

1,000

BOOKS

Before Kindergarten

Fargo Public Library

How It Works: Write in the title for each book you read. Once this sheet is full, turn it in to any Fargo Public Library location to receive a sticker, the next page, and your prize! If you read the same book more than once, write it in each time you read it.

Some ways to reach 1,000 books:

1 book a day for 3 years or 3 books a day for 1 year

Don't think you can reach 1,000? Read together as much as you can! Prizes are earned at every 100 books read. Children can begin anytime before they enter Kindergarten and participate in 1,000 Books until they are 6 years old.
