Summer Reading Program For All Ages

Are you ready for a great summer? What makes for a great summer? Great weather, great activities and the Fargo Public Library's annual Summer Reading Program, of course! The library's popular program for kids, teens, and adults is here and you are invited to take part. This annual program, which starts **Monday, June 4**, and runs through Saturday, Aug. 4, is for readers of all ages. Residents are invited to participate in this summer learning opportunity by reading and attending special events, storytimes, concerts, movies, and craft programs.

The **kids'** summer reading program theme is "Libraries Rock!," and lots of music-themed activities and events are planned at all three library locations for the summer. Each week will feature new ways for kids to discover, learn, and read all summer long. Visit the library's website or call 701-241-1495 for additional information, or pick up a kids' events calendar at any library location.

Teens (& 'tweens) are encouraged to get involved at the library with their own summer reading program also titled "Libraries Rock!" Teens are asked to read five (5) books (Note: 2 manga novels count as 1 book) during the next eight weeks and turn in their booklogs before August 4 to earn prizes and have their names entered in the grand prize drawing at the end of the program.

Teens also have a whole schedule of events geared just for them this summer at all three library locations. Find a teen activity schedule online or at any Fargo Public Library location. Contact the teen librarian at teens@fargolibrary.org or call 701-476-5978 for further details.

All summer long, the library will offer events and activities for you and your family.

Adults will also experience how much "Libraries Rock!" this summer with events and programs just for them. Bookmark booklogs for adults are available at any Fargo Public Library location starting June 4. Once you have completed the booklog with any combination of reading and/or listening to books, you can turn in your booklog to receive a small prize (one ear bud package per person, while supplies last) and be entered into the grand prize drawing for tickets to the Symphony Rocks! Concert in late August at Bluestem. The drawing for the grand prize will be held after August 4. A schedule of events for adults is available online or at any Fargo Public Library location. Contact the Main Library Information Desk at 701-241-1492 for further details.

To participate, pick up an official booklog at any Fargo Public Library location beginning Monday, June 4. Booklogs are available for kids, teens, and adults, but only children need to register to participate in this free program.

For a list of Summer Reading Program events, check out the events highlighted in this newsletter or visit www.fargolibrary.org.

Fargo Public Library programs are free and open to the public.

Plenty of parking is available in the library's west parking lot along 4th Street North. Parking is also available in the Civic Center Quad parking lot located north of the Main Library between the Civic Center and the library. More parking can be found in the Civic Center/Library parking lot located east of the building along 3rd Street North. Library patrons park for free when using these lots each day.
