Statement of Solidarity with FM Muslim Community

As a board that was formed in the pursuit of social equity and in keeping true to the cultural values of Indigenous people, the members of the Fargo Native American Commission wish to formally attest our solidarity for the Muslim community of Fargo-Moorhead in the wake of the vandalism that took place at the Moorhead-Fargo Islamic Community Center on April 24th, 2021. Additionally, we would like to thank law enforcement who pursued justice swiftly in that matter. Your dedication to addressing the criminal acts against our Muslim community members sent a clear message to those who would feel so bold to act in a similar manner that such acts will not be tolerated in our community.

The Fargo Native American Commission wishes to formally extend an offer of support, solidarity and collaboration with the Muslim community in the FM Metro. In this, we also wish to make it clear to those who share the same ideals as the individual accused of the vandalism of the Mosque that although our ethnic backgrounds, spiritual beliefs, culture, etc. may be different from our Muslim neighbors, they do not stand alone. As the descendants of the original inhabitants of Turtle Island, we welcome the members of the Muslim community to the land of our people and hope to walk hand in hand with them as a united front in the pursuit of social equity.
