GOVERNMENT-WIDE DEBARMENT AND SUSPENSION **(NONPROCUREMENT)**

49 CFR Part 29, Executive Orders 12549, 12689, and 31 U.S.C.6101 (Contracts over \$25,000)

Background and Applicability

In conjunction with the Office of Management and Budget and other affected Federal agencies, DOT published and update to 49 DFR Part 29 on November 26, 2003. This government-wide regulation implements Executive Order 12549, Debarment and Suspension, Executive Order 12689, Debarment and Suspension, and 31 U.S.C. 6101 note (Section 2455, Public Law 103-355, 108 Stat. 3327).

The provisions of Part 29 apply to all grantee contracts and subcontracts at any level expected to equal or exceed \$25,000 as well as any contract or subcontract (at any level) for Federally required auditing services. 49 CFR 29.220 (b). This represents a change from prior practice in that the dollar threshold for application of these rules has been lowered from \$100,000 to \$25,000. These are contracts and subcontracts referred to in the regulation as "covered transactions."

Grantees, contractors, and subcontractors (at any level) that enter into covered transactions are required to verify that the entity (as well as its principals and affiliates) they propose to contract or subcontract with is not excluded or disqualified. They do this by (a) Checking the Excluded Parties List System, (b) Collecting a certification from that person, or (c) Adding a clause or condition to the contract or subcontract. This represents a change from prior practice in that certification is still acceptable but is no longer required. 49 CFR 29.300.

Grantees, contractors, and subcontractors who enter into covered transactions also must require the entities they contract with to comply with 49 CFR 29, subpart C and include this requirement in their own subsequent covered transactions (i.e., the requirement flows down to subcontracts at all levels). Instructions for Certification; By signing and submitting this bid or proposal, the prospective lower tier participant is providing the signed certification set out below.

Suspension and Debarment

This contract is a covered transaction for purposes of 49 CFR Part 29. As such, the contractor is required to verify that none of the contractor, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945.

The contractor is required to comply with 49 CFR 29, Subpart C and must include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into. By signing and submitting its bid or proposal, the bidder or proposer certifies as follows:

The certification in this clause is a material representation of fact relied upon by the municipal corporation. If it is later determined that the bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to the municipal corporation, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 49 CFR 29, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

These provisions apply to each contract at any tier of \$25,000 or more, and to each contract at any tier for a federally required audit (irrespective of the contract amount), and to each contract at any tier that must be approved by an FTA official irrespective of the contract amount. As such, the Contractor shall verify that its principals, affiliates, and subcontractors are eligible to participate in this federally funded contract and are not presently declared by any Federal department or agency to be:

- a) Debarred from participation in any federally assisted Award;
- b) Suspended from participation in any federally assisted Award;
- c) Proposed for debarment from participation in any federally assisted Award;
- d) Declared ineligible to participate in any federally assisted Award;
- e) Voluntarily excluded from participation in any federally assisted Award; or
- f) Disqualified from participation in any federally assisted Award.

By signing and submitting its bid or proposal, the bidder or proposer certifies as follows: The certification in this clause is a material representation of fact relied upon by the AGENCY. If it is later determined by the AGENCY that the bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to the AGENCY, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. part 180, subpart C, as supplemented by 2 C.F.R. part 1200, while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

Breach of Contract and Dispute Resolution:

Disputes: Disputes arising in the performance of this Contract which are not resolved by agreement of the parties shall be decided in writing by the authorized representative of the City, the City Administrator. This decision shall be final and conclusive unless within ten (10) calendar days from the date of receipt of its copy, the Contractor mails or otherwise furnishes a written appeal to the Fargo City Commission, 225 4th Street N, Fargo, ND 58102. A hearing will be scheduled with the Fargo City Commission at the next regularly scheduled meeting. In connection with any such appeal, the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position at said hearing. The decision of the Fargo City Commission shall be binding upon the Contractor and the Contractor shall abide by the decision.

Performance During Dispute: Unless otherwise directed by the City, Contractor shall continue performance under this Contract while matters in dispute are being resolved.

Claims of Damages: Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the party or of any of his employees, agents or others for whose acts he is legally liable, a claim for damages therefore shall be made in writing to such other party within a reasonable time after the first observance of such injury of damage.

Remedies: Unless this contract provides otherwise, all claims, counterclaims, disputes and other matters in question between the City and the Contractor arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State of North Dakota.

Rights and Remedies: The duties and obligations imposed by this Agreement/Contract and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by the City or Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

Lobbying Restrictions:

The Proposer certifies that: No Federal appropriated funds have been paid or will be paid, by or on behalf of the Proposer, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form -LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

1. BID PROTEST PROCEDURE

a. General

Protests will be accepted from prospective bidders or offerors whose direct economic interest would be affected by the award of a contract or by failure to award a contract. The City of Fargo's staff will consider all protests or objections filed in a timely manner regarding the award of a contract, whether submitted before or after award. All protests shall be in writing and shall be supported by sufficient information to enable the protest to be considered. A protest will not be considered if it is insufficiently supported or it is not received within the time limits specified herein. Protest submissions should be concise, logically arranged, and clearly state the ground for the protest. Protests must include at least the following information:

- Name, address, and telephone number of protestor.
- Identification of the solicitation or bid.
- A detailed statement of the legal and factual grounds of the protest, including copies of relevant documents.
- A statement as to what relief is requested.

Protests should be sent via certified mail through the U.S. Postal Service to:

**Fleet Services Manager
Public Works
402 23 St. North
Fargo, ND 58102**

**Fleet & Facilities Manager
Transit
650 23rd St. North
Fargo, ND 58102**

Protests must be filed with City of Fargo in accordance with our procedures and time requirements. The protest to City of Fargo must be complete and contain all the issues that the protestor believes relevant. The City of Fargo will respond to each substantive issue raised in the protest. Failure to include an issue in the protest to the City of Fargo will preclude raising the issue to FTA, if the protest is appealed to that agency. Following an adverse decision by City of Fargo, protestor may file a protest with FTA under certain limited circumstances listed in paragraph f.

On occasion, when considered appropriate by the Fargo City Administrator, an informal conference on the merits of the protest with all interested parties may be held.

b. Protests Before Award

1. Solicitation Phase

Protests concerning the solicitation must be submitted in writing by **COB at 4:30 CT Jul 13, 2020**. If the written protest is not received by the time specified, award may be made in the normal manner unless the Fargo Public Works Fleet Services Manager and Fargo Transit Fleet & Facilities Manager, upon investigation, find that remedial action is required. Oral protests not followed up by a written protest will be disregarded.

Notice of a protest and the basis therefore will be given to all potential bidders or offerors.

2. Pre-Award Phase

When a protest against the making of an award is received after receipt of bids or proposals but prior to award, City of Fargo staff may determine to withhold the award pending disposition of the protest. City of Fargo will provide a written response to each material issue raised in the written protest. Notice of a protest as well as City of Fargo's response will be provided to bidders/proposers who responded to the solicitation and are in line for the award of a contract.

Where a written protest against the making of an award is received by the time specified an award will not be made unless City of Fargo determines that:

- The items to be procured are urgently required;
- Delivery or performance will be unduly delayed by failure to make award promptly; or,
- Failure to make award will otherwise cause undue harm to City of Fargo or the Federal Government.

If award is made, the City of Fargo Public Works Fleet Services Manager or the Transit Fleet and Facilities Manager will document the file to explain the need for an award and will give written notice of the decision to proceed with the award to the protestor and, bidders/proposers who responded to the solicitation and are in line for the award of a contract by **COB AT 4:30 CT Five (5) business days after the award.**

c. Protests After Award

A protest received after the award shall be reviewed by the City of Fargo Public Works Fleet Services Manager and the Transit Fleet & Facilities Manager, and the Legal Department. The selected contractor will, in any event, be furnished with the notice of protest and the basis therefore. When it appears likely that an award may be invalidated and a delay in receiving the supplies or services is not prejudicial to City of Fargo's interest, the Public Works Fleet Services Manager and the Transit Fleet & Facilities Manager, and the Legal Department may consider a mutual agreement with the contractor to suspend performance on a no-cost basis. A written response by City of Fargo staff will be issued by **COB AT 4:30 CT Five (5) business days after the written protest is received.**

d. Post-Award Appeals

Appeals must be sent in writing to the Fargo City Commission by **COB AT 4:30 CT Ten (10) business days after notification of protest determination.** The Fargo City Commission will schedule a hearing at the next scheduled City of Fargo Commission meeting where the appellant may be heard. The Fargo City Commission will issue a final written determination by **COB AT 4:30 CT five (5) business days after the meeting.**

The decision of the Commission is **final** and **no further appeals to the City of Fargo** may be made.

e. Determination of Interested Party

An interested party is an actual prospective bidder or offeror whose direct economic interest would be affected by award of a contract or failure to award a contract. This definition specifically excludes subcontractors and their suppliers.

1. The ability to qualify as an actual or prospective bidder/proposer ends when the vendor registration period ends.
2. The offer received from the protestor must be technically responsive.
3. The protestor must be the next in line to receive the award if the protested issues prevail.
4. If not next in line, the protestor must successfully challenge all intervening offers to establish next in line status.

f. Protests to FTA

Under certain limited circumstances, an interested party may protest to FTA the award of a contract pursuant to an FTA grant. FTA's review of any protest will be limited to alleged failure of City of Fargo to have or follow its written protest procedures or alleged failure to review a complaint or protest.

1. Time for Filing

- i. An appeal to FTA must be received by FTA Region VIII **within five (5) working days** of the date the protester learned or should have learned of an adverse decision by the grantee or other basis of appeal to FTA. Protests should be addressed to

**U.S. Department of Transportation
Federal Transit Administration, Region VIII
12300 W Dakota Ave, Suite 310
Lakewood, CO 80228**

- ii. Violations of Federal law or regulation will be handled by the complaint process stated within the law or regulation.

2. Submission of Protest to FTA

- i. A protestor must exhaust all administrative remedies with City of Fargo before pursuing a protest to FTA.
- ii. Protests to FTA should be sent to the FTA Regional or Headquarters Office. A concurrent copy of the protest must be sent to City of Fargo.

iii. The protest filed with FTA shall:

- Include the name and address of the protestor.
- Identify City of Fargo and the number/title of the contract solicitation.
- Contain a statement of the grounds for the protest and any supporting documentation. This should detail the alleged failure of City of Fargo to have or follow its protest procedures or the alleged failure to review a complaint or protest.
- Include a copy of the local protest filed with City of Fargo and a copy of City of Fargo's decision, if any.

b) Other Remedies

Contractors may seek remedy in the North Dakota courts, as applicable, if they desire to do so.
