Electrical Permit Application

A schematic diagram is required to be submitted with this application.

NAME _____ DATE _____

ADDRESS _____

EMAIL ADDRESS _____

PHONE NUMBER _____

NATURE OF WORK:

☐ New Service

☐ Garage

☐ New Addition

☐ Other: _____

☐ Remodel

☐ Basement

READ AND CHECK THE FOLLOWING BOXES:

☐ I am the legal owner of the residence and I occupy said property as my principal and primary residence.

☐ I understand all installations shall comply with the National Electrical Code, North Dakota State Wiring Standards, and Fargo City Ordinances.

☐ I understand all installations shall be approved by the Electrical Inspector before they may be energized or covered up.

☐ I understand that wiring certificates with job cost of \$20,000 or less are only valid for twelve months from the original filing date. Any unfinished work after the original filing date will require a new certificate.

☐ I understand that this application is not a wiring certificate/permit, nor does its completion or submission authorize the start of construction.
