ORDINANCE NO. _____

AN ORDINANCE AMENDING SECTIONS 25-1506, 25-1507, 25-1508
AND 25-1509.1, OF ARTICLE 25-15 OF CHAPTER 25 OF THE
FARGO MUNICIPAL CODE RELATING TO ALCOHOLIC
BEVERAGES

WHEREAS, the electorate of the city of Fargo has adopted a home rule charter in accordance with Chapter 40-05.1 of the North Dakota Code; and,

WHEREAS, Section 40-05.1-06 of the North Dakota Century Code provides that the City shall have the right to implement home rule powers by ordinance; and,

WHEREAS, Section 40-05.1-05 of the North Dakota Century Code provides that said home rule charter and any ordinances made pursuant thereto shall supersede state laws in conflict therewith and shall be liberally construed for such purposes; and,

WHEREAS, the Board of City Commissioners deems it necessary and appropriate to implement such authority by the adoption of this ordinance;

NOW, THEREFORE,

Be It Ordained by the Board of City Commissioners of the City of Fargo:

Section 1. Amendment.

Section 25-1506 of Article 25-15 of Chapter 25 of the Fargo Municipal Code is hereby amended to enact a new subsection CC:

* * *

CC. Class "DCP-E" License. A Class "DCP-E" license, in the nature of a special permit, shall authorize the Downtown Community Partnership, a non-profit corporation established January 15, 2014, operated as a business league within the meaning of Section 501(c)(6) of the Internal Revenue Code with the stated purpose of serving the Fargo downtown business community, to apply for a special event "DCP-E" license, to be issued by the city auditor, for an event that is open to the general public and that is held on certain designated public property, private property or both public and private property, including public rights of way, and in which one or more licensees that are eligible to obtain a Class "E" license will be allowed to participate in the event and in which certain alcoholic beverages will be lawfully allowed to be possessed and consumed within the designated space, in accordance with the following:

1. Class “DCP-E” license application and approval. For each proposed Class “DCP-E” license event, the Downtown Community Partnership must submit to the city auditor an application on a form provided by the city. The application must describe the event space including a detailed description of public streets that will be closed to the traveling public, adjacent sidewalks, and designated alley ways adjacent to such streets and sidewalks along with any private property included in the event space. To the extent the event space includes any private property, the applicant must provide the written consent by the property owner to the holding of the event.
 - a. Licenses non-transferable.—A Class “DCP-E” license may only be issued to the Downtown Community Partnership and it may not be transferred to, or held by, a person, firm, or entity other than the licensee.
 - b. A complete Class “DCP-E” license application must be submitted to the city auditor at least 45 days in advance of the requested event. Such application deadline may be waived for good cause.
 - c. The application shall provide an estimate of the number of attendees expected to participate in the event which estimate may be used by the police department to determine the number of additional police department personnel necessary to patrol the event space and surrounding area, and shall state the hours during which alcoholic beverages may be served in event cups, as described in this subsection, and when such beverages may be possessed or consumed within the designated event space.
 - d. Downtown Community Partnership shall be eligible to receive a limited number of licenses per year, in an amount to be determined by the motion or resolution of the Board of Directors of the Downtown Community Partnership, presented with the application.
 - e. The city auditor is authorized to issue the Class “DCP-E” license without notice or hearing and the provisions of section 25-1508 shall not be applicable to the issuance thereof.

OFFICE OF THE CITY ATTORNEY
FARGO, NORTH DAKOTA

ORDINANCE NO. _____

1 f. Effective times and dates of license.—A Class “DCP-E” license shall be
2 effective for the period or periods of time as approved by the city auditor
3 and as stated on the license. Said license may be structured by the city
4 auditor such that a DCP-E permitted event may run during certain limited
5 time periods on certain specified consecutive days. In no event shall a
6 Class “DCP-E” license be granted allowing alcoholic beverage open
7 containers or the consumption of alcoholic beverages in a public space
8 after 9:00 p.m.

9 g. No Class “E” licenses other than those issued to an alcoholic beverage
10 retailer as part of a licensed Class “DCP-E” event may be issued for the
11 event space during the Class “DCP-E” permitted times or locations.

12 h. At any time when a Class “DCP-E” license is in effect for a particular
13 event and event space, the event space shall be specifically excepted from
14 the definition of “public place” as set forth more fully in section 25-
15 1509.1(D) of this chapter.

16 2. Administration and Coordination of Event. Upon issuance by the city auditor of
17 the Class “DCP-E” license for the event, the Downtown Community Partnership
18 will be responsible for administration and coordination of the event in accordance
19 with the following:

20 a. The Downtown Community Partnership will solicit and accept
21 applications from existing licensees that are eligible to obtain a Class “E”
22 license to serve as alcohol vendors for the approved and licensed Class
23 “DCP-E” event.

 b. Downtown Community Partnership, by approval of its board of directors,
 will select one or more alcoholic beverage retailers for the Class “DCP-E”
 event, and will notify the city auditor of its selection or selections.

 c. In order to participate in the licensed Class “DCP-E” event, said selected
 alcoholic beverage retailer must apply for and obtain a Class “E” license
 for the event.

 d. The Downtown Community Partnership is authorized to charge the

1 selected alcohol vendors a fee for participation. The Downtown
2 Community Partnership will be responsible for making the necessary
3 arrangements for the event, and will be responsible for payment of the
4 costs for additional security personnel.

5 3. Terms, Conditions and Restrictions for Event. With respect to an approved
6 Class "DCP-E" licensed event, the following terms, conditions and restrictions
7 shall be applicable:

8 a. The designated event space must be clearly marked with signs, special
9 markings and other demarcations such that participants and the general
10 public are advised as to the boundaries of the event space. The Downtown
11 Community Partnership shall post conspicuously at all entrances and exits
12 of the event space a notice stating that alcoholic beverages shall not be
13 permitted outside of the designated event space. Alcoholic beverages
14 may only be served in clearly identifiable event cups provided by the
15 Downtown Community Partnership. Cans, bottles or other containers
16 containing alcoholic beverages shall not be permitted in the designated
17 event space.

18 b. The Downtown Community Partnership will provide the selected Class
19 "E" license holders for the event a sufficient supply of clearly identifiable
20 wrist bands to be distributed to, and worn by, event participants.

21 c. Nothing in this subsection shall be construed to relieve the responsibility
22 of a Class "E" license holder from the obligation to comply with all laws,
23 including laws regulating the serving of alcoholic beverages and nothing
 shall be construed to transfer any such obligations or responsibilities to the
 Downtown Community Partnership.

 d. Downtown Community Partnership shall be responsible for making
 arrangements with the Fargo police department for any police department
 extra duty officers that are required to be provided for the Class "DCP-E"
 event, at the sole cost of the Downtown Community Partnership, at such
 rate or rates as are established by the chief of police.

OFFICE OF THE CITY ATTORNEY
FARGO, NORTH DAKOTA

ORDINANCE NO. _____

- e. Nothing in this subsection shall be construed to allow Class "E" licensees at a DCP-E permitted event to sell off-sale alcoholic beverages at such event.
- f. Only alcoholic beverages that have been served by a Class "E" permit holder and which beverages are contained within the said clearly identifiable event cup, as described in this subsection, may be consumed within the event space. No other alcoholic beverages shall be permitted to be consumed in the event space. No personal use coolers for individual alcohol consumption will be permitted in the event space.
- g. All other laws and regulations shall be in full force and effect.

Section 2. Amendment.

ORDINANCE NO. _____

set forth in subsection (I) hereinafter. The initial issuance of a Class "Z" license shall provide for five (5) licenses (as aforesaid) with two (2) licenses being designated for the downtown area and two (2) for areas outside the downtown area as defined and one (1) license in either area. "Downtown area" shall mean that area included in the Downtown Area Plan as previously approved by the board of city commissioners and as it may hereafter be amended. At such time as the population of the city of Fargo shall exceed 100,000, one (1) additional "Z" shall become available for each 10,000 people in excess of 100,000 population. The granting of additional licenses shall be subject to all of the terms and conditions of the "Z" license as set forth hereinbefore.

25. Class "B-Limited" – a Class "B-Limited" license shall authorize the licensee to sell "off-sale" only with the conditions and limitations set forth in subsection (J) hereinafter. One (1) Class "B-Limited" license shall be available immediately. An additional Class "B-Limited" shall become available at such time as the population of the city of Fargo shall exceed 100,000 with an additional Class "B-Limited" then becoming available for each additional 10,000 increase in population. The granting of additional licenses shall be subject to all of the terms and conditions of the Class "B" license as set forth hereinbefore and as limited by subsection (J) hereinafter.

26. Class "Y" – no limit

27. Class RZ-V—no limit

28. Class DCP-E – No limit.

For purposes of determining the population of the city of Fargo in this article, the board of city commissioners may recognize the most recent estimated population as determined by the Census Bureau of the United States Department of Commerce and, further, may establish a current population by extrapolation based upon a reasonable rate of population change since the most recent census estimate or by estimation considering recent annexations into the city, the number of housing starts within the city,

MEMORANDUM

TO: BOARD OF CITY COMMISSIONERS

FROM: NICOLE CRUTCHFIELD, PLANNING DIRECTOR *NC*

DATE: JUNE 12, 2018

RE: 2017 COMMUNITY DEVELOPMENT ACTION PLAN AMENDMENT – FRASER LTD. PROJECT

The Department of Planning and Development would like to amend its 2017 Community Development Action Plan to reflect a change in scope and location of CDBG funding awarded to Fraser Ltd. The proposed plan amendment would allow for the redirection of funds originally reserved for the transitional living program house, to instead support facility upgrades of an intermediate care facility, which provides housing to adults with developmental disabilities. This change aligns with the goals identified in the City of Fargo's 2015-2019 Five-Year Consolidated Plan.

Notification of the proposed amendment was published in The Forum on May 14, 2018, followed by a 30-day public comment period. This proposal has been considered and approved by the Planning Commission and Community Development Committee.

Recommended Motion: Amend the 2017 Community Development Action Plan to accommodate a facility upgrade of the Fraser, Ltd. Intermediate Care Facility located at 2726 18th Street South.

**RE: Annexation by Petition for portion of the Southeast Quarter of Section 11,
Township 138 North, Range 49 West Cass County North Dakota,**

June 18, 2018 is the date set by the City Commission to confirm petition of protest and take action on an ordinance for annexation of a tract of land in Section 11, Township 138 North, Range 49 West.

The petition for annexation was brought forward by the land owner. There are no other property owners within the boundary of the proposed annexation. Advertisements were placed in The Forum and notices were sent by certified mail to Stanley Township and Cass County. Staff has not received any form of protest or concerns from the public.

The property is proposed to be developed as a residential development south of the existing Golden Valley Addition. The boundaries of the annexation and corresponding legal description are attached. The proposed single family development is titled Madelyn's Meadows First Addition.

RECOMMENDED MOTION:

To accept the findings and recommendations of staff and the Planning Commission and hereby waive the requirement to receive the Ordinance one week prior to the first reading and place the annexation Ordinance on the first reading, and move to approve the proposed annexation of a portion of the Southeast Quarter of Section 11, Township 138 North, Range 49 West Cass County North Dakota, as depicted in the attached map and legal description.

Maximum Density Allowed (Residential): AG allows a maximum of 1 dwelling unit per 10 acres.		Maximum Density Allowed: SR-4 allows 12.1 dwelling units per acre; AG allows a maximum of 1 dwelling unit per 10 acres; P/I has no density standard	

Proposal:

The applicant has petitioned the City to annex approximately 35.22 acres of land that is currently within the city’s four-mile extra-territorial jurisdiction. This area is undeveloped. A map of the proposed annexation area is attached.

Area Plans:

The 2007 Tier 1 Southeast Growth Plan, part of the 2007 Growth Plan, designates the area of this project as “Residential Area – lower to medium density” land use. Per that plan, both the proposed SR-4 and P/I zonings are consistent with this land use designation.

Additionally, the Fargo Preferred Future Land Use Plan Update of the Southwest Metro Transportation Plan (SWMTP) designates the land use for this area as “low density residential” development. The SWMTP was a project of the Metropolitan Council of Governments (MetroCOG). Planning staff uses the SWMTP as a guide, particularly for future street connectivity as noted below. The land use plan has not been officially adopted by the Planning Commission (This land use plan is Figure 5.1 of the SWMTP)

Staff Analysis:

This project was reviewed by the City’s Planning and Development, Engineering, Public Works, and Fire Departments (“staff”).

The annexed area is intended to be developed as with single-family residential development. The entitlements for this development—zone change and major subdivision plat—are a separate item on the June 18 2018 City Commission agenda. The proposed zoning is as noted below:

BLOCK	LOTS	ZONING	LAND USE
1	1-16	SR-4	Single-Dwelling Residential
2	1-16	SR-4	Single-Dwelling Residential
3	1-8	SR-4	Single-Dwelling Residential
3	9	Remains AG	For future development
3	10	P/I, with a C-O, Conditional overlay to restrict uses to “park and open space” and ‘detention facilities”	Park and detention basin; to be conveyed to Fargo Park District after plat recordation
3	11	P/I, with a C-O, Conditional overlay to restrict uses to “park and open space” and ‘detention facilities”	For future development; applicant will eventually rezone it for residential development

3	12	P/I to restrict uses to "park and open space" and 'detention facilities"	Levee; to be dedicated to City of Fargo by this plat
3	13	P/I to restrict uses to "park and open space" and 'detention facilities"	For future expansion of Drain 53; to be conveyed to Southeast Cass Water Resources District by this plat

OWNERSHIP

The entire property involved in the annexation is owned by the applicant, Sitka Investments, James R. Bullis, president. No existing residences or businesses are included in the annexation area.

PLAN CONSISTENCY

This property is outside of the Fargo city limits. The applicant has requested annexation through a petition. The proposed annexation area is depicted on the 2007 Tier 1 Southeast Growth Plan map of the 2007 Growth Plan. The 2007 Growth Plan describes the "Tier 1" designation as the "Intended Growth Sector" for the city of Fargo.

Though the 2007 Growth Plan does not provide actual findings for annexation, it does state that "Tier 1 is planned to handle growth for the next 20 to 25 years [from 2007]" and that "Carefully planned extensions of the city as a result of demand for housing help to counter disruptive leapfrog development." (page 55, 2007 Growth Plan). The proposed development is adjacent to and across 25th Street from existing residential development. The location of this development adjacent to existing residential development and an arterial street (25th Street South) also corresponds with two of the strategies stated in the 2007 plan to work against leapfrog development:

- Limit roadway and utility extensions to areas within the 20 year service area [Tier 1] directly adjacent to areas currently receiving services; and
- Avoid utility and roadway extensions that traverse areas where property owners are not interested in developing their property. (page 56, 2007 Growth Plan)

The proposed development is consistent with the land use designations of the 2007 Growth Plan; no growth plan amendment is necessary for this project.

Additionally, the Fargo Preferred Future Land Use Plan Update of the Southwest Metro Transportation Plan (SWMTP) designates the land use for this area as "low density residential" development. The SWMTP was a project of the Metropolitan Council of Governments (MetroCOG). Planning staff uses the SWMTP as a guide, particularly for future street connectivity as noted below. The land use plan has not been officially adopted by the Planning Commission (This land use plan is Figure 5.1 of the SWMTP)

PROCESS

This request for annexation was reviewed by PWPEC at their April 30, 2018 meeting. The Planning Commission evaluated this proposed annexation for consistency with the 2007 Growth Plan at their May 1, 2018 Planning Commission meeting. The Cass County Auditor and the Stanley Township clerk were notified by certified letter of this proposed annexation.

ORDINANCE:

As this annexation is from a petition by the property owner, the City Attorney has prepared an ordinance that is attached to this package.

Planning Commission Recommendation:
On May 1, 2018, by a vote of 10-0 with one Commissioner absent, the Planning Commission voted to accept the findings of recommendations of staff and found the proposed annexation of a portion of Southeast Quarter of Section 11, Township 138 North, Range 49 West of the 5th Principal Meridian, Cass County, North Dakota to be consistent with the 2007 Growth Plan.

Staff Recommendation
Suggested Motion: To accept the findings and recommendations of staff and the Planning Commission and hereby waive the requirement to receive the Ordinance one week prior to the first reading and place the annexation Ordinance on the first reading, and move to approve the proposed annexation of a portion of the Southeast Quarter of Section 11, Township 138 North, Range 49 West Cass County North Dakota, as depicted in the attached map and legal description.

Entitlements Requested:	Major Subdivision (Portion of the SE1/4, Sec. 11, T138N R49W, City of Fargo, Cass County, North Dakota) Zone Change (from AG, Agriculture to SR-4, Single-Dwelling Residential, and P/I, Public/Institutional with a C-O, Conditional Overlay to restrict land uses)		
Status:	City Commission Public Hearing: June 18, 2018		

Existing	Proposed
Land Use: Undeveloped	Land Use: Residential
Zoning: AG, Agricultural	Zoning: SR-4, Single Dwelling Residential; P/I, Public/Institutional with a C-O, Conditional Overlay; AG
Uses Allowed: AG – Agricultural. Allows detached houses, parks and open space, safety services, basic utilities, and crop production	<p>Uses Allowed: SR-4 Allows detached houses, daycare centers up to 12 children, attached houses, duplexes, parks and open space, religious institutions, safety services, schools, and basic utilities;</p> <p>P/I Allows colleges, community service, daycare centers of unlimited size, detention facilities, health care facilities, parks and open space, religious institutions, safety services, schools, offices, commercial parking, outdoor recreation and entertainment, industrial service, manufacturing and production, warehouse and freight movement, waste related use, agriculture, aviation, surface transportation, and major entertainment events; with a C-O, conditional overlay to restrict uses as shown</p> <p>AG –Allows detached houses, parks and open space, safety services, basic utilities, and crop production (Lot 9, Block 3 will remain zoned AG)</p>
Maximum Density Allowed (Residential): AG allows a maximum of 1 dwelling unit per 10 acres.	Maximum Density Allowed: SR-4 allows 12.1 dwelling units per acre; AG allows a maximum of 1 dwelling unit per 10 acres; P/I has no density standard

Proposal:

The applicant requests two entitlements:

1. A major subdivision, entitled **Madelyn’s Meadows First Addition**, a three block, 45 lot subdivision, which is a plat of a portion of the SE1/4, Sec. 11, T138N R49W, Cass County, North Dakota
2. A zone change from AG: Agricultural to SR-4, Single Dwelling Residential and P/I, Public/Institutional with a C-O, Conditional Overlay for a portion of the property within the Madelyn’s Meadows First Addition. (Lot 9, Block 3 will remain zoned AG)

This project was reviewed by the City’s Planning and Development, Engineering, Public Works, and Fire Departments (“staff”), whose comments are included in this report.

Surrounding Land Uses and Zoning Districts:

- North: SR-4, Single Dwelling Residential
- East: P/I, Davies High School directly across 25th Street South; MR-2, Multi Dwelling Residential and LC, Limited Commercial across 25th Street South, south of 73rd Avenue South.
- South: AG, undeveloped
- West: Cass County Drain 53; AG-zoned undeveloped land outside of city limits on the west side of this drain.

Area Plans:

The 2007 Tier 1 Southeast Growth Plan, part of the 2007 Growth Plan, designates the area of this project as “Residential Area – lower to medium density” land use. Per that plan, both the proposed SR-4 and P/I zonings are consistent with this land use designation.

Additionally, the Fargo Preferred Future Land Use Plan Update of the Southwest Metro Transportation Plan (SWMTP) designates the land use for this area as “low density residential” development. The SWMTP was a project of the Metropolitan Council of Governments (MetroCOG). Planning staff uses the SWMTP as a guide, particularly for future street connectivity as noted below. The land use plan has not been officially adopted by the Planning Commission (This land use plan is Figure 5.1 of the SWMTP)

Context:			
Schools: The subject property is located within the Fargo School District and is served by Bennett Elementary, Discovery Middle and Davies High schools.			
Neighborhood: The subject property is not located within a designated neighborhood.			
Parks: Davies Athletic Complex (1880 70th Avenue S) is located approximately 0.39 miles east of the project site and provides the amenities of baseball/softball fields.			
Pedestrian / Bicycle: There are off-road bike facilities along 25 th Street South that are a component of the metro area bikeways system.			
Staff Analysis:			
<u>PLAT AND ZONE CHANGE</u>			
The plat will create a total of 45 lots--40 residential lots in three blocks, three lots to be owned by government agencies, and two lots that will remain undeveloped at this time, as noted in the chart below.			
BLOCK	LOTS	ZONING	LAND USE
1	1-16	SR-4	Single-Dwelling Residential
2	1-16	SR-4	Single-Dwelling Residential
3	1-8	SR-4	Single-Dwelling Residential
3	9	Remains AG	For future development
3	10	P/I, with a C-O, Conditional overlay to restrict uses to "park and open space" and 'detention facilities"	Park and detention basin; to be conveyed to Fargo Park District after plat recordation
3	11	P/I, with a C-O, Conditional overlay to restrict uses to "park and open space" and 'detention facilities"	For future development; applicant will eventually rezone it for residential development
3	12	P/I to restrict uses to "park and open space" and 'detention facilities"	Levee; to be dedicated to City of Fargo by this plat
3	13	P/I to restrict uses to "park and open space" and 'detention facilities"	For future expansion of Drain 53; to be conveyed to Southeast Cass Water Resource District by this plat
<p>SR-4 ZONING: The SR-4 zoned single-dwelling lots range in size from 5,763 square feet to 13,610 square feet. All lots meet the minimum required lot area of the SR-4 zone of 3,600 square feet.</p> <p>P/I ZONING WITH CONDITIONAL OVERLAY: The P/I zoning with a conditional overlay to restrict land uses to "park and open space" and "detention facilities" is applied to Lots 10, 12, and 13, Block 3 as these lots will be conveyed to government agencies for uses specified in the chart above. The P/I zoning with the C-O, conditional overlay will be applied to Lot 11, Block 3 as a placeholder. Though the applicant intends to develop this lot with residential development in the future, that is a future phase. The lot does not meet the minimum required 10-acre lot size to remain zoned AG, Agricultural, so staff has applied the P/I zoning to this lot until it is ready to be developed. The applicant may apply to rezone this lot to the appropriate residential zone at the time it is developed.</p> <p>AG ZONING ON LOT 9, BLOCK 3: Lot 9, Block 3 will remain zoned AG: Agricultural. Though the applicant intends to develop this lot with residential development in the future, that is a future phase. The applicant may apply to rezone this lot to the appropriate residential zone at the time it is developed.</p> <p>ACCESS: The lots will be accessed by way of dedicated public streets. Necessary rights of way will be dedicated with the plat. 73rd Avenue South west of 26th Street will not be developed at this time, but will provide a public right of way connection from the developed lots of Blocks 1, 2, and 3 to the detention basin on Lot 10, Block 3</p>			

AMENITIES PLAN: The applicant has provided an amenities plan providing details of the project's streets, trails, and description of the lots to be owned by government agencies. A copy of this plan is attached. This plan was reviewed by the Public Works Project Evaluation Committee (PWPEC) on May 14, 2018.

PARKS AND TRAILS: A trail is required along 73rd Avenue South, within the 80-foot public right of way, and is so noted in the amenities plan. Lot 10, Block 3 is will be conveyed to the Fargo Park District after the plat is recorded.

STORMWATER: A detention basin will be created on Lot 10, Block 3. This lot will be owned by the Fargo Park District but the detention basin will be maintained by the City of Fargo.

MASTER PLAN: The applicant has provided a conceptual master plan (copy attached) for a larger area than is being platted at this time. The master plan illustrates future development, lots, park, and trails, with street connectivity as indicated in the Southwest Metro Transportation Plan (see graphic below).

EXCERPT FROM FIGURE 6.12, SOUTHWEST METRO TRANSPORTATION PLAN (2016)

ANNEXATION—PLAN CONSISTENCY

This property is outside of the Fargo city limits. The applicant has requested annexation through an owner-initiated petition. The proposed annexation area is depicted on the 2007 Tier 1 Southeast Growth Plan map of the 2007 Growth Plan. The 2007 Growth Plan describes the “Tier 1” designation as the “Intended Growth Sector” for the city of Fargo.

ANNEXATION--PROCESS

This City Commission hearing for this annexation is scheduled for the June 18, 2018 City Commission agenda.

DEVELOPER-SPONSORED NEIGHBORHOOD MEETING

The applicant held an informal neighborhood meeting with the residents from Golden Valley prior to the May 1, 2018 Planning Commission hearing. . He wanted to answer any questions they might have about the project before the meeting. The applicant may have a report about this meeting at the City Commission hearing.

Zoning

Section 20-906. F (1-4) of the LDC stipulates the following criteria be met before a zone change can be approved:

1. Is the requested zoning change justified by a change in conditions since the previous zoning classification was established or by an error in the zoning map?

Staff is unaware of any error in the zoning map as it relates to this property. The property is currently zoned AG, Agricultural. The proposed zoning of SR-4 is consistent with the 2007 Tier 1 Southeast

Growth Plan designation of the area of this project as “Residential Area – lower to medium density.” Per that plan, the proposed P/I zoning can be used in this land use category. Additionally, the Fargo Preferred Future Land Use Plan Update of the Southwest Metro Transportation Plan (SWMTP) designates the land use for this area as “low density residential” development. **(Criteria Satisfied)**

2. Are the City and other agencies able to provide the necessary public services, facilities, and programs to serve the development allowed by the new zoning classifications at the time the property is developed?

City staff and other applicable review agencies have reviewed this proposal. The project site will become eligible to receive City services after it has been annexed. Staff finds no deficiencies in the ability to provide all of the necessary services to the site. Lots in the subdivision will front on dedicated public streets. The necessary rights of way for these streets will be dedicated with the plat. These streets will provide access and public utilities to serve the development. **(Criteria satisfied)**

3. Will the approval of the zoning change adversely affect the condition or value of the property in the vicinity?

Staff has no documentation or evidence to suggest that the approval of this zoning change would adversely affect the condition or value of the property in the vicinity. Written notice of the proposal was sent to all property owners within 300 feet of the subject property. To date, Planning staff has received one phone inquiry about the project and met with the neighboring property owner to the south. Staff finds that the approval of the zoning change will not adversely affect the condition or value of the property in the vicinity. **(Criteria satisfied)**

4. Is the proposed amendment consistent with the purpose of this LDC, the Growth Plan, and other adopted policies of the City?

The LDC states “This Land Development Code is intended to implement Fargo’s Comprehensive Plan and related policies in a manner that protects the health, safety, and general welfare of the citizens of Fargo.” The Growth Plan that applies to this property is the 2007 Tier 1 Southeast Growth Plan, part of the 2007 Growth Plan. This plan designates this property as appropriate for lower to medium density residential development, which includes the SR-4 and P/I zones. The overall project provides a density of approximately one dwelling unit per acre. The actual area being developed with residential development at this time (Blocks 1 and 2 and Lots 1-8 of Block 3) provides a density of approximately four dwelling units per acre. These densities do not exceed the maximum density of 12.1 dwelling units per acre allowed in the SR-4 zone. Additionally, the Fargo Preferred Future Land Use Plan Update of the Southwest Metro Transportation Plan (SWMTP) designates the land use for this area as “low density residential” development. Staff finds this proposal is consistent with the purpose of the LDC, the applicable growth plan, and other adopted policies of the City. **(Criteria satisfied)**

Subdivision

The LDC stipulates that the following criteria are met before a major plat can be approved

1. Section 20-0907(C)(1)(Development Review Procedures—Subdivisions—Major Subdivisions) of the LDC stipulates that no major subdivision plat application will be accepted for land that is not consistent with an approved Growth Plan or zoned to accommodate the proposed development.

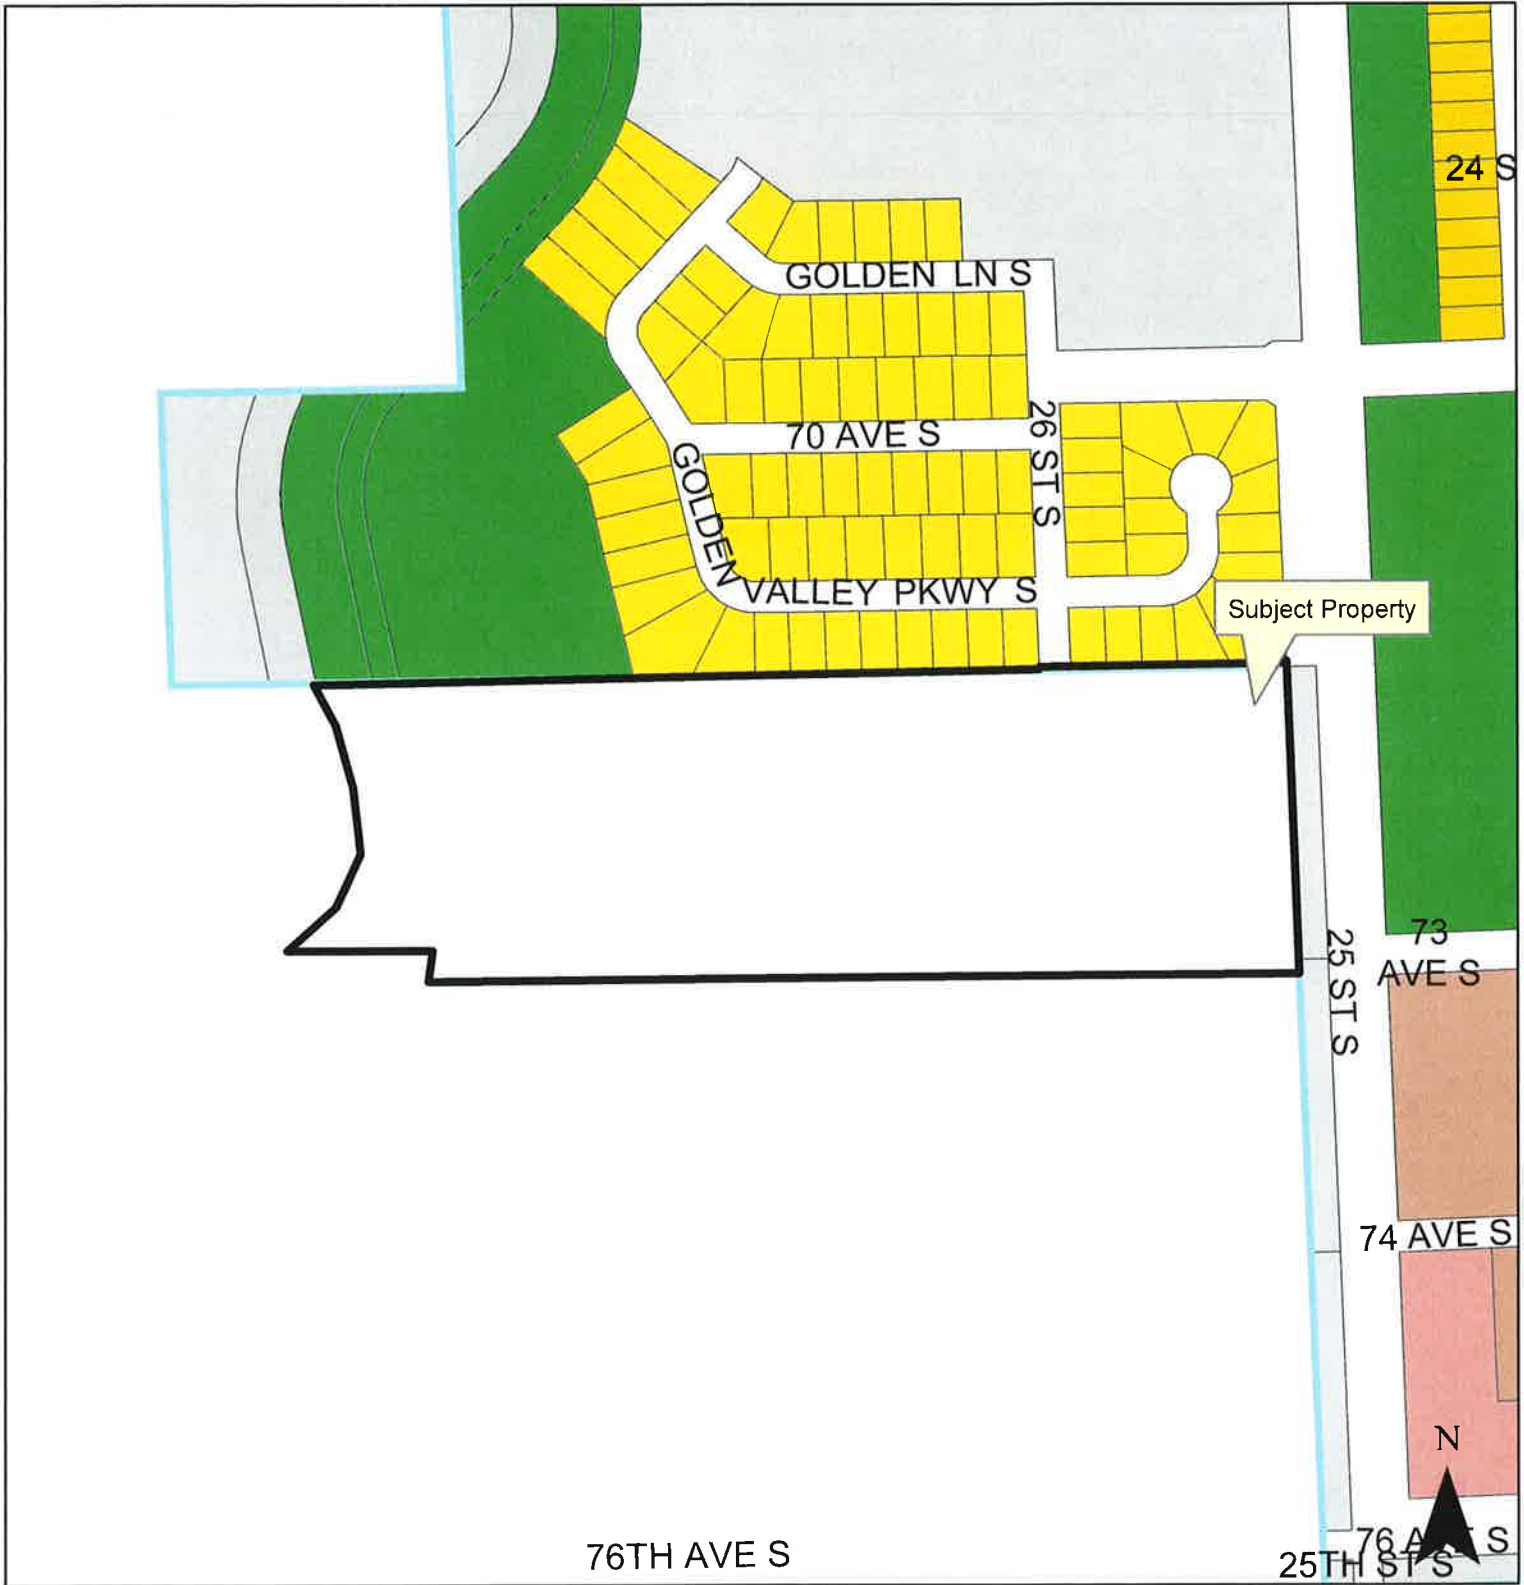

The zoning for the residential development on this property is SR-4. The SR-4 zone will accommodate the proposed single-family development. The SR-4 zoning designation is consistent with the “low density residential” designation for this property in the 2007 Tier 1 Southeast Growth Plan. Per that plan, the P/I zoning designation can also be used in this land use category. Additionally, the Fargo Preferred Future Land Use Plan Update of the Southwest Metro Transportation Plan (SWMTP) designates the land use for this area as “low density residential” development. In accordance with Section 20-0901.F of the LDC, notices of the proposed plat have been sent out to property owners within 300 feet of the subject property. To date, staff has received one phone inquiry about the project and has met with the property owner to the south.

<p>(Criteria Satisfied)</p> <p>2. Section 20-0907.4 of the LDC further stipulates that the Planning Commission shall recommend approval or denial of the application and the City Commission shall act to approve or deny, based on whether it is located in a zoning district that allows the proposed development, complies with the adopted Area Plan, the standards of Article 20-06 and all other applicable requirements of the Land Development Code.</p> <p>The proposed zoning is SR-4. This zoning is consistent with the 2007 Tier 1 Southeast Growth Plan, which designates this property for lower to medium density residential development. Per that plan, the P/I zoning designation can also be used in this land use category. Additionally, the Fargo Preferred Future Land Use Plan Update of the Southwest Metro Transportation Plan (SWMTP) designates the land use for this area as “low density residential” development. The project has been reviewed by the city’s Planning, Engineering, Public Works, Inspections, and Fire Departments and found to meet the standards of Article 20-06 and other applicable requirements of the Land Development Code.</p> <p>(Criteria Satisfied)</p> <p>3. Section 20-0907.C.4.f of the LDC stipulates that in taking action on a Final Plat, the Board of City Commissioners shall specify the terms for securing installation of public improvements to serve the subdivision.</p> <p>The applicant has provided an amenities plan that specifies the terms or securing installation of public improvements to serve the subdivision. This amenities plan was reviewed by the Public Works Project Evaluation Committee (PWPEC) on May 14, 2018. The City’s standard policy is that any improvements associated with the project (both existing and proposed) are subject to special assessments. Special assessments associated with the costs of the public infrastructure improvements are proposed to be spread by the front footage basis and storm sewer by the square footage basis as is typical with the City of Fargo assessment principles. For this project, the applicant intends to construct the improvements himself and has been working with the City Engineer on the process for doing so.</p> <p>(Criteria Satisfied)</p>
<p>Planning Commission Recommendation: May 1, 2018</p>
<p>On May 1, 2018, by a vote of 10-0 with one Commissioner absent, the Planning Commission voted to accept the findings of recommendations of staff and recommended approval to the City Commission of the proposed: 1) zone change from AG, Agricultural to SR-4, Single Dwelling Residential and P/I, Public/Institutional with a C-O, Conditional Overlay to restrict land uses; and 2) Madelyn’s Meadows First Addition subdivision plat as presented; as the proposal complies with the 2007 Growth Plan, Standards of Article 20-06, and Section 20-0906.F (1-4) of the LDC and all other applicable requirements of the LDC.”</p>
<p>Staff Recommendation: June 18, 2018</p>
<p>Suggested Motion: “To accept the findings and recommendations of staff and the Planning Commission and hereby waive the requirement to receive the Ordinance one week prior to the first reading and place the rezoning Ordinance on the first reading, move to approve the proposed: 1) zone change from AG, Agricultural to SR-4, Single Dwelling Residential and P/I, Public/Institutional with a C-O, Conditional Overlay to restrict land uses; and 2) Madelyn’s Meadows First Addition subdivision plat as presented; as the proposal complies with the 2007 Growth Plan, Standards of Article 20-06, and Section 20-0906.F (1-4) of the LDC and all other applicable requirements of the LDC.”</p>

**Site Amenities and
Project Plan
Madelyn's Meadows First Addition
April 25, 2018**

Location: The subject property is legally referenced to as Madelyn's Meadows First Addition including Lots 1-16 of Block 1, 1-16 of Block 2 and 1-13 of Block 3, a part of the plat in the Northeast quarter of the southeast quarter of Section 11, Township 138, Range 49 West, Cass County, North Dakota. The property comprises approximately 36.83 acres

Details: The project includes 40 SR-4 zoned lots on three (3) blocks and is generally located between Golden Valley and 73rd Avenue South; just south of Golden Valley Additions and west of Davies 1st Addition. Lots 9 and 11 of Block 3 will be platted but will remain zoned AG until such time as they are replatted and re-zoned in the future. Lot 10 Block 3 will be platted and Zone P/I and shall be used for detention and shall be deeded to the Fargo Park District. Lots 12 and 13 Block 3 will be zoned P/I and are to be used for the Drain 53 improvements. As approved, the project is intended to be developed as single family residential units, pursuant to the LDC. The overall gross density calculates to approximately 3.96 units per acre.

Right of Way (ROW): The project accommodates right of way dedications for public roadways and utilities, with specific details outlined below:

26th Street South between Golden Valley and 73rd Avenue South: This segment of 26th Avenue South has been designated as a *local* roadway pursuant to §20.0702.

- ROW dedication for 26th Street South shall be 70 feet;
- Street widths shall be 32 feet with parking allowed on both sides of the street, with appropriate signage to be installed by the City of Fargo at which time public improvements are completed;
- Street lighting shall be determined by the City Engineering Department and installed per city standards;
- 4.5 foot sidewalks shall be incorporated into the boulevards as required by §20.0611-

73rd Avenue South between 25th Street South and 30th Street South: This segment of 73rd Avenue South has been designated as a *collector* roadway pursuant to §20.0702.

- ROW dedication for 73rd Avenue South shall be 80 feet;
- Street widths shall be 40 feet with parking allowed on both sides of the street, with appropriate signage to be installed by the City of Fargo at which time public improvements are completed;
- Street lighting shall be determined by the City Engineering Department and installed per city standards;

June 13, 2018

To: Honorable City Commission
From: Brenda Derrig, Assistant City Engineer/Division Engineer – Engineering Services *BD*
Subject: Special Assessment Continuance to July 2, 2018

On June 18th, the City Commission is scheduled to have the special assessment hearing associated with the projects approved by the Special Assessment Commission on May 2, 2018. We are asking for a continuance until July 2, 2018. The request for this two-week extension is to complete the reassessment of the projects that were created since the adoption of the 2016 Infrastructure Funding Policy. Between the adoption of the 2016 Infrastructure Funding Policy on November 23, 2015 and the interim approval of the 2013 Infrastructure Funding Policy on May 21, 2018, there were 136 projects created.

Of those 136 projects, 38 were affected by the change in the policy.

*Street Lighting
Sidewalks*

*Design & Construction
Traffic Engineering*

*Truck Regulatory
Flood Plain Mgmt.*

*Mapping & GIS
Utility Locations*

Of those 38 projects that were affected, 4 have already been approved by City Commission and property owners are already making payments on their special assessments; 5 are complete and ready to be bonded in July 2018; 17 are complete and will be bonded either later in 2018 or in 2019; and 12 are still under construction.

Once we were able to determine which projects needed to be reevaluated, we were then able to start applying the new infrastructure funding policy to each project. Unfortunately, it is not as simple as plugging a few new numbers into a program, but rather each project had to be meticulously dissected to ensure compliance with the new policy. This meant that our Special Assessments Division had to start from scratch on each of the 38 projects. This level of analysis is necessary because the two policies were fairly different; one utilized percentage splits (for example, 50% City and 50% Special Assessed) and the other utilized capped costs (for example, no more \$75 per front foot for local street paving). That means all project costs for items like sanitary sewer, water main, storm sewer, paving, street lights, and traffic signals for every project needed to be reevaluated and spread appropriately to every parcel within the Special Assessment District of the project. Fortunately, some of the work done initially can be reused, which has saved the team significant time. Originally this effort took anywhere from half a day to 5 days per project, depending on the size and scope of the project, but the reevaluation is taking about half the time. This is a painstaking task, but necessary to ensure the information provided is correct and complies with the new policy.

Once Special Assessments is complete with their task of determining the amount to be special assessed, we can then determine the difference in project funding for each project and evaluate viable funding plans. We anticipate this process to be complete by the end of June and plan to share our results at the July 2, 2018 Commission Meeting.
