No Commissioner being absent and none voting nay, the motion was declared carried.

Final Form of the Developer Agreement for Tax Increment Financing District 2011-01 Approved:

The Board received a communication from Planning Director Jim Gilmour stating the Developer Agreement for the Shotwell Commons Tax Increment Financing Plan which was approved at the April 4, 2011 Commission Meeting is now in final form. A notable change in the agreement, he said, is to allow the developer more time to complete the project. The change, he said, would add up to 17 months to complete the project moving the completion date from July 31, 2012 to December 31, 2013. He said the project has taken the developer longer to start than was anticipated and while the additional time has been requested, it will not increase the maximum time, 15 years, of the TIF district.

Commissioner Williams said he would like to reiterate that this project would have happened whether or not the City approved this TIF.

Commissioner Piepkorn moved the final form of the Developer Agreement with SCD, LLC for Tax Increment Financing District 2011-01 for the Shotwell Commons development project be approved.

Second by Wimmer. On call of the roll Commissioners Piepkorn, Wimmer, Mahoney and Walaker voted aye.

Commissioner Williams voted nay.

The motion was declared carried.

Staff Directed to Continue to Monitor the Speeding Situation on 18th Avenue South:

The Board received a communication from Tony Gehrig, 806 18th Avenue South, stating in the summer of 2010 the City Commission approved four medians on 18th Avenue South. These medians, he said, were placed with minimal resident input for the stated reason of slowing traffic flow. By minimal, he said, a proposal letter was sent out and a week later the project began with no resident feedback. He said to date he has counted at least five signs being knocked down by vehicles traveling on 18th Avenue South. He said his proposal would be to remove the medians and to add more speed limit signs and police enforcement.

Senior Engineer Jeremy Gorden said what the Engineering Department is trying to do in this area is create a visual buffer and add friction to the street to get drivers to slow down. He said the Engineering Department was asked to address a speeding and pedestrian issue and Engineering and staff felt that the medians were the right thing to do in this area.

Chief of Police Keith Ternes said this is the first he has been made aware that there is a problem in this area. He said he will have his officers pay more attention to this area and work with Jeremy Gorden to gather more data by possibly setting up a speed trailer to get an idea of the times when speeding seems to be a problem.

Commissioner Williams moved the appropriate staff be directed to continue to monitor the speeding situation on 18th Avenue South.

Second by Piepkorn. On call of the roll Commissioners Williams, Piepkorn, Mahoney, Wimmer and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Renaissance Zone Project for Wheeler and Associates, PC Approved:

A Hearing had been set for this day and hour to receive comments on a Renaissance Zone Project for Wheeler and Associates, PC at 35 North 4th Street.

No written protest or objection to the Project has been received or filed in the City Auditor's Office.

The Board determined that no person is present to protest or offer objection to the Project.

The Board received a communication from Senior Planner Robert Stein stating the Renaissance Zone Project application presented by Wheeler and Associates, PC meets all of the minimum criteria set forth in the Renaissance Zone Plan and is consistent with the established goals and objectives. Mr. Stein recommended that the project be approved. He said there is no local tax benefit for this business as it was used by the previous owner of the building.

Commissioner Piepkorn moved the Renaissance Zone application filed by Wheeler and Associates, PC for a project located at 35 North 4th Street be approved and the income tax and property tax exemptions be granted as recommended by the Renaissance Zone Authority.

Second by Williams. On call of the roll Commissioners Piepkorn, Williams, Mahoney, Wimmer and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Renaissance Zone Project for The Title Company, LLP Approved:

A Hearing had been set for this day and hour to receive comments on a Renaissance Zone Project for The Title Company, LLP at 35 North 4th Street.

No written protest or objection to the Project has been received or filed in the City Auditor's Office.

The Board determined that no person is present to protest or offer objection to the Project.

The Board received a communication from Senior Planner Robert Stein stating the Renaissance Zone Project application presented by The Title Company, LLP meets all of the minimum criteria set forth in the Renaissance Zone Plan and is consistent with the established goals and objectives. Mr. Stein recommended that the project be approved.

Commissioner Piepkorn moved the Renaissance Zone application filed by The Title Company, LLP for a project located at 35 North 4th Street be approved and the income tax and property tax exemptions be granted as recommended by the Renaissance Zone Authority.

Second by Williams. On call of the roll Commissioners Piepkorn, Williams, Mahoney, Wimmer and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Parcels of Land in Davies Second Addition Rezoned (6744 25 Street South):

At a Hearing held on September 6, 2011 the Fargo Planning Commission recommended approval of a change in zoning from SR-4, Single-Dwelling to MR-3, Multi-Dwelling on Lots 1-3, Block 1; Lots 4-18, Block 1; Lots 2-10; Lots 12-15, and Lots 17-37, Block 2; all of Block 3 and Block 4 be reaffirmed as SR-4, Single-Dwelling; and from SR-4, Single-Dwelling to P/I, Public Institutional on Lot 19, Block 1 and Lots 1, 11, and 16, Block 2 all in the proposed Davies Second Addition.

The City Auditor's Office published a Notice of Hearing stating this is the time and date set for said Hearing at which time all interested persons could appear and would be heard.

Commissioner Mahoney offered the following Resolution and moved its adoption:

WHEREAS, All legal requirements in connection with the above-described request for rezoning have been complied with; and

WHEREAS, There have been no written or verbal protests to the request for rezoning and no one is present to protest thereto.

NOW, THEREFORE, BE IT RESOLVED, That the findings of staff be accepted and the rezoning be approved on the basis that the proposal satisfactorily complies with the Comprehensive Plan, Standards of Section 20-0906.F (1-4) and all other applicable requirements of the LDC.

Second by Piepkorn. On the vote being taken on the question of the adoption of the Resolution Commissioners Mahoney, Piepkorn, Wimmer and Walaker voted aye.

Commissioner Williams voted nay.

The Resolution was adopted.

Commissioner Mahoney moved the requirement relating to receipt of the Ordinance by the Commission one week prior to first reading be waived and that the Ordinance Rezoning Certain Parcels of Land Lying in Davies Second Addition, Fargo, Cass County, North Dakota be placed on first reading.

Second by Piepkorn. On call of the roll Commissioners Mahoney, Piepkorn, Wimmer and Walaker voted aye.

Commissioner Williams voted nay.

The motion was declared carried.

Resolution Adopted Approving Davies Second Addition:

Commissioner Mahoney offered the following Resolution and moved its adoption:

BE IT RESOLVED BY THE BOARD OF CITY COMMISSIONERS OF THE CITY OF FARGO:

WHEREAS, A Plat has been filed in the office of the City Auditor entitled "Davies Second Addition" containing 90 Lots, 4 Blocks, and 43.687 acres of land more or less, located at 6744 25th Street South; and

WHEREAS, A Hearing was held September 6, 2011 by the Fargo Planning Commission, and notice of such Hearing had been published, as required by law, and said Plat had been approved by the Fargo Planning Commission and by the City Engineer; and

WHEREAS, The City Auditor's Office published a Notice of Hearing on said Plat in the official newspaper for the City of Fargo on September 12 and 19, 2011 that a Hearing would be held in the City Commission Room, City Hall, Fargo, North Dakota at 5:15 p.m., September 19, 2011 at which time said Plat would be considered and all interested persons would be heard.

NOW, THEREFORE, BE IT RESOLVED, That the findings and recommendations of staff and the Planning Commission be accepted and the Plat entitled "Davies Second Addition" be and the same is hereby in all things affirmed and approved on the basis that it complies with the Standards of Article 20-06, and all other applicable requirements of the Land Development Code, and that the Mayor of the City of Fargo and the appropriate City Officials are hereby directed to endorse their approval on the Plat and then direct Petitioner to file same for record in the office of the Register of Deeds of Cass County, North Dakota.

Second by Piepkorn. On the vote being taken on the question of the adoption of the Resolution Commissioners Mahoney, Piepkorn, Wimmer and Walaker voted aye.

Commissioner Williams voted nay.

The Resolution was adopted.

Parcels of Land in Phoenix Addition Rezoned (4301 19th Avenue North):

At a Hearing held on September 6, 2011 the Fargo Planning Commission recommended approval of a change in zoning from AG, Agricultural to LI, Limited Industrial on Lot 1, Block 1 of the proposed Phoenix Addition.

The City Auditor's Office published a Notice of Hearing stating this is the time and date set for said Hearing at which time all interested persons could appear and would be heard.

Commissioner Piepkorn offered the following Resolution and moved its adoption:

WHEREAS, All legal requirements in connection with the above-described request for rezoning have been complied with; and

WHEREAS, There have been no written or verbal protests to the request for rezoning and no one is present to protest thereto.

NOW, THEREFORE, BE IT RESOLVED, That the findings of staff be accepted and the rezoning be approved on the basis that the proposal satisfactorily complies with the Comprehensive Plan, Standards of Section 20-0906.F (1-4) and all other applicable requirements of the LDC.

Second by Williams. On call of the roll Commissioners Piepkorn, Williams, Mahoney, Wimmer and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

First Reading of an Ordinance Rezoning Certain Parcels of Land Lying in Phoenix Addition, Fargo, Cass County, North Dakota:

Commissioner Piepkorn moved the requirement relating to receipt of the Ordinance by the Commission one week prior to first reading be waived and that the Ordinance Rezoning Certain Parcels of Land Lying in Phoenix Addition to the City of Fargo, Cass County, North Dakota be placed on first reading.

Second by Williams. On call of the roll Commissioners Piepkorn, Williams, Mahoney, Wimmer and Walaker voted aye.

No Commissioner being absent and none voting, the motion was declared carried.

Resolution Adopted Approving Phoenix Addition:

Commissioner Piepkorn offered the following Resolution and moved its adoption:

BE IT RESOLVED BY THE BOARD OF CITY COMMISSIONERS OF THE CITY OF FARGO:

WHEREAS, A Plat has been filed in the office of the City Auditor entitled "Phoenix Addition" containing 1 Lot, 1 Block, and 30.00 acres of land more or less, located at 4301 19th Avenue North; and

WHEREAS, A Hearing was held September 6, 2011 by the Fargo Planning Commission, and notice of such Hearing had been published, as required by law, and said Plat had been approved by the Fargo Planning Commission and by the City Engineer; and

WHEREAS, The City Auditor's Office published a Notice of Hearing on said Plat in the official newspaper for the City of Fargo on September 12 and 19, 2011 that a Hearing would be held in the City Commission Room, City Hall, Fargo, North Dakota at 5:15 p.m., September 19, 2011 at which time said Plat would be considered and all interested persons would be heard.

NOW, THEREFORE, BE IT RESOLVED, That the findings and recommendations of staff and the Planning Commission be accepted and the Plat entitled "Phoenix Addition" be and the same is hereby in all things affirmed and approved on the basis that it complies with the Standards of Article 20-06, and all other applicable requirements of the Land Development Code, and that the Mayor of the City of Fargo and the appropriate City Officials are hereby directed to endorse

their approval on the Plat and then direct Petitioner to file same for record in the office of the Register of Deeds of Cass County, North Dakota.

Second by Williams. On the vote being taken on the question of the adoption of the Resolution Commissioners Piepkorn, Williams, Mahoney, Wimmer and Walaker voted aye.

No Commissioner being absent and none voting nay, the Resolution was adopted.

Draft Fargo Sign Code Approved:

A Hearing had been held by the Fargo Planning Commission on July 5, 2011 to consider approval or denial of the draft Fargo Sign Code, and the Fargo Planning Commission at such Hearing recommended to the Board of City Commissioners that the request be approved.

The City Auditor's Office published a Notice of Hearing stating this is the time and date set for said Hearing at which time all interested persons could appear and would be heard.

The Board received a communication from Senior Planner Jim Hinderaker stating on March 22, 2011 the Sign Code Committee held three public meetings and one Technical Committee Meeting wherein the Committee recommended a number of changes to the Fargo Sign Code as adopted via Ordinance No. 4772. The primary changes, he said, include the following:

1. Modification of the total number of days that a portable sign may be placed at the same location as a single occurrence from 14 days to 30 days.
2. Modification of the total number of days per year a portable sign can be placed at a single location from 84 days to 98 days.
3. Creation of a Community Wide Event signage provision that allows 501(C) tax exempt organizations to use portable signs at off-site locations without signs being deemed as "off-premise" signs.

The only other thing he would like to point out, he said, is that the existing language that was adopted at the end of last year regarding on and off premise signs is intact. He said there were no changes to those particular sections of the sign code.

Tracy Slaaen, Scott's Signs, said this has been a long process and the portable sign industry feels that some ground has been made during this time; however, the portable sign industry hopes this will be something that will be reviewed again down the road.

Commissioner Piepkorn said there was a lot of agreement with things in the Sign Code; however, with the portable sign industry there are still some things that they have some concerns about. His suggestion, he said, would be to split the ordinance into two separate ordinances with the majority of the ordinance going into one part and the portable sign information into another. That way, he said, if the portable sign industry comes back and wants to make changes the whole Sign Code would not have to be addressed; just the portable sign section could be focused on.

Commissioner Piepkorn moved the Fargo Sign Code be approved as presented separating the portable sign section into a separate ordinance.

Second by Wimmer. On call of the roll Commissioners Piepkorn, Wimmer, Williams, Mahoney and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Fargo Public Schools RFP for Garbage Collection Services Approved:

The Board received a communication from Solid Waste Utility Manager Terry Ludlum stating Fargo Public Schools recently contacted the Division of Solid Waste giving notification of a Request for Proposals (RFP) that had been advertised for a new contract for garbage collection services. He said the RFP asked for a monthly charge for the nine school months plus an "on-call charge" (price per cubic yard) through the summer vacation months. The RFP also stated, he said, that additional consideration would be given to companies that can assist in reducing the waste stream through better recycling efforts and could assist in disposal of yard and tree waste. He said in response to the RFP the following are the proposed fees:

Monthly Charge – September through May	\$8,533
Per yard "on-call" Charge – June through August	\$2.65
Price per roll-off construction dumpster's	\$75/pull, plus lf-fees

He said one of the things that Solid Waste pursued was trying to look for a way to give the School District a discount to the City's resolution fee matrix due to the fact that they are a similar taxing entity. Solid Waste, he said, was able to do that with the revenue that would be generated from the School District's cardboard. He said this will not be an offer that is made to anyone else in town, but rather as another way of helping a similar taxing entity.

John McIntosh, Account Manager for Waste Management, said Waste Management has been the hauling and recycling company for the Fargo Public Schools for 15 plus years with consecutive three year contract terms. He said he was told by the City of Fargo that the City could not legally bid at rates that were below the published rates and was very surprised at the bid opening to see that the City of Fargo had bid the contract below the published rates. The City, he said, will be spending more money to buy equipment and charging less and eliminating the money collected from Waste Management for disposal and taking away opportunity and business from private haulers. It may be legal, he said, but it does not seem ethical.

Commissioner Piepkorn said his main concern is that the City wants to work with the School District, however, the key thing is when the City is setting the price and then the City bids against a company who is buying something from the City, there has to be a conflict there. The City, he said, competing against a private business is questionable.

Commissioner Williams said he does not feel the private sector is always the answer and he feels that it helps to level the market.

Commissioner Williams moved the proposed fees in response to the Fargo Public Schools RFP for garbage collection services be approved.

Second by Wimmer. On call of the roll Commissioners Williams, Wimmer, Mahoney and Walaker voted aye.

Commissioner Piepkorn voted nay.

The motion was declared carried.

At 6:15 the Board took a five-minute recess.

After recess: All Commissioners present. Mayor Walaker presiding.

Tax Levies for the Budget Year Beginning January 1, 2012 and Ending December 31, 2012 Approved:

The City Auditor's Office published a Notice of Hearing stating this is the time and date set for a Hearing on the 2012 Budget and Tax Levies at which time all interested persons could appear and would be heard.

The Board received a communication from Director of Finance Kent Costin stating during the last legislature HB 1194 was passed with the intention of increasing the public's awareness of changes in the proposed property tax levies for 2011, payable in 2012 for all political subdivisions. Two key provisions, he said, of the newly adopted bill are to publish a larger than average ad in the newspaper indicating the proposed tax levies and inviting the public to comment on them at a public hearing which must be held before the preliminary budget hearing. He said only one written comment was received regarding the budget and that was from Vivian Dunford, 1721 14 1/2 Street South.

Commissioner Williams said in the narrative Mr. Costin provided, it states that the City of Fargo currently ranks in the lower 3rd of the recent regional survey. He said he believes that there is a mistake with that calculation and that the City is actually the 3rd highest in the tri-state region. Since the City is getting more money from the state, he said, and the City has some good efficiency revenues from innovative projects, the City could do without the utility increase.

Eric Dodds, AE2S, said the utility rate survey is from respondents in the tri-state region that AE2S puts together every year. The water utility rate survey this year, he said, is based upon average usage of about 55,000 gallons per household, which is fairly accurate for the City of Fargo. He said Fargo is typically in the upper end of the water utility rates. This is a rate survey and not every utility responds, he said, and there are many different ways to fund projects within utilities. He said utility rates are just one barometer for a comparison with other utilities, but it is not the only barometer. It is great information, he said, that a lot of utilities like to have, but it must be recognized that it is a rate survey and there is a lot of complex information that goes into managing the utilities.

Enterprise Director Bruce Grubb said back in November of 2008 the City had an informational meeting where a financial model, which was called a revenue adequacy model, was presented. He said the reasoning behind this model was to determine what needed to happen with water and sewer rates over the 20 year life of the new infrastructure sales tax that was set to initiate in 2009. At that time, he said, he presented the models for both utilities to the Commission with a warning that he would like to hold the line for three consecutive years with no rate increases, due to the fact that the infrastructure sales tax was starting in 2009. Then after that, he said, he asked AE2S to keep the rate increases lower than the inflationary rate which at that time was 3%. That model, he said, took all of the comprehensive water utility expenses and waste water utility expenses as well as all of the comprehensive revenues including infrastructure expenses and infrastructure sales tax revenue so, at the end of the day, what came out of the model was that the rate increase would happen in 2012. He said when he went into the budget meeting; he informed the Mayor that he would like to update the model because the City had three years of actual numbers. He said from the revenue and expense standpoint, although infrastructure sales tax revenues have been slightly less than what was projected, infrastructure construction cost expenses have also been less. He said the model has been updated and still promotes the rate increase.

Commissioner Piepkorn said, in regard to the City pension, in 2008 the investment income was at a loss of \$18.5 million which is obviously where the set back occurred and the City is still trying to catch up. Again this year, he said, the taxpayers will be putting in another \$5 million to the retirement funds. He said he would like to propose as of January 1, 2012 that any new employee, excluding Fire and Police employees, go to a 401k type plan. He said this would be just the beginning of firming up the pension plan.

Commissioner Mahoney moved the 12-month budget beginning January 1, 2012 and ending December 31, 2012 be approved as follows and that the 2012 mill levy be set at 58.25 mills:

General Fund	\$75,037,000
Special Revenue Funds:	
City Share of Special Assessments	\$850,000
Noxious Weeds	50,000
Emergency 911	1,813,000

Operations	\$1,427,364
Restricted Capital	540,045
Total Convention Bureau	\$1,967,409
Grand Total - All Funds	\$249,462,659
Preliminary Tax Levies Are:	
General Fund	53.32
City Share of Special Improvements	2.83
Noxious Weeds	.10
Airport Construction	2.0
Total Proposed Mills to be Levied for 2012 Budget	58.25

Second by Wimmer.

Commissioner Williams moved the motion be amended to exclude the fee increases for water and wastewater in the 2012 budget.

Second by Piepkorn. On call of the roll on the amendment, Commissioners Williams and Piepkorn voted aye.

Commissioners Wimmer, Mahoney and Walaker voted nay.

The motion died for a lack of a majority.

On call of the roll on the original motion Commissioners Mahoney, Wimmer and Walaker voted aye.

Commissioners Williams and Piepkorn voted nay.

The motion was declared carried.

Item No. 6 Omitted:

Item No. 6 (Bid Award for Project No. 6002-2 and discuss rights of entry) was omitted.

Change Order No. 2 for Project No. 6031 and Contract Time Extension Approved:

Senior Engineer April Walker said this is work in Coulee's Crossing to add in the construction of a permanent levee on the north-south portion of East Rose Creek Parkway, to build an emergency levee across three properties and tie into an emergency levee that has already been constructed. She said the Engineering Department negotiated with the contractor that the City had a contract with on a similar project. Eighty percent of the cost of the contract is for fill that is coming in to build that levee, she said.

Commissioner Piepkorn said his main concern is that the original contract was for less than the change order and at what point does the City go back and rebid the project.

Ms. Walker said what the Engineers did was compared the bid price to other jobs of similar size and the dollar amount was comparable to bids on other jobs.

Commissioner Piepkorn moved approval of Change Order No. 2 for an increase of \$313,539.45 for Project No. 6031 and contract time extension.

Second by Williams. On call of the roll Commissioners Piepkorn, Williams, Wimmer, Mahoney and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Commissioner Piepkorn moved that the Board adjourn to 5:00 o'clock p.m., Monday, October 3, 2011.

Second by Williams. All the Commissioners voted aye and the motion was declared carried.

The time at adjournment was 7:12 o'clock p.m.
