RE: December Staff Report

This agenda item is an effort to summarize and memorialize issues, concerns, or staff action related to the work of the Human Relations Commission since the last meeting. During the meeting, the Chair may open for discussion or questions concerning these items.

1. Local COVID-19 Response

Staff continues to support overflow shelter needs through the Gladys Ray's temporary homeless quarantine and engagement center downtown, as well fitting up a temporary shelter in Moorhead. Over the course of 2020, the Planning Department has provided oversight of nearly \$4 million for emergency relief in Cass County. From general funds (through direct CARES Act distribution), the City of Fargo is allocating almost \$600,000 for emergency sheltering. Staff will continue to collaborate with shelter directors and the FM Homeless Coalition on a weekly basis to identify winter overflow needs and options as shelters are already reporting to be full.

Staff also continue to support and administer funds for several other supportive services, such as direct housing assistance, enhanced quarantine capacity at local shelters, and case management:

- Staff directly administered over \$550,000 for direct housing assistance through its landlord/tenant program, as well as funding other agencies over \$1.5M for direct housing assistance through SouthEastern North Dakota Community Action Agency (SENDCAA) and Presentation Partners in Housing (PPiH).
- In addition to these funds for direct housing assistance, SENDCAA and PPiH were recipients of the City's allocation of Community Development Block Grant funds from the CARES Act, or CDBG-CV. These two organizations received \$690,000 for direct housing assistance. PPiH also received \$150,000 from CDBG-CV to staff a housing navigation program at the Gladys Ray Shelter.
- Staff continues to administer over \$150,000 for several other supportive services, such as enhanced quarantine capacity at local shelters and case management.

The Planning Department is supporting Public Health in submitting an application for ESG-CV funds. Staff is also coordinating with the state regarding new allocation related to the recent stimulus announcement.

As a reminder, if you know someone in need of assistance, call FirstLink at 2-1-1. If there are system issues you would like to bring to our attention, please do so. It is very important to use the 2-1-1 system when possible; doing so ensures that the City and other agencies are aware of the services that are available and the coordination required to administer these services to as many people as possible.

2. HUD CDBG & HOME Funds

A draft of the City's 2020-2024 Five Year Consolidated Plan and 2020 Action Plan is available for public comment from January 14 through January 25. The Five Year Plan identifies the goals and funding priorities for CDBG and HOME funds from May 1, 2020 through April 30, 2025. The 2020 Action Plan allocates funding to specific projects. A copy of the public notice is attached to the staff report which includes a summary of the plan's contents and instructions on how to view the full plan and comment. The public hearing and final City Commission consideration of the plan is scheduled for January 25, 2021 at 5:15 p.m.

3. North Dakota Legislative Session

The 2021 North Dakota legislative session began on January 5, 2021. HRC members are encouraged to self-organize efforts as a commission to track legislation of interest or concern. Each month, the HRC agenda will contain a standing agenda item for a legislative update for members to use for announcements or observations of this legislative session.

Staff would like to remind members that there is a formal process for issuing testimony or resolutions in support or opposition of legislation as the City of Fargo and/or the Human Relations Commission. This process can take a few weeks and requires deliberate coordination among Planning staff, the HRC Chair, and liaison City Commissioner and the City Administration.

In addition, staff appreciate that HRC members wear many personal and professional hats outside of their HRC role. In the event members submit testimony and/or participate in organizing efforts outside of the HRC, they should be careful not to speak on behalf of the City or the HRC.

4. Green Dot Training

The Rape and Abuse Crisis Center will be holding a virtual Green Dot Overview training on Thursday, February 11, 2021. Please see the attached flyer for details and RSVP instructions.

2020-2024 Consolidated Plan Including 2020 Action Plan & Budget

2020 – 2024 Consolidated Plan

The City of Fargo has available for public review and comment a draft Five Year Consolidated Plan for the use of U.S. Housing and Urban Development (HUD) funds for Program Years 2020–2024 (May 1, 2020 to April 30, 2025). The Consolidated Plan includes the Program Year 2020 budget and allocation (May 1, 2020 to April 30, 2021) and the Analysis of Impediments to Fair Housing Choice (AI). The exact amount of HUD funds each year is determined by Congress, but based on previous funding levels, the City estimates approximately \$4,257,993 in CDBG funds and \$3,225,575 in HOME funds over the course of the Five Year Consolidated Plan.

In developing the Consolidated Plan, the City of Fargo conducted outreach through surveys, community focus groups, and individual interviews. The following priority areas were identified through public participation: economic development, neighborhood revitalization, housing development, and public services for low-and moderate income households and the homeless populations. The Consolidated Plan addresses these needs in four goals: (1) affordable housing (2) ending and preventing homelessness (3) neighborhood improvements and initiatives (4) assistance for vulnerable populations.

Due to the impacts of COVID-19, HUD extended the submission deadline for the 2020-2024 Consolidated Plan to August 16, 2021. The City took advantage of this extension to prioritize its administration of CDBG-CV (COVID-19) funding and other federal pandemic response funds. The first two years of funding in the Consolidated Plan prioritize activities that respond to, prepare for, and prevent the spread of the COVID-19 virus.

2020 Action Plan & Budget Proposal

The City of Fargo has prepared a draft version of the 2020 Annual Action Plan for Housing and Community Development for the Community Development Block Grant (CDBG) and HOME Programs. The priorities established within the draft plan result from community meetings and citizen participation in the development of the 2020-2024 Consolidated Plan. The City's 5-Year priorities include affordable housing, activities to end homelessness, neighborhood revitalization, and poverty reduction.

Estimated Resources

During the 2020 program year, the City of Fargo estimates the following resources to be available:
