Board of City Commissioners
City of Fargo
225 4th Street North
Fargo, ND 58102

**Re: Peggy J. Barnum – Purchase Agreement
Project #FM-19-B**

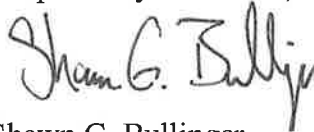

Dear Commissioners:

Enclosed and delivered to the City Commission office for review and approval please find an original Purchase Agreement signed by **Peggy J. Barnum**. Final purchase price has been reached and at this time we are requesting authorization from the Commission to proceed with the purchase. All land acquisition procedures have been followed and the City Engineer's office recommends purchase.

RECOMMENDED MOTION: I/we hereby move to approve and authorize purchase of the property located at 775 Royal Oaks Drive North from **Peggy J. Barnum** in association with Project #FM-19-B and that the Mayor and City Auditor be instructed to execute the Purchase Agreement on behalf of the City of Fargo.

Please return a copy of the signed original.

Respectfully submitted,

Shawn G. Bullinger
Land Acquisition Specialist

C: Jody Bertrand
Nancy J. Morris

PURCHASE AGREEMENT

THIS AGREEMENT, made and entered into by and between **PEGGY J. BARNUM**, the identified owner of the property located 775 Royal Oaks Drive North in Fargo, North Dakota hereinafter "Seller", whether one or more, and the **CITY OF FARGO**, a North Dakota municipal corporation, hereinafter "City" or "Buyer",

WITNESSETH:

WHEREAS, Seller is the owner of real estate situated in the County of Cass and State of North Dakota described as follows:

Lot Seven (7), Block One (1) of Broadway North First Addition to the City of Fargo, situate in the County of Cass and the State of North Dakota.

Property Address: 775 Royal Oaks Drive North, Fargo, ND

WHEREAS, Owner desires to sell, and the City of Fargo is willing to purchase Owner's property due to its proximity to the river and flood protection logistics; and

WHEREAS, Seller and Buyer have reached an agreement to purchase the property in accordance with the terms herein.

NOW, THEREFORE, in consideration of the mutual covenants, promises and agreements of the parties, it is hereby agreed as follows:

1. **Subject Matter.** The subject matter of this agreement is the real estate described, other buildings located thereon, and all items affixed to the property.
2. **Purchase Price.** The purchase price for the Property is Two Hundred Sixty-Seven Thousand Dollars (\$267,000.00).
3. **Payment of Purchase Price.** The mortgage, if any, as well as any liens or encumbrances, will be paid and Seller shall receive the balance of the purchase price, less any escrow amounts, in cash on the date of closing.
4. **Abstract.** Seller shall furnish Buyer an abstract of title to the subject property and Buyer shall pay for the cost of continuation of said abstract to a recent date. Said abstract must show good and marketable title in Seller free and clear of all liens and encumbrances (other than those that will be handled at closing). City shall pay all costs associated with closing, including deed preparation and recordation.
5. **Taxes and Utilities.** Taxes and installments of special assessments for the year of closing shall be prorated between the parties to the date of closing based upon current total true value as calculated by the County of Cass, ND, as of the date of closing. Prior year taxes and assessments must be paid by Seller in advance of closing.

6. Deeds. Seller shall sign warranty deeds prepared by Buyer. Buyer will take title as follows: City of Fargo, North Dakota, a municipal corporation.

7. Closing Date and Transfer of Possession. Closing shall take place at a time and date to be agreed by the parties, but not later than August 1, 2020. The City shall take possession of the real estate no later than the last day of the month of closing, unless other arrangements have been made. If City does not take possession on the date of closing, \$1,000 will be required of Seller at closing and retained until such time as the possession of the property is secured by the City in satisfactory condition. Seller agrees the \$1,000 deposit may be forfeited if the property is not delivered in satisfactory condition.

A separate Occupancy Agreement may be entered into between the parties should Seller desire to continue to reside in the dwelling longer than the end of the month of closing. If Seller elects to occupy the premises beyond the end of the month of closing, rent shall be paid to the City in the amount of \$1,000/month beginning on the 1st day of the month following closing. 3% of the purchase price shall be retained until such time Seller vacates the premises.

If Seller vacates the property prior to closing, the end of the month of closing, or prior to the expiration of the time period contained in an Occupancy Agreement, Seller shall immediately notify Buyer so that appropriate measures can be taken to secure the premises.

8. Relocation Assistance. Seller may qualify as a "displaced person," as the term is defined under the Uniform Relocation Assistance and Real Property Acquisition Policies of 1970, as amended (42 U.S.C. 4601, et seq.) and under Chapter 54-01.1 of the North Dakota Century Code. The Purchase Price does not include relocation assistance. If the Seller qualifies as a displaced person and is otherwise entitled to relocation assistance, the parties will agree to relocation assistance payments in a separate written agreement.

9. Fixtures, Structures and Personal Property. Seller and Buyer agree that the real and personal property affixed to the real estate at the time of closing shall become the Buyer's property without the need for a bill of sale or other conveyance. The parties further agree that all carpeting, light fixtures, window coverings, dishwasher, and other appliances affixed to the property are included in this transaction, unless excepted herein:

Items Identified for Removal by Seller:

both re Fridge + a + o r s

drapes in living dining room

10. Warranty. Seller provides no express warranties on the subject property. Buyer understands and agrees that the property is a used home and is being purchased "AS IS". Buyer shall make any inspection it deems necessary concerning the condition of said used home.

Right of Way Use Agreement

This Agreement, made and entered into between Frank Leland Watkins, Owner, and the City of Fargo, a North Dakota municipal corporation ("City"), is for the purpose of providing Owner use of the Public Right of Way ("PROW") adjacent to Owner's property located in Fargo, North Dakota (the "Property"), described below.

For good and valuable consideration hereby acknowledged, the parties agree as follows:

1. Owner holds all right, title and interest in the Property, specifically:

Lots 1 and 2, Block 8, Aldrich Subdivision Addition, City of Fargo, Cass County, North Dakota,

All of the foregoing is located in the City of Fargo, Cass County, North Dakota.

2. Owner shall be permitted use of PROW in such a manner as described in attached Exhibit A, as modified from time to time by written agreement of the parties hereto. Specifically, Owner shall be permitted to exercise control over the PROW adjacent to the intended construction activity on the Property, under certain terms and conditions as stated herein. Owner shall be responsible for ensuring all construction in the PROW complies with all City Construction Standards and Specifications, which can be found at: <https://fargond.gov/city-government/departments/engineering/design-construction/construction-specifications>

All barricades and traffic control measures shall comply with the latest edition of the Manual on Uniform Traffic Control Devices, which can be found at: http://mutcd.fhwa.dot.gov/pdfs/2009/pdf_index.htm

3. Sidewalk traffic control plans must be received by City at least 2 days in advance of such intended closure or modification of sidewalks. Owner shall provide City Engineering a traffic control plan in advance of use. All closures must be approved by City at least 2 days in advance of such intended sidewalk closure. Timing of sidewalk use must be approved by the City.
4. Owner may utilize said portion of PROW if use of PROW does not obstruct North Dakota Department of Transportation reconstruction of Main Avenue project. City will help facilitate the use of PROW within the NDDOT work zone with NDDOT.
5. Should NDDOT deny use of PROW or a change order for Owner's use has unacceptable costs this right of this way use agreement will be voided.
6. Owner may utilize 5 feet of the PROW adjacent to the Property only for temporary use until June 30th 2020 as described in Exhibit A. Any request for extension must be made at least 30 days prior to the expiration of this Agreement in order to allow City adequate time to consider the request.
7. Owner may utilize said portion of PROW only for the temporary closure of sidewalk on the west side of 8th Street South adjacent to Owner's property for use during concrete delivery. Temporary closure of sidewalk shall be limited to 4 hours and shall not exceed 15 occurrences.
8. Owner may utilize said portion of PROW only for the temporary redirection of pedestrian travel on the west side of 8th Street South adjacent to Owner's property.
9. Owner shall be solely responsible for the condition of the pedestrian travel path. Owner shall keep the pedestrian travel path free of debris, ensuring a five foot (5') unobstructed path for the duration of the construction. Pedestrian travel path will be in accordance with Exhibit A, construction site logistics plan. Owner shall address public safety concerns that may intermittently result due to activities in close proximity to the pedestrian travel path by temporarily closing or modifying the pedestrian travel path, with notice and City approval at least two (2) days prior to such proposed closure or alteration.
10. Owner shall be responsible for providing appropriate lighting to alert and protect the traveling public, and is further responsible for the general cleanliness and appearance of the site. Owner is solely responsible for site security, and is responsible for securing the PROW at all times.
11. Owner must remedy any unsafe or unsatisfactory condition due to the use of the PROW, as determined by City in its sole discretion. If concerns persist, and no remedy can be agreed upon, City may require Owner to vacate the PROW use permitted herein and return the sidewalk to City control.

12. Owner will, during any use of City PROW, use due care to protect City streets, utilities and all other public property and private utilities occupying the PROW.
13. At its discretion, City may terminate this Agreement should it view the public infrastructure or public health to be at a greater risk than is acceptable to the City. City shall give Owner five (5) days' notice to vacate the right of way if such condition is found to exist. However, in the event of an emergency, as determined in the sole discretion of City, City may immediately terminate Owner's use of the public right of way and direct Owner to restore the right of way to the City's control.
14. Notices required by this Agreement shall be given as follows:

As to the Owner

Frank Leland Watkins

11 8th St S
Fargo, ND 58103
(701)-237-6251

As to the City:

City of Fargo Engineering
attn.: Kristy Schmidt
feng@fargond.gov
225 4th St N
Fargo, ND 58102
(701)-241-1545

15. Owner agrees to hold the City harmless against any and all expenses, demands, claims or losses of any kind that may be sustained by City, its officers, agents and employees, its property, streets, sidewalks, or any other municipal improvements by reason of the use of the PROW. Owner agrees to secure liability insurance for at least \$500,000, and name City as an additional insured on such policy. Owner shall provide a Certificate of Insurance evidencing the City's insured status in advance of any construction activity in the right of way.
16. It is understood and agreed by and between the parties that this Agreement is given subject to any limitation on the authority of City to grant such permission, which may now or hereafter exist.
17. This Agreement will be construed and enforced in accordance with North Dakota law. The parties agree any litigation arising out of this Agreement will be venued in District Court in Cass County, North Dakota, and the parties waive any objection to personal jurisdiction.
18. The failure or delay of City to insist on the performance of any of the terms of this Agreement, or the waiver of any breach of any of the terms of this Agreement, will not be construed as a waiver of those terms, and those terms will continue and remain in full force and effect as if no forbearance or waiver had occurred and will not affect the validity of this Agreement, or the right of the City to enforce each and every term of this Agreement.

19. If any court of competent jurisdiction finds any provision or part of this Agreement is invalid, illegal, or unenforceable, that portion will be deemed severed from this Agreement, and all remaining terms and provisions of this Agreement will remain binding and enforceable, and the parties' obligations under this Agreement will remain binding and enforceable.
20. This Agreement, together with any related documents, as well as any amendments to those agreements and documents, constitutes the entire agreement between the parties regarding the matters described in this Agreement.
21. Any modifications or amendments of this Agreement must be in writing and signed by both parties to this Agreement.
22. It is specifically agreed between the parties that this Right of Way Use Agreement may be recorded.
23. This Right of Way Use Agreement shall be binding on the parties' successors and assigns, and may not be transferred or assigned without the prior written consent of the parties hereto.
24. Owner understands and agrees that the signature by the City Engineer is contingent upon approval from the Board of City Commissioners.

LOMR Payment Agreement

THIS AGREEMENT, by and between City of Fargo, a North Dakota Municipal Corporation ("City") and _____, a North Dakota _____ ("Developer").

WHEREAS, Developer is developing _____ (name of property), located in the City; and

WHEREAS, Developer has retained the services of a professional engineer licensed in the state of North Dakota to design, engineer and develop a Letter of Map Revision ("LOMR") plan for the Property; and

WHEREAS, City is constructing City infrastructure to serve the public in the new development, including but not limited to water, sewer, streets, lighting, sidewalk and incidentals; and

WHEREAS, Developer seeks to have the LOMR included in the contract to be bid and contracted by the City for the City infrastructure; and

WHEREAS, City Special Assessment Policy specifically provides that any and all LOMR work to be completed for a new development may not be special assessed by the City as a cost of the City project; and

WHEREAS, City is willing to include the LOMR work in its City contract under certain terms and conditions.

NOW, THEREFORE, for good and valuable consideration hereby acknowledged, Developer and City agree as follows:

1. Developer understands and agrees it is responsible for all costs associated with the LOMR work to be completed on the Property. A 4% oversight fee of the LOMR contract amount will be charged by the City of Fargo.

2. Developer shall contract directly with a licensed professional engineer in North Dakota to design, develop and engineer the LOMR plan for the Property ("LOMR Engineer"), to be included in the bid specifications for the City Infrastructure.

3. City shall include the Developer's Engineer's LOMR design specifications in the Construction Contract to be bid by City for the City Infrastructure.

4. Developer's LOMR Engineer shall be responsible for acceptance of the LOMR work completed by City's contractor.
5. Developer shall deposit the amount of the Engineer's Estimate for the LOMR work with the City at a time to be determined at the discretion of the City Engineer, but not later than Notice of Award.
6. City shall provide monthly billing reports for the LOMR work completed in accordance with the contract specifications.
7. City shall withdraw from the Developer's deposit the amount of the monthly report at the time the report is provided to the Developer.
8. City will provide a final billing statement at the completion and acceptance of the LOMR work.
9. City shall withdraw from the Developer Deposit the full cost of all LOMR work. Any balance in the Deposit amount will be promptly returned to the Developer. Any shortage at the time of final billing statement shall be paid by Developer to City not more than 30 days from the date of the final billing statement. Failure to make timely payment of the contracted LOMR work shall be cause for denial of any and all building permits in the Development.
10. The failure or delay of either party to insist on the timely performance of any of the terms of this Easement, or the waiver of any particular breach of any of the terms of this Easement, at any time, will not be construed as a continuing waiver of those terms or any subsequent breach, and all terms will continue and remain in full force and effect as if no forbearance or waiver had occurred.
11. This Agreement will be construed and enforced in accordance with North Dakota law.
12. This Agreement will be construed as if prepared by both parties.
13. If any court of competent jurisdiction finds any provision or part of this Agreement is invalid, illegal, or unenforceable, that portion will be deemed severed from this Agreement, and all remaining terms and provisions of this Agreement will remain binding and enforceable; the parties will reconvene negotiations to arrive, in good faith, at an agreement as to matters remaining undetermined as a result of any finding by a court of competent jurisdiction that any provision or part of this Agreement is invalid, illegal, or unenforceable.
14. This Agreement, together with any amendments, constitutes the entire agreement between the parties regarding the matters described in this Agreement, and this Agreement supersedes all other previous oral or written agreements between the parties.
15. Neither party may transfer or assign this Agreement, or any rights or obligations under this Agreement, without the express written consent of the other party.
16. The covenants, terms, conditions, provisions, and undertakings in this Easement, or in any amendment, will be binding upon the parties' heirs, successors, and permitted assigns.

17. Any modifications or amendments of this Agreement must be in writing and signed by the City and the Developer.

MEMORANDUM

TO: BOARD OF CITY COMMISSIONERS

FROM: FIRE CHIEF STEVE DIRKSEN

DATE: MAY 13, 2020

SUBJECT: EXTENSION OF FMLA FOR FIREFIGHTER

On March 5, 2020 Firefighter Nick Mitchell underwent surgery for an injury not related to his position with the Fargo Fire Department. The recovery time for this injury is extending longer than originally anticipated. Firefighter Mitchell used six (6) weeks of FMLA leave last year for another qualifying event.

On April 14, 2020 Firefighter Mitchell exhausted his 12 weeks of FMLA allowed in a 12 month period. Prior to that date Firefighter Mitchell requested an extension of his FMLA leave. He was sent a letter April 1 that informed him I was granting a 30 day extension of his FMLA Leave until May 14, 2020.

On May 6, 2020 I received a request from Firefighter Mitchell to extend his FMLA Leave for an additional 90 days. City of Fargo policy requires that the Fargo City Commission approve any additional requests for FMLA Leave beyond what has already been granted.

This will be retroactive to May 14, 2020 and extend until August 12, 2020. This period could be shortened provided Firefighter Mitchell is cleared to return to work by his physician.

Recommended motion: Approve a 90 day extension of FMLA leave for Firefighter Nick Mitchell.

From: Firefighter Nick Mitchell

Date: 6 May 2020

Re: FMLA Extension Request

Dear members of the Fargo City Commission,

My name is Nick Mitchell and I have been an employee for the fire department for almost nine years. I had a knee surgery from a non-work-related injury on 5 March 2020. That surgery resulted in an unforeseen long recovery time. I have been on FMLA since the day of my operation. I am recovering well, but due to not being cleared to ride a fire apparatus yet, I have had to request an extension from Fire Chief Dirksen, which he graciously granted through 14 May 2020. I am now writing to you to make a formal request to extend my leave an additional ninety (90) days.

I am asking for that duration due to the unknown nature of when I will be physically fit enough from my recovery to ride a fire apparatus. Currently, there are no positions needed for me to work a transitional duty spot, although my doctor has cleared me to work within the confines of what might be needed. Due to the often intense nature of the work we do, I was told to not return to full duty until my doctor has decided I am at 100%. Until I have recovered enough to resume my duties within the fire department, I was requested to remain on leave past my current FMLA expiration date by Chief Dirksen. I humbly ask for your approval to extend my leave another ninety days to allow me to keep my position within the department until I can return in any capacity. I have the appropriate amounts of sick leave and vacation built up to accommodate such a large amount of time, if you deem it necessary. I appreciate both the fire department's and the city's accommodation in my FMLA process during this confusing time. Thank you for your consideration in this matter.

Very respectfully,

A handwritten signature in black ink, appearing to read 'Nick Mitchell', with a stylized, cursive script.

Nick Mitchell

The service agreement is between ND Department of Emergency Services/ND Department of Human Services and Fargo Cass Public Health to provide funding for a COVID-19 Shelter Manager. The total funds not to exceed \$26,000.

If you have any questions, please contact me at 241-1380.

Suggested Motion: Move to approve memorandum of understanding between Sanford Medical Center, Fargo and Fargo Cass Public Health

DF/lls
Enclosure

SERVICE AGREEMENT FOR SHELTER MANAGER

The state of North Dakota, acting through its North Dakota Department of Emergency Services and North Dakota Department of Human Services (State), has determined the services identified in the Scope of Service paragraph below should be purchased.

FARGO CASS PUBLIC HEALTH (Vendor), 1240 25th ST S, FARGO ND, proposes to provide those services.

State and Vendor therefore enter into the following:

1. TERM OF THE AGREEMENT

This Agreement runs from April 15, 2020 through May 10, 2020. This Agreement will not automatically renew.

2. SCOPE OF SERVICE

Vendor shall provide COVID-19 Homeless Shelter Manager to manage the day-to-day operations of the shelter.

The Homeless Shelter Manager duties and responsibilities include the following:

- a. Consistent coverage for assigned shifts working within the team and independently to complete all shift tasks.
- b. Monitor and supervise shelter and resident affairs, assists residence of the shelter with needs and questions, and maintain shelter order.
- c. Receive new residence, ensure intake processes are completed, and provide orientation for new residence as needed.
- d. Enforce shelter policies and follow staff policies and procedures.
- e. Perform general administrative functions, such as responding to inquiries in a professional manner. Provide appropriate information and referrals for those who need other resources.
- f. Monitor the activities of clients to ensure the safety of clients and staff.
- g. Help clients resolve any issues as they may arise.
- h. Provide crisis intervention as needed, including determining when it is necessary to involve other staff, administration, or the authorities.
- i. Check in staff coming from other providers, including case managers, nurses, meal providers, etc.
- j. Ensure staff coming from other providers have brought the appropriate PPE for their work.

3. COMPENSATION

a. Payment

State, upon receipt and approval of SFN 1763 Request for Reimbursement or other form required by State, shall pay Vendor \$1,000 per day per location (full

24-hour service) for providing Homeless Shelter Manager. Total payment under this Agreement may not exceed \$26,000 per shelter. Vendor shall submit its request for reimbursement to State weekly. Vendor shall submit its final payment request to State no later than 30 days after the expiration or termination of this Agreement. Payment will only be made when there are residents at a hotel location as arranged by State. No payment will be made for days there are no residents.

b. Payment of Taxes by State

State is not responsible for and will not pay local, state, or federal taxes. State sales tax exemption number is E-2001. State will furnish certificates of exemption upon request by the Vender.

c. Purchasing Card

State may make a payment using a government credit card. Vender will accept a government credit card without passing the processing fees for the government credit card back to State.

4. TERMINATION

a. Termination by Mutual Agreement or Notice

This Agreement may be terminated at any time by mutual consent of both parties executed in writing, or upon 14 days written notice by either party, with or without cause.

b. Early Termination in the Public Interest

State is entering into this Agreement for the purpose of carrying out the public policy of the state of North Dakota, as determined by its Governor, Legislative Assembly, and Courts. If this Agreement ceases to further the public policy of the state of North Dakota, State, in its sole discretion, by written notice to Vendor, may terminate this Agreement in whole or in part.

c. Termination for Lack of Funding or Authority

State may terminate the whole or any part of this Agreement, effective upon delivery of written notice to Vendor or on any later date stated in the notice, under any of the following conditions:

- 1) If funding from federal, state, or other sources is not obtained and continued at levels sufficient to allow for purchase of the services or supplies in the indicated quantities or term.
- 2) If federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this Agreement or are no longer eligible for the funding proposed for payments authorized by this Agreement.

- 3) If any license, permit, or certificate required by law or rule, or by the terms of this Agreement, is for any reason denied, revoked, suspended, or not renewed.

Termination of this Agreement under this subsection is without prejudice to any obligations or liabilities of either party already accrued prior to termination.

d. Termination for Cause

State may terminate this Agreement effective upon delivery of written notice to Vendor, or any later date stated in the notice:

- 1) If Vendor fails to provide services required by this Agreement within the time specified or any extension agreed to by State; or
- 2) If Vendor fails to perform any of the other provisions of this Agreement, or so fails to pursue the work as to endanger performance of this Agreement in accordance with its terms.

The rights and remedies of State provided in this section are not exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

5. NONPERFORMANCE

Failure by Vendor to perform the terms of this Agreement constitutes a breach of contract and will result in the termination of the Agreement. If a breach by Vendor renders the Agreement impossible of performance by Vendor and is caused by circumstances beyond the control of Vendor, and through no fault of Vendor, the Agreement will be terminated and State may set off, against any liability or obligations owed to Vendor under this Agreement or otherwise, any amounts paid for individual items of work which are incomplete at the time of the breach.

6. FORCE MAJEURE

Vendor shall not be held responsible for delay or default caused by fire, flood, riot, acts of God, or war if the event is beyond Vendor's reasonable control, and Vendor gives notice to State immediately upon occurrence of the event that caused, or is reasonably expected to cause, the delay or default.

7. VENDOR'S UNDERSTANDING OF TERM OF FUNDING

Vendor understands that this Agreement is a one-time agreement, and acknowledges that it has received no assurances that this Agreement may be extended beyond its expiration date.

8. VENDOR ASSURANCES

This Agreement will be construed according to the laws of the state of North Dakota. In connection with furnishing supplies or performing work under this

Agreement, persons who contract with or receive funds to provide services to State are obligated and agree to comply with all local, state, and federal laws, regulations, and executive orders related to the performance of this Agreement, including the following: Fair Labor Standards Act, Equal Pay Act of 1963, Titles VI and VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967, the North Dakota Human Rights Act, the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment, and Rehabilitation Act of 1970, the Drug Abuse Prevention, Treatment, and Rehabilitation Act of 1970, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Drug-Free Workplace Act of 1988, the Americans with Disabilities Act of 1990, Alcohol, Drug Abuse, and Mental Health Administration Reorganization Act of 1992, and the Pro-Children Act of 1994.

By signing this Agreement Vendor certifies that neither Vendor, Subcontractor, nor their principals are presently debarred, declared ineligible, or voluntarily excluded from participation in transactions with the state or federal government by any department or agency of the state or federal government.

Vendor must be an approved vendor with the Office of Management and Budget within the state of North Dakota as required by North Dakota Century Code § 54-44.4-09.

9. AUTHORITY TO CONTRACT

Vendor may subcontract with qualified vendors of services, provided that any subcontract acknowledges the binding nature of this Agreement, and incorporates this Agreement, together with its attachments, as appropriate. Vendor is solely responsible for the performance of any subcontractor. Vendor may not contract for or on behalf of or incur obligations on behalf of State. Vendor may not assign or otherwise transfer or delegate any right or duty without State's express written consent.

10. INDEPENDENT ENTITY

Vendor is an independent entity under this Agreement. Vendor, its employees, agents, or representatives are not employees of State for any purpose, including the application of the Social Security Act, the Fair Labor Standards Act, the Federal Insurance Contribution Act, the Federal Unemployment Act, the North Dakota Unemployment Compensation Law, and the North Dakota Workforce Safety and Insurance Act. No part of this Agreement may be construed to represent the creation of an employer/employee relationship between State and Vendor. Vendor retains sole and absolute discretion in the manner and means of carrying out Vendor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

11. INDEMNITY

Vendor agrees to defend, indemnify, and hold harmless the state of North Dakota, its agencies, officers, and employees (State), from and against claims based on the vicarious liability of the State or its agents, but not against claims based on the State's contributory negligence, comparative and/or contributory negligence or

fault, sole negligence, or intentional misconduct. The legal defense provided by Vendor to the State under this provision must be free of any conflicts of interest, even if retention of separate legal counsel for the State is necessary. Vendor also agrees to defend, indemnify, and hold the State harmless for all costs, expenses, and attorneys' fees incurred if the State prevails in an action against Vendor in establishing and litigating the indemnification coverage provided herein. This obligation shall continue after the termination of this Agreement.

12. INSURANCE

- a. Vendor shall secure and keep in force during the term of this Agreement and Vendor shall require all subcontractors, prior to commencement of an agreement between Vendor and the subcontractor, to secure and keep in force during the term of this Agreement, from insurance companies, government self-insurance pools, or government self-retention funds, authorized to do business in North Dakota, the following insurance coverages:
 - 1) Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with a minimum liability limit of \$1,000,000 per occurrence.
 - 2) Automobile liability, including Owned (if any), Hired, and Non-Owned automobiles, with minimum liability limits of \$250,000 per person and \$1,000,000 per occurrence.
 - 3) Workers compensation coverage meeting all statutory requirements. The policy shall provide coverage for all states of operation that apply to the performance of this Agreement.
 - 4) Employer's liability or "stop gap" insurance of not less than \$1,000,000 as an endorsement on the workers compensation or commercial general liability insurance.
- b. The insurance coverages listed above must meet the following additional requirements:
 - 1) Any deductible or self-insured retention amount or other similar obligation under the policies shall be the sole responsibility of the Vendor.
 - 2) This insurance may be in policy or policies of insurance, primary and excess, including the so-called umbrella or catastrophe form and must be placed with insurers rated "A-" or better by A.M. Best Company, Inc., provided any excess policy follows form for coverage. Less than an "A-" rating must be approved by the State. The policies shall be in form and terms approved by the State.
 - 3) The duty to defend, indemnify, and hold harmless the State under this Agreement shall not be limited by the insurance required in this Agreement.
 - 4) The state of North Dakota and its agencies, officers, and employees (State) shall be endorsed on the commercial general liability policy, including any excess policies (to the extent applicable), as additional insured. The State shall have all the benefits, rights, and coverages of an additional insured under these policies.
 - 5) The insurance required in this Agreement, through a policy or endorsement, shall include:

- a) a "Waiver of Subrogation" waiving any right to recovery the insurance company may have against the State;
 - b) a provision that the policy and endorsements may not be canceled or modified without 30 days' prior written notice to the undersigned State representative; and
 - c) a provision that any attorney who represents the State under this policy must first qualify as and be appointed by the North Dakota Attorney General as a Special Assistant Attorney General as required under North Dakota Century Code § 54-12-08.
- 6) Vendor shall furnish a certificate of insurance to the undersigned State representative prior to commencement of this Agreement. A renewal certificate will be provided 10 days prior to coverage expiration. An updated, current certificate of insurance shall be provided in the event of any change to a policy. All endorsements shall be provided as soon as practicable.
- 7) Failure to provide insurance as required in this Agreement is a material breach of contract entitling the State to terminate this Agreement immediately.

13. NOTICE

Any notice or other communication required under this Agreement must be given by registered or certified mail and is complete on the date mailed when addressed to the parties at the following addresses:

Fargo Cass Public Health
1240 25th St South
Fargo, ND 58103

OR ND Dept. of Emergency Services
Fraire Barracks Lane, Bldg 35
Bismarck, ND 58504

Notice provided under this provision does not meet the notice requirements for monetary claims against State found at North Dakota Century Code § 32-12.2-04.

14. INTEGRATION, MODIFICATION, AND CONFLICT IN DOCUMENTS

This Agreement constitutes the entire Agreement between Vendor and State. There are no understandings, agreements, or representations, oral or written, not specified within this Agreement. No alteration, amendment, or modification of this Agreement is effective unless it is reduced to writing, signed by the parties, and attached to the Agreement.

All terms and conditions contained in any end user agreements (e.g., automated click-throughs, shrink wrap, or browse wrap) are specifically excluded and null and void, and shall not alter the terms of this Agreement.

If any inconsistency exists between this Agreement and other provisions of collateral contractual agreements, which are made a part of this Agreement by reference or otherwise, the provisions of this Agreement control.

15. SEVERABILITY

If any term of this Agreement is declared by a court having jurisdiction to be illegal or unenforceable, the validity of the remaining terms will not be affected and, if possible, the rights and obligations of the parties are to be construed and enforced as if the Agreement does not contain the illegal or unenforceable term.

16. APPLICABLE LAW AND VENUE

This Agreement is governed by and construed according to the laws of the state of North Dakota. Any action to enforce this Agreement must be adjudicated exclusively in the state District Court of Burleigh County, North Dakota. Each party consents to the exclusive jurisdiction of such court and waives any claim of lack of jurisdiction or *forum non conveniens*.

17. ASSIGNMENT

Neither party may assign this Agreement or the party's rights under this Agreement without the written approval of the other party. Approval to assign may not be unreasonably withheld. This Agreement is equally binding on the respective parties and their successors and assigns.

18. SPOILIATION – PRESERVATION OF EVIDENCE

Vendor shall promptly notify State of all potential claims that arise or result from this Agreement. Vendor shall also take all reasonable steps to preserve all physical evidence and information that may be relevant to the circumstances surrounding a potential claim, while maintaining public safety, and grants to State the opportunity to review and inspect the evidence, including the scene of an accident.

19. WORK PRODUCT, EQUIPMENT, AND MATERIALS

All work product, equipment, and materials created for State or purchased by State under this Agreement belong to State and must be delivered to State at State's request upon expiration or termination of this Agreement.

20. CONFIDENTIAL INFORMATION

Vendor shall not use or disclose any information it receives from State under this Agreement that State has previously identified as confidential or exempt from mandatory public disclosure except as necessary to carry out the purposes of this Agreement or as authorized in advance by State. State shall not disclose any information it receives from Vendor that Vendor has previously identified as confidential and that State determines, in its sole discretion, is protected from mandatory public disclosure under a specific exception to the North Dakota open records law found in North Dakota Century Code chapter 44-04. The duty of State and Vendor to maintain confidentiality of information under this section continues beyond the term of this Agreement, including any extensions or renewals.

21. COMPLIANCE WITH PUBLIC RECORDS LAWS

Vendor understands that, except for disclosures prohibited in this Agreement, State must disclose to the public upon request any records it receives from Vendor. Vendor further understands that any records obtained or generated by Vendor under this Agreement, except for records that are confidential under this Agreement, may be open to the public upon request under certain circumstances under the North Dakota open records law. Vendor agrees to contact State immediately upon receiving a request for information under the open records law and to comply with State's instructions on how to respond to the request.

22. ATTORNEY FEES

If a lawsuit is filed by State to obtain performance due under this Agreement, and State is the prevailing party, Vendor shall pay State's reasonable attorney fees and costs in connection with the lawsuit, except when prohibited by North Dakota Century Code § 28-26-04.

23. ALTERNATIVE DISPUTE RESOLUTION – JURY TRIAL

State does not agree to any form of binding arbitration, mediation, or other forms of mandatory alternative dispute resolution. The parties may enforce their rights and remedies in judicial proceedings. State does not waive any right to a jury trial.

24. NONDISCRIMINATION AND COMPLIANCE WITH LAWS

Vendor shall comply with all laws, rules, and policies, including those relating to nondiscrimination, accessibility, and civil rights. Vendor shall timely file all required reports, make required payroll deductions, and timely pay all taxes and premiums owed, including sales and use taxes, unemployment compensation, and workers' compensation premiums. Vendor also shall have and keep current at all times during the term of this Agreement all licenses and permits required by law.

25. ACCESS TO BOOKS AND RECORDS

Vendor shall provide State, the federal government, and their duly authorized representatives access to the books, documents, papers, and records of Vendor, which are pertinent to the services provided under this Agreement, for the purpose of making an audit or examination, or for making excerpts and transcripts. All records, regardless of physical form, and the accounting practices and procedures of Vendor relevant to this Agreement are subject to examination by the North Dakota State Auditor, the Auditor's designee, or federal auditors. Vendor shall maintain all of these records for at least three years following completion of this Agreement and be able to provide them at any reasonable time. State, State Auditor, or Auditor's designee shall provide reasonable notice.

26. EXTENSION

State reserves the right to extend this Agreement for an additional period of time, not to exceed 90 days beyond the current termination date of this Agreement.

27. TIME IS OF THE ESSENCE

OWNER hereby acknowledges that time is of the essence for performance under this Agreement unless otherwise agreed to in writing by the parties.

DMF/Impact/Alex Stern Foundations Emergency Grant Agreement

As a condition of an emergency grant of \$10,000 to Gladys Ray Shelter from the DMF/Impact/Alex Stern COVID-19 Critical Services Fund ("The Foundations") for **general operating expenses**, the grantee agrees:

1. To use the emergency grant funds only for charitable purposes supporting operations related to the COVID-19 pandemic and in accordance with state and federal rules and regulations.
2. That no part of the grant shall be used to:
 - a. Carry on propaganda or otherwise attempt to influence legislation;
 - b. Influence the outcome of any public election;
 - c. Undertake any activity for any purpose other than a charitable purpose as defined by the Internal Revenue Service; and
 - d. Provide material support or resources to any individual or entity that it knows, or has reason to know, is an individual or entity that advocates, plans, sponsors, engages in, or has engaged in terrorist activity.
3. That the total amount of this grant may be recouped, when, in the sole judgment of The Foundations, such action is necessary to comply with requirements of the law or if the original conditions of the grant are not being fulfilled by the recipient.
4. To comply with information requirements of The Foundations by responding to requests for reports made by The Foundations.
5. That it is a 501(c)(3) tax-exempt organization in good standing with the Internal Revenue Service or it is a governmental entity within the state of ND or MN.
6. To permit The Foundations, at their request, to have complete access to the grantee's files and records for the purpose of making such financial audits, verifications, and investigations as it deems necessary concerning the grant.
7. To notify The Foundations, in writing, of any potential conflicts of interest with The Foundations. Potential conflicts of interest noted should be submitted to J. Patrick Traynor at ptraaynor@dakmed.org.

The signatures below indicate acceptance of the conditions stipulated above.

NOTICE OF DANGEROUS BUILDING

TO: Richard K Nelson
1449 2 Avenue S.
Fargo, ND 58103

YOU ARE HEREBY Given Notice of the following:

1. That this Notice is being given to you pursuant to Fargo Municipal Code, Article 21-04 concerning Dangerous Buildings.
2. That the building with which this Notice is concerned is commonly known as 114 15 St S, and is located on that tract of land in the city of Fargo, more particularly described as follows:

Fullers Addition, Block 6

(hereinafter referred to as "the building")

3. That an inspection was made of the building on February 20, 2020 by Bill Thompson, Building Inspector, and on February 20, 2020 by James Haley, Deputy Assessor, of the City of Fargo.
4. That the building inspector for the City of Fargo has found the building, consisting of a single-story, wood-framed structure to be a Dangerous Building within the standards set forth in the Fargo Municipal Code, Article 21-04, Dangerous Buildings and IPMC Code 108.1.5 concerning Dangerous Structures.
5. This building has been found to be a dangerous building by the building inspector. This notice is to remain on this building until it is repaired, vacated, or demolished in accordance with the notice which has been given the owner, occupant, lessee, or mortgagee of this building and all other persons having an interest in said building as shown by the records of the register of deeds of the county of Cass. It is unlawful to remove this notice until such notice is complied with. Source: 1952 Rev. Ord. 21-0404.

6. That the owner of the building must demolish the building within 30 (thirty) days from the date of this notice or obtain a permit to repair. To obtain a permit, see 'Conditions Found Statement' below.

7. That the building is unsafe and is a dangerous building in the following respects: See 'Conditions Found Statement' below.

A. James Haley, of the City of Fargo has deemed that the building has been damaged or deteriorated to the extent of more than fifty (50) percent of its original value prior to the damage or deterioration. Source: Fargo Municipal Code, Article 21-0402 concerning Dangerous Buildings.

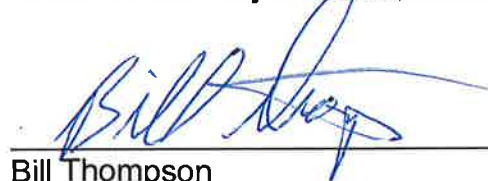

8. The building is unsafe and constitutes a public nuisance pursuant to Fargo Municipal Code, Article 21-04 concerning Dangerous Buildings and Section 116 of the International Building Code as adopted by Article 21-0101 of the Fargo Municipal Code.

9. You are further given Notice that unless the building is demolished within the time period set forth herein, the City of Fargo will take such steps as are necessary to cause said building to be demolished pursuant to Fargo Municipal Code, Article 21-04 concerning Dangerous Buildings and the International Building Code and the owner will be assessed such costs as are provided for therein.

10. Order for vacation of building. The undersigned building official has determined that the building or structure must be vacated as required by Section 108.2 of the International Property Maintenance Code, 2018 edition. Therefore, it is hereby ordered that the building or structure shall be vacated immediately, and remain vacated, on this 5th day of March, 2020.

11. Order to secure building. The undersigned building official has determined that the building must remain secured. Therefore, it is hereby ordered that all means of entering the building remain secured to prevent unauthorized entrance. **An inspector will continue to verify compliance.** Failure to keep the building secured will result in the City of Fargo hiring an independent contractor to secure the building. All expenses for securing the building will be assessed against the property.

Dated this 5th day of March, 2020.

RE: Authorization to award the 2020/2021 Highway Deicing Salt contract to Compass Minerals America, Inc.

Commissioners:

Proposals were received and opened on Thursday, April 30, 2020, in response to a Request for Proposal (RFP) issued by Public Works for "Furnishing and Delivering Bulk Highway Deicing Salt". One (1) sealed response was received. The contract for the 2019/2020 season had an extension option available for 2020/2021. Consideration was given to this option as well as the new proposal; both were reviewed and fully analyzed by a selection committee made up of three (3) members of the Public Works Department staff.

The proposals were evaluated on:

- Experience
- Product Costs
- Product Specifications

Through the evaluation process, it was identified that the proposals met both the "Experience" and "Product Specifications" requirements of the RFP. Based on the attached RFP price tabulation the selection committee is making a recommendation to award the 2020/2021 Highway Deicing Salt contract to Compass Minerals America, Inc. at a price of \$101.69 per ton.

RECOMMENDED MOTION: I/we hereby move based on the request for proposal (RFP20080) to award the 2020/2021 Highway Deicing Salt contract to Compass Minerals America, Inc. at a price of \$101.69 per ton.

Respectfully submitted,

Paul Fiechtner

RE: RFP for Log Loader (RFP20052)

Commissioners:

On February 28th, 2020, proposals were received for one (1) Log Loader. Four proposals were submitted by four separate vendors.

The results were as follows:

<u>Firm</u>	<u>Price</u>
Northern Truck	\$61,850.00
HIAB USA	\$79,934.00
Truck Utilities	\$81,019.00
Bert's Truck	\$81,395.00
State Bid Chassis	\$90,059.00

The review committee, consisting of Scott Liudahl, Tracy Zablotney, Ben Dow and Tanner Smedshammer, determined that all vendors met required specifications. Our recommendation is to purchase, based on lowest cost and meeting all specifications from Northern Truck of Fargo. Funding for this project is included in the 2020 Forestry Budget.

SUGGESTED MOTION:

Approve the recommendation to purchase one (1) Log Loader from Northern Truck of Fargo for the amount of \$151,909.00.

RE: Authorization to extend the 2017 Lawn Maintenance Services contracts with Valley Green & Associates and Glacier Snow Management Company for the 2020 mowing season.

Commissioners:

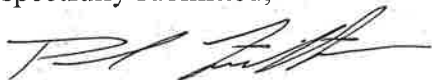

In March of 2017, Public Works issued a Request for Proposal (RFP) for lawn maintenance services for the 2017 mowing season at various locations throughout the city. Upon the closing of the RFP a committee made up of the Public Works Services Manager, Public Works Streets Supervisor, and Public Works Director reviewed the proposals received on the following criteria:

Work Performance "*references*" (15%),
Previous Work Experience (50%)
Price (35%) "*Attached Bid Tab*"

Based on the established evaluation criteria, contracts were extended to Valley Green & Associates and Glacier Snow Management Company. As part of the 2017 RFP, language was included that allows for four (4) one (1) year extensions under the original terms of the RFP. Public Works staff has visited with both 2017 contract holders and at this time we are requesting authorization to extend their contracts for the 2020 mowing season under the same terms and pricing of the initial 2017 RFP (RFP17063 and RFP17155).

RECOMMENDED MOTION: I/we hereby move, based on the request for proposal (RFP17063 and RFP17155), to extend the initial 2017 lawn maintenance services contracts with Valley Green & Associates and Glacier Snow Management Company for the 2020 mowing season.

Respectfully submitted,

Paul Fiechtner
Public Works Services Manager

SERVICES AGREEMENT

LAWN MAINTENANCE SERVICES

I. Agreement

This agreement is between the City of Fargo (City) and Valley Green & Associates (Contractor) to provide lawn maintenance services for the City. This agreement shall commence upon signing by both parties and expire on October 31, 2020. The term of this agreement may be extended, if accepted and signed by the Contractor and City, for one (1) additional one (1) year extension.

II. Scope of Services

The contractor will perform the lawn maintenance services as set forth within this agreement. It will be up to the individual contractor's discretion to perform the services as weather conditions permit.

Lawn Maintenance Services: All grass shall be mowed on a weekly basis, or as directed. Grass will be maintained at a height of approximately three and one-half (3 ½) inches. Upon completion a mowed area shall be free of clumped grass, tire tracks or ruts from contractor's mowing equipment. Turf shall be cut in a professional manner as not to scalp turf or leave any areas of uncut grass. Care shall be taken to prevent discharge of grass clippings onto any adjacent private properties or onto any paved surface such as streets, jogging trails, sidewalks or storm drain system. These surfaces should be swept/blown clean by the Contractor immediately after each mowing. Contractor shall pick up all litter before each mowing, which is subsidiary to the mowing bid, and remove same from site. If in the course of mowing, trash is overlooked and shredded by mowers, it should immediately be collected and disposed of properly by the contractor. If mowing is interrupted by inclement weather, the Contractor shall continue mowing at the same location on the next available mowing day. The Director of Operations has the authority to cancel or schedule mowing cycles on a week-to-week basis. Any cancellations will be based upon need, prevailing weather conditions and available funding.

Trimming: Contractor will trim all turf areas on a weekly basis or as directed in association with mowing cycle. All trimming shall be accomplished maintaining the three and one-half inches (3 ½") cutting height. All trimming must be performed concurrently with mowing operations. Turf shall be trimmed in a professional manner as not to scalp the grass or leave areas of uncut grass. All amenities (trees, poles, signs, etc.) shall be trimmed around. Special care shall be given in trimming around small trees. Care should be taken to prevent discharge of grass clippings onto any paved surface such as streets, parking lots, sidewalks, driveways or adjacent properties. Any material so discharged shall be removed immediately after trimming.

Weed Control: Contractor will perform two weed control applications of all properties during each season's term. The Contractor shall perform weed control spraying on City properties as designated (Spring, Pre-emergent Herbicide & Midsummer, Post-emergent Herbicide) Soil Sterilant may not be used unless directed by the City. It shall be the Contractor's responsibility to determine the most appropriate times of year to apply treatment within the confines of the general guidance provided above. The Contractor shall use the necessary equipment in order to accomplish the work in a satisfactory manner. The Contractor shall arrange operations so that the herbicides will not be distributed beyond the limit of property sprayed. The Contractor shall apply the herbicides using nozzles and pressure necessary for a proper application. The Contractor shall supply water for any chemical mixes developed for the purpose of spraying weed treatment. The materials used by the Contractor must be of such composition and of sufficient strength to kill weeds, but may not sterilize the soil. The chemicals used shall not be toxic or harmful in any manner to animals or human beings when used in prescribed manner. The materials used shall not harm desirable vegetation such as trees or turf. The materials used shall not be flammable or leave an oily residue that will discolor or leave a slippery film on sidewalks and curbs. The City may at any time during the spraying operation take samples to check materials being used. Upon request, the Contractor shall provide the City with information regarding chemicals applied to specified locations. In addition, the Contractor shall upon request provide the City with specimen labels of chemicals applied. Contractor shall furnish all labor, materials, equipment, permits, fees and insurance coverage for weed control applications.

Property Damage: Contractors will be notified by the Director of Operations of any property damage that occurs as a result of lawn maintenance services. Notification will be within 48 hours of Director of Operations becoming aware of such property damage. The contractor will be solely and wholly financially liable for any damaged property, as a result of negligence on the part of the Contractor.

III. Responsibility of the City

City shall oversee the execution of this agreement and disbursing of funds.

IV. Contractor's Compensation and Method of Payment

City will reimburse Contractor for services render per mowing event as shown in the attached Exhibit A. All final invoices shall be submitted no later than December 1 of the contract year.

V. Termination of the Agreement

This contract may be terminable at will by either party after giving ten (10) days written notice to the other party.

VI. Assignability

This agreement will not be assigned or transferred by Contractor to another party without the prior written consent of the City.

VII. Hold Harmless and Insurance

Contractor agrees to indemnify and hold City harmless from any and all claims, demands or causes of action resulting from the provision of services as described in this contract. All insurance (Worker's Compensation, Comprehensive General Liability, and/or Automobile) shall be maintained at the expense of the contractor during the term of this contract.

VIII. Contractor Records

Contractor shall maintain accurate and updated records of all reimbursable services provided to City under the terms of this agreement, and shall record the date such services are provided. Such records shall conform to generally recognized accounting principles. The City, or their authorized representatives, shall have access to any records of Contractor pertinent to the agreement.

IX. Monitoring and Evaluation

City may monitor and evaluate Contractor progress and performance to assure that the terms of this agreement are being satisfactorily met. Contractor shall cooperate with City relating to such monitoring and evaluation.

X. Independence of Recipient

Contractor is not the agent or employee of City. Contractor is solely responsible for its acts and the acts of its agents, employees and subcontractors.

XI. Conflict of Interest

Contractor agrees that it does not have any undisclosed influence or relationship with City staff regarding the award or performance of this contract.

XII. Entire Agreement

The provisions as set forth in Items I, and all attachments of this agreement constitute the entire agreement between the parties.

IN WITNESS WHEREOF, the undersigned enter into this agreement.

SERVICES AGREEMENT

LAWN MAINTENANCE SERVICES

I. Agreement

This agreement is between the City of Fargo (City) and Glacier Snow Management Company (Contractor) to provide lawn maintenance services for the City. This agreement shall commence upon signing by both parties and expire on October 31, 2020. The term of this agreement may be extended, if accepted and signed by the Contractor and City, for one (1) additional one (1) year extension.

II. Scope of Services

The contractor will perform the lawn maintenance services as set forth within this agreement. It will be up to the individual contractor's discretion to perform the services as weather conditions permit.

Lawn Maintenance Services: All grass shall be mowed on a weekly basis, or as directed. Grass will be maintained at a height of approximately three and one-half (3 ½) inches. Upon completion a mowed area shall be free of clumped grass, tire tracks or ruts from contractor's mowing equipment. Turf shall be cut in a professional manner as not to scalp turf or leave any areas of uncut grass. Care shall be taken to prevent discharge of grass clippings onto any adjacent private properties or onto any paved surface such as streets, jogging trails, sidewalks or storm drain system. These surfaces should be swept/blown clean by the Contractor immediately after each mowing. Contractor shall pick up all litter before each mowing, which is subsidiary to the mowing bid, and remove same from site. If in the course of mowing, trash is overlooked and shredded by mowers, it should immediately be collected and disposed of properly by the contractor. If mowing is interrupted by inclement weather, the Contractor shall continue mowing at the same location on the next available mowing day. The Director of Operations has the authority to cancel or schedule mowing cycles on a week-to-week basis. Any cancellations will be based upon need, prevailing weather conditions and available funding.

Trimming: Contractor will trim all turf areas on a weekly basis or as directed in association with mowing cycle. All trimming shall be accomplished maintaining the three and one-half inches (3 ½") cutting height. All trimming must be performed concurrently with mowing operations. Turf shall be trimmed in a professional manner as not to scalp the grass or leave areas of uncut grass. All amenities (trees, poles, signs, etc.) shall be trimmed around. Special care shall be given in trimming around small trees. Care should be taken to prevent discharge of grass clippings onto any paved surface such as streets, parking lots, sidewalks, driveways or adjacent properties. Any material so discharged shall be removed immediately after trimming.

Weed Control: Contractor will perform two weed control applications of all properties during each season's term. The Contractor shall perform weed control spraying on City properties as designated (Spring, Pre-emergent Herbicide & Midsummer, Post-emergent Herbicide) Soil Sterilant may not be used unless directed by the City. It shall be the Contractor's responsibility to determine the most appropriate times of year to apply treatment within the confines of the general guidance provided above. The Contractor shall use the necessary equipment in order to accomplish the work in a satisfactory manner. The Contractor shall arrange operations so that the herbicides will not be distributed beyond the limit of property sprayed. The Contractor shall apply the herbicides using nozzles and pressure necessary for a proper application. The Contractor shall supply water for any chemical mixes developed for the purpose of spraying weed treatment. The materials used by the Contractor must be of such composition and of sufficient strength to kill weeds, but may not sterilize the soil. The chemicals used shall not be toxic or harmful in any manner to animals or human beings when used in prescribed manner. The materials used shall not harm desirable vegetation such as trees or turf. The materials used shall not be flammable or leave an oily residue that will discolor or leave a slippery film on sidewalks and curbs. The City may at any time during the spraying operation take samples to check materials being used. Upon request, the Contractor shall provide the City with information regarding chemicals applied to specified locations. In addition, the Contractor shall upon request provide the City with specimen labels of chemicals applied. Contractor shall furnish all labor, materials, equipment, permits, fees and insurance coverage for weed control applications.

Property Damage: Contractors will be notified by the Director of Operations of any property damage that occurs as a result of lawn maintenance services. Notification will be within 48 hours of Director of Operations becoming aware of such property damage. The contractor will be solely and wholly financially liable for any damaged property, as a result of negligence on the part of the Contractor.

III. Responsibility of the City

City shall oversee the execution of this agreement and disbursing of funds.

IV. Contractor's Compensation and Method of Payment

City will reimburse Contractor for services render per mowing event as shown in the attached Exhibit A. All final invoices shall be submitted no later than December 1 of the contract year.

V. Termination of the Agreement

This contract may be terminable at will by either party after giving ten (10) days written notice to the other party.

VI. Assignability

This agreement will not be assigned or transferred by Contractor to another party without the prior written consent of the City.

VII. Hold Harmless and Insurance

Contractor agrees to indemnify and hold City harmless from any and all claims, demands or causes of action resulting from the provision of services as described in this contract. All insurance (Worker's Compensation, Comprehensive General Liability, and/or Automobile) shall be maintained at the expense of the contractor during the term of this contract.

VIII. Contractor Records

Contractor shall maintain accurate and updated records of all reimbursable services provided to City under the terms of this agreement, and shall record the date such services are provided. Such records shall conform to generally recognized accounting principles. The City, or their authorized representatives, shall have access to any records of Contractor pertinent to the agreement.

IX. Monitoring and Evaluation

City may monitor and evaluate Contractor progress and performance to assure that the terms of this agreement are being satisfactorily met. Contractor shall cooperate with City relating to such monitoring and evaluation.

X. Independence of Recipient

Contractor is not the agent or employee of City. Contractor is solely responsible for its acts and the acts of its agents, employees and subcontractors.

XI. Conflict of Interest

Contractor agrees that it does not have any undisclosed influence or relationship with City staff regarding the award or performance of this contract.

XII. Entire Agreement

The provisions as set forth in Items I, and all attachments of this agreement constitute the entire agreement between the parties.

IN WITNESS WHEREOF, the undersigned enter into this agreement.

Proposals were received from the following Consultants for this project:

Houston Engineering

Apex Engineering Group

KLJ

The Selection Committee evaluated proposals based on the criteria outlined within the RFP:

<u>Selection Criteria</u>	<u>Points</u>
Understanding of Project Objectives	10
Project Team's Experience with Similar Sized Projects	25
Project Team's Past Performance on Other Local Projects	25
Expertise of the Technical and Professional Staff assigned to Project	25
Cost Proposal	15
	<u>100</u>

This proposed project will reconstruct 32nd Ave South between 32nd St and University Drive. Engineering requested proposals from interested firms to provide Preliminary Engineering, Environmental Clearance for Federal Funds, Final Plans, and Construction Inspection. Preliminary Engineering, Environmental Clearance, and Public Involvement for the entire portion between 32nd St and University, Final Design Plans and Construction Administration to bid and build the section between 32nd St and approximately 22nd St. The total to complete all of this work is \$1,607,106. It is requested that the entire amount be authorized and Engineering would contract with the consultant in phases. Phase 1 would be Preliminary Engineering, Public Involvement, and Environmental Clearance at a cost of \$232,450. Phase 2 would be Final Plans with an estimated cost of \$283,866 and would be contracted at a later date. Phase 3 would be Construction Administration with an estimated cost of \$1,090,790 and would be contracted about the time the project is bid. The portion between 32nd St and 22nd St is scheduled for 2022 and the portion between 22nd St and University is scheduled for 2024. The Final Plans and Contract Administration for the 2024 construction could be advertised at a later date or negotiated with this Consultant.

The purpose of this project is to reconstruct the roadway and correct pavement deficiencies on a roadway that is over 30 years old, upgrade the storm sewer, line or replace sanitary sewer, and replace a portion of the water main that is outdated. Pedestrian safety is a concern on this stretch of road along with new ADA crossings. Public Works is performing a video inspection on the existing sanitary and storm sewer to determine the most cost effective method to rehabilitate or replace these City Utilities. The current storm sewer configuration causes some issues with manhole lids getting lifted off the manholes during heavy rainfall events. Upsizing storm sewer and detention might be a part of the project. A separate project to address the lift station at the storm sewer outfall will be developed in the future. The intersections along the corridor will be evaluated to determine the best layout and control to provide access but in a safe manner.

Staff met on May 11, 2020 to review proposals submitted for the project and selected Apex Engineering Group as the preferred firm for the project. The cost for this work is estimated to be \$1,607,106.

Re: Consultant Services #BR-20-C0 – Change Order # 1

Background:

Apex Engineering (Apex) was the design consultant for Improvement District #BR-20-C1. The original contract amount to complete the design and assist on design items during construction was \$235,200.00. With revisions requested by the City and an Addendum required during the bidding process, the original contract amount was exceeded.

To account for the revisions required through design and potential design assistance needed during construction Apex is requesting an additional \$23,638.00 as broken out below:

- Design - \$12,808
- Construction Support - \$10,830

Recommended Motion:

Approve the described Change Order #1 in the amount of \$23,638.00 bringing the total contract amount to \$258,838.00.

City of Fargo Project No. BR-20-C1
Apex Project No. 19.103.0104

Client: City of Fargo (Engineering Department)
Attn: Tom Knakmuhs, PE
Assistant City Engineer

Background/Description of Work:

Apex Engineering Group, Inc. was hired by the City of Fargo to provide engineering services for the above project on August 27, 2019. The following Scope of Services tasks are added or expanded with this Amendment request:

- Street design changes: At the 30% plan review meeting on 10/02/2019, the City requested that curb bulb-outs be added to the 11th St N and 12th St N intersections on 3rd Ave N. At the 95% plan review meeting on 11/25/2019, the City directed Apex to design vertical curves for the street profile high and low points. These changes increased the complexity of the street design beyond the original scope. **Amended Task = 5.06**

The addition of curb bulb-outs also increased the complexity of the storm sewer design. The original scope assumed 16 total storm sewer structures would be replaced in their existing locations. Because curb bulb-outs were added, the existing drainage system needed to be redesigned and inlets needed to be relocated. The final design included 24 total storm sewer structures with 9 being replaced in their original location and 15 being installed in new locations. The inlets in new locations required profile/invert design that was not anticipated as part of the original scope.

Amended Tasks = 5.04, 5.05

The City also directed Apex to prepare cross section plan sheets to include in the final plans. This work was not included in the original scope. **Amended Task = 5.12**

- Watermain changes & project limits: Comments were received from the City Mains & Hydrants Department on 01/14/2020, after final plans had been submitted. This included extending the project limits into the intersection of 2nd Ave N and 11th St N to replace watermain through the intersection. The additional work to design the watermain replacement, including pavement removal and replacement and additional traffic control, was not included in the original scope of work. Additional time was required for resubmittal of the final plans to address late comments. **Amended Tasks = 5.03, 5.05, 5.06, 5.09, 5.14, 5.15**

The additional scope and cost for these added or expanded tasks are represented in the following attachments:

1. Attachment #1 – Scope of Services for Amendment No. 1
2. Attachment #2 – Fee Estimate for Amendment No. 1

Fee Amendment Request:

The total fee for work completed as part of this Amendment:

Amendment No. 1 = **\$23,638**

The above described work has already been completed and the design phase has concluded. The fee requested will allow remaining budget to complete Task 6.0 Construction Support / Engineer of Record as originally included in the Scope of Services.

Contract Terms & Conditions:

Apex Engineering Group, Inc. ("Consultant") hereby proposes, and the City of Fargo ("City") hereby authorizes, the above described Amendment No. 1 and additional services described herein, including attachments, to be completed under the same Terms & Conditions of the Original Agreement signed by both parties and approved by the City of Fargo on August 27, 2019.

AMENDMENT NO. 1 – SCOPE OF SERVICES

TASK 5: FINAL DESIGN AND PLAN PREPARATION

- 5.03 **Removals (Section 40) (AMENDED TASK):** Additional pavement and underground utility removal design, plan preparation, and quantity calculations were required to extend the project area into the 2nd Avenue N and 11th St N intersection.
- 5.04 **Storm and Sanitary Sewer Pipe and Structure Schedules (Section 50) (AMENDED TASK):** Additional plan preparation for storm sewer pipe runs and structures were necessary to accommodate drainage around the added curb bulb-outs.
- 5.05 **Utility Plan and Profiles (Section 55) (AMENDED TASK):** Additional storm sewer design, plan preparation, and quantity calculations were required due to the addition of curb bulb-outs, which increased the complexity of the street drainage system. The original scope assumed 16 total storm sewer structures would be replaced in their existing locations. The existing drainage system needed to be redesigned and inlets needed to be relocated to accommodate the bulb-outs. The final design included 24 total storm sewer structures with 9 being replaced in their original location and 15 being installed in new locations. The inlets in new locations required profile/invert design that was not anticipated as part of the original scope.
- Additional watermain design, plan preparation, and quantity calculation was required to extend watermain replacement through the intersection of 2nd Ave N and 11th St N.
- 5.06 **Paving Plan and Profile, Intersection Layouts, Sidewalk Layouts (Section 60) (AMENDED TASK):** Additional roadway design, plan preparation, and quantity calculations were required due to the addition of curb bulb-outs, vertical curves, and the extension of the project limits into the intersection of 2nd Ave N and 11th St N to accommodate watermain replacement. These design features were not included in the original scope.
- 5.09 **Work Zone Traffic Control and Phasing Plan (Section 100) (AMENDED TASK):** Additional temporary traffic control design and plan preparation was required to accommodate additional work added at the intersection of 2nd Ave N and 11th St N.

- 5.12 **Cross Sections (AMENDED TASK):** Additional time was required to refine cross sections and prepare plan sheets to include the cross sections in the contract plan documents. This section was not intended to be included in the plans as part of the original scope of work.
- 5.14 **Plan Submittals (95% & Final) (AMENDED TASK):** Additional time required to address comments received after the 95% plan review meeting and after final plan submittal. This includes the time to re-prepare final plan sheets and plan sets.
- 5.15 **Final Quantities (AMENDED TASK):** Additional time required to update final quantities based on comments and changes received after the 95% plan review meeting and after final plan submittal.

Memorandum

To: Members of PWPEC
From: Scott Olson, Project Engineer
Date: May 5, 2020
Re: BR-20-C1 – Change Order # 1

Background:

Improvement District #BR-20-C1 is for replacement of the water main, sanitary sewer, street reconstruction and incidentals on 3rd Avenue North from University Drive to 10th Street, 11th Street North from 2nd Avenue North to 4th Avenue North, and 12th Street North from 3rd Avenue North to 4th Avenue North.

KPH is the prime contractor for Improvement District #BR-20-C1.

Adjustment to Phasing Sequence

The project is broken down into four separate phases. The original contract stated; "Phases 1 and 2 must be complete in sequential order and shall not overlap at any time. Phases 3 and 4 may be construction concurrently following the completion of phases 1 and 2. Individual phase durations and access maintenance requirements apply regardless of phase overlap".

KPH has requested an adjustment to the phasing sequence to be in the following order:

Phase 1
Phase 3
Phase 2
Phase 4

The request also calls for an overlap of phases 1 and 3, and that phase 2 will not begin until phases 1 and 3 are completed. This adjustment will allow KPH to have multiple crews on site for a longer period and thus completing work more efficiently and individual phase durations will remain the same. This will require no monetary adjustment nor a completion date adjustment to the contract.

KPH originally intended on beginning construction on April 13. Given the current COVID-19 pandemic Engineering had requested that the start date be May 4 or after to better align with the recommendation from state government and CDC guidelines. Engineering agrees with allowing this phase sequence adjustment in part because the time saved with the proposed sequencing essentially offsets the delay in start date.

Recommended Motion:

Approve the described Change Order #1.

Re: Improvement District No. BR-18-B1 – Change Order #16

Background:

Improvement District No. BR-18-B1 is a cost participating project between the North Dakota Department of Transportation and the City of Fargo for the reconstruction of 10th Street North from 4th Avenue to 12th Avenue. Portions of this project including the Water Main, Sanitary Sewer, and Storm Lift Station are 100% City Funds.

Master Construction is the Prime Contractor.

Change Order #16

- Remove and replace bird netting installed as part of this project. Due to snow load collecting from gaps in the bridge deck above during the first winter and construction equipment damage the following spring, this netting sustained irreversible damage and required replacement. Along with new netting, additional support cables and access zippers were also installed. BNSF Rail Road filled holes in the deck of the bridge to prevent future snow from collecting in the new netting. The total replacement cost is \$13,996.56.

The total cost of Change Order #16 is \$13,996.56, which is a participating project cost. The City's share of these participating items is 10% or \$1,399.66.

Recommended Motion:

Approve Change Order #16 in the amount of \$13,996.56 (City Portion: \$1,399.66) for Improvement District No. BR-18-B1.

Cost Breakdown

Original replacement cost as per bid item - \$25,640
Price bid by Key to replace, no mark-up - \$14,598.94
Additional cables and zippers - \$6,697.14

50% replacement cost, no mark-up - \$7,299.47
Additional cables and zippers, no mark-up - \$6,697.14
Total change order value - \$13,996.61

$(105.08 + 112.42) / 2 \times 32' \text{ wide} = 3480 \text{ SF}$

$\$13,996.61 / 3480 = \$4.022 / \text{SF}$

Since these prices come in under what the bid price was for the work per plans, this price is acceptable.

EXPLANATION OF CHANGE IN PLAN RECOMMENDED

If the federal funds authorized in the cost participation agreement with the local agency is exceeded and federal funds are not available for this change, the local agency will assume the total cost of this change order.

The bird netting was partially damaged through the winter due to snow load coming through the deck of the railroad bridge. A lot more damage was done to the netting as construction progressed. Due to the additional damage, Master Construction will pay 50% of the cost of replacement. All new support cables and netting were installed. Additional cables, anchors and zippers are covered by the project.

Honorable Board of City
Commissioners
City of Fargo
Fargo, ND

Re: Improvement District No. SL-20-C1

Dear Commissioners:

Bids were opened at 2:30 PM on Wednesday, May 13, 2020, for Street Lighting & Incidentals, Improvement District No. SL-20-C1, located at 19th Avenue North to 32nd Avenue North, between University Drive North and Broadway North, on 12th Avenue North to 14th Avenue North, and between Oak Street North and Elm Street North.

The bids were as follows:

Strata Corp.	\$736,555.00
Moorhead Electric	\$803,084.60
Fargo Electric Construction	\$849,402.80

Engineer's Estimate	\$824,841.95
---------------------	--------------

The special assessment escrow is not required.

Two protests were received amounting to less than 1% of the Improvement District. We recommend that the protest be declared insufficient and the contract be awarded to Strata Corp. in the amount of \$736,555.00 as the lowest and best bid.

Sincerely,

Thomas Knakmuhs
Assistant City Engineer
