

Supplemental Information and Acknowledgement for NDDOT Controlled Roads

The City of Fargo has an agreement with NDDOT to permit small cells on roadways under NDDOT control within the city limits. Applicant agrees to follow all local rules and regulations established by the City of Fargo along with additional NDDOT requirements on the referenced roadways. Installations must follow the current edition of NDDOT's A Policy for Accommodation of Utilities on State Highway Right of Way.

Applicant also agrees that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that the LPA will use the premises in compliance with all other requirements imposed by or pursuant to the Acts and Regulations, as amended, such that no person on the grounds of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities set forth in this Assurance.

The map showing NDDOT controlled roads is shown below.

I hereby acknowledge that the wireless service provider will comply with the additional requirements on NDDOT controlled roadways.
