TEEN TAKE & MAKE CRAFTS

It can be hard to make library events fit in your busy schedule, so we're bringing the events to you! Register for a Teen Take and Make, then pick up instructions and all the supplies you need for that project, plus a link to a Discord where you can ask questions, chat, and show off your project. Teens on Facebook or Instagram are encouraged to post your project and tag Fargo Public Library to share the fun. Pre-registration for each month's craft will open the month prior to pick up. Be sure to choose the correct location where you would like to pick up the craft. Register online or call 701.241.1495.

Dates and craft projects:

Jan. 5-10: Mini Gem Painting

Feb. 2-7: Clay Button Heart

March 2-7: Bead Animal Keychain

April 6-11: DIY Mini Books

May 4-9: Marble Snails

Find ALL of the events for Kids & Families in the *Children's Chapter* newsletter!
Pick one up at any FPL location or view it online.

All Fargo Public Library events are FREE.

SEED LIBRARY 2026

North Dakota Extension Master Gardeners and the Fargo Public Library are once again partnering to offer the Seed Library. Perfect for beginner and seasoned gardeners, the seed library will provide a variety of vegetable, herb, and flower seeds to the public for FREE (while supplies last) at both the Main and Dr. James Carlson Library locations. The Seed Library is scheduled to launch March 23. Contact Lori at 701.476.5977 for details.

COMING IN APRIL: FPL'S 7TH ANNUAL NORTHERN FOCUS PHOTOGRAPHY PROJECT

The library is hosting the seventh annual Northern Focus photography project this spring. We are asking up-and-coming or recreational photographers to send us their best photos taken in ND and MN to grace our downtown location in a photo exhibit. Photographs selected as honorable mentions will be specially featured, and the winning photo will become the front cover of *Northern Narratives 2026*. Submissions will be accepted from **April 1 through May 31, 2026**. The program is open to adults and teens, 13 years and older. Please see all rules and information on the library's website fargolibrary.org. For any questions not answered on the website, contact Nicole at 701.476.5974 or email nhofer@fargolibrary.org for further information. *This project is generously supported by the Friends of the Fargo Public Library.*

LIMITED EDITION LIBRARY CARDS NOW AVAILABLE

This year marks the 125th anniversary of the Fargo Public Library and as part of marking this milestone, the library is introducing three limited-edition library card designs. The new cards are now available at all three library locations. Residents are invited to apply for a library card and receive one of the new designs while supplies last. Current library cardholders are welcome to update their existing card with a sticker featuring one of the new designs.

The limited-edition card designs were created by area artists of all ages who submitted designs to the library's "Color Our World" Library Card Design Contest during the 2025 Summer Reading Challenge. The winning artists' designs in each age category were then created into the new library cards. The winners, who were selected through a public vote, are Savannah Wohlers (kids 12 and younger), Maria Kamrud (teens 13 to 18) and Nikki Nelson (adults 19+).

Thanks to everyone who participated in our card design contest last summer. We are thrilled to share these fresh designs.

FEATURED SERVICES & RESOURCES

VIRTUAL MEETING EQUIPMENT

The Fargo Library has launched a new service to meet the needs of our community. Users 18 years and older may reserve study room space and equipment needed to attend an online meeting. This is a great option for those needing a place to attend a job interview, give a presentation, attend an online webinar, or other sorts of virtual meetings. Use is limited to a maximum of 4 hours at a time. To make a reservation or learn more about this service, please call the Main Library Information Desk at 701.241.1492 or visit the Information Desk at the downtown Main Library.

RADON DETECTOR KITS

The library now has radon detector kits to check out from the Library of Things Collection. These reusable kits are available through a partnership with the University of North Dakota as a way to take action against radon health risks. Designed to make it easier for library patrons to determine if a home contains unsafe levels of this radioactive, carcinogenic gas, digital radon detectors can be checked out for three weeks with a Fargo Public Library card in good standing. Each kit contains instructions on how to use the device and what patrons can do to fix a home if high levels of radon are detected.

The lending program is a project of UND CONNECT. Funding for UND CONNECT projects is provided by a grant from the North Dakota Economic Diversification Research Grant Fund.

NOTARY PUBLIC SERVICES

The library offers Notary Public services at no charge to patrons by authorized library staff. Patrons are encouraged to call the Main Library Adult Services Desk at 701.241.1492 to confirm that a Notary Public is available before they visit, or to make an appointment. Availability of a Notary Public is dependent on staff availability and is not guaranteed.

BOOKS BY MAIL SERVICE

Do you or a family member have difficulty reading standard printed materials and are unable to leave home because of a temporary or permanent disability? You may be eligible for the library's free Books by Mail service. City of Fargo residents can qualify to borrow books (large print included), audiobooks, DVDs, and CDs through the mail. To find out if you qualify, or for more information, call Outreach Services at 701.298.6954 or email outreach@fargolibrary.org.

VOLUNTEER AT THE FARGO PUBLIC LIBRARY

If interested, the application forms can be found at fargolibrary.org/outreach, or ask at any Checkout Desk.
