### 1,000 BOOKS BEFORE KINDERGARTEN SETS CHILDREN ON THE PATH TO SUCCESS . . . ONE BOOK AT A TIME

The Fargo Public Library is excited to announce the addition of the *1,000 Books Before Kindergarten* initiative to its growing body of services for young children and their parents and caregivers. Designed to encourage reading and sharing stories, the *1,000 Books Before Kindergarten* program highlights the benefits of reading to babies, toddlers, and preschoolers. Children who have been read to from a young age begin school with the tools they need for academic success. It is our goal to help prepare all children in the Fargo community to become lifelong readers.

Participation in the *1,000 Books Before Kindergarten* program is easy. Read a book, any book to your child, with the goal of reading 1,000 before kindergarten. By reading just one book a night, families can reach the 1,000-book goal in three years and provide their children essential early literacy skills. Research shows that the most reliable predictor of school success is being read to during early childhood. Reading to children from an early age can help prepare children to enter kindergarten with the skills they need to succeed. Most importantly, sharing books with children promotes a lifelong love of books and reading.

Stop by any Fargo Public Library location beginning Jan. 22 to get started. Help us kick off the new program with a bang! Join us Thursday, January 25 at 10 a.m. at the Main Library or Saturday, January 27 at 10 a.m. at the Carlson Library. These events are open to all ages, but are most appropriate for children ages 5 and younger. We'll have read aloud activities, crafts, snacks, and maybe a special guest or two! Sign up to participate in the 1,000 Books program at one of the Kick Off Parties and receive a book bag (while supplies last).

For more information about the *1,000 Books Before Kindergarten* initiative or any of the other Fargo Public Library services, please contact us at 701-241-1495 or visit us online at [www.fargolibrary.org/kids](http://www.fargolibrary.org/kids).
