- dd. Schedules and priorities for Corridor Study of 19th Avenue North from 10th to 45th Street North (Project No. 5933).
- ee. Application for Federal TCSP funds and Contract Amendment No. 1 in the amount of \$5,000.00 for Project No. 5884.
- ff. Change Order No. 2 for an increase of \$10,175.00 for Project No. 5860.
- gg. Change Order Nos. 1, 2, 3 and 4 for a total decrease of \$21,178.49 for Project No. 5902.
- hh. Bills in the amount of \$5,660,062.45.

Second by Williams. On call of the roll Commissioners Mahoney, Williams, Piepkorn, Wimmer and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Final Balancing Change Order No. 1 for Improvement District No. 5822 Approved:

Commissioner Mahoney moved approval of Final Balancing Change Order No. 1 for an increase of \$64,430.51 for Improvement District No. 5822.

Second by Williams. On call of the roll Commissioners Mahoney, Williams, Piepkorn, Wimmer and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

First Reading of an Ordinance Relating to Signs (Portable):

The Board received a communication from City Attorney Erik Johnson stating the first of three proposed ordinances relating to the new Sign Code was approved by the Board in November. The time period for any referral of that ordinance has since passed, he said; therefore, it would now be appropriate to take action by having first reading of the second of the three ordinances. He said this ordinance was segregated from the rest of the sign code due to the possibility of referral and addresses the portable sign provisions and community wide event signs. If this ordinance goes forward, he said, the third ordinance repealing the old sign code will come in due course

Commissioner Wimmer moved first reading of an Ordinance Amending Section 20-1309 of Article 20-13 of Chapter 20 (Land Development Code) of the Fargo Municipal Code Relating to Signs (Portable).

Second by Piepkorn. On call of the roll Commissioners Wimmer, Piepkorn, Williams, Mahoney and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Appointments to the Housing and Redevelopment Authority:

The Board received a communication from Mayor Walaker recommending that Karen Moore and Ken Krajsa be reappointed to the Housing and Redevelopment Authority.

Commissioner Mahoney moved Karen Moore and Ken Krajsa be reappointed to the Housing and Redevelopment Authority for three-year terms ending September 30, 2014.

Second by Wimmer. On call of the roll Commissioners Mahoney, Wimmer, Williams, Piepkorn and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Resolution Adopted Prescribing Rates and Charges for Water, Sewer and Forestry Utility Services for the 2012 Calendar Year:

The Board received a communication from City Auditor Steve Sprague submitting resolutions prescribing rates and charges for the utility services for Water, Sewer and Forestry utility funds. He said monthly Forestry rates will increase \$.50 per household, sewer rates on a residence will increase \$.35 and the water utility rate will increase \$.05 per thousand gallons; therefore, a monthly residential bill will

increase approximately \$.95 depending on water usage. He said the rate adjustments were approved by the Board as part of the 2012 budget.

Commissioner Williams stated Fargo's water rates are the highest in North Dakota, and now with the higher than anticipated sales tax revenues from the State, he feels there could be some offsets in some of the rates.

Commissioner Wimmer said he agrees with the recommendation of staff and feels the modest increase now is preferable to larger increases later.

Director of Finance Kent Costin said the funds Commissioner Williams is referring to are accounted for in the general fund. The enterprise funds are self sustaining activities, he said, and incorporate user fees and charges to maintain stability. He pointed out it has not been past practice to take state aid and transfer it into utilities.

Commissioner Wimmer moved the Resolutions prescribing rates and charges for Water, Sewer and Forestry utility rates for the 2012 calendar year and referred to as Attachments "A", "B" and "C", be adopted and attached hereto.

Second by Mahoney. On call of the roll Commissioners Wimmer, Mahoney and Walaker voted aye.

Commissioners Williams and Piepkorn voted nay.

The motion was declared carried.

Engineering Task Order to Cover and Heat 750,000 Reserve Sandbags Approved:

The Board received a communication from the Utility Committee stating there are 750,000 reserve sandbags being stored outside of the City's landfill composting facility. In previous years, they said, the City utilized indoor heated warehouse space to thaw the reserve sandbags; however, staff is concerned about the structural integrity of the wood pallets if the sandbags were relocated to warehouse locations due to the loading and offloading. They said landfill consultant Wenck Associates was asked to explore the concept of thawing the sandbags in place versus handling, hauling and thawing the sandbags in a heated warehouse. They said the cost is estimated at about \$50,000 versus warehouse space rental which has been estimated at \$80,000 per month.

Enterprise Director Bruce Grubb said the two options researched most thoroughly were the hydronic ground thawing hoses and the forced air option, with the forced air option being the best and least expensive. He said the project involves having the sandbags professionally covered with heavy plastic liner and seamed so it is one continuous piece with openings fabricated for the forced air heaters. He said he would like to cover the sandbags before it snows. Thirty days should be enough time to thaw them, he said, and that process could be started as early as March 1st. He said if the sandbags are not needed this spring, they could be preserved for a number of years as long as they are properly covered and protected from UV rays.

Commissioner Williams moved the Engineering Task Order with Wenck Associates for a project to cover and heat 750,000 reserve sandbags at the City composting facility be approved.

Second by Piepkorn. On call of the roll Commissioners Williams, Piepkorn, Mahoney, Wimmer and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Renaissance Zone Project for Fuji Japanese Seafood and Steakhouse Inc. Approved:

A Hearing had been set for this day and hour to receive comments on a Renaissance Zone Project for Fuji Japanese Seafood and Steakhouse Inc. at 630 1st Avenue North.

No written protest or objection to the Project has been received or filed in the City Auditor's Office.

The Board determined that no person is present to protest or offer objection to the Project.

The Board received a communication from Senior Planner Robert Stein stating the Renaissance Zone Project application presented by Fuji Japanese Seafood and Steakhouse Inc. meets all of the minimum criteria set forth in the Renaissance Zone Plan and is consistent with the established goals and objectives. Mr. Stein recommended that the project be approved.

Commissioner Piepkorn moved the Renaissance Zone application filed by Fuji Japanese Seafood and Steakhouse Inc. for a project located at 630 1st Avenue North be approved and the income tax and property tax exemptions be granted as recommended by staff.

Second by Wimmer. On call of the roll Commissioners Piepkorn, Wimmer, Williams, Mahoney and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Hearing on Renaissance Zone Project for T & S Investments, LLC Continued to December 27, 2011:

A hearing had been set for this day and hour on a Renaissance Zone Project proposal by T & S Investments, LLC for a lease project located at 35 North 4th Street; however, Senior Planner Bob Stein stated the applicant has requested that the hearing be continued to December 27, 2011 due to changes being made in the applicant's organization.

Commissioner Piepkorn moved the hearing be continued to 5:15 o'clock p.m. on Tuesday, December 27, 2011.

Second by Wimmer. On call of the roll Commissioners Piepkorn, Wimmer, Williams, Mahoney and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Commissioner Piepkorn moved that the Board adjourn to 5:00 o'clock p.m., Tuesday, December 27, 2011.

Second by Mahoney. All the Commissioners voted aye and the motion was declared carried.

The time at adjournment was 5:19 o'clock p.m.
