Summer Reading Challenge

June 7 – August 21

Every summer the Fargo Public Library hosts the summer reading challenge to help school-age children stop summer learning loss. We know that children who read over the summer fare better on reading comprehension tests in the fall than children who do not read. Studies show that reading as few as 4 to 5 books over the summer helps children enter the new school year ready to learn.

We also recognize the importance of including younger children in our summer activities, and we have a challenge just for them. Children get ready to read long before they start school. Babies and young children who have been read to from an early age have a larger vocabulary, better language skills, and are more likely to want to learn to read than children who have not been exposed to books and reading.

The theme for 2021 – **Tails & Tales** – celebrates animal antics with a summer filled with exciting stories, events, and activities! This summer the Fargo Public Library is using online software called Beanstack for children and families to track their reading. Beginning **May 26**, children ages 12 and younger are welcome to visit fargolibrary.beanstack.org or download the Beanstack app to pre-register. On **June 7**, children can begin to log their reading each day to earn prizes.

The challenge this year also includes early literacy activities, prize drawings, online and outdoor events, and the College SAVE program through the Bank of North Dakota. Look for these exciting activities and more information inside:

- Kick-Off Event at the Red River Zoo – June 7 from 11 a.m. to 2 p.m.
- Jeff Quinn's Reading Safari Magic Show – June 17 at 2 p.m.
- Library Learning Garden at the Dr. James Carlson Library
- Tasty Traveling Tales video series
- Continental Crafts to Go for Kids
- PAWS for Reading Summer Edition
- Going Places Book Club – July 13 at 2 p.m.

School-Age Children: Animal Patches

School-age children (ages 4 to 12) who participate in the Summer Reading Challenge can earn up to seven animal patches – one from each continent! Each day that you read, log your reading in Beanstack. We suggest reading for 20 minutes a day, but choose whatever goal works best for your schedule. For every ten days you read, you earn a patch. If you reach the end of the challenge and collect all of the patches, you earn your prize book! Days do not need to be consecutive to count towards your patches.*

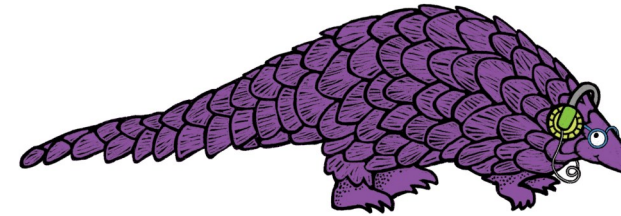

Young Children: Animal Stickers and Other Prizes

Young children (ages birth to 4) who participate in the Summer Reading Challenge can earn up to seven animal stickers as well as finger puppets, animal masks, and more!
