Hi Deanne,

We were thinking that the Executive Committee might have their meeting there and then we'd invite the rest of the Human Relations Commission members for the tour. So, the meeting will be

CITY OF FARGO HUMAN RELATIONS COMMISSION

Sponsorship Application

Please complete this application to apply for City of Fargo Human Relations Commission sponsorship funds. You may be contacted by City staff if additional information is required.

The Fargo Human Relations Commission (FHRC) assists in funding events that fit within its mission to encourage acceptance, respect for diversity and eliminate discrimination. If the FHRC commits funds to an event, it should be listed as a sponsor in all publicity. The FHRC will consider written funding requests monthly, with a deadline of the 28th of each month. Applications must include an event budget or detailed description of how funds will be used. While, on average, funding is provided in the amount of \$500 or less, all appropriate funding requests will be reviewed with consideration of FHRC budget constraints and established line items. If you would like more information about the FHRC sponsorships, please contact Willard Yellow Bird Jr., Cultural Planner, at 701-476-4116 or wyellowbird@cityoffargo.com.

ORGANIZATION NAME: F5 Project

PROGRAM/PROJECT NAME: Erasing Stigma Conference 2018

DATE SUBMITTED: February 20, 2018

AMOUNT REQUESTED \$500

(NOTE: We know that there is only \$1000 for sponsorships and although we would like to ask for all of this as a conference is expensive to put on, we also want to be respectful of other groups that will likely want sponsorship. We think that it is important for the City of Fargo to be a sponsor at an event like this so that we can showcase the City of Fargo as a partner in the effort to erase stigmas of all kinds.)

PLEASE ATTACH A PROJECT SUMMARY, INCLUDING A DESCRIPTION OF WHAT THE FUNDS WILL BE USED FOR (on the back of this page or on another sheet)

PROJECT SUMMARY:

Last year, we held a conference called “Erasing Stigma” and the intent was to begin the conversation of erasing all types of stigmas in an event each year. The flavor of the event was Ted-style talks from those with lived experience and discussion panels about forward direction and change-making. The first year was centered on the stigma associated with having a successful career that changed when a felony is one’s background. The keynote speaker was Ryan Leaf, former NFL athlete who now has a very different life than the public once knew. The overall conference had the underlying theme of resilience and empowerment, but there was need to face and work on erasing stigma.

The 2018 conference planning is just beginning at this time. We have not yet selected a final theme, but we are exploring topics such as the following: women with felony backgrounds, being a single parent trying to overcome a background, the effect on the family when there is incarceration, etc. There will be a larger national or regional speaker and we will get additional regional and local speakers and panelists. **We would apply the funds toward a speaker fee for the keynote, so the funds will go to public education.** In 2017, the keynote was over thousands of dollars, so this request would go toward that cost.

Mission and Actions (What are you planning to do? Please attach additional information if applicable)

This request is to specifically list City of Fargo as one of the sponsors in helping us with our second year of an annual conference centered on equitable opportunities for all. The F5 Project designed this conference as a means to bring people together to listen, understand, and collaborate. The center point is not just about stigmas. It is specifically those that create barriers for citizens to have equitable opportunities for success in basic areas such as housing and employment.

The event will be held in late September/early October of 2018.

As mentioned before, we are just in the planning stages and wanted to make the request for the event now while funds are available.

Please let us know if you would like any additional information and we will be glad to add as we continue to plan and make decisions.

Thank you.

Hello,

Last year, the event was 8am - 12pm and \$28. We are kicking around doing a full day event and have it between \$50 and \$55, so somewhere in that range. We really want to keep it as low as possible to give the maximum opportunity for those low on funds to attend. Last year, we also gave a few "scholarships" to people we know really just could not afford it. We will definitely do the same kind of thing this year and sponsor some people's attendance if we need to.

Thanks,
Amy
