## Graphic Novel Reorganization

Are you looking for a graphic novel? We've made it easier for you! The Children's Graphic Novel Collection at the Main Library has been relabeled to help you find your favorites. **We have relabeled this collection so that the books are in alphabetical order by the character's name, series, or title.** The Children's Graphic Novels were previously in alphabetical order by the author's last name. Using the author is effective for a majority of our collections, but unfortunately in our graphic novel collection we noticed that this way of labeling items sometimes separated books in a series or made it difficult to find a book when browsing. We believe that it will be easier for children to find what they are looking for with our new labeling system.

For instance:

- Do you want to read Dog Man (character)? Dog Man is now shelved under D for Dog Man.
- How about My Little Pony (series)? My Little Pony is now shelved under M for My.
- What about *Smile* (title) by Raina Telgemeier? *Smile* is now shelved under S for *Smile*.

**You can check out the reorganization of graphic novels at the Main Children's Library in aisles 16 & 17!** We will be switching over to this new way of labeling graphic novels at the branch libraries in the next few months. If you have questions about graphic novels or any Fargo Public Library collection, please contact Children's Services at 701-241-1495 or email us at [kids@fargolibrary.org](mailto:kids@fargolibrary.org).
