Priority shall be given to missing person cases over property-related cases. Members will initiate an investigation into all reports of missing persons, regardless of the length of time the person has been missing.

#### **316.3 REQUIRED FORMS AND BIOLOGICAL SAMPLE COLLECTION KITS**

The Criminal Investigations Division (CID) supervisor shall ensure the following forms and kits are developed and available in accordance with this policy, state law, federal law and any missing persons investigations guidelines and procedures:

#### **316.4 ACCEPTANCE OF REPORTS**

Any member encountering a person who wishes to report a missing person shall render assistance without delay. This may be accomplished by accepting the initial report via telephone and arranging for an in-person meeting to initiate the investigation. Those members who are unable to take such reports or provide immediate assistance shall promptly notify dispatch so a call assignment can be made to take the report.

A report shall be accepted in all cases and regardless of where the person was last seen, where the person resides or any question of jurisdiction (N.D.C.C. § 12-68-01).

##### **316.4.1 REFERRALS TO OTHER LAW ENFORCEMENT AGENCIES**

If it is determined that another law enforcement agency is clearly more appropriate to receive a missing person report, members of this department may refer the report to the other agency. Responsibility for the missing person report shall remain with this department until the other jurisdiction confirms in writing its acceptance of responsibility for the report (N.D.C.C. § 12-68-01(2)).

##### **316.4.2 REPORTS FROM OTHER LAW ENFORCEMENT AGENCIES**

Cases referred to the Fargo Police Department from another law enforcement agency shall be reviewed by a Criminal Investigations Division (CID) supervisor. The CID supervisor shall assign the case or if they determine there is good cause for not accepting the report, shall consult with their shift commander prior to written notification.
