Members assigned to participate in DTB's shall only use login credentials assigned to them by the TDU Lieutenant. Members should not share their password with others and should frequently change their password to protect the security of the system. After each session, members should log off the system to prevent unauthorized access. The content of the DTB's is copyrighted material and shall not be shared with others outside of the Department.

Although the DTB system can be accessed from any internet active computer, members shall only take DTB's as part of their on-duty assignment, unless directed otherwise by a supervisor.

Supervisors will be responsible for monitoring the progress of those under their command to ensure compliance with this policy. The PSD commander shall forward a monthly report to the Assistant Chief along with any action taken to ensure compliance with this provision.
