

**Addendum No. 3 – April 19, 2023
Request for Proposals:
Noise and Vibration Study
RFP23066**

Clarification - Page Requirements

A discussion was held within the RFP Evaluation Group at the City of Fargo. It was determined that an addendum be issued for the following clarifications. This is hereby made a part of the Proposal Documents for the Noise and Vibration Study – Request for Proposal RFP23066 project as fully and completely as if the same were set forth therein.

Clarification:

K. Proposal Deadline and Proposal Submission

As read “Proposal submission regarding Part 3 – Scope of Work shall be limited to twenty-one (21) pages or less”.

Clarification that the 21 pages will include all items within the Scope of Work **EXCEPT**:

- Attachment A - Reference page
- Section G – Schedule of Fees as this is to be included in a separate envelope.
