## MEMORANDUM

**TO:** NATIVE AMERICAN COMMISSION  
**FROM:** TIA BRASETH, PLANNING COORDINATOR  
**DATE:** December 2, 2019  
**SUBJECT:** MEETING REPORT

---

- Item 4. Sponsorship Request: Missing and Murdered Indigenous Women, Amanda Vivier**  
See attached sponsorship request. Amanda Vivier will present of Missing and Murdered Indigenous Women and its February 14, 2020 rally/march. Due to no January meeting, the request has been expedited to be discussed and tentatively approved at this meeting.

Recommended Action: Determine amount to approve for sponsorship request.

**Item 5. Old Business**

- a. Bylaws Updates** – See attachment. Current NAC bylaws include a Treasurer position as part of executive committee, however this is not typically a position held in city boards and commissions. It was likely carried over from when the Native American Commission provided oversight to the Native American Center. Staff is recommending removing it; all spending in 2020 would follow City purchase policies or be brought forward to the full commission.

Recommended Action: Update bylaws to remove the Treasurer position as presented. Conduct more thorough bylaws review in 2020.

- b. Elections** – Staff served as the nominating committee for elections this year. The Vice Chair will serve a one-year term then become Chair the following year, per bylaws.

Recommended Action: Confirm nominations and take action on Vice Chair.

**c. Winter Powwow – January 11, 2020**

See attachment. The winter powwow planning committee has identified First Nation Electric to serve as the fiscal agent for this event. In order for them to access funds before the event, an agreement is required to be approved.

Recommended Action: Approve the agreement as presented.

**d. Sponsorship Request: Youthworks Native Youth Circle**

See attachment. In October, Sheyenne Puetz of Youthworks presented on behalf of this sponsorship request, and it was tabled due to lack of 2019 funding.

Recommended Action: Approve \$1,000 sponsorship to be paid out of 2020 budget.

**Item 9. Staff Report**

- a. Budget Exercise** – See attached exercise. Please turn in your rankings at the end of the meeting.  
**b. Sweat Lodge Update**

*Develop a safe and culturally relevant space for Native youth to connect with peers, community members and Youthwork staff by meeting 1-2 times per month to engage in Native activities and teachings.*

## N8V Youth Circle Project Summary

The project we would like additional funding for is called N8V Youth Circle, and it will meet 1-2 times a month at Youthworks. This project has been developed and will be operated by 3 Native American members of the Youthworks staff. N8V Youth Circle will partner with adults in the local Native American community to pass along cultural knowledge and teachings through art, crafts, cooking, and stories. This project will provide a safe and culturally relevant space for Native American youth ages 12-21 in the Fargo-Moorhead area.

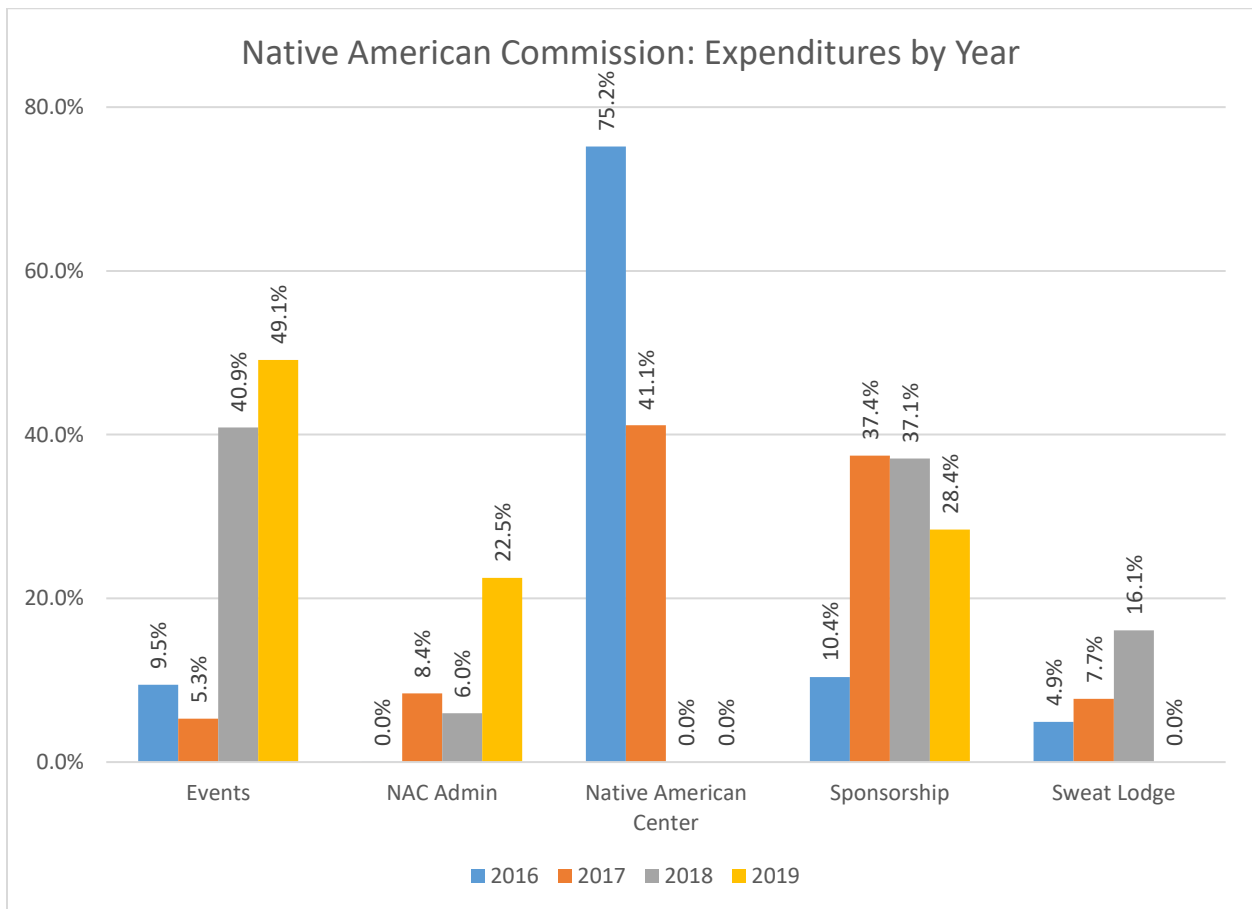

We have secured a grant to cover the cost of art and craft supplies as well as a stipend for the speaker/presenter/artist. Youthworks will be funding the other parts of the program, but the amount of available funds is limited. Support from the Native American Commission would help us with our remaining expenses. One of the largest expenses remaining is the cost of food and the cost of paying a community member to prepare the food. Our budget for this is \$3,000 for the 12-month period starting in September.

**2020 Budget Priorities Exercise**  
**Historical Analysis of Native American Commission expenditures**

The following chart depicts spending and budgeted expenses for 2016, 2017, 2018, and 2019 Native American Commission. The categories are condensed, but can be described as:

- **Events:** Events or booths at events where the NAC was a direct funder/organizer/participant. E.g. Indigenous People’s Day; Fargo Marathon Booth, August picnic.
- **NAC Admin:** Travel expenses and registration for NAC members to attend professional trainings; website hosting and domain fees; consulting fees.
- **Native American Center:** A flat amount given to the Native American Center for operating costs.
- **Sponsorship:** Money donated by the NAC to events and/or nonprofits and groups in the area with a Native focus. The NAC did not coordinate or directly participate in the events.
- **Sweat Lodge:** Funds to maintain portable toilets and other basic necessities at the sweat lodge site.

**After the closing of the previous Native American Center, this chart illustrates how the Fargo Native American Commission’s event expenditures as a percent of its total budget rose considerably**

**Background:** City of Fargo staff would like Native American Commission members to construct their ideal budget. What should the funding priorities be? Assume that the FM Native Programs 501(c)(3) will be fully reactivated by 2020.

**Instructions:** Write in what percentage you would allocate to each category in the right-hand chart, and/or create a corresponding pie chart with specific %'s. When you are finished, please return it to staff as you leave.

Your Ideal Percent Breakdowns

- \_\_\_\_\_ %: **Sweat Lodge Operations** (e.g. hiring entity to oversee maintenance and cleaning)
- \_\_\_\_\_ %: **General Operations for FM Native Programs (501)(c)(3)** (e.g. rent, staffing, etc. for nonprofit to serve as central resource hub – not necessarily events)
- \_\_\_\_\_ %: **Other Community Events** (e.g. Woodlands and High Plains, Winter Powwow, Crossroads, community picnic, Fargo Marathon event)
- \_\_\_\_\_ %: **Cultural Education** (e.g. cultural education initiatives for Native and non-Native people)
- \_\_\_\_\_ %: **Academic Education** (e.g. initiatives toward improving educational outcomes for Native students)
- \_\_\_\_\_ %: **Housing, Health & Wellbeing** (e.g. MMIW, initiatives to improve the housing conditions, health, and wellbeing of Native people.)
- \_\_\_\_\_ %: **Innovative/Miscellaneous Sponsorships** (e.g. Trading at the Red River)
