StoryWalk® Outdoor Literacy Activities

StoryWalks® are a series of permanent signs designed to connect reading and learning with physical activity. A self-paced, family-friendly activity, the signs are spread out to encourage residents of all ages to read, move, and enjoy the outdoors. The Fargo Public Library currently has two StoryWalks® that feature books which change every few months. These StoryWalks® are a free activity available during regular park hours.

The **Brunsdale Park StoryWalk®** is located at 1702 27th Ave. S. in Fargo. It begins on the northwest end of the park near the playground and extends to the south along the trail before returning to end near the playground. Fargo's Brunsdale Park StoryWalk® project was made possible with support from the Fargo Public Library, the Fargo Park District, the Fargo Park District Foundation, and the Fargo Park District Foundation Matching Grant Program. Featured Stories:

If You Were a Penguin by Wendell and Florence Minor (Jan. through May) and ***I Got the Rhythm*** by Connie Schofield-Morrison (May through Sept.).

The **Sodbuster Plaza** outside of the Main Library also features a StoryWalk®. The story begins on the east side of the building. These stories change every two months. Featured Stories: ***Dancing Feet*** by Lindsay Craig (Jan. through Feb.), ***Stretch*** by Doreen Cronin (March through April), and ***What Does Bunny See?*** by Linda Sue Park (May through June).

The StoryWalk® Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Kellogg-Hubbard Library. Storywalk® is a registered service mark owned by Ms. Ferguson.

Alexander Hamilton: Immigrant, Patriot, Visionary Traveling Exhibit

Alexander Hamilton is with us every day, not only in our wallets, on the \$10 bill, but also in the republic's most vital institutions. An exhibit honoring the statesman, scholar, and former Secretary of the Treasury will **visit the Main Library from March 31 to April 28**. ***Alexander Hamilton: Immigrant, Patriot, Visionary***, a national traveling exhibition developed by the Gilder Lehrman Institute of American History and made possible by the Rockefeller Foundation, will examine Hamilton's role during the Revolutionary War and Founding period (1774-1804) in creating the economic, constitutional, social, journalistic, political, and foreign policy templates for modern America. It will acquaint visitors with a statesman and visionary whose life inspired discussion, controversy, and shaped the America we live in two hundred years after his death. ***Colonial era information and craft packets will be available for kids in the Children's Area at the Main Library while supplies last.***
