

Apply (free of charge) for a LOMA online. Applicants must set-up a FEMA account at the online LOMC web application.

Search: [online lomc](#)

The screenshot shows the 'Online Letter of Map Change' web application. It features a header with the 'ONLINE LOMC' logo and a 'Contact FMIX' link. The main content area is divided into two columns. The left column contains two sections: 'What is a Letter of Map Change (LOMC)?' and 'What is the Online LOMC site?'. Both sections provide introductory text and a 'Read More' link. The right column contains a 'Sign In to Online LOMC' section with fields for 'Email Address' and 'Password (Forgot Password)', a 'Sign In' button, and a 'New User? Click here to S' link. Below the sign-in section is a warning icon and the text 'All information is protected from unauthorized disclosure'. At the bottom of the page, there is a 'Warning Disclaimer' and a link to download a plug-in for Adobe Acrobat Reader or Microsoft Word.

Applicants will need to upload (attach) the following items to complete the application:

> Do not check the Fill Placed option if applying for a LOMA <

- **Assessor's Map**  
You can use an image from the [City's GIS](#), [FEMA Floodplain Application map](#) or Plat map
- **Elevation & Floodproofing Certificates**  
Available either for the city or contracted via a local engineering firm
- **Flood Insurance Rate Map (FIRM)**  
Create a FIRMette for your address at the ([FEMA Flood Map Service Center](#))
- **PLAT map**  
Available from [Cass County's website](#) "[Services](#)" or search

Note: BLUE lettering = hyperlink to site. If link is broken use a search browser to access site
