They said the school is slated to open in the fall of 2014 and the City will be bidding a project for the installation of underground utilities and paving for construction in 2013.

Ms. Derrig said the City works with the West Fargo School District in the area west of 45th Street, the same as it works with the Fargo School District in the other areas of the City.

Receive and File Request from Edward Ferguson for Waiver from the River Setback Ordinance: Appropriate Staff Directed to Evaluate the Waiver for Property Located at 4103 66th Street South:

The Board received a communication from Attorney Jade Rosenfeldt of the Vogel Law Firm stating her firm is representing Edward Ferguson in regards to a zoning and setback matter. She said Mr. Ferguson is requesting a waiver of Ordinance No. 4818 on property located at 66th Street South to include unplatted property as part of those properties eligible for waivers of the ordinance. She said if Mr. Ferguson were to develop this property into multiple single-family duplexes, which was his original intent when the property was purchased and remains his intent today, based on the River Setback Ordinance he would only be allowed to develop on less than a fourth of his property. If a waiver was granted, she stated, Mr. Ferguson could proceed with developing this property into the multiple single-family duplexes as originally planned and in conformity with the remaining ordinance. In 2004, she said, Mr. Ferguson approached the City and was approved pursuant to Ordinance No. 4376 to rezone this property from AG, Agricultural to SR-4, Single-Dwelling which allowed for duplexes. By not allowing the waiver, she said, Mr. Ferguson will essentially be stripped of what he and the City of Fargo had agreed on in regards to this property in 2004 and he will essentially be unable to develop the property. She said the request is to determine the eligibility of the property for a waiver before engaging in the expense of a geotechnical analysis.

Edward Ferguson, the owner of property at 4103 66th Street South, said the property is six contiguous acres and is eligible for development; however, as the Ordinance reads it essentially takes away its value. He said a piece of property has the same viability for development whether it is platted or unplatted; however, the Ordinance indicates that unplatted land is not eligible for a waiver, he said.

Commissioner Williams said when the River Setback Ordinance was approved, the Board was careful to establish a procedure for those seeking waivers to make a case; however, that does not guarantee approval.

Commissioner Williams moved the request from Edward Ferguson for a waiver from the River Setback Ordinance be received and filed and that appropriate staff be directed to evaluate the request for a waiver for property at 4103 66th Street South and submit their recommendation to the Board.

Application to Transfer the Alcoholic Beverage License from Coulter Holding Company d/b/a JT Cigarro to JT's Bar and Lounge, LLC d/b/a JT Cigarro Approved:

A Hearing had been set for January 21, 2013 on an application to transfer the Class "AB" Alcoholic Beverage License from Coulter Holding Company d/b/a JT Cigarro at 4554 7th Avenue South to JT's Bar and Lounge, LLC d/b/a JT Cigarro notice of which had been duly published in the official newspaper for the City of Fargo. At the January 21, 2013 meeting, the Hearing was continued to this day and hour.

City Auditor Steve Sprague said one issue with this transfer is that the current owner, Dana Coulter, was reluctant to comply with the new statewide smoking ban and allowed access to a smoking room. He said the applicants assured the Board that practice will not continue under their ownership; therefore, the Liquor Control Board recommends approval of the transfer.

In response to a question from Commissioner Sobolik about the background investigation and criminal convictions in the background of both applicants, Chief of Police Keith Ternes said the incidents are fairly dated and do not concern him to the point of denying the transfer. He said he feels the issue is compliance with the smoking regulations and the liquor license transfer should be contingent on that.

Barrett Prody, 3250 40th Avenue South, stated the new ownership will be compliant with the smoking regulations and smoking at JT Cigarros will be a thing of the past.

No written protest or objection to the granting of the application has been received or filed in the office of the City Auditor, and said application has been approved by the Police Department as to the character of the applicant.

The Board determined that no person is present at this Hearing to protest or offer objection to the granting of the application.

Commissioner Wimmer moved the application be approved contingent upon compliance with the Smoking Ordinance.

Second by Williams. On call of the roll Commissioners Wimmer, Williams, Mahoney, Sobolik and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Application to Transfer the Alcoholic Beverage License from RRL Fargo, LLC d/b/a Red River Lodge to FM Hospitality, LLC d/b/a Red River Lodge and Suites Approved:

A Hearing had been set for January 21, 2013 on an application to transfer the Class "ABH" Alcoholic Beverage License from RRL Fargo, LLC d/b/a Red River Lodge at 901 38th Street South to FM Hospitality, LLC d/b/a Red River Lodge and Suites notice of which had been duly published in the official newspaper for the City of Fargo. At the January 21, 2013 meeting, the Hearing was continued to this day and hour.

City Auditor Steve Sprague said there were three partners in the business and one partner bought the others out. He said when there is more than a 50% transfer of ownership an application to transfer the liquor license is required. There were no

issues in the background check, he said, and the Liquor Control Board recommends approval of the transfer.

No written protest or objection to the granting of the application has been received or filed in the office of the City Auditor, and said application has been approved by the Police Department as to the character of the applicant.

The Board determined that no person is present at this Hearing to protest or offer objection to the granting of the application.

Commissioner Wimmer moved the application be approved.

Second by Sobolik. On call of the roll Commissioners Wimmer, Sobolik, Mahoney, Williams, and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

#### Amendment to the Growth Plan Approved:

A Hearing had been set for this day and hour to consider approval of an amendment to the Growth Plan of the proposed Valley View Addition from Low/Medium Density Residential to Schools and from Medium/High Residential Density to Low/Medium Residential Density.

The Fargo Planning Commission recommended approval of the amendment to the Growth Plan at their December 4, 2012 meeting.

Planning Administrator Nichole Crutchfield said there was some opposition at the Planning Commission meeting to higher density residential zoning along the 40th Avenue corridor. She said an alternative Growth Plan amendment was presented by staff that would reduce the amount of land proposed for commercial and multiple dwellings along 40th Avenue. The developer is bringing all the land in the area to a master plan, she stated, and the proposed Growth Plan amendment will increase commercial development along Veterans Boulevard and 40th Avenue South, as well as increase multi-family dwellings along 40th Avenue South just west of Cass County Drain 27. The Public Institutional area will increase, she stated, to accommodate plans for the school along 54th Street and 38th Avenue South. She said the development will also include a large area for a park north of the school.

The Board determined that no person is present to protest or offer objection to the Growth Plan amendment.

Commissioner Sobolik moved the amendment to the Growth Plan be approved.

Second by Wimmer. On call of the roll Commissioners Sobolik, Wimmer, Williams, Mahoney and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.
