MEMORANDUM

TO: CITY COMMISSION

FROM: NICOLE CRUTCHFIELD, PLANNING DIRECTOR *NC*

DATE: APRIL 17, 2018

RE: 2017 AND 2018 ACTION PLAN AMENDMENTS

During the execution of agreement for the HomeField Phase 2 project with Beyond Shelter, Inc., we have been asked to amend the action plan to reduce the number of HOME-assisted units from two to one in the 2017 Action Plan. Instead, we would like to amend the request for 2018 from two to three subsidized units. These changes will assist in the construction administration of the project.

The Department of Housing and Urban Development (HUD) Action Plans for both 2017 and 2018 are required to be amended in order to accommodate these changes. Public notification of these amendments was published on March 19, 2018 in The Forum, followed by a 30-day public comment period. On April 17, 2018, the Community Development Committee consented to the amendments and recommended approval to the City Commission.

Recommended Motion: Approve the amendments to the 2017 and 2018 Action Plans.

Uses Allowed: Allows colleges, community service, daycare centers of unlimited size, health care facilities, parks and open space, religious institutions, safety services, offices, off premise advertising signs, commercial parking, retail sales and service, self service storage, vehicle repair, limited vehicle service.	Uses Allowed: No Change
Maximum Lot Coverage Allowed: Maximum 55% building coverage	Maximum Lot Coverage Allowed: No Change

Proposal:
<p>The applicant is seeking City approval of a major subdivision plat entitled <i>Urban Plains by Brandt 3rd Addition</i>, which would replat two existing lots into six lots and two blocks, and which would include dedication of public right-of-way for 28th Avenue South. Block 1 of the proposed plat includes five lots and a private drive named Uptown Way S, while Block 2 consist of only one lot. Right-of-way dedication would result in the extension of 28th Ave S between 55th St S and Veterans Blvd S. The subject property encompasses approximately 18.6 acres.</p> <p>According to the applicant, the intent of this application is to allow for the first phase of development of a 'lifestyle center' that the applicant has planned for this area. A lifestyle center can generally be described as an outdoor commercial or mixed-use shopping district that is oriented towards pedestrian amenities and thoroughfares. A conceptual master plan of their planned lifestyle center has been provided by the applicant and is attached for reference. The applicant's intent is to construct Uptown Way as a central feature of the development. Buildings would front this private drive with parking located around the periphery of the development. The development of the proposed Block 1 would be the first phase of development, with future phases being developed to the south. It is anticipated that the proposed Block 2 would be replatted to establish lot lines and to extend Uptown Way prior to any construction taking place on Block 2.</p> <p>This project was reviewed by the City's Planning and Development, Engineering, Public Works, and Fire Departments ("staff"), whose comments are included in this report.</p>

Surrounding Land Uses and Zoning Districts:

- North: Across 26th Avenue South, LC, Limited Commercial with retail sales & service land uses.
- East: Across 55th Street South, MR-3, Multi-Dwelling Residential, and GC, General Commercial, with household living (multi-dwelling residential) and retail sales & service land uses.
- South: Across Seter Parkway South, LC, Limited Commercial with vacant land use.
- West: Across Veterans Boulevard, City of West Fargo with household living (multi-dwelling residential) and retail sales & service land uses.

Area Plans:

The subject property is located within the bounds of the 2003 Southwest Future Land Use Plan. This plan identifies "Commercial" use and "Medium/High Density Residential" use on a portion of the eastern edge of both properties as preferred land uses for this area.

**Schools and Parks:**

Schools: The subject property is located within the West Fargo School District and is served by Independence Elementary, Liberty Middle and Sheyenne High schools.

Neighborhood: The subject property is located in the Urban Plains Neighborhood.

Parks: Urban Plains Park (5050 30th Avenue S) is located approximately 0.3 miles east of the subject property and offers playground amenities.

Pedestrian / Bicycle: There are off-road bike facilities located along Veterans Boulevard and Seter Parkway South. Both facilities are components of the metro area bikeways system.

Staff Analysis:**Subdivision**

The LDC stipulates that the following criteria is met before a major plat can be approved:

1. **Section 20-0907.C.1 of the LDC stipulates that no major subdivision plat application will be accepted for land that is not consistent with an approved Growth Plan or zoned to accommodate the proposed development.**

The subject property is located within the LC, Limited Commercial, zoning district. The LC zoning district will accommodate the proposed development. While retail sales & service uses are permitted by right, the

applicant plans to apply for a Conditional Use Permit to allow residential use within the planned mixed-use buildings. The existing zoning and proposed uses are supported by the existing growth plan for this area. **(Criteria Satisfied)**

2. **Section 20-0907.C.4 of the LDC further stipulates that the Planning Commission shall recommend approval or denial of the application and the City Commission shall act to approve or deny, based on whether it is located in a zoning district that allows the proposed development, complies with the adopted Area Plan, the standards of Article 20-06 and all other applicable requirements of the Land Development Code.**

The proposed development is consistent and compatible with the Go2030 Comprehensive Plan and the exiting growth plan for this area. As submitted, the subdivision request meets the requirements of the Land Development Code (LDC). Additionally, in accordance with Section 20-0901.F of the LDC, notices of the proposed plat have been sent out to property owners within 300 feet of the subject property. To date, staff has received no comments regarding the project. **(Criteria Satisfied)**

3. **Section 20-0907.C.4.f of the LDC stipulates that in taking action on a Final Plat, the Board of City Commissioners shall specify the terms for securing installation of public improvements to serve the subdivision.**

The applicant has provided a draft amenities plan that specifies the terms or securing installation of public improvements to serve the subdivision. This amenities plan will be reviewed by the Public Works Project Evaluation Committee (PWPEC) prior to the final plat going to City Commission. Any improvements associated with the project (both existing and proposed) are subject to special assessments. Special assessments associated with the costs of the public infrastructure improvements are proposed to be spread by the front footage basis and storm sewer by the square footage basis as is typical with the City of Fargo assessment policy and procedure. **(Criteria Satisfied)**

Update 4/19/18: On December 5, 2017, the Planning Commission approved two Conditional Use Permits for the proposed Lot 5, Block 1, Urban Plains by Brandt Third Addition to allow: 1) household living within the LC, Limited Commercial, zoning district and 2) an Alternative Access Plan to reduce off-street parking requirements. The purpose of these two Conditional Use Permits is to allow for the development of a mixed-use building that would be part of a larger "lifestyle center" that the applicant is planning for this subdivision.

Staff Recommendation:

Suggested Motion: "To accept the findings and recommendations of the Planning Commission and staff and hereby approve the proposed *Urban Plains by Brandt Third Addition* subdivision plat as presented; as the proposal complies with the Go2030 Fargo Comprehensive Plan, Standards of Article 20-06 of the LDC, and all other applicable requirements of the LDC."

Planning Commission Recommendation: October 3, 2017

On October 3, 2017, with a 7-0 vote, the Planning Commission recommended approval to the City Commission of the proposed *Urban Plains by Brandt Third Addition* subdivision plat as presented; as the proposal complies with the Go2030 Fargo Comprehensive Plan, Standards of Article 20-06 of the LDC, and all other applicable requirements of the LDC.

**Site Amenities and Project Plan
Urban Plains By Brandt Third Addition
October 2017**

Location: The property is bounded by Veteran's Boulevard on the west, 26th Avenue South on the north, 55th Street South on the west and Seter Parkway on the south. The parcels are currently platted as Lot 1 Block 4, Urban Plains by Brant First Addition and Lot 1 Block 3 of Urban Plains by Brant Second Addition. The property encloses an area of 18.619 acres. The property is currently zoned LC (Limited Commercial) and proposed zoning after the plat will remain LC.

Utilities: Existing sanitary sewer, storm sewer, and potable water mains are located in the existing right of way abutting the proposed plat. Sanitary sewer, storm sewer, and potable water mains will be installed in the 28th Avenue South right of way. Utilities for the proposed street are proposed to be constructed under a City of Fargo project and be assessed per the City of Fargo Infrastructure Funding policy. Any utilities located in the individual lots will be installed by the developer. The private utility easement along Uptown Way S will provide a utility corridor for shared private utilities, including storm sewer, sanitary sewer, and watermain. Adjacent lots will share in the maintenance and repair costs of the utilities through shared utility agreements.

Uptown Way Private Street: Uptown Way is intended to serve as access and internal traffic circulation to the adjoining lots. The street is planned as a 30' face of curb to face of curb roadway with parking directly off the roadway located on the adjacent lots. The private street would be delineated from the adjacent public right of way on the north and south ends by means of either raised pedestrian crosswalk and signing, straight driveway approach, or other design features that identify the roadway as separate from the public streets. Future maintenance and repair/replacement of the private street will be by a shared maintenance agreement between the adjacent properties.

Right of Way: The proposed plat accommodates public right-of-way dedication as outlined below:

28th Avenue South

This segment of 28th Avenue South is designated as a *local* street pursuant to Section 20-0611 of the Fargo Land Development Code:

- Right-of-way dedication shall be 80 feet;
- Street widths shall be 40 feet with parking on both sides of the street, unless otherwise restricted;
- Street lighting shall be determined by the City Engineering Department and installed per city standards;
- A 10-foot shared use path shall be installed along the north side of the street, to continue the existing shared use path along 28th Avenue South to the east.
- A minimum 4.5-foot sidewalk shall be installed along the south side of the street.

It is anticipated that as development continues south of 28th Avenue S, there may be a need to accommodate pedestrian crossing of 28th Avenue at the intersection of Uptown Way. While not anticipated to be constructed with the original paving of 28th Avenue S, future pedestrian crossing facilities may be needed at this location if and when they are warranted.

Stormwater Management: A regional stormwater management facility that covers the entire plat to meet the City of Fargo Stormwater Management Regulations will not be provided. Stormwater

Site Amenities and Project Plan
Urban Plains by Brandt 3rd Addition Page 2

Management for the lots on Block 1 will be provided by a joint stormwater management facility with the connection point to the City of Fargo Storm Sewer located in 55th Street S. The joint system for Block 1 will comply with and meet the requirements of the City of Fargo Stormwater Management Regulations. Lot 1, Block 2 stormwater Management will be the responsibility of the individual lot. The individual lot will be required to provide Stormwater management facilities as need to comply with and meet the requirements of the City of Fargo Stormwater Management Regulations.

Flood Protection: The proposed platted area is not located in either the Special Flood Hazard Area as defined by FEMA or the 41-foot Water Surface Elevation Inundation Area. Floodproof Construction will not be required for structures located in the plat.

Funding of Improvements: The plat area has access to existing water, storm sewer, and sanitary sewer on the adjacent public right of way. These existing utilities will be extended through the proposed public right of way to serve the proposed lots. The proposed street and public utilities will be designed to City of Fargo standards and assessed to the benefiting properties per the City of Fargo Infrastructure Funding Policy. Utilities installed on the individual lots will be the responsibility of the developer.

Dedication of Park Land: The area of the proposed plat has been previously platted. Existing park area are located west of the plat. As part of the development sidewalks will be installed along the proposed street and these sidewalks will connect to the existing 10' multi use path on 28th Avenue South. This connection provides access to the existing park areas west of 51st Street South. No additional land will be dedicated to the park as part of the plat.

The amenity plan is hereby approved:

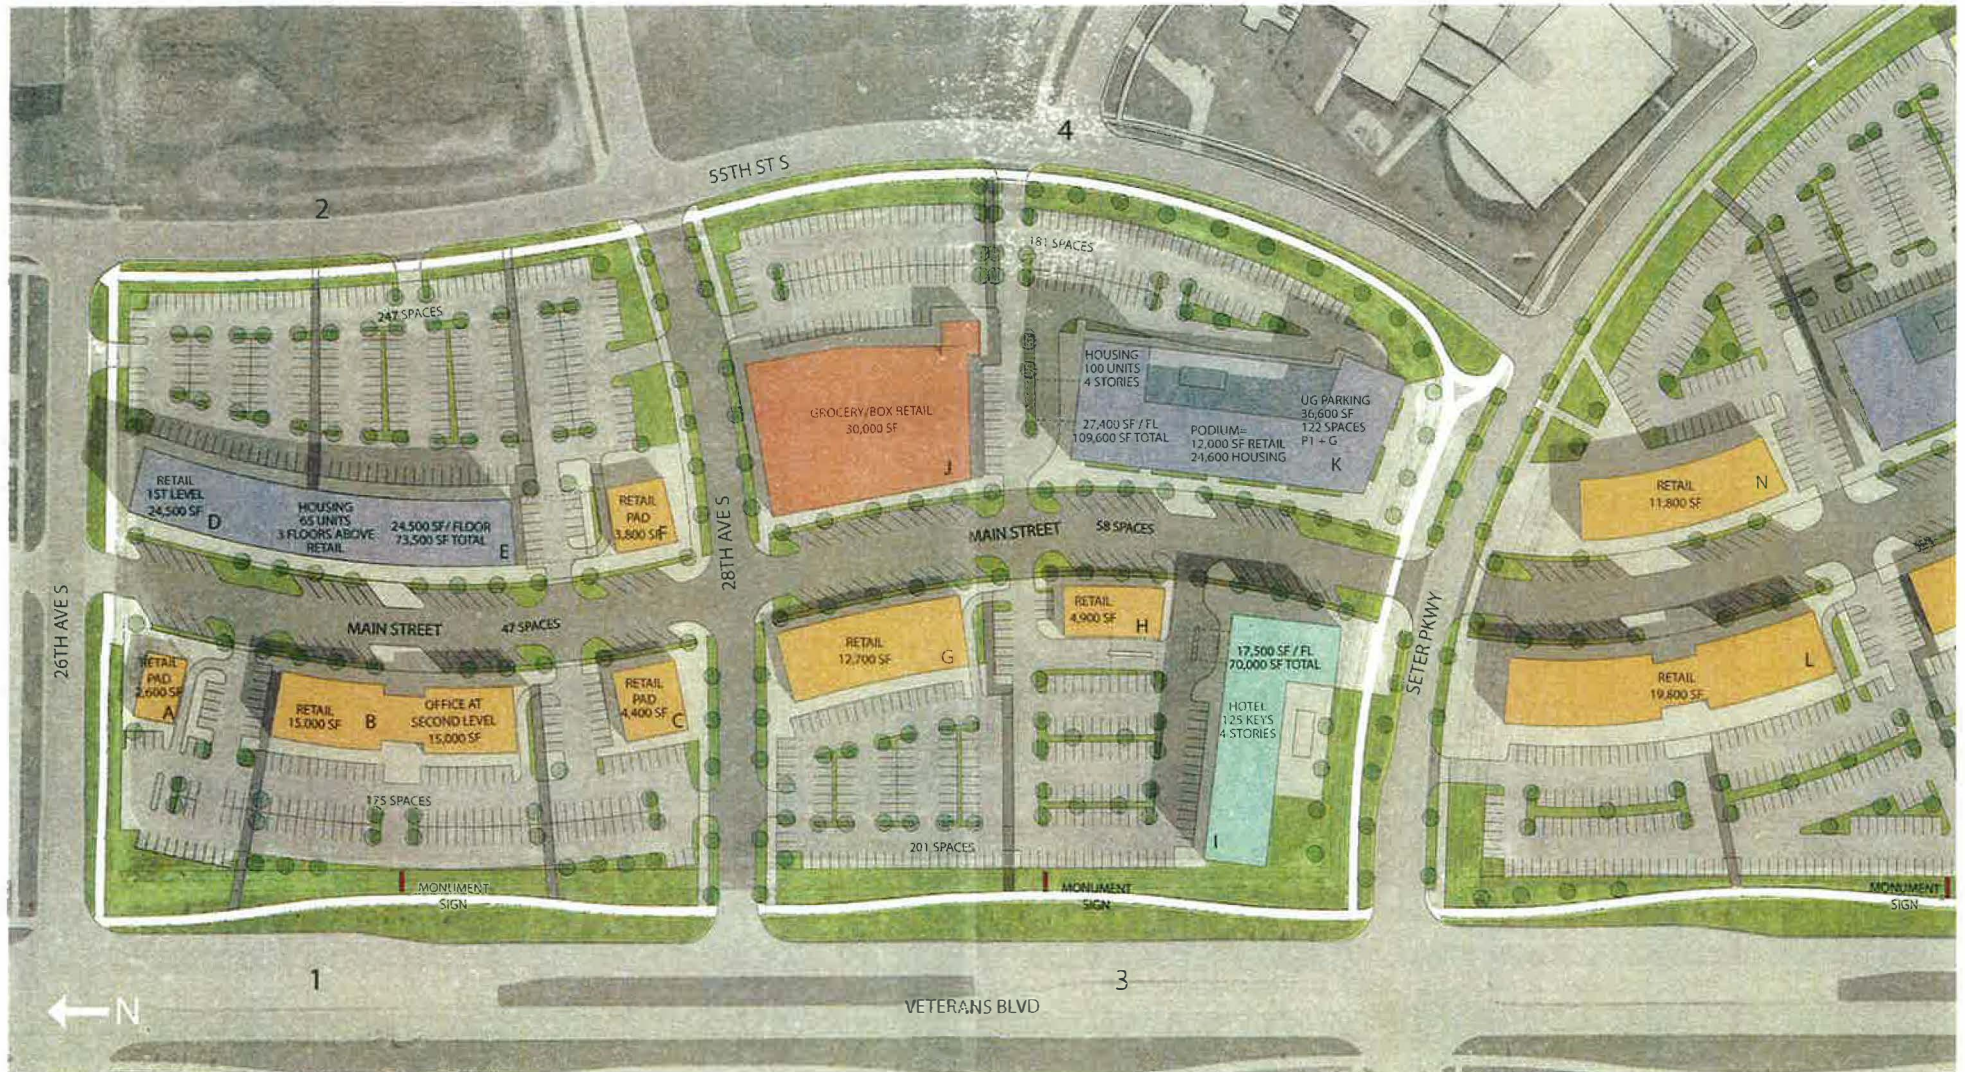

Ace Brandt, Urban Plains Land Company, LLC.

Staff Analysis:

Zoning

Section 20-906. F (1-4) of the LDC stipulates the following criteria be met before a zone change can be approved:

1. **Is the requested zoning change justified by a change in conditions since the previous zoning classification was established or by an error in the zoning map?**
Staff is unaware of any zoning map error in regards to the subject property. The requested zoning change is justified by a change in conditions since the previous zoning classification was established. The applicant has a clearer picture of the type of development for the property. **(Criteria Satisfied)**
2. **Are the City and other agencies able to provide the necessary public services, facilities, and programs to serve the development allowed by the new zoning classifications at the time the property is developed?**
The development is served with city services (water, sewer, streets, police/fire protection, etc.) as well as other needed utility services as needed. The City Engineer and other applicable review agencies have reviewed this proposal. No deficiencies to provide the necessary public services, facilities and programs to this development have been identified. **(Criteria Satisfied)**
3. **Will the approval of the zoning change adversely affect the condition or value of the property in the vicinity?**
Staff has no documentation or evidence that the approval of this zoning change would adversely affect the condition or value of the property in the vicinity. The proposed zone change is in keeping with adopted plans approved via public process. In addition, written notice of the proposal was sent to all property owners within 300 feet of the subject property. To date, staff has not received any verbal concerns or written comments regarding the proposed overlay zoning change. Staff finds that the approval will not adversely affect the condition or value of the property in the vicinity. **(Criteria Satisfied)**
4. **Is the proposed amendment consistent with the purpose of this LDC, the Growth Plan, and other adopted policies of the City?**
The purpose of the LDC is to implement Fargo's Comprehensive Plan and related policies in a manner that protects the health, safety, and general welfare of the citizens of Fargo. Staff finds that the proposal is consistent with the purposes of the LDC, the Growth Plan, and other adopted policies of the City. **(Criteria Satisfied)**

Minor Subdivision

The LDC stipulates that the following criteria is met before a minor plat can be approved:

1. **Section 20-0907.B.3 of the LDC stipulates that the Planning Commission recommend approval or denial of the application, based on whether it complies with the adopted Area Plan, the standards of Article 20-06 and all other applicable requirements of the Land Development Code. Section 20-0907.B.4 of the LDC further stipulates that a Minor Subdivision Plat shall not be approved unless it is located in a zoning district that allows the proposed development and complies with the adopted Area Plan, the standards of Article 20-06 and all other applicable requirements of the Land Development Code.**
The lot configuration of the subdivision will not change, however there is a 24-foot access easement that exists over the shared lot line. The replat will vacate that access easement and provide a 27-foot access easement on the south side of Lot 1. In accordance with Section 20-0901.F of the LDC, notices of the proposed plat have been sent out to property owners within 300 feet of the subject property. To date, staff

has not received any inquiries. Staff has reviewed this request and finds that this application complies with standards of Article 20-06 and all applicable requirements of the Land Development Code
(Criteria Satisfied)

2. **Section 20-907.C.4.f of the LDC stipulates that in taking action on a Final Plat, the Board of City Commissioners shall specify the terms for securing installation of public improvements to serve the subdivision.**

While this section of the LDC specifically addresses only major subdivision plats, staff believes it is important to note that any improvements associated with the project (both existing and proposed) are subject to special assessments. Special assessments associated with the costs of the public infrastructure improvements are proposed to be spread by the front footage basis and storm sewer by the square footage basis as is typical with the City of Fargo assessment principles. **(Criteria Satisfied)**

Staff Recommendation:

Suggested Motion: "To accept the findings and recommendations of Planning Commission and staff and hereby waive the requirement to receive the Ordinance one week prior to the first reading and place the rezoning on the first reading, and move to approve the proposed: 1) Zoning Change to repeal and re-establish a C-O, Conditional Overlay, on Lots 1 and 2, Block 1, of the proposed Timber Creek Eighth Addition and 2) Subdivision Plat, **Timber Creek Eighth Addition** as outlined within the staff report, as the proposal complies with the adopted Area Plan, the standards of Article 20-06, Section 20-0906.F (1-4) of the LDC and all other applicable requirements of the LDC".

Planning Commission Recommendation: January 4, 2018

On January 4, 2018, with a 9-0 vote, the Planning Commission accepted the findings and recommendations of staff and hereby recommend approval to the City Commission of the proposed: 1) Zoning Change to repeal and re-establish a C-O, Conditional Overlay, on Lots 1 and 2, Block 1, of the proposed Timber Creek Eighth Addition and 2) Subdivision Plat, Timber Creek Eighth Addition as outlined within the staff report, as the proposal complies with the adopted Area Plan, the standards of Article 20-06, Section 20-0906.F (1-4) of the LDC and all other applicable requirements of the LDC.

f. Parking Lots / Screening, Landscaping:

- i. A minimum of ten percent (10%) of the internal surface area of surface parking lots shall be landscaped.
- ii. Parking lot perimeter landscaping buffers are required for any off-street parking area on any side that is adjacent to an SR zoning district. The minimum buffer shall be 10 feet and may include a combination of trees, shrubs, decorative fence, landscaped berms or other materials or techniques to be approved by the Zoning Administrator. Vegetative buffers shall, at minimum, provide a similar level of buffering as compared with either a Type A or Type B buffer as contemplated under §20-0704 of the Land Development Code. Trees shall be a minimum of 2-inch caliper.

g. Landscape Buffer, Other:

- i. As dedicated by separate instrument, a 50 foot landscape easement will be provided on the south side of 36th Street from (approximately) the private roadway opening to the western extent of the Timber Creek First Addition plat. The developer shall be required to submit a landscape plan for this easement area which shall include a combination of trees and landscaped berms; and the overall landscape plan shall be approved by the Zoning Administrator. The developer intends this buffer to provide a high quality transition between residential and commercial properties while also providing an added aesthetic element to the development. If, in the opinion of the Zoning Administrator, the proposed landscape plan meets the intended objective and is reflective of high quality design and materials; the requirement for landscaping internal to parking lots as contemplated under subparagraph 2.(f)(ii), above, shall be reduced to 5%. The landscaping plan shall be implemented within the easement area within 12 months following issuance of any building permit. Trees shall be a minimum of 2-inch caliper.

h. Landscaping and Street Tree Installation / Maintenance:

- i. All landscaping, buffers and street trees shall be in place and healthy within 12 months following issuance of any building permit.

i. Operational Requirements / Lighting:

The following section to be completed by the applicant:

ALL APPLICANTS must initial #1 - #9 and sign in the space provided below.

1.  All applicants must assure there is adequate off-street parking for my business (within the direction of and as approved by the City Commission). Membership in the current City parking program (e.g. "P.O.P") may place me in compliance with this requirement.
2.  I have received a copy of the Alcoholic Beverage Ordinance(s) of the City of Fargo, read the ordinances and am familiar with the conditions and requirements of these ordinances.
3.  If granted an alcoholic beverage license, I will obey, abide by and comply with the State of North Dakota Liquor Control Act, and the City of Fargo Alcoholic Beverage ordinances, as well as any amendments to either of these, which may be made from time to time.
4.  I understand either, I, my manager(s), or both of us must attend a yearly meeting (date and time to be announced) with representatives from the Police and Health departments to discuss law enforcement and safety concerns as a condition of license renewal.
5.  I understand that the premises described in the application, if licensed for alcoholic beverage sales, may be inspected at any time by the Chief of Police, or any officer of the Police or Health Departments as allowed by city ordinances and state law. My employees and I will cooperate with such inspections.
6.  I understand that all employees, managers and owners engaged in mixing, pouring or service of alcoholic beverages **MUST** attend Server Training.
7.  I am familiar with the question, answers and other information as it appears in the complete application of an alcoholic beverage license, and the answers and information are, to the best of my belief and knowledge, true, complete and accurate. (Note: This application must be made under oath before a Notary Public.)
8.  I recognize the City of Fargo is subject to open records laws contained in chapter 44-04 of the N.D. Century Code. Section 44-04-18.4 contains an exception for trade secrets, proprietary, commercial, and financial information. I agree in submitting the application, that I have familiarized myself with this law. If any information being forwarded to the City of Fargo is claimed as confidential or proprietary under this section, I must clearly indicate this in writing when I submit this application, pointing out, in detail, why the information submitted is claimed as an exemption under section 44-04-18.4. I further agree to respond to, as well as to aid the City, in responding to any claim under 44-04-21.1 concerning this claim of confidentiality under 44-04-18.4.
9.  I understand that **the license will expire on June 30 of each year** and a renewal process will need to be completed. This process will include a completed renewal application, payment in full for the required annual fee, a completed roster for each employee who pours or serves alcohol, attendance of Server Training for those listed on the roster, and a copy of your certified food sales if applicable to your license.

Operation and Financial Issues

Describe business concept, including how this model fits into proposed location

Business model of local brewpub with food options and semi-regular entertainment that caters to a crowd that prefers quality over quantity. Any drink specials will be extremely modest and business plan does not include sales past midnight. Ingredients (grains, hops, botanicals) for the beer as well as the food options will attempt to focus on locally and regionally sourced ingredients as much as possible. Small amount of retail space to feature local and regional "Pride of Dakota" products as well as local artisans crafts and souvenirs. We hope to be a meeting place for locals as well as travelers both of the beer tourist and business variety and desire to further our contribution to an already blossoming craft brewery and distillery tour market.

Describe in detail how you intend to address/prevent each of the following concerns:

Over-serving, intoxicated or disorderly patrons:

Manager has over 15 years experience with ID checking procedures and monitoring for over-serving or intoxication. Police will be contacted should we encounter disorderly customers. We will not just kick them out onto the streets of downtown to become someone else's problem. We feel that craft beer and particularly brewery taproom customers are very often customers who prefer quality over quantity and that taprooms, especially in this market do not encounter a substantial amount of problematic customers. In the three years of operations at our current location, we have never had a police call or any issues with compliance checks.

Safety and security issues, including crowd control:

When live entertainment is present and the taproom is expected to be full, we will employ an experienced door person to check IDs and provide an extra layer of security and scrutiny

Minors on the premises, including consumption by minors:

Absolutely no minors allowed, must be 21+ to be on premises. Anyone who fails a compliance check will have immediate performance review with possibility of termination. Second failure of compliance check is immediate termination. In three years of operations at our current location we have never failed a compliance check.

Noise concerns, especially from nearby residences of other businesses:

Being a good neighbor is extremely important to not only our peace of mind but our business model. We want our neighbors to feel welcome in our tap room. We have already had brief face to face meetings with our downstairs neighbor at Atomic Coffee and have collaborated with them by using their cold press coffee in our most recent batch of Chocoffee Chocolate and Coffee Stout. The Meyers at Dempsey's are not only friends of our management but have expressed their excitement to have us as neighbors. Sound dampening will be built into the brewery with special attention paid to not only protect our residential neighbors to the South but also to make the brewery sound great inside but unobtrusive to the rest of the building. Directional speakers will point away from the residential neighbors.

Do you plan to feature live entertainment? X Yes No If "Yes" describe what you envision at the time, including how often such entertainment will take place.

Solo acts to small (4-5 member) bands. Entertainment will occur primarily on weekends and current plan is for some sort of amplified music 4 to 6 times per month. Other performances would be a mixture of comedy, poetry, theater, or burlesque/variety acts.

ALL APPLICANTS must initial #1 - #9 and sign in the space provided below.

1. RP PP All applicants must assure there is adequate off-street parking for my business (within the direction of and as approved by the City Commission). Membership in the current City parking program (e.g. "P.O.P") may place me in compliance with this requirement.
2. RP PP I have received a copy of the Alcoholic Beverage Ordinance(s) of the City of Fargo, read the ordinances and am familiar with the conditions and requirements of these ordinances.
3. RP PP If granted an alcoholic beverage license, I will obey, abide by and comply with the State of North Dakota Liquor Control Act, and the City of Fargo Alcoholic Beverage ordinances, as well as any amendments to either of these, which may be made from time to time.
4. RP PP I understand either, I, my manager(s), or both of us must attend a yearly meeting (date and time to be announced) with representatives from the Police and Health departments to discuss law enforcement and safety concerns as a condition of license renewal.
5. N PP I understand that the premises described in the application, if licensed for alcoholic beverage sales, may be inspected at any time by the Chief of Police, or any officer of the Police or Health Departments as allowed by city ordinances and state law. My employees and I will cooperate with such inspections.
6. RP PP I understand that all employees, managers and owners engaged in mixing, pouring or service of alcoholic beverages **MUST** attend Server Training.
7. RP PP I am familiar with the question, answers and other information as it appears in the complete application of an alcoholic beverage license, and the answers and information are, to the best of my belief and knowledge, true, complete and accurate. (Note: This application must be made under oath before a Notary Public.)
8. RP PP I recognize the City of Fargo is subject to open records laws contained in chapter 44-04 of the N.D. Century Code. Section 44-04-18.4 contains an exception for trade secrets, proprietary, commercial, and financial information. I agree in submitting the application, that I have familiarized myself with this law. If any information being forwarded to the City of Fargo is claimed as confidential or proprietary under this section, I must clearly indicate this in writing when I submit this application, pointing out, in detail, why the information submitted is claimed as an exemption under section 44-04-18.4. I further agree to respond to, as well as to aid the City, in responding to any claim under 44-04-21.1 concerning this claim of confidentiality under 44-04-18.4.
9. RP PP I understand that **the license will expire on June 30 of each year** and a renewal process will need to be completed. This process will include a completed renewal application, payment in full for the required annual fee, a completed roster for each employee who pours or serves alcohol, attendance of Server Training for those listed on the roster, and a copy of your certified food sales if applicable to your license.

Operational and Financial Issues

Briefly describe your business concept, including your analysis of how this model fits into the proposed location (i.e., describe the suitability of the "fit" into the existing neighborhood or business area).

(Use additional pages if necessary)

The business (Leela Thai Cuisine) is simply a continuation of the previous license holder. DBA remains unchanged as does general business practices, food and alcohol operations. Thai Cuisine as well as basic beverages and food also remain unchanged or similar.

Describe in detail how you intend to address/prevent each of the following concerns at your Business:

(Use additional pages if necessary)

Over-serving, intoxicated or disorderly patrons:

Our servers and manager are experienced and trained in dealing with individuals that may be described above. Rarely do we have to address these concerns, but if necessary we use our better judgement on a case-by-case basis as to whether we need to cease serving, remove, or take further actions in regards to said individuals or groups.

Safety and security issues, including crowd control:

We do not intend to have any "crowds" on the premises. We are a limited seating establishment and once capacity is met, we do not plan to over-crowd the establishment. We have safety and security measures in place so that if needed we can take action. Security cameras and recordings as well as our landlord's policies and procedures helps prevent any such occurrences.

Minors on the premises, including consumption by minors:

We do not serve any minors nor knowingly allow that to occur within our business premises. Our servers all attend and pass Fargo server training and follow proper practices to identify any minors that may attempt to gain access to alcohol.

Noise concerns, especially from nearby residences of other businesses:

Our business is located within a enclosed mall. The tenants immediately surrounding include the following: art gallery, flower shop, and a coffee shop. We do not anticipate any noise or disturbances but will address any accordingly to ensure that our customers have the best experience possible as we have provided up to this point.

Do you plan to feature **live entertainment**? _____ Yes ☒ No _____ If "yes", describe what you envision at the time, including how often such entertainment will take place. The cost for Live Entertainment is \$350 annually.
