

Addendum No. 2 – May 5, 2023

REQUEST FOR PROPOSAL

CITY OF FARGO POLICE DEPARTMENT MASTER FACILITY PLANNING

Questions and Responses to RFP Inquiries **Schedule update for interviews**

1. Referencing Project Scope Item 6). Is the City looking for Facilities Management operational concepts or Police Department operational concepts?

The City is looking for a long term plan that will support Police Department operational needs well into the future. This may include recommendations related to the existing facilities and/or recommendations for future facilities.

2. Is the final product expected to include draft construction documents for new facilities?

No. The final product may include conceptual design of current or future facilities. Construction document creation will be a part of a future phase.

Schedule update:

Interviews are scheduled for June 2nd. The City will work with firms selected for interviews, in the event it is necessary to accommodate virtual interviews or alternate dates.
