Item No. 2 Omitted:

Item No. 2 (Human Relations Commission update on activities) was omitted.

Proposed Skyway Use Policy:

The Board received a communication from City Administrator Pat Zavoral submitting a proposed Skyway Use Policy for the City-owned skyways. He said events in the skyway over the past years have led staff to draft this policy to provide guidance for City staff and property owners in which the skyway is located. He said this policy includes guidance as to hours of operation, what type of signage is allowed, how outside parties can use the skyways, prohibition of animals and procedures for using the skyway for special events. Mr. Zavoral stated he is requesting the City Commission discuss this policy and accept public comment before final adoption.

Commissioner Wimmer stated a policy will allow the City Commission to consider requests for people wanting to hold various events in the skyway.

Commissioner Wimmer moved the Skyway Use Policy be approved as follows:

"This space is a public right-of-way; therefore, free flow of pedestrian traffic during normal operational hours should be a priority.

The use of rollerblades, roller skates and bicycles in the skyway is prohibited. The display of advertising/promotional signage is allowed only for those businesses owning or leasing a space in a building directly connecting to the skyway. This signage can only be presented within the building the business occupies,

No outside advertising is allowed within the skyway or on the outside of the skyway above the streets.

Skyway building owners or tenants may hold "sidewalk sales" as long as they are contained within the skyway portion of their building and public movement of pedestrians, is maintained.

Use of the skyway by interested parties having no ownership in skyway buildings is allowed if permitted by the Fargo City Commission.

The request for skyway usage by outside parties must include the purpose of the request, the time and date of its proposed usage, and a hold harmless pledge to the city from any accidents or destruction of property.

All requests should be made to the City Auditor 15 days in advance of the event to allow for City Commission review.

Finally, pets are not allowed in the skyway unless they are service animals."

Second by Coates.

There was discussion regarding the hours the skyway is open to the public.

Mr. Zavoral stated there should be some base hours for the skyway and requests can be considered by the City Commission for extended hours.

Commissioner Coates stated the hours are not part of the proposed policy.

On call of the roll Commissioners Wimmer, Coates, Mahoney, Williams and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Request for an Extension of the Class "CD" Alcoholic Beverage License Held by the Old Broadway Corporation d/b/a Just One Approved:

A Hearing had been set for this day and hour on an application to consider the location change of the Just One Class "CD" Alcoholic Beverage License issued to the Old Broadway Corporation d/b/a Just One to be located at 64 Broadway notice of which had been duly published in the official newspaper for the City of Fargo.

No written protest or objection to the granting of the application has been received or filed in the office of the City Auditor, and said application has been approved by the Police Department as to the character of the applicant.

The Board determined that no person is present at this Hearing to protest or offer objection to the granting of the application.

The Board received a communication from Randy Thorson, President, Old Broadway Corporation, stating the Old Broadway Corporation recently requested that the Just One Class "CD" Alcoholic Beverage License be transferred to 64 Broadway, however, the building has been purchased by Scott Hennen who will be renovating the building to house his media company and radio station. He said at this time, he feels it is more important to jump start the revitalization of this block of Broadway and, therefore, he has elected to sell the building to Mr. Hennen. He said he is requesting an extension of the Class "CD" Alcoholic Beverage License at 16 Broadway for an additional six month period until a permanent location can be secured for the license.

Commissioner Wimmer moved the request for a six month extension be approved.

Second by Coates. On call of the roll Commissioners Wimmer, Coates, Mahoney, Williams and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Petition Requesting the Rezoning of Parcels of Land in Arndts-Devener Subdivision Approved (922 40th Street North): Issue to be Reviewed in One Year:

A Hearing had been held by the Fargo Planning Commission on March 12, 2008, for the purpose of considering a petition requesting that the zoning be changed from GI, General Industrial to LI, Limited Industrial, on the south 180 feet of the north 364 feet of the east 410 feet of Lot 6, Arndts-Devener Subdivision, and the Fargo Planning Commission at such Hearing recommended to the Board of City Commissioners that the change in zoning as petitioned for be denied.

The City Auditor's Office published a Notice of Hearing stating April 7, 2007 is the time and date set for said Hearing at which time all interested persons could appear and would be heard.

At the April 7, 2007 meeting, the Hearing was continued to this day and hour.

Written protests to the change in zoning as petitioned for had been received by the Fargo Planning Commission, such protests representing 22.34 per cent of the legal protest area.

Senior Planner Jim Hinderaker stated Dave Lerud, the applicant requesting the zoning change, is the owner of Games Galore who is a tenant of the warehouse/office building owned by Keith Ernst. Mr. Hinderaker said Games Galore stores, transports and rents inflatable play equipment for children's parties which are located at an off-site location. He said Mr. Lerud would like to add a retail sales and service use by adding an indoor entertainment component which he defines as a family fun center. He said Mr. Lerud would like to convert up to 6000 square feet in order to be able to hold private parties in the winter months on site where the business can use the inflatable play equipment at the 922 40th Street North location. Mr. Hinderaker stated the contextual setting is important as part of the analysis. He said the property to the north has Ernst Trenching, the property owner's contractor service company; the property to the east across 40th Street has Magnum, a freight movement company;

the property to the south is vacant but is used for construction equipment storage; and the property to the west is an asphalt plant. He said there was a concern from Magnum Companies regarding the potential conflict of the industrial truck traffic and Games Galore's on-site clientele and the applicant has suggested they limit their proposal to private parties versus being open to serve the general public. Mr. Hinderaker stated the indoor entertainment facility could not be used without reservations and this will potentially eliminate children from being at the site unsupervised. He said staff agrees it would be best to limit general public access and, therefore, recommends a Conditional Overlay which will increase the compatibility between commercial and industrial uses and address unique considerations specific to the site. He said it is proposed that specifically the retail sales and service component of this particular business be limited to private parties at this location only. Mr. Hinderaker stated staff is recommending approval with a Conditional Overlay.

Don Jemtrud with Magnum Companies stated safety is very important to his company. He said big wheel trucks do not mix well with traffic from young adults. He said they are concerned with the people's safety and do not want to jeopardize anyone's life.

Jen Anderson with Magnum Companies also stated her concerns regarding safety issues. She questioned what would stop a child from using a bicycle to attend a party at that location.

Commissioner Coates stated that road is shared by everyone and there is nothing to stop kids from using bikes on the street anyway. She said people cannot be prevented from using the street. She said it is a matter of sharing a public right-of-way.

There was discussion regarding a year's trial period.

Commissioner Coates offered the following Resolution and moved its adoption:

WHEREAS, All legal requirements in connection with the above-described request for rezoning have been complied with; and

WHEREAS, The Fargo Planning Commission denied the request on March 12, 2008; and

WHEREAS, Written protests to the change in zoning as petitioned for had been received by the Fargo Planning Commission, such protests representing 22.34 per cent of the legal protest area.

NOW, THEREFORE, BE IT RESOLVED, That the findings of staff be accepted and the rezoning be approved on the basis that it satisfactorily complies with the Comprehensive Plan, Standards of Section 20-0906.F (1-4) and all other applicable requirements of the LDC and that this issue come back to the Commission in one year for review.

Second by Williams. On the vote being taken on the question of the adoption of the Resolution Commissioners Coates, Williams, Mahoney, Wimmer and Walaker voted aye.

No Commissioner being absent and none voting nay, the Resolution was adopted.
