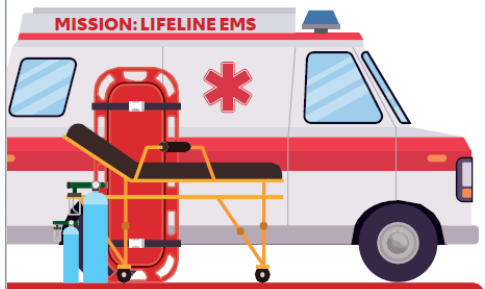
2024 EMS RECOGNITION CRITERIA
(based on 2023 data)



The American Heart Association is excited to continue recognizing EMS agencies for applying the most up-to-date evidence-based treatment guidelines to improve care and outcomes in the communities they serve.

Prehospital personnel are the first providers of care to patients suffering from cardiac emergencies. The role of EMS in the system-of-care for these patients is crucial and often sets the course for the patient's outcome.

For additional Mission: Lifeline EMS Recognition information, please visit www.heart.org/missionlifeline or email MissionLifeline@heart.org.
