and state law. My employees and I will cooperate with such inspections.
- 6. BB I understand that all employees, managers and owners engaged in mixing, pouring or service of alcoholic beverages **MUST** attend Server Training.
- 7. BB I am familiar with the question, answers and other information as it appears in the complete application of an alcoholic beverage license, and the answers and information are, to the best of my belief and knowledge, true, complete and accurate. (Note: This application must be made under oath before a Notary Public.)
- 8. BB I recognize the City of Fargo is subject to open records laws contained in chapter 44-04 of the N.D. Century Code. Section 44-04-18.4 contains an exception for trade secrets, proprietary, commercial, and financial information. I agree in submitting the application, that I have familiarized myself with this law. If any information being forwarded to the City of Fargo is claimed as confidential or proprietary under this section, I must clearly indicate this in writing when I submit this application, pointing out, in detail, why the information submitted is claimed as an exemption under section 44-04-18.4. I further agree to respond to, as well as to aid the City, in responding to any claim under 44-04-21.1 concerning this claim of confidentiality under 44-04-18.4.
- 9. BB I understand that **the license will expire on June 30 of each year** and a renewal process will need to be completed. This process will include a completed renewal application, payment in full for the required annual fee, a completed roster for each employee who pours or serves alcohol, attendance of Server Training for those listed on the roster, and a copy of your certified food sales if applicable to your license.

Location:	111 9 th Street South	Staff Contact:	Derrick LaPoint
Legal Description:	North 50ft of Lot 11 and Lot 12, Block 16, Original Townsite		
Owner(s)/Applicant:	Brian Nelson/Doug Madsen	Engineer:	N/A
Entitlements Requested:	Zoning Change (from MR-3, Multi-Dwelling Residential to DMU, Downtown Mixed-Use)		
Status:	City Commission Public Hearing: August 28, 2017		

Existing	Proposed
Land Use: Commercial	Land Use: Commercial
Zoning: MR-3, Multi-Dwelling Residential	Zoning: DMU, Downtown Mixed-Use
Uses Allowed: detached houses, attached houses, duplexes, multi-dwelling structures, daycare centers up to 12 children or adults, group living, parks and open space, religious institutions, safety services, schools, and basic utilities.	Uses Allowed: detached houses, attached houses, duplexes, multi-dwelling structures, community service, daycare centers of unlimited size, health care facilities, parks and open space, religious institutions, safety services, offices, off-premise advertising, commercial parking, retail sales and service, vehicle repair, limited vehicle service, and major entertainment events.
Maximum Density Allowed: 24 units per acre	Maximum Lot Coverage Allowed: No maximum

Proposal:
<p>The applicant is seeking a zoning change from MR-3, Multi-Dwelling Residential, to DMU, Downtown Mixed-Use on the North 50ft of Lot 11 and Lot 12, Block 16, Original Townsite. The subject property is located at 111 9th Street South.</p> <p>The existing structure has operated as a law office for a number of years and the law office is moving. The existing owner is looking to have another small business come into the space. To accommodate a new business the current zoning district (MR-3, multi-dwelling residential) is not compatible thus spurring the request for DMU. The applicant has no redevelopment plans, only to operate as they have been. I should also note that the property is bounded by DMU on the north and south.</p> <p>This project was reviewed by the City's Planning and Development, Engineering, Public Works, and Fire Departments ("staff"), whose comments are included in this report.</p> <p>Surrounding Land Uses and Zoning Districts:</p> <ul style="list-style-type: none"> • North: DMU, Downtown Mixed-Use, with commercial uses • East: Across 9th Street South, MR-3, Multi-Dwelling Residential, with commercial and residential uses • South: DMU, Downtown Mixed-Use, with commercial uses • West: MR-3, Multi-Dwelling Residential and DMU, Downtown Mixed-Use, with commercial and residential uses
Area Plans:
No area plans apply
Schools and Parks:
Schools: The subject property is located within the Fargo School District and is served by Clara Barton Elementary, Ben Franklin Middle and North High schools

<p>Parks: Island Park and Island Park Pool are located less than a quarter mile from the subject property and offers recreational trails, tennis courts, cross country ski trails and swimming pools</p>
<p>Pedestrian / Bicycle: On road bike facility is located north of the subject property on 1st Avenue South, which connects to off road bike facility. These facilities are a component of the metro area trail system.</p>
<p>Staff Analysis:</p>
<p>Zoning Section 20-906. F (1-4) of the LDC stipulates the following criteria be met before a zone change can be approved:</p> <ol style="list-style-type: none"> <p>1. Is the requested zoning change justified by a change in conditions since the previous zoning classification was established or by an error in the zoning map? Staff is unaware of any error in the zoning map as it relates to this property. Staff finds that the requested zoning change is justified by change in conditions since the previous zoning classification was established. Since the previous zoning classification was established, the uses and businesses which existed on the subject property are no longer in use. (Criteria Satisfied)</p> <p>2. Are the City and other agencies able to provide the necessary public services, facilities, and programs to serve the development allowed by the new zoning classifications at the time the property is developed? City staff and other applicable review agencies have reviewed this proposal. Staff finds no deficiencies in the ability to provide all of the necessary services to the site. The subject property fronts on existing developed public rights-of-way which provide access and public utilities to serve the development. (Criteria Satisfied)</p> <p>3. Will the approval of the zoning change adversely affect the condition or value of the property in the vicinity? Staff has no documentation or evidence that the approval of this zoning change would adversely affect the condition or value of the property in the vicinity. In addition, written notice of the proposal was sent to all property owners within 300 feet of the subject property. Staff also notified the Downtown Neighborhood Association and Neighborhood Coalition. The Neighborhood Coalition held a meeting on Saturday, July 22nd and discussed the item. Staff received a number of general inquiries, wanting to know what the development plans were. After explaining the request, the individuals did not have any concerns with the proposed zoning change. Staff finds that the approval will not adversely affect the condition or value of the property in the vicinity. (Criteria Satisfied)</p> <p>4. Is the proposed amendment consistent with the purpose of this LDC, the Growth Plan, and other adopted policies of the City? The purpose of the LDC is to implement Fargo's Comprehensive Plan and related policies in a manner that protects the health, safety, and general welfare of the citizens of Fargo. Staff finds that the proposal is consistent with the purposes of the LDC and other adopted policies of the City. (Criteria Satisfied)</p>
<p>Planning Commission Recommendation: August 1, 2017</p>
<p>On August 1, 2017, with a 10-0 vote, the Planning Commission accepted the findings and recommendations of staff and recommend approval to the City Commission of the proposed zoning change from MR-3, Multi-Dwelling Residential, to DMU, Downtown Mixed-Use, on the basis that it satisfactorily complies with the Go2030 Fargo Comprehensive Plan, Standards of Section 20-0906.F (1-4) and all other applicable requirements of the LDC."</p>
<p>Staff Recommendation:</p>
<p>Suggested Motion: "To accept the findings and recommendations of staff and the Planning Commission, and hereby waive the requirement to receive the Ordinance one week prior to first reading and place the rezoning</p>

Ordinance on first reading, and move to approve the proposed zoning change from MR-3, Multi-Dwelling Residential, to DMU, Downtown Mixed-Use, on the basis that it satisfactorily complies with the Go2030 Fargo Comprehensive Plan, Standards of Section 20-0906.F (1-4) and all other applicable requirements of the LDC.”

AN ORDINANCE REZONING CERTAIN PARCELS OF LAND
LYING IN ORIGINAL TOWNSITE ADDITION,
FARGO, CASS COUNTY, NORTH DAKOTA

WHEREAS, the Fargo Planning Commission and the Board of City Commissioners of the City of Fargo have held hearings pursuant to published notice to consider the rezoning of certain parcels of land lying in Original Townsite Addition, Fargo, Cass County, North Dakota; and,

WHEREAS, the Fargo Planning Commission recommended approval of the rezoning request on August 1, 2017; and,

WHEREAS, the rezoning changes were approved by the City Commission on August 28, 2017,

NOW, THEREFORE,

Be It Ordained by the Board of City Commissioners of the City of Fargo:

Section 1. The following described property:

North Fifty (50) feet of Lots 11 (Eleven) and Twelve (12), Block Sixteen (16), Original Townsite Addition to the City of Fargo, Cass County, North Dakota,

is hereby rezoned from "MR-3", Multi-Dwelling Residential, District to "DMU", Downtown Mixed-Use, District;

Section 2. The City Auditor is hereby directed to amend the zoning map now on file in his office so as to conform with and carry out the provisions of this ordinance.

MEMORANDUM

TO: City Commission
FROM: Derrick LaPoint, Planner
DATE: August 24, 2017
RE: Renaissance Zone Application from DFI Dillard LLC (262-F) located at 223 & 229 Roberts Street North

The city received a Renaissance Zone (RZ) application from DFI Dillard LLC to construct a mixed-used commercial and residential building at 223 and 229 Roberts Street North. The request was reviewed by the Renaissance Zone Authority (RZA) on August 23, 2017.

Pursuant to the application, the intent of the project is to transform private owned surface parking lot sites into a mixed-use structure with ground floor commercial and 89 apartment units above. The proposed building would be 6 stories in height and approximately 93,500 square feet. The applicant is also proposing to create a pedestrian connection between the adjacent Roberts Commons mixed-use parking structure and the apartment floors of the proposed building. The construction would begin September 2017 and the proposed timeframe of opening would be spring of 2019.

Attached is a copy of the staff report and corresponding materials.

As indicated in the attached documentation, the project met all state and local requirements for approval and is consistent with a number of goals and objectives as established in the Fargo Renaissance Zone Development Plan. The application indicates an investment of \$13,400,000 which exceeds the minimum investment threshold as set forth in the plan.

The RZA unanimously recommended approval of this project.

Recommended Action: Approve the Renaissance Zone rehabilitation application from DFI Dillard LLC (223 & 229 Roberts Street North) and grant state income tax and property tax exemptions as recommended by the Renaissance Zone Authority.

**Staff Report
Renaissance Zone Application for
DFI Dillard LLC (262-F)
223 Roberts St N & 229 Roberts St N**

Project Evaluation:

The City of Fargo received a Renaissance Zone application from DFI Dillard LLC to construct a mixed-use commercial and residential building at 223 Roberts St N and 229 Roberts St N. Pursuant to the application, the intent of the project is to transform private owned surface parking lot sites into a mixed-use structure with ground floor commercial and 89 apartment units above.

The proposed building would be 6 stories in height and approximately 93,500 square feet. The applicant is also proposing to create a pedestrian connection between the adjacent Roberts Commons mixed-use parking structure and the apartment floors of the proposed building. The construction would begin September 2017 and the proposed timeframe of opening would be spring of 2019.

The Planning Department has reviewed the application and has provided a project ranking based on the analysis below.

Lines 1: Use consistent with the RZ Plan (as per Visions and Goals): As noted in the 2015 Renaissance Zone Development Plan the desired land use on Block 5 is identified as *the redevelopment for housing*. As proposed, the project will contribute to a number of goals and objectives as outlined in the RZ Plan as follows:

1. *Activity Generator [goal]:* Develop activity generating enterprises along Renaissance Zone's major commercial corridors: Robert Street/2nd Avenue.

Housing complex proposal will generate activity by replacing a surface parking lot with residential and commercial land uses.

2. *Walkable Districts [goal]:* Create "walkable districts" that integrate a wide range of activities and land uses; thus encouraging on-street activity...

The building structure will use design elements to create a walkable environment. The alley along the building will promote walking by providing retail services and serve as the location for the entrance to the residential units. Additionally, the commercial storefronts will be provided along the street.

3. *Ground Floor Uses [goal]:* Reserve ground floor land uses to those that will encourage streets to come to life – shops, offices, cafes, restaurants and other "public" facilities.

The ground floor will provide commercial uses along Roberts Street and the alley.

4. *Neighborhood Center [goal]:* Make "Broadway" Fargo's "Main Street" – a pedestrian-friendly, mixed-use magnet that anchors downtown neighborhoods.

The Dillard project would contribute to the large project as a whole (Roberts Commons and Kessler) by changing the built environment from underutilized surface parking lots to mixed-use buildings.

5. *Urban Design [goal]*: Projects will embody strong urban design principles inclusive of building massing and form, building materials, pedestrian orientated design, streetscape, building orientation and recognition of the importance of defined block corners, architectural style, high building coverage percentages, limited setbacks or downtown district appropriate setbacks, design longevity and street level transparency.

6. *Transportation [goal]*: Manage downtown transportation, accessibility and parking issues in a manner that will allow for further commercial developments and will make the entire area more user-friendly.

The proposed project is located in close proximity to a public transit stop and would provide an area to house dumpsters to improve pedestrian and vehicular circulation in the alley.

7. *Safe Streets – Safe Neighborhoods [goal]*: Encourage safe streets and safe neighborhoods by relying on and utilizing the “natural surveillance” of lively and active streets.

The proposed development would intensify the use of the area and provide a larger capacity of surveillance of the area.

8. *High Quality Housing [goal]*: Continue to encourage the production of unique high quality housing that is developed in areas targeted for residential development or as a component of a mixed-use project.

The proposed residential units will add to the high quality housing stock of the downtown area.

9. *Infill [goal]*: Encourage and actively pursue projects that increase the productivity of underutilized property such as surface parking lots, vacant land and parcels with low building to land value ratios. Infill projects shall conform and be consistent with urban design principles as set forth in Goal 5, above..

10. *Housing Amenities [goal]*: Integrate quality housing with public open space and neighborhood amenities, requiring the enhancement of existing amenities in conjunction with the creation of new ones.

The location of the building will be in close proximity to amenities provided on Broadway North. The applicant is contemplating amenities for the residential use as well.

11. *Downtown Entryways [goal]*: Enhance auto entry experiences with landscaping improvements to all major corridors (Broadway, Roberts St, 1st/NP Avenue, Main Avenue) and gateway statements at Broadway/Main Avenue, Broadway/6th Ave N, 1st Avenue/Red River, Main Avenue/Red River and Main Ave/10th Street N.

The proposed housing complex would enhance the auto entry experience on Roberts Street.

12. *The Place to Be [goal]*: Make downtown the entertainment/cultural/recreational center of the city... Make downtown a key destination for visitors/conventioners and a key destination for residents.

The proposed project would be a component of the overall vision of an active alley behind the building. The active alley would strive to create a unique experience where social and entertainment services would be provided.

13. *A Place Like No Other [goal]*: Highlight the unique historic character of the Renaissance Zone by placing a high value on historic preservation and overall awareness of the history of the area.

The project would promote the increase of pedestrian activity in the alley to increase the utilization of the historic buildings in the general area.

14. *24 Hours a day – 7 Days per Week – 365 Days a Year [goal]*: Design spaces, facilities and features that will attract people to the area both day and night, on weekdays and weekends, and during all seasons of the year.

This location will be activated 24 Hours a day – 7 Days per Week – 365 Days a Year, by allowing for the constant activity produced by the residents who live in the units and consumer activity generated by the commercial services on the ground floor and alley.

15. *Connections and Coordination [goal]:* ... Strong connections between people, places and things to do are vital to creating a strong sense of community.

The mixed-use design of the project would promote and contribute to pedestrian mode activity that would result in enhanced connectivity.

(18/20 points)

Line 2: Does the investment comply with minimum investment thresholds (locally determined) for residential and commercial projects as set forth in this RZ Plan? [note that for mixed-use projects the total square footage should be dissected into commercial and residential totals for comparison to minimum investment thresholds]:

Pursuant to City of Fargo Renaissance Zone standards, in order to qualify for consideration, a project must meet a minimum \$40 per square foot capital improvement threshold for commercial rehabilitation and \$100 per square foot for any new construction.

According to the application, the structure accommodates 93,500 square feet, as follows:

Lot Size: 21,733 SF

Proposed Building Total: 93,500 SF

Overall, the application estimates a total capital investment of \$13,400,000, which calculates to approximately \$143.00 per square foot.

(10/10 points)

Line 3: The new construction or proposed improvements are representative of “High Priority Land Uses” as defined by this RZ Plan (see pg. 29).

Primary Sector Business: N/A

Active Commercial, Specialty Retail or Destination Commercial: The proposed project will produce a new building on a previously vacant and underutilized lot in Fargo’s downtown core and increase activity on an underutilized block.

Mixed Use Development: The proposed uses will include retail and residential apartments in one building structure.

Large, upscale residential units: The proposed residential development will include 89 units.

(18/20 points)

Line 4: The investment is located in a “Targeted Area” as defined by this RZ Plan (see pg. 29)? Consideration shall be given to whether this property has been vacant or underutilized for a period of time and/or whether the property is specifically targeted for clearance (see spreadsheet).

- 1) Parcels that have been vacant or underutilized for an extended period of time:

This site has been a surface parking lot for a number of years as a result of several building demolitions.
(5/5 points)

- 2) Parcels specifically targeted for clearance:

The RZ Plan designates Block 5 as being appropriate for the redevelopment of housing.
(5/5 points)

(10/10 points)

Line 5: The project will create civic space or public space and/or will enhance pedestrian connectivity, streetscape amenities or will contribute to street level activation?:

This project will enhance public space with pedestrian activity and streetscape amenities by providing a mixed-use infill project along with outdoor seating areas.

(10/10 points)

Line 6: Consideration and analysis as to the total actual investment in the project?

As proposed, the redevelopment project and improvement costs significantly exceed both the 50% (true and full value of the building) and \$100 per square foot requirement. As previously noted, the application represents a total estimated investment of \$13,400,000.

(10/10 points)

Line 7: Consideration as to whether the project will include or accommodate the relocation of a business from another North Dakota community?:

The project does not involve the movement or relocation of a business from another North Dakota community.

(10/10 points)

Line 8: Is the project located within a historic district? Will the project fit contextually and will the project contribute or enhance the area from an architectural perspective?:

This property is located outside the boundary of the Downtown Historic District.

(10/10 points)

Summary:

This application received a score of 96 on a 100-point scale. The applicant met all required criteria and the use is consistent with the RZ Plan. In addition, the proposed new construction project surpasses the local capital improvement requirement of \$40 per square foot for a commercial rehab and \$100 per square foot for new construction.

This project is consistent with the RZ Plan to provide a mixed-use development within a target area that acts as an activity generator by providing for residential units and street-level retail activity.

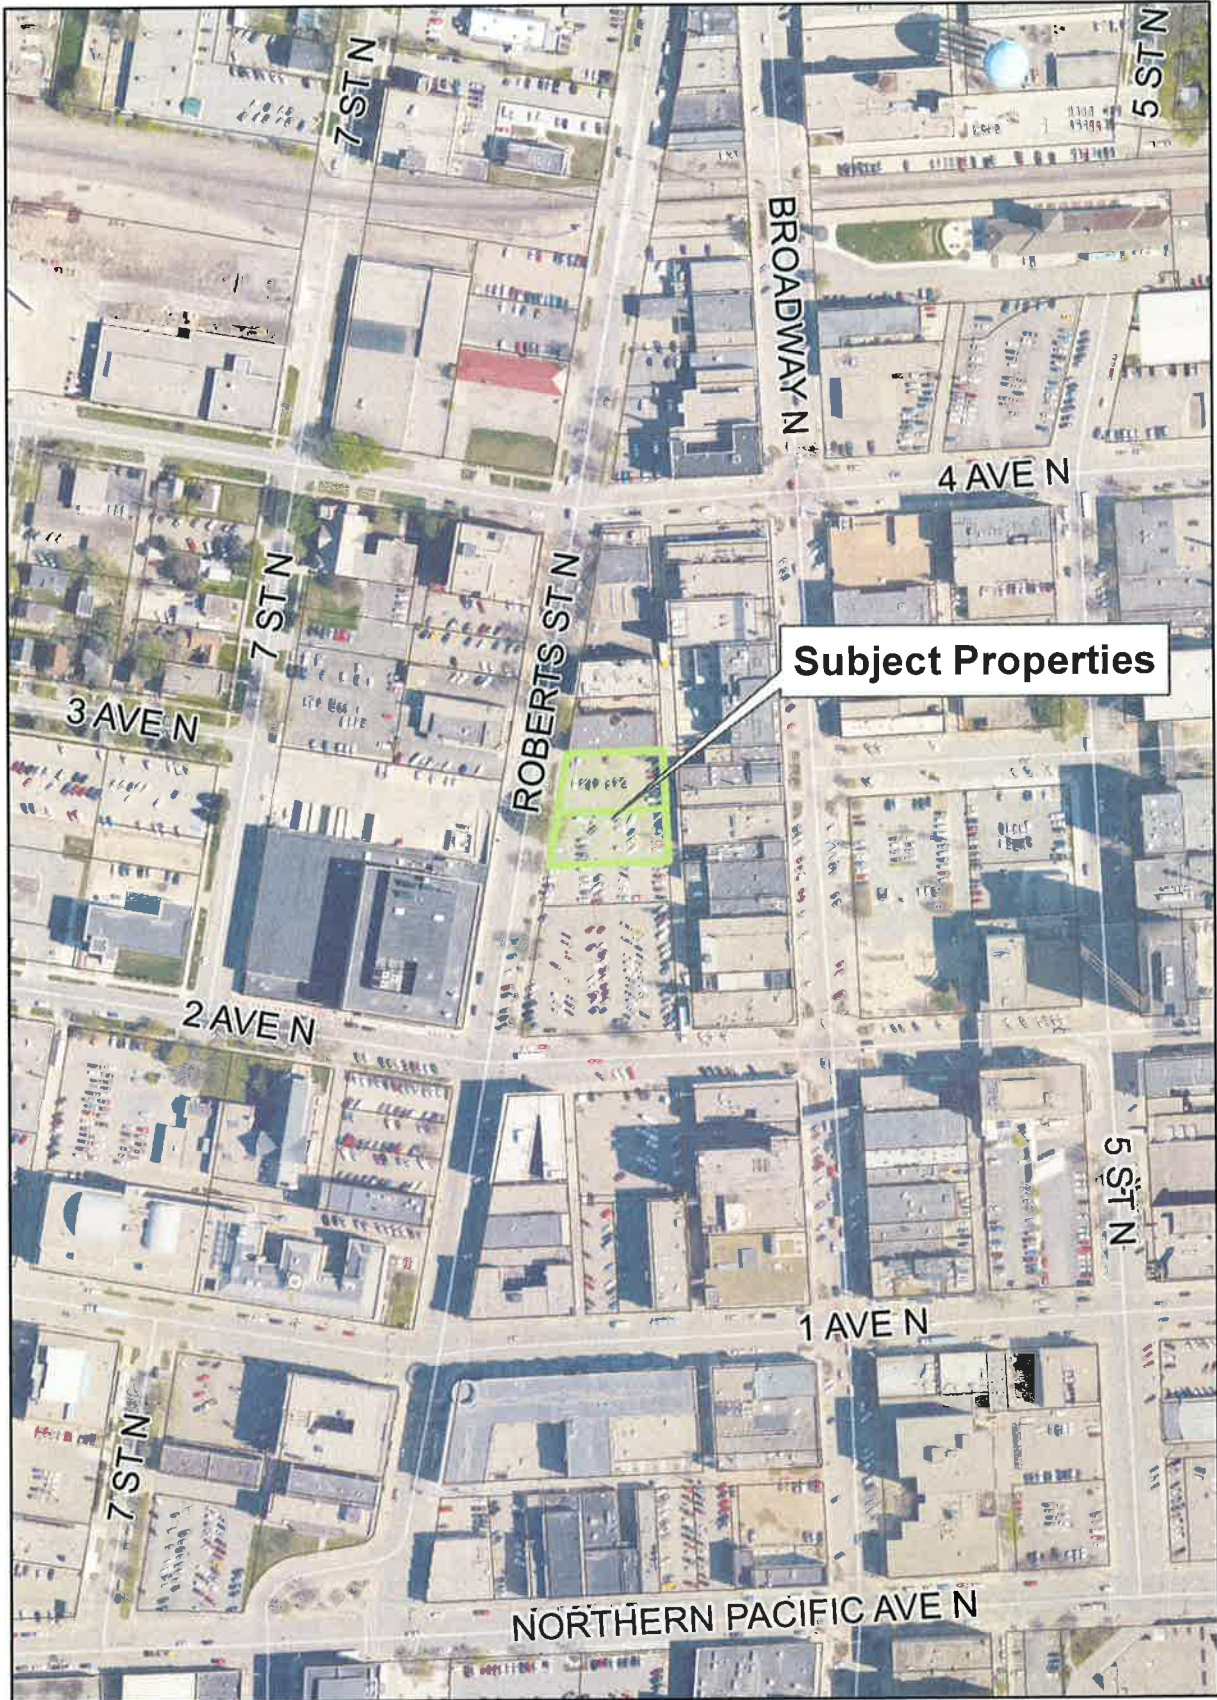

The amount invested in the project exceeds state and local guidelines. The project does not involve the relocation of commercial businesses from another North Dakota city. The applicant will not be seeking any historic preservation tax credits, however the applicant has secured TIF financing to aid in the new construction.

This project will make use of a lot that is currently underutilized. Staff believes that this project will be a benefit to the downtown community and will positively contribute to the health of surrounding businesses.

Suggested motion:

Recommend approval to the Fargo City Commission to approve the application submitted by DFI Dillard LLC and to grant the property tax exemption and the State income tax exemptions as allowed by the ND Renaissance Zone law contingent upon completion of the project and verification of costs.

Minimum Criteria (Proposals involving the purchase of income-generating property)			
		Possible Points	Staff Rating
1	Use consistent with the plan (as per Vision and Goals)	20	18
2	Does the investment comply with minimum investment thresholds (locally determined) for residential and commercial projects as set forth in the RZ Plan?	10	10
3	The new construction or proposed improvements are representative of "High Priority Land Uses" as defined in the RZ Plan: <ul style="list-style-type: none"> • Primary sector business • Active Commercial, Specialty Retail and/or Destination Commercial • Mixed use development (combination of housing, commercial, and/or retail uses in a horizontal or vertical fashion) • Large, upscale residential units 	20	18
4	The investment is located in a 'Target Area' as defined by the RZ Plan: <ul style="list-style-type: none"> • Parcels that have been vacant or underutilized for an extended period of time • Parcels specifically targeted for clearance 	10	10
5	The project will create civic space or public space and/or will enhance pedestrian connectivity, streetscape amenities or will contribute to street level activation: <ul style="list-style-type: none"> • Incorporation of "civic" or "public" space within a redevelopment proposal will receive additional consideration • Demonstrated commitment to strengthening pedestrian corridors and issues of "connection" • Attention to streetscape amenities • Contribution to street activity 	10	10
6	Consideration and analysis as to the total actual investment in the project: <ul style="list-style-type: none"> • Consideration can be given for the level of capital investment in a project. (i.e., additional consideration can be given for higher levels of investment) 	10	10
7	Consideration as to whether the project will include or accommodate the relocation of a business from another North Dakota community: <ul style="list-style-type: none"> • Commercial tenants that are re-locating within the Downtown Area (as defined by the 1996 Downtown Area Plan) are not eligible for tax incentives without special approval from the Zone Authority • Commercial tenants that are relocating from a North Dakota community (other than Fargo) to the Fargo Renaissance Zone are not eligible for tax incentives without special approval from the Zone Authority. 	10	10
8	Is the project located within a historic district? Will the project fit contextually and will the project contribute or enhance the area from an architectural perspective? <ul style="list-style-type: none"> • Although not included in the Project Review Guidelines, historic preservation is considered an important component of downtown projects even when Historic Preservation and Renovation Tax Credits are not being requested. 	10	10

3. Name of applicant(s), mailing address, Federal ID number or SSAN, and type of entity (partnership, LLC, S-corporation, etc.).

DFI Dillard LLC
210 Broadway, Suite 300
Fargo, ND 58102
Tax ID Number:
4. Current use of property

The property is privately owned surface parking lots.
5. Square footage of the lot and of the building (list each floor separately)

223 Roberts St N – 10,753
229 Roberts St N – 10,980

Describe the impact this project has on any historical properties

The subject properties contain only surface parking lots, but historically were the site of row homes, which were later replaced with a series of small single-family homes. A lumber yard was also located along the alley on the east side of the parcels.

Type of project (purchase, rehabilitation, lease, purchase with major improvements, historic preservation and renovation, or a combination).

New construction

6. Project Description.

The Dillard project consists of two quarter-acre parcels located at 223 and 229 Roberts St. This site is located directly north of the Roberts Commons mixed-use parking garage and south of the Herald Square apartments.

This 93,500 SF mixed-use project will include a structural steel podium with five levels of wood frame construction above built upon a deep pile foundation. The ground floor is designed for commercial space and will have a 22 foot ceiling. The tall first floor will allow the apartment floors to align with the adjacent Roberts Commons Parking Garage and potentially allow access into the garage. The five upper floors will be market rate apartments. We are investigating amenities such as a bike room, dog washing station, and terrace, but in general feel the building's location and proximity to Broadway serve as its biggest amenity.

A 20 foot-wide pedestrian focused corridor will be created on what would align with 3rd Ave N between this project and the Herald Square apartments. The main entrance to the Dillard apartments and retail storefronts will be located along this privately-owned alley to help activate the space. This "private drive" will serve as a secondary outlet for vehicles on Roberts Alley, but the space will be designed first and foremost for pedestrians. The ground floor along Roberts Street, Roberts Alley, and the 3rd Ave alley will all be designed for commercial space.

7. Please provide a break out of "capital improvements", as defined in Attachment B, and justification that the project will meet the City's investment guidelines.

Also describe anticipated tenant mix and the expected date of occupancy, completion, lease, or rehabilitation.

- \$13.4M investment resulting in \$143 per square foot of construction costs.
- Anticipated start September 2017
- Anticipated opening Spring 2019
- 89 units – majority being alcoves, 1 and 2 bedrooms, with a handful of 3 bedrooms

8. Describe how the project enhances the stated Renaissance Zone goals and objectives, being as specific as possible (see Attachment C)

Activity Generators

Pedestrian friendly public realms fundamentally must be inviting, safe, and generate trips with a purpose. To make the space inviting requires buildings to frame the street to create an outdoor room and the buildings must have frequent doors and windows facing the sidewalk. The environment needs to be safe. Designing pedestrian friendly streets to slow traffic helps accomplish this. In addition, people feel safer in public spaces when other people are present. Finally, purposeful walking needs useful trips, which is accomplished by mixing different land uses (work, shop, live, play) in a compact environment. When the built environment achieves all three (inviting, safe, and convenient) then a person will walk by choice.

With this in mind, it's apparent the project site has historically created a dead zone for pedestrian activity. Pedestrians are only present as they enter and exit their cars. The site lacks a "sense of place" because no buildings frame the streets and the lack of buildings provides nothing to see or do. This combination creates an environment that people simply avoid because it's void of activity and others.

Dillard, and the adjacent under-construction Roberts Commons, will substantially increase the activity in this area. The Dillard infill will replace a surface parking lot with 89 residential units and ground floor retail activating Roberts St, Roberts Alley, and the 3rd Ave pedestrian corridor.

Walkable Districts.

The ground floor will feature retail with entrances and large amounts of glass, both critical design elements for creating an interesting environment. Roberts Alley will also include ground floor retail and our early designs plan for a restaurant along the alley to act as an anchor and destination to attract pedestrians. The primary entrance for the residential units will be located along the new 3rd Ave alley. Historically the surface parking lots have been used by pedestrians walking towards and away from Broadway. With the construction of Roberts Commons, an east-west corridor has been created by construction fencing and it's apparent this provides a useful connection to Broadway. As such, this corridor will be maintained and strengthened by lining it with commercial storefronts and the apartment entrance.

Ground Floor Uses

The ground floor will contain commercial spaces along Roberts St, Roberts Alley, and the 3rd Ave corridor.

Neighborhood Center

Dillard, Roberts Commons, and future Kesler projects will substantially change the built environment along Roberts Alley, 2nd Ave, and Roberts St. It's our hope the replacement of surface parking lots with mixed-use buildings will enhance this important, but currently underutilized area.

Transportation Issues

Second Ave, 300 feet to the south of Dillard, is served by MatBus Routes 13, 13U, and 17. NDSU students generate significant activity in this area, as many of them use Roberts St as a bike thoroughfare to Renaissance Hall. Many students also frequently pass by the Roberts St and 2nd Ave intersection to board the bus at Klai Hall. The Dillard project will include an area to house dumpsters that allows for better vehicular and pedestrian movement through the alley.

Safe Streets – Safe Neighborhoods.

The redevelopment of this block will further enhance the natural human surveillance by replacing a surface parking lot with an active ground floor of mixed retail. There are approximately 5,000 residents living in downtown, the majority being the result of NDSU's downtown expansion in the last decade. Those familiar with downtown Fargo's progression are fully aware of the new life that has been breathed into downtown with the increase in the number of its residents. The introduction of residential units with this project will further expand downtown's population and provide much needed foot traffic and activity in this area. Siting a restaurant in the alley, active ground floor retail (including the alley), and the upper floors filled with a variety of different living options will help fill this area with activity and "natural surveillance."

High Quality Housing

Dillard will include 89 units with the majority being alcoves, one and two-bedroom, with a few three bedrooms. These units will be geared toward students, young professionals, "renter by choice," and empty nesters with a variety of different configurations and price points.

Housing Amenities

We are investigating amenities such as a bike room, dog washing station, a pedestrian connection to Roberts Commons parking garage, and terrace, but in general feel the building's location and proximity to Broadway serves as its biggest amenity. The block of Broadway to the east is a "Walkers Paradise", per Walk Score®, and the benefit of living in a mixed-use environment cannot be overemphasized as the most important amenity for these residents.

Downtown Entryways

Roberts St, one of the identified corridors in the Renaissance Plan, will be improved with this mixed-use development. The streetscape, public realm, and built environment will create a much-improved experience for those on foot and in their vehicles. This street has also been identified by the Fargo InFocus downtown masterplan as retail street.

The Place to Be

The reinvention of Roberts Alley to a pedestrian oriented public realm could position this corridor to become a unique and sought after experience. The Alley Fair has shown how alleys can become a place for socializing and entertainment. Activating Roberts Alley with ground floor retail, restaurants, and a pedestrian friendly design can turn elements of the Alley Fair events into a daily experience.

A Place Like No Other

The area surrounding this block contains some of downtown's most iconic buildings and one of Fargo's highest concentrations of historic buildings. The infill of these parcels will greatly improve this prominent, yet generally overlooked area. The inclusion of retail along the alley, with a goal of creating a space for a restaurant with outdoor seating is meant to provide an anchor for Roberts Alley and draw pedestrians into this corridor. It's our hope to transform Roberts Alley into a unique, one of kind experience attracting visitors to downtown.

Spruce up the area

Our research has revealed that this area was first developed with residential dwellings as early as 1884. From approximately 1910-1952, dwellings existed on the western portion of the site. A lumber shed existed on the eastern portion of the site during this same time period. The site has been used as a paved parking lot since at least 1976. The project will mark the first time this entire area has been fully built out.

24 hours a day – 7 days a week – 365 days a year.

This location will be activated during working hours from the ground floor retail. The 90-100 residential units of this project will activate this area throughout the day as well as during the evenings and weekends. The redesign of Roberts Alley into a pedestrian friendly corridor will make it more inviting and a unique destination to spur activity.

Connections and Coordination.

This project will be thoughtfully designed to enhance the walkability of this area. The surface parking will be replaced with a mixed-use building with active ground floor retail and a design that encourages walking (frequent doors, high percentage of glass, and pedestrian scale design).

9. Extent of the exterior rehabilitation (demonstrated improvement to "public" face of building) – include plans and/or renderings, if available

The project will consist of all new construction. Please see the attached renderings of the project.

10. Describe how the project fits under the Zone’s development guidelines (Attachment D)

High Priority Land Use

This project meets the guideline of high-priority land use by creating a mixed-use development with active ground floor retail space and quality apartments.

Target Areas

The majority of this site has been underutilized since the 1970s. One-hundred percent of the site is currently surface parking.

Public Space

The public realm will be greatly enhanced with this mixed-use infill project. A ground floor filled with retail will make the sidewalks along these projects much more interesting and inviting. The initial plans provide a small outdoor seating area along Roberts Alley for the area planned as a restaurant.

Investment

This project represents a \$13.4M investment, resulting construction cost of \$143/SF, which exceeds the Renaissance Zone’s minimum of \$100/SF.

Relocation

The project is anticipated to contain only new businesses in the ground floors and the upper floors will provide a variety of housing options.

11. List of public and private financial commitments. If the project is funded by the Renaissance Zone Fund, describe type of funding and amounts.

This project is part of the City-initiated TIF Financing District No. 2015-03. This TIF was created to pay for the Roberts parking garage and necessary street and infrastructure upgrades. The project will not pursue any other economic development incentives. The project funding will be 75% financed and 25% privately funded.

12. Estimated tax impact of Zone incentives to the applicant: List the current true and full value of the building, the current annual property tax on the building, the estimated value of the building after improvements have been completed, and the estimated five-year impact. Estimate the potential annual income tax savings.

This property is currently a parking lot and the assessed value of the land and improvements is \$131,000 and \$35,000, respectively. The Renaissance Program would abate property taxes for the only the value of the improvements. As such, the estimated current taxes are \$2386.33, and if the Renaissance Zone incentive was approved the property taxes are estimated at \$1883.19, an annual difference of \$503.14.

Current true and full value: \$166,000 (\$35,000 for building/improvements)

Current annual property tax on building (2016): \$2,173.02

Estimated value of the buildings after improvements: \$13,460,000*

Estimated five-year impact: \$967,471.15 (287.51 Mill Levy)

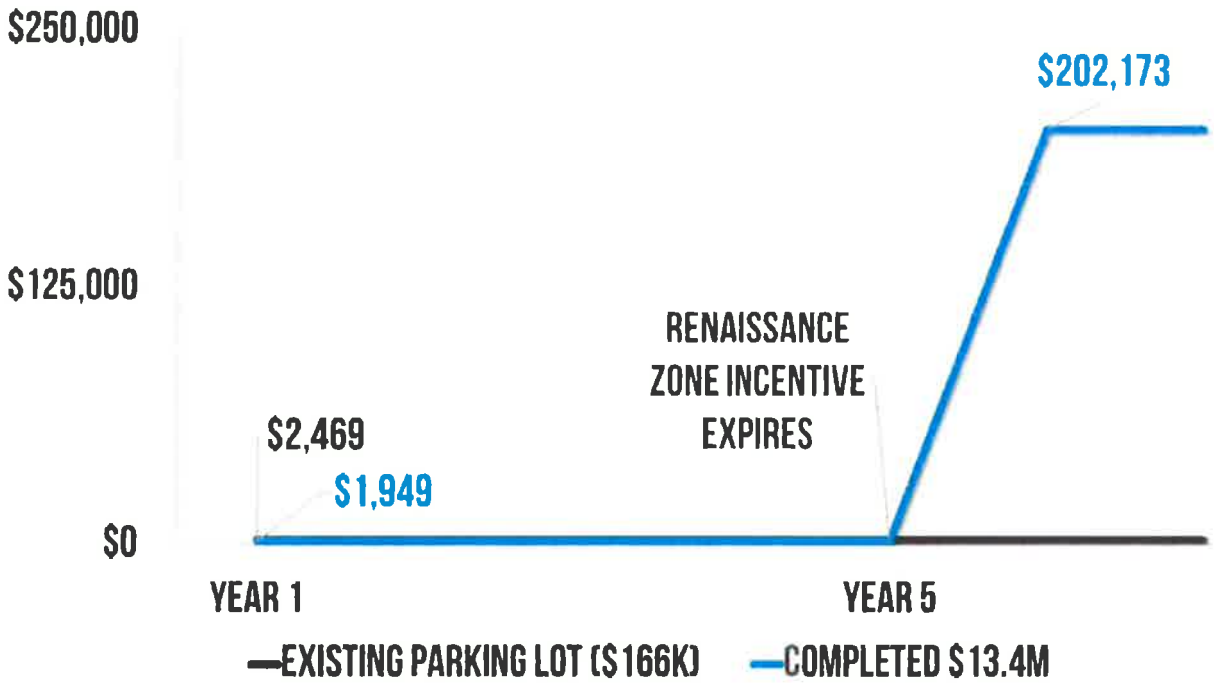

Potential annual income tax savings: \$1,000

*Construction Costs

DILLARD CUMULATIVE PROPERTY TAX GROWTH

DILLARD ANNUAL PROPERTY TAX REVENUE

13. Provide evidence that the applicant is current on state and local taxes (Certificate of Good Standing from State Tax Commissioner (see Attachment E) and receipt showing proof that local taxes have been paid.

Request has been submitted to the State.

RE: Amendment of Development Agreement--Block Nine Project

Dear Commissioners:

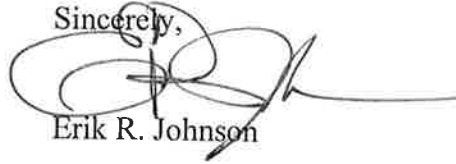

Enclosed for your consideration is an amendment to the Development Agreement for the Block Nine Project. The Developer intends to make a brief presentation at your regular City Commission meeting regarding this proposed amendment.

The Development Agreement between the City and Block 9 Partners LLC that was approved last year in May was the start of a public-private partnership which, by its nature, required considerable additional work to be done for full development of the details of the Project, particularly as it relates to the relationship between the Developer and the City. Since that time, Jim Gilmour, the Director of Planning and Development, and I, along with a number of other City staff members, have been working diligently on this project. The Development Agreement, itself, anticipated this work to be done. The public-private partnership contemplates that the Developer would take ownership of the City-owned lot to allow the Developer to construct the parking ramp and then return the ownership to the City after which, the Developer would be fully responsible for operation, repair and maintenance of the ramp for 25 years. The City's responsibilities included the selling of bonds to finance construction costs (maximum of \$15 million of actual construction costs, plus certain financing costs) for the parking ramp as well as the connection to the public skyway and the new public plaza. This partnership requires very integrated coordination between the City and the Developer. In addition, the Fargo Park District is willing to serve as the manager of the public plaza and considerable work has gone into the development of the agreements related to the public plaza and its operations. As contemplated in the Development Agreement, this coordination of effort between the Developer, the City and, now, the Fargo Park District will come together into a family of separate agreements—referred to as the “Contingency Agreements”. The Development Agreement requires that the Developer and the City move forward together on the Project. It is the “Preliminary Contingencies Deadline” and the “Final Contingencies Deadline” that permit the parties to move forward together. Those contingencies protect the City by ensuring that the project will move forward as agreed before the City commits itself to selling its bonds. Similarly, the contingencies protect the Developer as well. As has been discussed publicly

already, some final important components of the project from the Developer need to come together and, in order to accommodate that need and in order for the City and Developer to move forward together as required by the Developer Agreement, the enclosed Fifth Amendment to the Developer Agreement is needed—it will revise the two “contingencies deadlines” and will revise, accordingly, the anticipated construction start dates and construction completion dates. Under this amendment, the Final Contingencies Deadline will be August 31, 2018 (currently, August 31, 2017). Commencement of construction on the Parking Ramp must occur by January 1, 2020 (currently January 1, 2019). The anticipated construction completion dates for the Parking Garage, the Plaza and the Tower/Mixed Use Project will be February 28, 2021 (currently, December 31, 2019). The prior four amendments to the Developer Agreement addressed the contingencies deadlines with the City Commission approving the initial amendment to the Developer Agreement in November and authorizing the Mayor and City Administrator to further amend the agreement to modify the contingencies deadlines to no later than July 1, 2017. Most recently, the City Commission approved a resolution on June 5th, 2017, further authorizing the current contingencies deadline of August 31, 2017.

SUGGESTED MOTION: I move to approve the Fifth Amendment to Development Agreement by and between City of Fargo, North Dakota and Block 9 Partners LLC as presented.

Sincerely,

Erik R. Johnson

ERJ/lmw

Enclosure

**FIFTH AMENDMENT TO
DEVELOPMENT AGREEMENT
BY AND BETWEEN
CITY OF FARGO, NORTH DAKOTA,

AND
BLOCK 9 PARTNERS LLC
DATED AS OF AUGUST 28, 2017**

THIS FIFTH AMENDMENT TO DEVELOPMENT AGREEMENT (this “Amendment”) is made as of the 28th day of August, 2017, by and between the City of Fargo, North Dakota, a municipal corporation (the “City”) and Block 9 Partners LLC, a North Dakota limited liability company (“Developer”).

RECITALS:

WHEREAS, Developer and City have entered into a Development Agreement dated as of May 23, 2016, as amended from time to time (the “Development Agreement”), pertaining to a project commonly known as the Block Nine Project;

WHEREAS, the Development Agreement contained certain contingencies for the benefit of Developer and certain contingencies for the benefit of the City, which contingencies were subject to satisfaction or waiver on or before November 15, 2016, (the “Contingencies Deadline”); and,

WHEREAS, the parties have extended the Contingencies Deadline and converted said deadline into two deadlines, and have entered into previous amendments to the Development Agreement dated November 7, 2016, and February 13th, April 24th and June 27th, 2017; and,

WHEREAS, the parties wish to agree to amend the Development Agreement again; and,

NOW, THEREFORE, in consideration of the foregoing Recitals, which are hereby incorporated into this Amendment, and the mutual promises, undertakings and covenants hereinafter set forth, and intending to be legally bound hereby, the City and Developer covenant and agree as follows:

- I. The Preliminary Contingencies Deadline, previously defined as being August 15, 2017, is hereby amended to be August 15, 2018, as set forth in Paragraph 3.1.1 of Section 3.1 of Article 3 of the Development Agreement.
- II. The Final Contingencies Deadline, previously defined as being August 31, 2017, is hereby amended to be August 31, 2018, as set forth in Paragraph 3.1.2 of Section 3.1 of Article 3 of the Development Agreement.
- III. Section 11.1 of Article 11 of the Development Agreement shall be amended to read as follows:

Section 11.1 Master Project Schedule. The Master Project Schedule agreed to by the Parties in accordance with Article 3 above sets forth the anticipated start, completion and duration dates for the various components of the Project and related facilities as set forth herein and Developer shall develop, design and construct the Project in accordance with such Master Project Schedule. Subject to modification pursuant to the Master Project Schedule, the Parties agree as follows:

- (a) The anticipated date of substantial completion for the Block Nine Garage is February 28, 2021.
- (b) The anticipated date of substantial completion of the Plaza is February 28, 2021.
- (c) The anticipated date of substantial completion of the Mixed Use Project is February 28, 2021.

IV. Section 3.1(a)(viii) of Article 3 of the Development Agreement shall be amended to read as follows:

(viii) real estate conveyance documents for the property transfers contemplated by Articles 6 and 9 and provided that any deed conveying the City Parcel shall contain a reversionary right acceptable to the City in its sole discretion in the event Developer fails to commence construction on the Block Nine Garage by January 1, 2020, complete construction of the Block Nine Garage by February 28, 2021, or if construction on the Block Nine Garage ceases for a period of six (6) months;

V. In all other respects the Development Agreement, as the same has been previously amended, shall remain in full force and effect.

VI. Effective Date. This Amendment shall be effective as of August 28, 2017.

IN WITNESS WHEREOF, the Parties have executed this Amendment as of the date stated in the first paragraph of this Amendment.

MEMORANDUM

TO: BOARD OF CITY COMMISSIONERS

FROM: MAYOR TIMOTHY J. MAHONEY

DATE: AUGUST 23, 2017

SUBJECT: APPOINTMENT TO THE HISTORIC PRESERVATION COMMISSION

We have a vacancy on the Historic Preservation Commission due to Mike Hahn moving out of North Dakota. His term would have expired on October 31, 2017.

I am recommending the appointment of Nathan Larson to fill the unexpired term of Mr. Hahn and since the term expires soon, I am recommending that Mr. Larson be appointed to fill a three-year term following that date. Mr. Larson's appointment to the Board will expire on October 31, 2020. A web application for Mr. Larson is attached for your reference.

Your favorable consideration of this recommendation will be greatly appreciated.

RECOMMENDED MOTION: Approve the appointment of Nathan Larson to the Historic Preservation Commission to fill the unexpired term of Mike Hahn for a term ending October 31, 2020.

Which boards or commissions would you like to be considered for?
[Historic Preservation Commission]

Briefly state why you would like to be on this panel:
[I would like to help ensure that future developments within Fargo's downtown and core neighborhoods are being done with respect to the architectural character of these places.]

How many hours per month could you volunteer as a panel member?
[I could volunteer at a maximum of 10 hours per month.]

Please list any past experience you have with city government here or in other cities:
[I have not had any experience with city government other than sitting in on city planning and city commission meetings when projects were being proposed that affected my neighborhood.]

Please describe any professional experience you have related to the responsibilities of the panel you are interested in:
[I received a masters degree in architecture from NDSU in 2012 and have been working as a Realtor with Park Company since October 2012. I have been a board member of the Fargo Moorhead Heritage Society for three years and am currently serving as president.]

If you have a resume you would like to submit, please paste it below.
[Available upon request.]

We will retain your application for three years and consider you for the board you have indicated interest in when a vacancy arises.
