I think fargo is great because there are sooooo many thing's to do like going to the park, zoo, skate city and the beach. There are so many FUN thing's to do in fargo. That's why I think fargo is great.

I think fargo is special because there are many thing's to do and these are some thing's that I think mack fargo SPECIAL. the water park, dance show's, tennes and way more.

That's why I think fargo is special. If I was the Mayor, I would want to make nersing homes free because it would be hard to mack money when your old. I would also lower taxes because almost every year they get higher. Those are just two thing's I would do if I were Mayor!
