REPORTING REQUIREMENTS

A candidate for a county, city (in cities with a resident population of 5,000 or more), or school board (in school districts with a fall enrollment of 1,000 students or more) office, is required by law to file a statement of contributions, known as a Campaign Disclosure Statement (SFN 53970).

The statement must include the name and mailing address of all contributors who contributed in excess of \$200 in the aggregate during the reporting period, the aggregated amount of the contributions from each listed contributor, and the date the most recent contribution was received from that contributor.

A year-end statement must be filed each year even if the candidate received no contributions during the year or any reportable contributions in excess of \$200.

When a statement is filed, please note the options in Section C (i.e., "No reportable contributions for reporting period" and "No reportable contributions since last statement filed").

TYPES OF REPORTABLE CONTRIBUTIONS:

A gift, transfer, conveyance, provision, receipt, subscription, loan, advance, deposit of money, or anything of value, made for the purpose of influencing the nomination for election, or election, of any person to public office or aiding or opposing the circulation or passage of a statewide initiative or referendum petition or measure.

The term also means a contract, promise, or agreement, express or implied, whether or not legally enforceable, to make a contribution for any of the above purposes.

The term includes funds received by a candidate for public office or a political party or committee, which are transferred or signed over to that candidate, party, or committee from another candidate, party, or political committee or other source.

The term "anything of value" includes any good or service of more than a nominal value. The term "nominal value" means the cost, price, or worth of the good or service is trivial, token, or of no appreciable value. The term "contribution" does not include:

1. A loan of money from a bank or other lending institution made in the regular course of business.
2. Time spent by volunteer campaign or political party workers.
3. Money or anything of value received for commercial transactions, including rents, advertising, or sponsorships made as a part of a fair market value bargained-for exchange.
4. Money or anything of value received for anything other than a political purpose.
5. Products or services for which the actual cost or fair market value are reimbursed by a payment of money.
6. An independent expenditure.
7. The value of advertising paid by a political party, multicandidate political committee, or caucus which is in support of a candidate.
8. In-kind contributions from a candidate to the candidate's campaign.
