MEMORANDUM

TO: BOARD OF CITY COMMISSIONERS

FROM: TIA BRASETH, COMMUNITY DEVELOPMENT PLANNING COORDINATOR JB

DATE: APRIL 29, 2021

RE: PUBLIC HEARING & APPROVAL OF PROPOSED AMENDMENTS TO COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)/HOME INVESTMENT PARTNERSHIPS PROGRAM (HOME) 2020 ANNUAL ACTION PLAN

The Department of Planning & Development is considering amendments to its 2020 Annual Action Plan, most recently approved by City Commission on January 25, 2021. Amendments are being proposed to further define project location, budget, and activity type for a HOME Investment Partnerships Program (HOME) activity in the 2020 Action Plan. The City Commission is asked to hold a public hearing and then consider the following HOME actions:

Summary of Proposed Amendments to 2020 Annual Action Plan:

- 1. Project Site, Activity, and Budget Identified under "Affordable Single-Family Housing for Ownership" Project: 1529 10 Avenue South – Lake Agassiz Habitat for Humanity**
The location of one housing unit has been identified and is located at 1529 10 Avenue South. The activity will include new construction of a single family home on land that will be donated by the City of Fargo. The proposed HOME allocation for this site is up to \$185,000. The project will be carried out by Lake Agassiz Habitat for Humanity.
- 2. Project Site, Activity, and Budget Identified under "Affordable Single-Family Housing for Ownership" Project: 1410 1 Avenue South – Cass Clay Community Land Trust**
The location of one housing unit has been identified and is located at 1410 1 Avenue South. The activity will include new construction of a single family home on land that will be donated by the City of Fargo. The proposed HOME allocation for this site is currently unknown, but the Affordable Single-Family Housing for Ownership activity for Cass Clay Community Land Trust has previously been approved for up to \$200,000. The project will be carried out by Cass Clay Community Land Trust.

The proposed amendments are in compliance with federal regulations for the Department of Housing and Urban Development (HUD) HOME program. The following actions were completed as required by the City of Fargo's Citizen Participation Plan:

Public Advertisement Published	April 21, 2021
Public Comment Period Begins	April 22, 2021
Provided Information to the Community Development Committee	April 22, 2021
Public Comment Period Ends	May 3, 2021
Public Hearing and Final City Commission Consideration	May 3, 2021

To date, no public comments have been received and the comment period ends on May 3. Each proposed amendment is detailed in the attached public notice. Once approved, the amendment will be submitted to HUD for approval.

Recommended Motion:

Approve proposed amendments to CDBG/HOME 2020 Annual Action Plan.

**Notice of Public Hearing & Public Comment Period
Amendments to 2020 Action Plan
HOME Investment Partnerships Program**

The City of Fargo is proposing amendments to further define project location, budget, and activity type for a HOME Investment Partnerships Program (HOME) activity in the 2020 Action Plan, previously approved by City Commission on January 25, 2021. The proposed amendments are considered substantial amendments and must go through a citizen participation process. The details and timeline for this process are outlined below. Upon City Commission action on May 3, a recommendation regarding these amendments will be forwarded to HUD for their consideration and approval.

Legal Description:	Portion of the NW 1/4 of Sec. 10, T138N, R49W		
Owner(s)/Applicant:	North Dakota State College of Science Foundation / Moore Engineering	Engineer:	Moore Engineering
Entitlements Requested:	Major Subdivision (Plat of Covey Ranch First Addition , a plat of a portion of the NW 1/4 of Sec. 10, T138N, R49W) and Zoning Change (from AG, Agricultural to P/I, Public and Institutional)		
Status:	City Commission Public Hearing: May 3, 2021		

Existing	Proposed
Land Use: Undeveloped;	Land Use: Educational--- North Dakota State College of Science (NDSCS) Career Workforce Academy
Zoning: AG, Agricultural;	Zoning: P/I, Public and Institutional
Uses Allowed: AG – Agricultural allows detached houses, parks and open space, safety services, basic utilities, and crop production	Uses Allowed: P/I Allows colleges, community service, daycare centers of unlimited size, detention facilities, health care facilities, parks and open space, religious institutions, safety services, schools, offices, commercial parking, outdoor recreation and entertainment, industrial service, manufacturing and production, warehouse and freight movement, waste related use, agriculture, aviation, surface transportation, and major entertainment events;
Maximum Density Allowed: AG allows a maximum of 1 dwelling unit per 10 acres;	Maximum Density Allowed: P/I zone has no density or lot coverage standards

Proposal:

The applicant requests two entitlements:

1. A major subdivision, entitled **Covey Ranch First Addition**, which is a plat of a portion of the NW 1/4 of Sec. 10, T138N, R49W
2. A zoning change from AG, Agricultural, to P/I, Public and Institutional

This project was reviewed by the City's Planning and Development, Engineering, Public Works, and Fire Departments ("staff"), whose comments are included in this report.

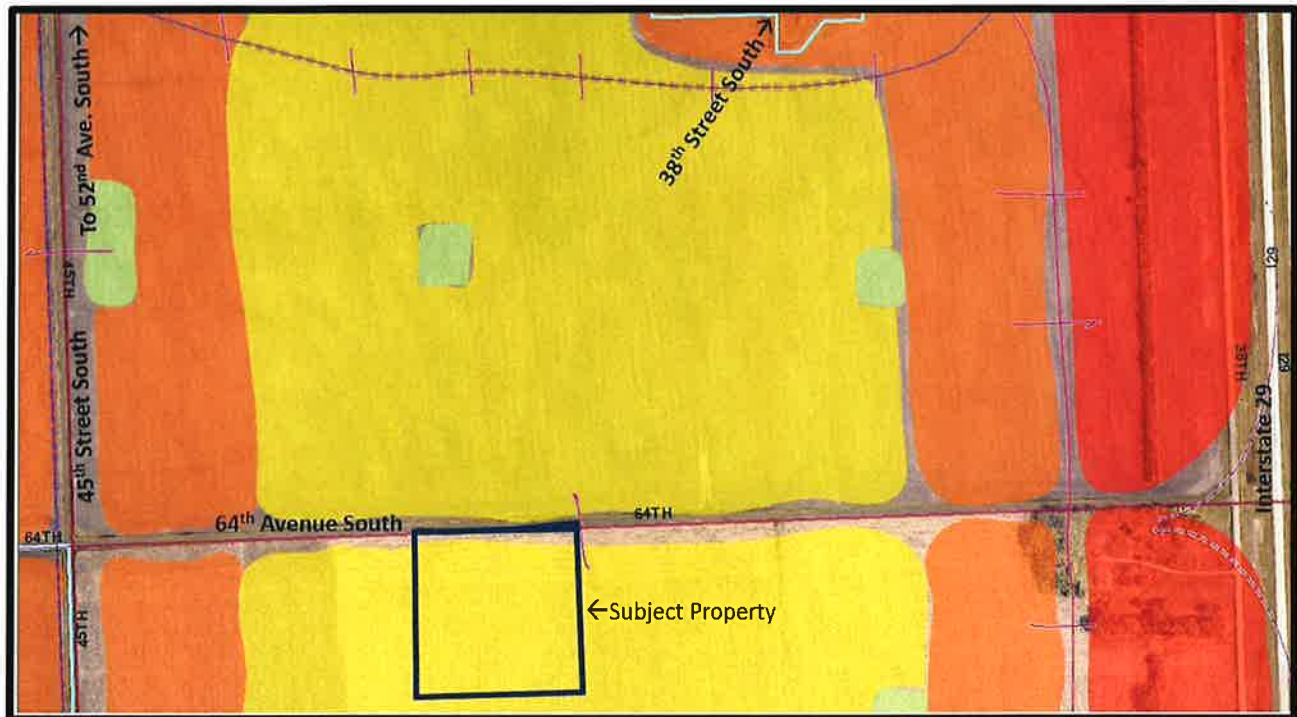

Surrounding Land Uses and Zoning Districts:

- North: AG, Agricultural; undeveloped;
- East: AG, Agricultural; undeveloped; in Fargo's extra-territorial jurisdiction.
- South: AG, Agricultural; undeveloped; in Fargo's extra-territorial jurisdiction.
- West: AG, Agricultural; undeveloped; in Fargo's extra-territorial jurisdiction.

(continued on next page)

Area Plans:

The subject property is located within the Tier 1 South West area of the 2007 Future Land Use Plan. This plan designates the subject property as "Residential Area—Lower to Medium Density." This land use designation allows the P/I zoning particularly when intended for educational institutions.

- Commercial Area
- Future School
- Proposed Park
- Residential Area - lower to medium density
- Residential Area - medium to high density
- Residential Area - rural

Schools and Parks:

Schools: The subject property is located within the Fargo School District, specifically within the Kennedy Elementary, Discovery Middle, and Davies High schools.

Neighborhood: The subject property is located The District neighborhood.

Parks: There are no parks in the immediate vicinity of the subject property. However, the Sanford sports complex is proposed to be developed on the north side of 64th Avenue South less than one-half mile from the subject property.

Pedestrian / Bicycle: There are no bicycle or pedestrian facilities near the subject property at this time. The property fronts on 64th Avenue South, which will have 10-foot wide shared use paths on both sides once it's completed.

Staff Analysis:**PLAT AND ZONING CHANGE**

The plat is a one lot, one block subdivision for development of the North Dakota State College of Science (NDSCS) Career Workforce Academy. This is a state institution with surrounding school districts participating. The plat includes dedications for 64th Avenue South and 43rd Street South. The P/I zone is allowed under the "Residential Area—Lower to Medium Density" land use designation and is the appropriate zoning for this state-owned educational institution.

ACCESS: The project site takes access from 64th Avenue South and 43rd Street South.

PUBLIC WATER and SEWER: Public water and sewer will be provided in the dedicated public streets.

Zoning

Section 20-906. F (1-4) of the LDC stipulates the following criteria be met before a zone change can be approved:

- 1. Is the requested zoning change justified by a change in conditions since the previous zoning classification was established or by an error in the zoning map?**

Staff is unaware of any error in the zoning map as it relates to this property. The property was zoned AG: Agricultural at the time it was annexed. Now that development is proposed, the applicant requests a zoning change to P/I, Public and Institutional, which is the appropriate zoning for the proposed educational institution. **(Criteria Satisfied)**

- 2. Are the City and other agencies able to provide the necessary public services, facilities, and programs to serve the development allowed by the new zoning classifications at the time the property is developed?**

City staff and other applicable review agencies have reviewed this proposal. Staff finds no deficiencies in the ability to provide all of the necessary services to the site. The subject property fronts on and existing, developed public right-of-way and will dedicate additional rights-of-way, which provide access and public utilities to serve the development. **(Criteria satisfied)**

- 3. Will the approval of the zoning change adversely affect the condition or value of the property in the vicinity?**

Staff has no documentation or evidence to suggest that the approval of this zoning change would adversely affect the condition or value of the property in the vicinity. Written notice of the proposal was sent to all property owners within 300 feet of the subject property. To date, Planning staff has received and responded to two inquiries. Staff finds that the approval of the zoning change will not adversely affect the condition or value of the property in the vicinity. **(Criteria satisfied)**

- 4. Is the proposed amendment consistent with the purpose of this LDC, the Growth Plan, and other adopted policies of the City?**

The LDC states "This Land Development Code is intended to implement Fargo's Comprehensive Plan and related policies in a manner that protects the health, safety, and general welfare of the citizens of Fargo." The Growth Plan that applies to this property is the 2007 Growth Plan.

This property is designated "lower to medium density residential" on the 2007 Growth Plan. The 2007 Growth Plan states that the "low to medium density" residential designation includes the P/I zone. The P/I zone is the appropriate designation for a state-owned educational institution. Staff finds this proposal is consistent with the purpose of the LDC, the applicable growth plan, and other adopted policies of the City, contingent on Commission approval of the proposed Growth Plan Amendment. **(Criteria satisfied)**

Major Subdivision

The LDC stipulates that the following criteria is met before a major subdivision plat can be approved

- 1. Section 20-0907 of the LDC stipulates that no major subdivision plat application will be accepted for land that is not consistent with an approved Growth Plan or zoned to accommodate the proposed development.**

The requested zoning for the residential development on this property is P/I, Public/Institutional. The P/I zone is the appropriate designation for a state-owned educational institution. In accordance with Section 20-0901.F of the LDC, notices of the proposed plat have been sent out to property owners within 300 feet of the subject property. To date, Planning staff has received and responded to two inquiries. **(Criteria Satisfied)**

2. **Section 20-0907.4 of the LDC further stipulates that the Planning Commission shall recommend approval or denial of the application and the City Commission shall act to approve or deny, based on whether it is located in a zoning district that allows the proposed development, complies with the adopted Area Plan, the standards of Article 20-06 and all other applicable requirements of the Land Development Code.**

The property is proposed to be zoned P/I, Public and Institutional. As noted in the zone change findings above, these zones are consistent with the 2007 Growth Plan designation of "lower to medium density residential." The P/I zone is the appropriate designation for a state-owned educational institution. The project has been reviewed by the city's Planning, Engineering, Public Works, Inspections, and Fire Departments.

(Criteria Satisfied)

3. **Section 20-907.C.4.f of the LDC stipulates that in taking action on a Final Plat, the Board of City Commissioners shall specify the terms for securing installation of public improvements to serve the subdivision.**

The applicant has provided a draft amenities plan that specifies the terms or securing installation of public improvements to serve the subdivision. This amenities plan was reviewed by the Public Works Project Evaluation Committee (PWPEC). Any improvements associated with the project (both existing and proposed) are subject to special assessments. Special assessments associated with the costs of the public infrastructure improvements are proposed to be spread by the front footage basis and storm sewer by the square footage basis as is typical with the City of Fargo assessment principles

(Criteria Satisfied)

Staff Recommendation:

Suggested Motion: "To accept the findings and recommendations of the Planning Commission and staff, and hereby waive the requirement to receive the rezoning Ordinance one week prior to the first reading and place the rezoning Ordinance on for first reading, and move to approve the proposed 1) Zoning Change from AG, Agricultural to P/I, Public and Institutional, and 2) a plat of the **Covey Ranch First Addition**, as the proposal complies with the Go2030 Fargo Comprehensive Plan, 2007 Growth Plan, Standards of Article 20-06, and Section 20-0906.F (1-4) of the LDC and all other applicable requirements of the LDC."

Planning Commission Recommendation: January 5, 2021

At the January 5th, 2021 Planning Commission hearing, by a vote of 6-0 with three Commissioners absent and two Commission seats vacant, the Commission moved to accept the findings and recommendations of staff recommended approval to the City Commission of the proposed 1) Zoning Change from AG, Agricultural to P/I, Public and Institutional, and 2) a plat of the **Covey Ranch First Addition**, as the proposal complies with the Go2030 Fargo Comprehensive Plan, 2007 Growth Plan, Standards of Article 20-06, and Section 20-0906.F (1-4) of the LDC and all other applicable requirements of the LDC.

Schools and Parks:

Schools: The subject property is located within the Fargo School District, specifically within the Roosevelt Elementary, Ben Franklin Middle and North High schools.

Neighborhood: The subject property is located within the Downtown neighborhood.

Parks: Island Park, located at 502 1st Avenue South, is approximately 500 feet south of the subject property, and provides amenities of basketball court, tennis courts, handball, grills and picnic tables, playground, cross country ski trails, recreational trails, rentals and a swimming pool.

Pedestrian / Bicycle: Off-road multi-use trails are adjacent to the subject property along both Broadway and Main Street.

Staff Analysis:

The plat will create two lots zoned DMU, Downtown Mixed Use. The lots will take access from Broadway, Main Avenue, and 4th Street North. The existing building owned by the Lake Agassiz Development Corporation will remain on Lot 2, Block 1. The applicant intends to build a new mixed-use building, with both office and residential uses and the possibility of retail uses in the future, on Lot 1, Block 1.

Major Subdivision

The LDC stipulates that the following criteria is met before a major subdivision plat can be approved

1. **Section 20-0907 of the LDC stipulates that no major subdivision plat application will be accepted for land that is not consistent with an approved Growth Plan or zoned to accommodate the proposed development.**

The property is zoned DMU, Downtown Mixed Use. No zone change is proposed. The DMU zone will accommodate the proposed development of a new mixed-use building, as noted above.

In accordance with Section 20-0901.F of the LDC, notices of the proposed plat have been sent out to property owners within 300 feet of the subject property. To date, staff has received no comment on the application. **(Criteria Satisfied)**

2. **Section 20-0907.4 of the LDC further stipulates that the Planning Commission shall recommend approval or denial of the application and the City Commission shall act to approve or deny, based on whether it is located in a zoning district that allows the proposed development, complies with the adopted Area Plan, the standards of Article 20-06 and all other applicable requirements of the Land Development Code.**

The property is zoned DMU, Downtown Mixed Use. No zone change is proposed. The DMU zone will accommodate the proposed development of a mixed-use building, as noted above. The DMU zoning designation is consistent with the "Mixed Use" designation of the Downtown in Focus Plan. The project has been reviewed by the city's Planning, Engineering, Public Works, Inspections, and Fire Departments.

(Criteria Satisfied)

3. **Section 20-907.C.4.f of the LDC stipulates that in taking action on a Final Plat, the Board of City Commissioners shall specify the terms for securing installation of public improvements to serve the subdivision.**

As no new public improvements are being created by this plat, an amenities plan was not required. Any improvements associated with the project (both existing and proposed) are subject to special assessments. Special assessments associated with the costs of the public infrastructure improvements are proposed to be spread by the front footage basis and storm sewer by the square footage basis as is typical with the City of Fargo assessment principles.

(Criteria Satisfied)

NOTE ON CONTINGENT APPROVAL: The suggested motion below states that approval is contingent on final technical review of the plat, including the City Engineer's signature. This contingency is proposed as the applicant has encountered some title complications that needed additional time to resolve. The contingent motion below allows the City Commission to approve the plat at this time. Once the final technical review is complete and the City Engineer has signed the plat, then the City can then proceed with recording the plat, if approval is received as referenced below. Please note that all future permits, such as building permits, are on hold until the plat can be recorded.

Staff Recommendation:

Suggested Motion: "To accept the findings and recommendations of the Planning Commission and staff and move to approve the proposed plat of the **L. J. Laffen Addition**, contingent on final technical review of the plat, including the City Engineer's signature, as the proposal complies with the Go2030 Fargo Comprehensive Plan, Downtown in Focus Plan, Standards of Article 20-06 of the LDC and all other applicable requirements of the LDC."

Planning Commission Recommendation: April 6, 2021

At the April 6, 2021 Planning Commission, by a vote of 6-0 with three Commissioners absent and two Commission seats vacant, the Commission moved to accept the findings and recommendations of staff and moved to recommend approval to the City Commission of the proposed plat of the **L. J. Laffen Addition**, as the proposal complies with the Go2030 Fargo Comprehensive Plan, Downtown in Focus Plan, Standards of Article 20-06 of the LDC and all other applicable requirements of the LDC.

RE: Renaissance Zone Application for 501 Main Ave Dev Corp (322-F) located at 501 Main Avenue

The city received a Renaissance Zone (RZ) application from 501 Main Ave Dev Corp to construct a new building at 501 Main Avenue. The request was reviewed by the Renaissance Zone Authority (RZA) on March 24, 2021.

Pursuant to the application, project proposes to construct a building with one floor of below grade parking, first and second floor commercial space, floors three through five will have multi-family (55 total multi-family units), and the top floor having 10 for-sale condominiums units. The construction would begin spring of 2021 and the proposed timeframe of completion of spring 2023.

Attached is a copy of the staff report and corresponding materials.

As indicated in the attached documentation, the project met all state and local requirements for approval and is consistent with a number of goals and objectives as established in the Fargo Renaissance Zone Development Plan. The application indicates an investment of nearly \$21,500,000 which exceeds the minimum investment threshold as set forth in the plan.

The RZA unanimously recommended approval of this project.

Recommended Action: Approve the Renaissance Zone rehabilitation application for 501 Main Ave Dev Corp and grant state income tax and property tax exemptions as recommended by the Renaissance Zone Authority.

**Renaissance Zone Staff Report for
501 Main Ave DevCorp, LLC (322-F)
501 Main Avenue**

Project Evaluation:

The City of Fargo received a Renaissance Zone application from 501 Main Ave DevCorp, LLC to construct a 6-story mixed use project at 501 Main Avenue. Pursuant to the application, project proposes to construct a building with one floor of below grade parking, first and second floor commercial space, floors three through five will have multi-family (55 total multi-family units), and the top floor having 10 for-sale condominiums units.

The construction would begin spring of 2021 and the proposed timeframe of completion of spring 2023.

The Planning Department has reviewed the application and has provided a project ranking based on the analysis below:

1. **Renaissance Zone Plan Goals:** Use consistent with the RZ Plan (as per Visions and Goals): As noted in the 2019 Renaissance Zone Development Plan. *(responses are from applicant for item 1)*
 - a. *Grow as a Neighborhood:* Invest in housing to increase the population living Downtown and maintain Downtown's diversity.
This project provides for an increased amount of housing downtown (65 total units) by providing a variety of residential options at a variety of price points--ranging from studios (9); 1 bedrooms (36); 2 bedrooms (10) to residential condominiums (10).
 - b. *Prosper as a Business Center:* Increase the number and types of jobs Downtown.
Tenants in the building (commercial/retail spaces) will likely be committed before the project breaks ground--as such, one Tenant expects to continue its employee growth in the Fargo market and the other will bring net new employees downtown as a new downtown business.
 - c. *Thrive as a Destination:* Create a unique Downtown experience with an activated riverfront and vibrant sidewalks and public spaces that serve as the backdrop of the community's social life.
Designed to anchor the south end of Broadway and provide the long planned sense of "gateway" to downtown and potential public art opportunity, this project will hope to have a public gathering space provided in the Broadway ROW and will address the street with lots of windows and openness. A planned connection to the structured parking to the south will encourage more people to access the southern edge of downtown and make it much easier.
 - d. *Be a model for Inclusive Growth and Development:* Protect Downtown's diversity and evolve as a model for equitable growth and development.
The variety of housing and its' location will help add available units in downtown and get units on Main and near Island Park. The project will develop a long vacant location providing a mixed use solution that acknowledges its immediate neighborhood and context.
 - e. *Complete our Streets:* Make complete streets common place and encourage trips by foot, bicycle, and bus, as well as car.
Encouraging and counting on using underutilized parking in the Island Park Parking Ramp will encourage more multi-mode traffic from the south and the planned physical connection to the south will augment that. The recently completed Main Avenue redevelopment project has turned Broadway in to less of a perceived barrier and invites more movement north and south for pedestrians, bicyclists, skateboarders, etc. This development

will provide an anchor to that on the south end of Broadway and provide for public seating and bike racks and enclosure and intimacy to the street scape that is presently lacking--new place making at a critical intersection.

- f. *Park Smart:* Manage parking resources to meet the needs of drivers, while also making room for new development and activity.

The project can provide onsite parking--both on the surface (38) and underground (29) and enjoys a positive partnership with next door neighbors to the east (Lake Agassiz Development Group). The project also plans on using the under-utilized City-owned structured parking to the south.

- g. *Play with purpose:* Develop a system of connected all-season green spaces designed for people (of a range of ages and interests) and purpose (as infrastructure that absorbs stormwater).

The project hopes to develop a companion project in the Broadway ROW that provides a long desired and planned for greenspace on the south end of Broadway that will be designed to have multi-seasonal interest and be public with unlimited access. We will expect to explore how we may use captured water from the site as part of the discussion around both irrigating the public space and satisfying the water needs of the project itself.

(20/20 points)

2. **Investment Thresholds:** Does the investment comply with minimum investment thresholds (locally determined) for residential and commercial projects as set forth in this RZ Plan?

According to the application, the structure accommodates 97,090 square feet, as follows:

- *Proposed Building Total:* approximately 97,090 SF
- *Commercial:* approximately 23,585 SF
- *Residential:* approximately 15,905 SF (45,010 SF Apartments; 14,895 SF Condominiums)
- *Parking:* approximately 13,600 SF

**Remaining SF includes ancillary space, such as amenities, lobbies, corridors, elevators, etc.*

Overall, the application estimates a total capital investment of \$21,500,000, which calculates to approximately \$221.44 per square foot.

(10/10 points)

3. **High Priority Land Use:** The new construction or proposed improvements are representative of "High Priority Land Uses" as defined by this RZ Plan (page 9).

- a. **Primary Sector Business:**

Tenants in the building expect to continue its employee growth in the Fargo market and the other will bring net new employees downtown as a new downtown business.

- b. **Active Commercial, Specialty Retail or Destination Commercial:**

Tenants in the building expect to continue its employee growth in the Fargo market and the other will bring net new employees downtown as a new downtown business.

- c. **Mixed Use Development:**

The building will consist of commercial spaces, residential units and condominiums

(17/20 points)

4. **Targeted Areas:** Is the investment located in a "Targeted Area" as defined by this RZ Plan? Consideration shall be given to whether this property has been vacant or underutilized for a period of time and/or whether the property is specifically targeted for clearance.

- a. **Parcels that have been vacant or underutilized for an extended period of time:**

The subject property has been a surface level commercial parking for over 50 years.

- b. **Parcels specifically targeted for clearance:**

The RZ Plan identifies Block 57 for: Redevelopment and infill; mixed-use and commercial.

(10/10 points)

5. **Urban Design:** Is the project representative of strong urban design principles?

The project embodies strong urban design principles, including density, form, materials, and proximity/adjacency to amenities. The design contemplates the interface of the structure to the right-of-way. The building consists of a variety of materials as well as projections and recessions, which create architectural interest. The project is located within the DMU, Downtown-Mixed Use zoning district and will have to meet the architectural intent of that zoning district requirements as well.

(10/10 points)

6. **Investment Analysis:** Consideration and analysis as to the total actual investment.

As proposed, the redevelopment project and improvement costs significantly exceed both the 50% (true and full value of the building) and \$100 per square foot requirement. As previously noted, the application represents a total estimated investment of \$21,500,000, which calculates to approximately \$221.44 per square foot.

(10/10 points)

7. **Business Relocation:** Consideration as to whether the project will include or accommodate the relocation of a business from another North Dakota community?

The project has not secured tenants for the commercial space but are in discussions with businesses.

(7/10 points)

8. **Street Activation:** Will the project fit contextually and will the project contribute or enhance the area from an architectural perspective?

The building is architecturally designed and provides interest with varying projections and recesses, colors, textures and materials, and other vertical elements. Renaissance Zone projects are anticipated to be conscience of four-sided design, which has been seen with other projects within the downtown, which the design reflects. The project includes a plaza with public art that will activate the space as an entrance to the Broadway corridor.

(10/10 points)

Summary:

This application received a score of 94 on a 100-point scale. The applicant met criteria and the use is consistent with the RZ Plan. In addition, the proposed new construction project surpasses the local capital improvement requirement of \$100 per square foot for new construction. The amount invested in the project exceeds state and local guidelines. The project does not involve the relocation of commercial businesses from another North Dakota city. The applicant will not be seeking any historic preservation tax credits.-This project will make use of a lot that is currently underutilized.

Staff believes that this project will be a benefit to the downtown community and will positively contribute to the health of surrounding neighborhood and nearby businesses and is recommending approval.

Suggested motion:

Recommend approval to the Fargo City Commission to approve the application submitted by 501 Main Ave DevCorp, LLC and to grant the property tax exemption and the State income tax exemptions as allowed by the ND Renaissance Zone law contingent upon completion of the project and verification of costs.

Investigation Notes

This application is for a "FA" liquor license (authorizes the licensee to sell "on-sale" only, physical bar is allowed. Requires 50% or more of its annual gross receipts from the sale of prepared meals and not alcoholic beverages) for Fargo Ts LLC dba Suite Shots to be located at 3400 James Way, Fargo, ND.

According to the application, Suite Shots will contain 60 "Suites" or bays in which visitors can hit golf balls from a temperature controlled covered area to an outdoor field. In addition to 60 golf suites where food and beverage will be consumed, the facility will have meeting space, banquet rooms and an outdoor terrace to accommodate business meeting, parties and fundraising events. There will also be a restaurant and bar on the main level serving lunches and dinners to golfers and non-golfers.

I spoke to Mark W. Johnson by phone. I asked Mark what his involvement in the business was, since he is listed as a manager. Mark stated he is the manager and he is also an owner. Mark stated all of the individuals listed on the application have ownership in the venture. Mark also told me his MN driver's license number, since it was blank on the application.

The investigation into the criminal and credit history of the applicants did not find any current issues related to criminal activity or any problems with their credit.

Fargo Police Department

Business Location

Suite Shots is located at 3400 James Way, Fargo, ND. James Way is not on many maps yet, it is in the area of 52nd Avenue South and 34th St. Other businesses in the area with an alcoholic beverage license include: Cash Wise Liquors and Frank's Lounge.

Conclusion

This background investigation is being forwarded for your review and recommendation to the City of Fargo Liquor Control Board.

Memorandum

DATE: April 29, 2021
TO: Mayor Mahoney and Board of City Commissioners
FROM: Bruce Taralson, Inspections Director
SUBJECT: Dangerous Building Notice and Order 1648 8 AVE S., Fargo, ND 58103

The property owner of 1648 8 Ave S., Fargo, ND, has failed to comply with my order to obtain a permit to repair or demolish the heavily damaged structure at that location within the time allowed for that removal. In accordance with Fargo Municipal Code Article 21-0405, a hearing date is scheduled for May 3, 2021.

The recommendation is to **designate this building to be a dangerous building, direct the City Attorney to prepare findings of fact in this matter, and order its removal on June 30, 2021. Please direct the appropriate staff to secure the removal of this building at that time. If the Owner takes responsibility and obtains a permit to repair this property prior to June 30, 2021, this property will be required to comply with the current Land Development Code (LDC) requirements of use per Section LDC 20-1002.C.**

DANGEROUS BUILDING ORDER TO COMMISSION- Detail and Timeline Regarding 1648 8 Avenue S., Fargo, ND.

A Dangerous Building hearing is required under Article 21-0405 for the purpose of allowing any interested parties the opportunity to comment, and to allow the Owner of the property the opportunity to appear and show cause why the City of Fargo should not cause the removal of this building. The hearing is scheduled for Monday, May 3, 2021 at 5:15PM.

The Inspections Department has taken this action due to multiple neighborhood complaints prompting inspections. This building meets 5 of the 10 criteria which only one might be required. Our report on ordinance requirements-

1. Inspections Department received complaint on property.
2. Inspections Department inspected the property.
3. Inspections placed notice on the building.
4. Inspections provided notice to Owner giving 30 days.
5. Inspections report to City Commission today.

In your packets, you will find the Dangerous Building Notice. Article 21-0404 requires the Inspections Department give notice to the Owner of the property prior to any action by the City Commission or staff. Our timeline shows the building was originally placarded on February 26, 2021, as an Substandard Building and after an internal inspection was complete, placarded as a Dangerous Building on March 12, 2021. This notice provided a 30-day deadline to obtain a permit to repair, or demolish the structure.

Included in this packet is a timeline of events, photographs and necessary documents.

5/18/2021: Anticipated issuance of *Findings of Fact* document.

6/1/2021: Deadline to appeal to District Court

6/30/2021: Deadline for City of Fargo to proceed with action on City Commission's recommendation to demolish.

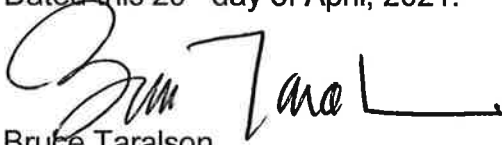

Please note, this timeline does not include a total calculation of overall staff time spent on this property.

Upon your finding for the Owner to comply with this demolition order, you are required by Article 21-0405 C, D & E, to notify Owner of your determination, and that if an Owner fails to comply with that order for demolition within 10 days, The City Commission can order city staff to take action on demolition and assess costs back to the property.

I suggest you agree with my notice and find this to be a Dangerous Building, and direct the City Attorney to prepare findings of fact in this matter. I also ask that you direct staff to proceed with all necessary measures to secure the removal of this building should the Owner fail to do so. Article 21-0412 allows for the Owner to appeal to the City Commission's action to District Court, which requires a \$500 deposit with the City Auditor.

Respectfully submitted,

Dated this 29th day of April, 2021.

NOTICE OF CHANGE FROM SUBSTANDARD BUILDING

TO DANGEROUS BUILDING DUE TO INTERIOR INSPECTION ON 3/2/2021

TO: Christopher Mason Brockman

YOU ARE HEREBY Given Notice of the following:

1. That this Notice is being given to you pursuant to Fargo Municipal Code, Article 21-04 concerning Dangerous Buildings.
2. That the building with which this Notice is concerned is commonly known as 1648 8 Ave S, and is located on that tract of land in the city of Fargo, more particularly described as follows: Lot: 16 Block: 6 DARLINGS 2ND LOT 16 BLK 6 (hereinafter referred to as "the building")
3. That an inspection was made of the building on 3/2/2021 by Bill Thompson, Building Inspector, and on 3/2/2021 by James Haley, Deputy Assessor, of the City of Fargo.
4. That the building inspector for the City of Fargo has found the building, consisting of a single-story, wood-framed structure with detached garage to be a Dangerous Building within the standards set forth in the Fargo Municipal Code, Article 21-04, Dangerous Buildings and IPMC Code 108.1.5 concerning Dangerous Structures.
5. This building has been found to be a dangerous building by the building inspector. This notice is to remain on this building until it is repaired, vacated, or demolished in accordance with the notice which has been given the owner, occupant, lessee, or mortgagee of this building and all other persons having an interest in said building as shown by the records of the register of deeds of the county of Cass. It is unlawful to remove this notice until such notice is complied with. Source: 1952 Rev. Ord. 21-0404.
6. That the owner of the building must demolish the building within 30 (thirty) days from the date of this notice or obtain a permit to repair. To obtain a permit, see 'Conditions Found Statement' below.
7. That the building is unsafe and is a dangerous building in the following respects: See 'Conditions Found Statement' below.

A. Deputy Assessor James Haley, of the City of Fargo has deemed that the building has been damaged or deteriorated to the extent of more than fifty (50) percent of its original value prior to the damage or deterioration. Source: Fargo Municipal Code, Article 21-0402 concerning Dangerous Buildings.

8. The building is unsafe and constitutes a public nuisance pursuant to Fargo Municipal Code, Article 21-04 concerning Dangerous Buildings and Section 116 of the International Building Code as adopted by Article 21-0101 of the Fargo Municipal Code.

9. You are further given Notice that unless the building is demolished within the time period set forth herein, the City of Fargo will take such steps as are necessary to cause said building to be demolished pursuant to Fargo Municipal Code, Article 21-04 concerning Dangerous Buildings and the International Building Code and the owner will be assessed such costs as are provided for therein.

10. Order for vacation of building. The undersigned building official has determined that the building or structure must be vacated as required by Section 108.2 of the International Property Maintenance Code, 2018 edition. Therefore, it is hereby ordered that the building or structure shall be vacated immediately, and remain vacated, on this 12 day of March, 2021.

11. The undersigned building official has determined that the building must remain secured. Therefore, it is hereby ordered that all means of entering the building remain secured to prevent unauthorized entrance. An inspector will continue to verify compliance. Failure to keep the building secured will result in the City of Fargo hiring an independent contractor to secure the building. All expenses for securing the building will be assessed against the property.

12. Application for Appeal. Section 111.1 of the International Property Maintenance Code states that any person directly affected by a decision of the *code official* or a notice or order issued under this code shall have the right to appeal to the Board of Appeals, provided that a written application for appeal is filed within 20 days after the day the decision, notice or order was served. An application for appeal shall be based on the claim that the true intent of this code or the rules legally adopted thereunder have been incorrectly interpreted, the provisions of this code do not fully apply, or the requirements of this code are adequately satisfied by other means.

Dated this 12 day of March, 2021.

Finding of substandard building. The undersigned building official has determined the above-described subject property to be a substandard building, as is defined by the International Property Maintenance Code 2018 edition, as adopted by reference in the Fargo Municipal Code at section 31-0101. Specifically, the violations of said housing code have been identified and are described more fully in the conditions found statement of the Inspection Division, a copy of which is attached hereto and incorporated herein as if fully set forth.

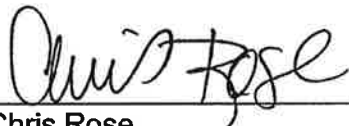

Order to secure and repair. The undersigned building official has determined that the building must be secured and repaired. Therefore, it is hereby ordered all windows and doors on the building be secured by March 4. Also therefore, it is hereby ordered that all required permits be secured for the appropriate repair of the building or structure and the work physically commenced within 14 days of the date of this order and such work completed within 30 days; which is a period of time for completion determined by the undersigned building official to be reasonable under all of the circumstances.

NOTICE OF RIGHT TO APPEAL

PLEASE BE ADVISED that any person having any record, title, or legal interest in the building, described above, may appeal from this Notice and Order or any action of the undersigned building official to the Housing Advisory and Appeals Board, provided the appeal is made in writing as provided in the International Property Maintenance Code 2018 edition, and filed with the undersigned building official within 30 days from the date of service of this Notice and Order. Please be further advised that failure to appeal this Notice and Order will constitute a waiver of all right to an administrative hearing and determination of the matter.

The foregoing constitutes the order of the undersigned building official under the authority set forth by the provisions of the Fargo Municipal Code and the International Property Maintenance Code 2018 edition, and the required notice of right to appeal.

Memorandum

DATE: April 29, 2021
TO: Mayor Mahoney and Board of City Commissioners
FROM: Bruce Taralson, Inspections Director
SUBJECT: Dangerous Building Notice and Order at 1418 1 Avenue N., Fargo, ND

The property owner of 1418 1 Avenue N., Fargo, ND, has failed to comply with the requirements of our order and permit to complete the demolition of the heavily damaged building. In accordance with Fargo Municipal Code Article 21-0405, a hearing date was continued to May 3, 2021 for this order at which time the property owner will be able to appear and show cause why the building should not be removed and the costs of that removal assessed against this property.

The recommendation is to **designate this building to be a dangerous building, direct the City Attorney to prepare findings of fact in this matter, and order its removal before June 30, 2021. Please direct the appropriate staff to secure the removal of this building at that time, should the owner fail to do so.**

UPDATED DANGEROUS BUILDING ORDER TO COMMISSION- Detail and Timeline regarding 1418 1 Avenue N., Fargo, ND.

The hearing scheduled for May 3, 2021, is required under Article 21-0405 for the purpose of allowing any interested parties the opportunity to comment, and to allow the Owner of the said property the opportunity to appear and show cause why the City of Fargo should not cause the removal of this building.

The Inspections Department is requesting that the City Commission deem this building as a Dangerous Building and order the demolition of the building due to the extent of damage found. This building meets 10 of the 10 criteria found in the ordinance which only one might be required. Our report on ordinance requirements is as follows:

1. The Inspections Department received a notice regarding the condition of the property.
2. The Inspections Department inspected the property.
3. The Inspections Department placarded building as a Dangerous Building.
4. The Inspections Department provided Dangerous Building notice to Owner allowing 14 days to obtain permit or demolish structure.
5. A permit was issued to demolish the heavily damaged structure.
6. The structure was not demolished according the requirements or deadline of the permit.
7. The permit is now invalid.
8. The Inspections Department is reporting to City Commission today.

In your packets, you will find the Dangerous Building Notice. Article 21-0404 requires the Inspections Department give a 30-day notice to the Owner of the property prior to any action by the City Commission or staff. Our timeline shows the building was placarded on December 9, 2020 and the Dangerous Building Order posted on December 15, 2020; The Owner did not take action as required by the notice.

Also in your packets, you will find copies of the photos taken of the property as well as a copy of the letter of determination of value from Assessors office. Article 21-0401 stipulates that if this building meets the definition of a dangerous building, it must be demolished or repaired. The assessor's letter states that repairs will exceed or are in excess of 50% of the current value. Article 21-0402 stipulates that if costs to repair the building exceed 50% or more of the current value, the building can be ordered demolished or repaired. We have taken the path of demolition due to the amount of repair the building requires to be habitable.

or repaired. We have taken the path of demolition due to the amount of repair the building requires to be habitable.

5/18/2021: Anticipated issuance of *Findings of Fact* document.

6/1/2021: Deadline to appeal to District Court.

6/30/2021: Deadline for Owner to demolish or City of Fargo to proceed with action on City Commissions recommendation to demolition.

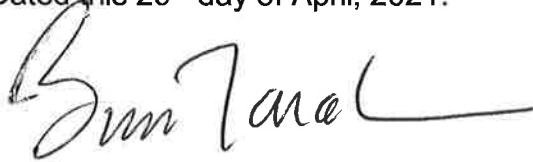

Please note, this timeline does not include complaints received by other departments or a total calculation of overall staff time spent on this property.

Upon your finding for Owner to comply with this demolition order, you are required by Article 21-0405.C,D&E, to notify the Owner of your determination, and that if the Owner fails to comply with that order for demolition within 10 days, The City Commission can order city staff to take action on demolition and assess costs back to the property.

I suggest you agree with my notice and find this to be a dangerous building, and direct the City Attorney to prepare findings of fact in this matter. I also ask that you direct staff to proceed with all necessary measures to secure removal of this building should the Owner fail to do so. Article 21-0412 allows for Owner appeal to City Commission action to District Court, which requires a \$500 deposit with the City Auditor.

Respectfully submitted,

Re: 2021 FARGO/CASS COUNTY MOSQUITO CONTROL AGREEMENT

Commissioners:

Enclosed please find the Fargo/Cass Mosquito Control Agreement for the 2021 mosquito season. At this time, the enclosed contract has been fully reviewed and approved by city staff. The Fargo contract costs have remained consistent with the 2020 contract and no changes have been made.

All funding associated with the enclosed agreement has been fully accounted for within the 2021 vector control budget.

RECOMMENDED MOTION: I/we hereby move to approve and authorize the execution of the enclosed Mosquito Control Agreement with Cass County for 2021.

Respectfully submitted,

Ben Dow
Public Works Director

2021 MOSQUITO CONTROL AGREEMENT
CITY OF FARGO AND CASS COUNTY GOVERNMENT

This is an agreement to formalize the partnership for mosquito control between the City of Fargo and Cass County Government during the 2021 mosquito control season. The agreement is made between the City of Fargo, whose office is located at 200 North 3rd Street, Fargo, North Dakota 58102, hereinafter CITY, and Cass County Government whose office is 211 Ninth Street, Fargo, ND 58018 hereinafter COUNTY.

THE PARTIES STIPULATE AND AGREE AS FOLLOWS:

1. COUNTY agrees to provide mosquito control activities throughout the Vector Control District commensurate with the funding available. For the 2021 season, approximately \$789,967 in Vector Control Mill funds has been designated for the Countywide Vector Program. COUNTY funds will be used within the CITY and in surrounding areas with the objective being to distribute products and services commensurate with the source of revenue.
2. In addition to service provided in paragraph 1, COUNTY will provide services within the CITY for various mosquito control activities such as but not limited to: making applications of pesticides using off-highway vehicles, spraying mosquitoes in and surrounding Fargo including parks and schools, inspection of public and private property, collection of mosquito traps for population monitoring. The COUNTY Vector Director will provide technical direction and coordination of these activities. The Vector Director will also work in cooperation with CITY officials to provide other technical and administrative assistance as necessary.
3. CITY agrees to provide funding to support the activities referred to in paragraph 2. The total cost for these activities is \$290,000. Estimated start date and end dates for activities is April 15th to October 1st respectively.
4. COUNTY will provide services within the predetermined "Extra-territorial" area for various mosquito control activities such as but not limited to: making applications of pesticides using off-highway vehicles, inspection of public and private property, and collection of mosquito traps for population monitoring.
5. CITY agrees to fund fifty percent (50%) of the activities described in paragraph 4. COUNTY agrees to fund fifty percent (50%) of the activities described in paragraph 4. Anticipated total cost of services defined in paragraph 4 are estimated to not exceed \$40,000.
6. COUNTY will provide monthly statements to CITY of time and materials, and invoice CITY monthly.
7. CITY agrees to fund the cost of city-wide adult mosquito spraying at \$3,000 per full application. Estimate between 5 and 10 applications per season dependent upon conditions. Adult mosquito spraying will be invoiced monthly.
8. If funding needed to maintain activities in paragraph 2 and paragraph 5 is forecasted to exceed \$302,000 COUNTY must provide CITY with written notice requesting contract adjustment 14 days prior to contract funding shortfall. All COUNTY contract adjustments will receive acceptance or rejection through written notice by CITY within 10 days of request. Failure by CITY to respond to COUNTY within 10 days of request will constitute CITY acceptance of contract adjustments.

All requests for contract adjustments shall be submitted to:

Fargo Public Works
402 23rd Street N.
Fargo, ND 58102

9. If COUNTY fails to comply with paragraph 6, all costs associated with activities outlined in paragraph 2 exceeding contracted dollar amounts will be the sole responsibility of COUNTY to fund.
10. COUNTY will fund up to \$73,000 for up to one (1) aerial spray application or comparable partial applications within the metro area including within CITY limits and surrounding area when determined necessary.
11. CITY agrees to fund any additional costs for aerial spraying above or beyond paragraph 8 when CITY requests the contracted services of an aerial applicator. COUNTY will coordinate the aerial spray operation upon the CITY's approval or after expressed written permission is given by the CITY authorizing the Vector Control Director as its agent to make the determination. Additional funds for an aerial application are available for use in COUNTY at the discretion and authorization of COUNTY.
12. COUNTY agrees to assume all liability and agrees to indemnify and defend the CITY from all direct and indirect, present and future claims or causes of action, which in any way result from the activities of the COUNTY in completion of the tasks stated herein or may result from the decisions, recommendations, actions, omissions of actions or other errors on the part of COUNTY, its employees or contractors and any party from which COUNTY may obtain information or services for the completion of the same. This assumption of liability and agreement to hold harmless is intended to cover any present or future activities undertaken by COUNTY in furtherance of this agreement.
13. CITY agrees to assume all liability and agrees to indemnify and defend the COUNTY from all direct and indirect, present and future claims or causes of action, which in any way result from the activities of the CITY in completion of the tasks stated herein or may result from the decisions, recommendations, actions, omissions of actions or other errors on the part of CITY, its employees or contractors and any part from which CITY may obtain information or services for the completion of the same. This assumption of liability and agreement to hold harmless is intended to cover any present or future activities undertaken by CITY in furtherance of this agreement.

Dear Commissioners:

Chapter 57-02.2 of the North Dakota Century Code provides for a property tax exemption for certain types of improvements made to existing buildings.

I have attached a copy of an application for real estate tax exemption of building improvements for the property at 1802 32 Ave S as submitted by Home Builders Association of Fargo-Moorhead. A description of the property involved, types of improvements to be made, and assessment information are indicated on the application.

It is my opinion that the value of some of the improvements, referred to in the application, qualifies for the exemption. This exemption would be for the years 2021, 2022 & 2023.

The estimated annual tax revenue lost by granting the exemption, based upon the estimated cost of the improvements, would be about \$3,695 with the City of Fargo's share being \$630.

Sincerely,
