

HOT OR NOT STOP, DROP, AND ROLL

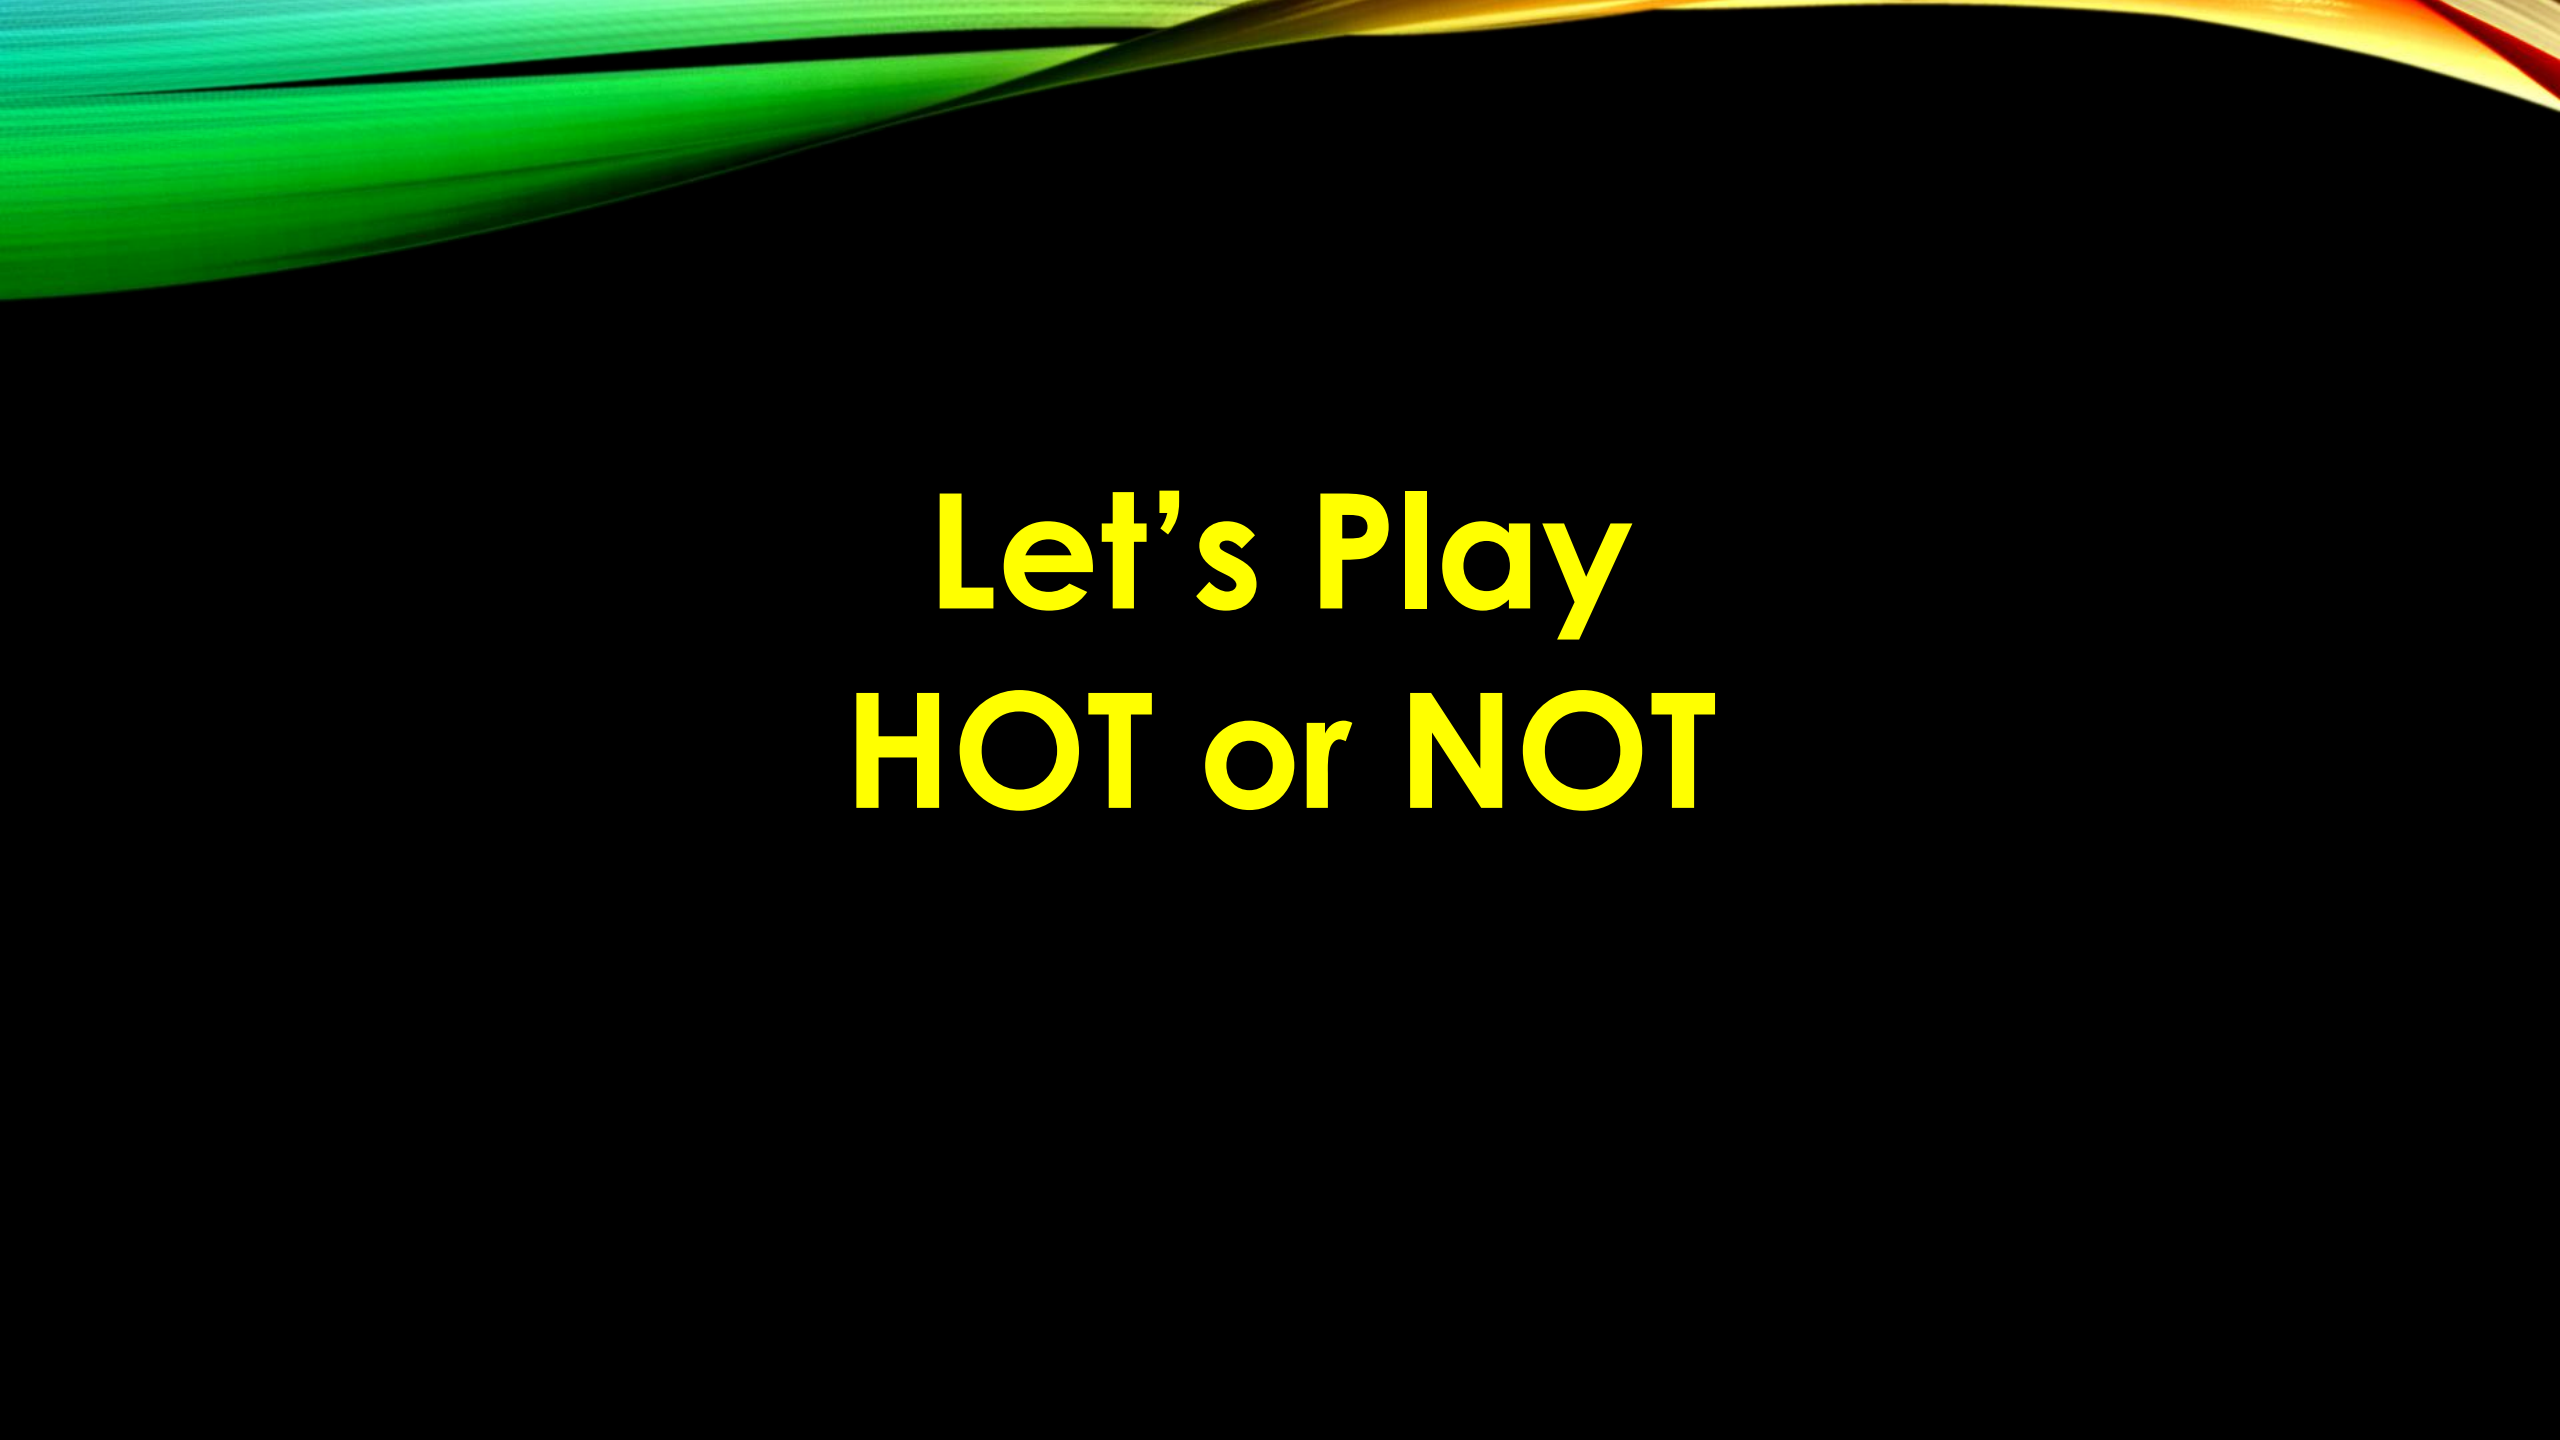

REVIEW FROM LAST YEAR

- What is an emergency?
- What number do you call in case of an emergency?
- What should you know when you call 911?
- How many ways out should you look for?
- Where can you find Lithium-Ion Batteries?

BURN PREVENTION

- Stay away from hot things: oven/stove, lighters, electricity, grills
- Hot things can start fires and burn us.
- Hot things can be found inside and outside.
 - Many hot things are found in the kitchen.
- If you are burned:
 - Cool the burn under cold water.
 - Tell an adult (seek medical attention?)

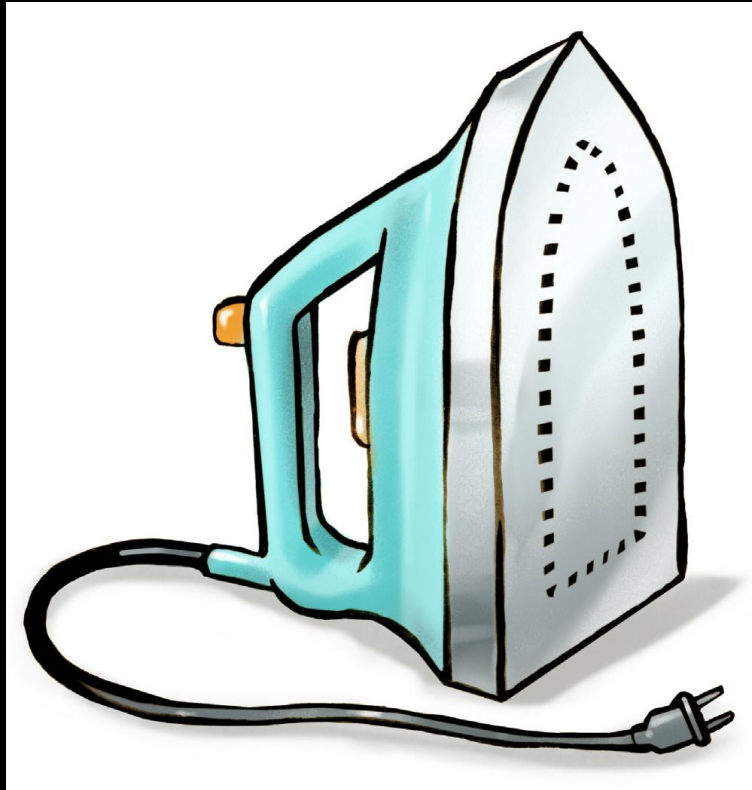

**Let's Play
HOT or NOT**

HOT OR NOT?

Should you use an iron?

Could you get burned by an iron?

What should you do if you get burned?

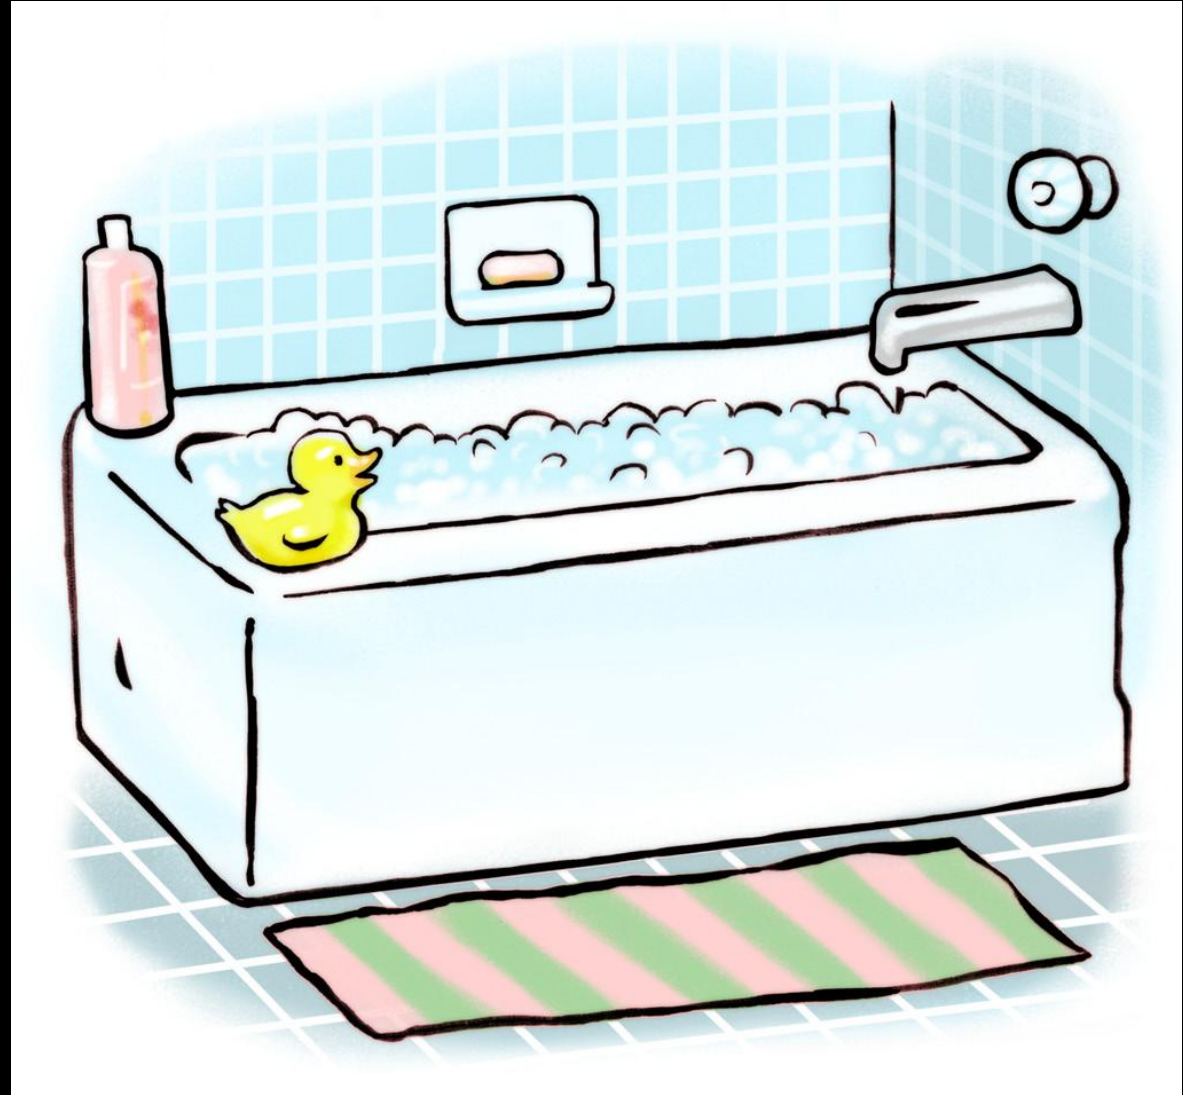

HOT OR NOT?
