| Legal Description: | 33rd Street South between Lots 7-11, Block 8, Burlington Northern I-29 South Industrial Center Addition and unplatted portion of Section 11, Township 139, Range 49 West. |
| Owner(s)/Applicant: | City of Fargo—Shawn Bullinger | Engineer: | City of Fargo |
| Entitlements Requested: | Vacation of Right-of-Way (33rd Street South between Lots 7-11, Block 8, Burlington Northern I-29 South Industrial Center Addition and unplatted portion of Section 11, Township 139, Range 49 West) |
| Status: | City Commission Public Hearing: October 21, 2019 |

## Proposal:

The applicant requests one entitlement:

A vacation of a portion of 33rd Street South right-of-way between Lots 7-11, Block 8, Burlington Northern I-29 South Industrial Center Addition and unplatted portion of Section 11, Township 139, Range 49 West

The plat will vacate a portion of 33rd Street South located between Lots 7-11, Block 8, Burlington Northern I-29 South Industrial Center Addition and unplatted portion of Section 11, Township 139, Range 49 West due to its underutilization by the public and its lack of connectivity to other public rights-of-way.

This project was reviewed by the City’s Planning and Development, Engineering, Public Works, and Fire Departments (“staff”), whose comments are included in this report. The Engineering Department will provide an updated plat based on staff’s comments.

## Area Plans:

The identified right-of-way is not included in any area plan that provides relevant information to this request for vacation.

## Schools and Parks:

**Schools:** The subject property is located within the West Fargo School District and is served by L. E. Berger Elementary, Cheney Middle and West Fargo High schools.

**Neighborhood:** The subject property is not included in a specific neighborhood.

**Parks:** Metro Recreation Center (3110 Main Avenue) is located approximately 500 feet east of the subject property and offers an indoor recreation center including batting cages, horseshoes, and archery range.

**Pedestrian / Bicycle:** The subject property does not include any bicycle facilities or multi-use trails.

## Staff Analysis:

**ROW Vacation Approval Criteria:** The City of Fargo does not currently have any adopted regulation dealing with the vacation of rights-of-way. However, city policy dictates that any applicant wishing to vacate right-of-way must submit a Vacate Application—a one-page form wherein the petitioner provides:
a description of the area to be vacated and signatures of all property owners adjoining the area to be vacated. In addition, the applicant must submit a vacation plat (a major subdivision). Notwithstanding the Land Development Code's (LDC) silence on the matter, the North Dakota Century Code (N.D.C.C.) does address the opening and vacating of roadways in Chapter 24-07 (outside of municipal limits) and Chapter 40-39 (inside municipal limits). To that end, the balance of this report will focus on the specific approval criteria outlined within Chapter 40-39 of the N.D.C.C.

N.D.C.C. 40-39-04. Vacation of streets and alleys where sewers, water mains, pipes, and lines located – Conditions. No public grounds, streets, alleys, or parts thereof over, under, or through which have been constructed, lengthwise, any sewers, water mains, gas, or other pipes or telephone, electric, or cable television lines, of the municipality or the municipality's grantees of the right of way thereof, may be vacated unless the sewers, mains, pipes, or lines have been abandoned and are not in use, or unless the grantee consents, thereto, or unless perpetual easements for the maintenance of sewers, water mains, gas, or other pipes, or telephone, electric facilities, whether underground or aboveground, is subject to the continued right of location of such electric facilities in the vacated streets.
The City is planning to obtain utility easements from both landowners for the entire width of the right-of-way. (Criteria Satisfied)

N.D.C.C. 40-39-05. Petition for vacation of streets, alleys, or public grounds – Contents – Verification. No public grounds, streets, alleys, or parts thereof within a municipality shall be vacated or discontinued by the governing body except on a petition signed by all of the owners of the property adjoining the plat to be vacated. Such petition shall set forth the facts and reasons for such vacation, shall be accompanied by a plat of such public grounds, streets, or alleys proposed to be vacated, and shall be verified by the oath of at least one petitioner.
In accordance with the requirement of this section, a petition signed by all adjacent owners has been submitted for review and consideration, along with a plat of such public street. (Criteria Satisfied)

N.D.C.C. 40-39-06. Petition filed with city auditor – Notice published – Contents of notice. If the governing body finds that the petition for vacation is in proper form and contains the requisite signatures, and if it deems it expedient to consider such petition, it shall order the petition to be filed with the city auditor who shall give notice by publication in the official newspaper of the municipality at least once each week for four weeks. The notice shall state that a petition has been filed and the object thereof, and that it will be heard and considered by the governing body or a committee thereof on a certain specified day which shall not be less than thirty days after the first publication of the notice.
Documentation of said action is located within both the Planning project file and Auditor's file. (Criteria Satisfied)

N.D.C.C. 40-39-07. Hearing on petition – Passage of resolution declaring vacation by governing body. The governing body, or such committee as may be appointed by it, shall investigate and consider the matter set forth in the petition specified in section 40-39-05 and, at the time and place specified in the notice, shall hear the testimony and evidence of persons interested. After hearing the testimony and evidence or upon the report of the committee favoring the granting of the petition, the governing body, by a resolution passed by a two-thirds vote of all its members, may declare the public grounds, streets, alleys, or highway described in the petition vacated upon such terms and conditions as it shall deem just and reasonable.
These actions will take place subsequent to the Planning Commission hearing. **(Criteria Satisfied)**

**Suggested Motion:** "To accept the findings and recommendations of staff and the Planning Commission and move to approve the proposed **vacation of a portion of 33rd Street South right-of-way between Lots 7-11, Block 8, Burlington Northern I-29 South Industrial Center Addition and unplatted portion of Section 11, Township 139, Range 49 West**, as presented, as the proposal complies with the standards of Chapter 40-39 of the North Dakota Century Code."

**Planning Commission Recommendation:** September 3, 2019

At the September 3, 2019 Planning Commission meeting, by a vote of 9-0 with one Commissioner absent, the Commission moved to accept the findings and recommendations of staff and moved to recommend approval to the City Commission of the proposed **vacation of a portion of 33rd Street South right-of-way between Lots 7-11, Block 8, Burlington Northern I-29 South Industrial Center Addition and unplatted portion of Section 11, Township 139, Range 49 West**, as presented, as the proposal complies with the standards of Chapter 40-39 of the North Dakota Century Code."

Business Name: Casa Mexico Mexican Restaurant
Location: 4950 13th Ave South Suite #1

Being no significant concerns, the Liquor Control Board voted to approve the issuance of the license. The complete application is available for review in the Auditor’s Office.

Recommended Motion:

MEMORANDUM

TO: Chief David Todd

FROM: Sergeant Matt Christensen

DATE: September 23rd, 2019

SUBJECT: Application for a Class “F” Alcoholic Beverage License for Casa Mexico Inc. d/b/a: Casa Mexico Mexican Restaurant to be located at 4950 13th Avenue South Suite #1, Fargo, ND.

In accordance with Section 25-1505 of the Fargo Municipal Code, I have conducted an investigation into the character, reputation and fitness of the applicant(s) listed on the supplied application.

During this investigation I questioned the applicant’s criminal background, credit history, past residence history as well as any interaction they have had with law enforcement in any state.

The following information was discovered through this investigation:

**Sergio Aguirre - Owner**

Criminal History- No areas of concern

Credit History- There is a history of late or delinquent accounts, however all accounts are currently up to date or have been paid in full and closed. There are no current credit issues.

**Investigation**

This application is for a new F license for a restaurant set to open in Fargo which will serve Mexican cuisine along with margaritas and beer in a casual sit down atmosphere. This license requires 50% food sales and allows the “on sale” sale of alcohol at a table or both with no bar allowed. Through my investigation into the applicant I did not find any information which would lead me to believe granting this license would cause problems for the surrounding businesses or law enforcement.

**Business Location**

Casa Mexico will be located at 4950 13th Avenue South Suite #1, Fargo, ND. Other businesses in the area with an alcoholic beverage license include: Izumi Sushi and Hibachi Buffet, India Palace, Texas Roadhouse, Empire Liquors West, and Panchero’s.
Conclusion

I believe I have discovered all information related to the listed applicant(s) and all information related to the transfer of the requested liquor license. I have provided this condensed background review to Fargo Police Chief David Todd for his review and recommendation.

Protest Letter

Special Assessment
SN-16-B1

To: Fargo City Commissioners

To: Steve Sprague, Fargo City Auditor

For City Commission Meeting dated 10/21/2019

Six Reasons I Protest the Shared Use Path “Special Assessment” (SA)

1. The Shared Use Path should never have been built:
   A. We already had a sidewalk on the north side of 40th ave S that was paid for and there was nothing wrong with it.
   B. We already had a Shared Use Path on the south side of 40th Ave. We didn’t need to spend nearly half a million dollars to rip out a decent sidewalk on the north side of 40th ave and make it wider.
   C. Where else in Fargo do we have parallel shared use paths that are over a half mile long? The needs in Fargo to install a shared use path are numerous, we didn’t need two paths on the same road.
   D. Most important, for the above reasons our neighborhood has no benefit and therefore special assessments should not be used to pay for the “city improvement”, it’s not a neighborhood improvement.

2. If special assessments are used to pay for the project the city is not using the “Fargo Infrastructure Funding Policy”, reinstated 5/21/18.
   A. The 40th ave Shared Use Path is not a new construction, we already had a path on the south side of 40th ave and any change would be considered a Reconstruction and according to the Fargo funding policy the Amount Special Assessed is “N/A” or 100% Federal, Sales Tax, Street Rehab funding.
   B. The city also has a policy to refund remaining life of infrastructure and not charge neighborhoods who have paid for good infrastructure that is being replaced per special assessment task force meeting, May 2nd, 2019 presented by 2 city engineers. This city policy was not used on this SA.

3. The Special Assessment formula for the SA calculations do not match any perceived benefit and the method used by the city discriminates against home ownership:
   Many methods can be used to assess the costs to the SA projects:
   A. Area of the property (square feet)
   B. Front footage, curb feet (feet)
   C. Homes (Units).
   The city uses method B, front footage, or curb feet, which clearly discriminates against single family home ownership. For example, two neighbors with identical homes, one has 100 curb feet and the other has 80 curb feet. The cost multiplier is $3.07/foot. The 1st homeowner pays $307 and the 2nd homeowner only pays $245 for a shared use path several blocks away, they both benefit equally and the 1st home pays $62 more. Example 2, town homes in the Mistwood development are only assessed for 652 feet (roughly 7 single family homes), they have 91
homes. So 652 feet times $3.07/foot or roughly $2000 for 91 townhomes or $22/home, or 7.4% the cost of a single family home that pays $300 for this project. Also note, Mistwood properties is not being billed for direct access to the path and the only access they have is from the main driveway right to 40th ave, north side of street. Remember, many of the townhome developments don’t even have sidewalks, so the only place they walk is on public walks. The other 3 twin or town home properties in this assessed area are assessed the same way. Those homes are only being billed a fraction of a single family home.

Apartments are also being assessed at a fraction of a single family home. Stonebridge apartments have 240 homes assessed at $4,324 total or $18/home and Flagstone apartments (120 homes) $33/home. The method used discriminates against smaller apartment complexes and single family homes. The perceived benefit is equal for this shared use path, whether one lives in a house or an apartment, discrimination should not be allowed.

Also, the city measures the townhomes front footage wrong. The city only measures the street footage on one side of the townhome property, for example; Century Square at 3780 and 3810 25th st is only being billed for 489’ when in fact, if you measure all the feet for all the roads inside the property (private roads) and both sides of the road, the total curb feet would be many times the length used in the city calculations. The same can be proven for all 4 of the townhouse and twin home properties.

The only fair assessed cost method is to use method “C” or to divide total properties or homes (units) into total improvement costs. This method “C” would be a lot better method of fairness that closer matches perceived benefits. The unit method would assess benefits at about $200/home.

4. Exemptions not allowed. The city can not pick and choose what properties get assessed for a project and what properties don’t get assessed. In the shared use path SN-16-B1, the city has allowed 28 properties to be exempt from special assessments, not allowed per ND 40-23-07. Any property exempt by the city, such as a cemetery, those exempt special assessments shall be paid by the general fund, by the levy of taxes, not by those properties that are assessed, NDCC 40-23-07. This issue was protested at the SA commission meeting dated 9/19/2019, it was not even discussed by the SA commission. The SA commission only spent 30 seconds discussing that I had a protest letter, not my concerns, no details and no vote to approve or disapprove the SA. Here’s the exempt Properties list:
   A. Assuming 18 flood buyouts that have been purchased since the project was finished in 2016, but still had benefits when project was finished. 3 yr delay in billing. exempt
   B. 2130 Sterling Rose LN, city. exempt
   C. 2216 40th ave, Rose Creek Associates. Exempt
   D. 4329, 4401 Carrie Rose & 4500 25th st, Summit Chase. Townhouse exempt
   E. 4501 25th st, city, exempt
   F. 0 Madison Dr., Madison Townhomes, exempt
   G. 3133 40th ave, SE Cass Water Resource, exempt
   H. 3173 40th ave, city, exempt
   I. 4497 Oak Creek Dr., exempt

5. The 28% fee the city charges for engineering and administration should be proven. The city can not over charge in excess of actual costs of the improvement project per NDCC.
The city has no proof that the associated expense for special assessments is anything near 28% for any or all the projects the city special assesses, not just this project.

6. The extra interest fee of 1% the city adds onto the infrastructure improvement bond and charges property owners for the SA payments is outrageous. The city can not charge more than the actual costs to provide the service for improvement projects. The city has legal remedies to recover from lack of payment and can not over charge on the interest rate to property owners. The city can not use excess fees to pay for any other projects or deferrals such as the one noted on the back of the assessment letter dated 8/22/19 for a SA Assistance Program, or the indefinite deferrals like the airport, or interest free loans for arterial roadways, or the 10 year deferrals for newly annexed land, or to pay for assessments to property not in city limits, or any other city program.

The city only needs to use NDCC 40-25-01 Sale of real property to enforce collections of delinquent special assessments. “Real property SHALL be sold to enforce the collections ...,” it’s required. This negates the cities “risk of improvement bonds to near zero including negating the cities list of reasons for the 1% interest fee noted in the “City of Fargo Special Assessment Process Whitepaper” dated May 15th, 2018.

- Significant downturn in the local economy
- Natural Disaster risk, such as a catastrophic flood event
- Property tax levy cure a special assessment deficiency
- Political risk

In conclusion, I do not believe this shared use path project is an improvement to my property and I therefore should not be billed when I have little to no benefit. Also, if I am assessed then the Fargo Infrastructure Funding Policy should be used and no special assessments would be used or the calculations used by the city are wrong. I believe the city uses the wrong assessment formula and if that formula is used the curb feet calculations are wrong as noted for the town/twin homes properties noted in the protest letter. The curb feet on those properties leaves out private property roads and common areas. Also, the engineering administrative fees are excessive and the city should prove expenses needed to cover reasonable expenses to the shared use project. The 1% interest fee is not needed and any defaults should be collected in the same manner as deficient property tax collections as provided by in the NDCC.

RE:            REFUNDING IMPROVEMENT REFUNDING BONDS, SERIES 2019B  
DATE:          OCTOBER 16, 2019

Our financial advisor, Baker Tilly monitors our outstanding long-term debt. As part of this monitoring process, they provide analysis of opportunities to refinance certain debt issues.

In August 2019, long-term interest rates declined and they recommended refinancing our Refunding Improvement Bonds, Series 2011A for interest rate savings. The Finance Committee concurred with their recommendation.

Finance staff and our advisors are planning to issue this debt on October 23, 2019. Your approval to proceed with this transaction is requested. Our bond counsel, Dorsey & Whitney provided the authorizing resolution that sets parameters for the bond sale. A competitive bid process will be used on this issue. A copy of the recommendations report prepared by Baker Tilly is attached.

Terri Heaton will attend the meeting and review the proposed refinancing with you.

Suggested Motion:

Approve a resolution authorizing the issuance of not to exceed $14,015,000 Taxable Refunding Improvement Bonds, Series 2019B prescribing the terms and covenants thereof, and creating a fund for the payment of this issue.

RATING:

THE MARKET:
Interest rates for the taxable municipal market are quoted as a spread to U.S. Treasury Securities. To give you an indication of the relative position of that market, the chart below tracks the yield of the 10-year and 30-year U.S. Treasury over the last five years.

10-year and 30-year Treasury Rates for Five Years Ending 9/24/2019

Data Source: U.S. Department of Treasury
POST ISSUANCE COMPLIANCE:
The issuance of the Bonds will require compliance with secondary disclosure requirements. Secondary disclosure requirements result from an SEC requirement that underwriters provide ongoing disclosure information to investors. To meet this requirement, any prospective underwriter will require the City to commit to providing the information needed to comply under a continuing disclosure agreement.

Baker Tilly Municipal Advisors provides continuing disclosure services to the City. Baker Tilly Municipal Advisors will work with City staff to include the Bonds under the existing Agreement for Municipal Advisor Services.

SUPPLEMENTAL INFORMATION AND BOND RECORD:
Supplementary information will be available to staff including detailed terms and conditions of sale, comprehensive structuring schedules and information to assist in meeting post-issuance compliance responsibilities.

Upon completion of the financing, a bond record will be provided that contains pertinent documents and final debt service calculations for the transaction.

PURPOSE:
The proceeds of the Bonds will be used to refund the May 1, 2022 through 2036 maturities (the “Refunded Maturities”) of the City’s Refunding Improvement Bonds, Series 2011A, dated May 15, 2011 (the “Prior Bonds”). The maturities to be refunded are currently outstanding in the aggregate principal amount of $13,595,000. The refunding transaction is being done as a crossover advance refunding.

The Prior Bonds financed various improvement projects within the City.

AUTHORITY:
The Bonds are being issued pursuant to the North Dakota Century Code, Chapters 40-22 through 40-27.

SECURITY AND SOURCE OF PAYMENT:
The Bonds will be repaid from special assessments filed against benefitted properties located within the established Districts. The collections of special assessments are required to be deposited into the Bond Fund, from which payments of principal and interest will be made on the Bonds. If deficiencies were to occur in the Bond Fund (such as might be caused by delinquencies in the collection of special assessments) the City has promised to levy general taxes on all taxable property within the City to replenish the Bond Fund as necessary to make the principal and interest payments on the Bonds when due.

It is not anticipated that a tax levy will be needed to pay debt service on the Bonds.

Beginning with the May 1, 2022 principal and interest payment, assessment income pledged to the Prior Bonds will be used to make the debt service payments on the Bonds. Assessment income received by February 15th and available debt service funds from the prepayments of special assessments, is expected to be sufficient to cover each May 1 principal and interest payment.Remaining assessments collected through October 15th, and any funds collected but not applied on May 1, will be used to make each November 1 interest payment due in the year of collection.
In consultation with City staff, the Bonds have been structured to provide approximately equal annual fiscal year savings over the same term as the Prior Bonds.

The issuance of the Bonds is being conducted as a crossover advance refunding in which the proceeds of the Bonds are placed in an escrow account with a major bank and invested in U.S. treasury securities or securities of other U.S. agencies. These investments and their earnings are structured to pay interest on the Bonds to and including the May 1, 2021 call date of the Prior Bonds, at which time the escrow account will prepay the principal due on the Refunded Maturities. A verification agent will be retained to verify the adequacy of the escrow account to satisfy its cash flow requirements.

The City will continue to pay debt service payments on the Prior Bonds through and including May 1, 2021. Beginning with the November 1, 2021 interest payment, the City will begin making debt service payments on the Bonds, taking advantage of the lower interest rates.

Based on current interest rate estimates, this refunding transaction is projected to result in debt service savings of approximately $93,700 per year. This results in a future value savings of approximately $1,499,663, and net present value benefit to the City of approximately $1,170,584. These estimates are net of all costs associated with the refunding.

Schedules attached for the Bonds include:

- Sources and Uses
- Debt Service Comparison on a Calendar Year (Fiscal Year) Basis
- Net Debt Service, including project future assessment collections
- Semiannual Debt Service, given the current market conditions
- Debt Service to Maturity and to Call for each of the original purposes of the Prior Bonds Escrow Fund Cashflow

The outcome of this financing will rely on the market conditions at the time of the sale. Any projections included herein are estimates based on current market conditions.

Future assessment collections and cumulative cash balances in the debt service fund are expected to cover 100% of the debt service payments on the Bonds. If actual assessment collections are different than projected and assessment collections and/or a positive cumulative surplus in the debt service fund do not materialize, the City will be required to levy taxes or appropriate other available funds to make the debt service payments on the Bonds.
SALE TERMS AND MARKETING:

Variability of Issue Size: A specific provision in the sale terms permits modifications to the issue size and/or maturity structure to customize the issue once the price and interest rates are set on the day of sale.

Prepayment Provisions: Bonds maturing on or after May 1, 2029 may be prepaid at a price of par plus accrued interest on or after May 1, 2028.

Federal Considerations: The Tax Cuts and Jobs Act signed into law on December 22, 2017 prohibits the issuance of tax-exempt bonds to advance refund outstanding tax-exempt bonds after 2017. Federal limitations restricting the issuance of advance refunding bonds do not apply to taxable bonds that refund tax-exempt bonds. Therefore, the Bonds are being issued as taxable obligations. Interest cost savings due from the issuance of taxable refunding bonds are possible because current taxable interest rates are projected to be lower than the tax-exempt rates on the Prior Bonds.

RESOLUTION AUTHORIZING THE ISSUANCE OF NOT TO EXCEED $14,015,000 CITY OF FARGO, NORTH DAKOTA TAXABLE REFUNDING IMPROVEMENT REFUNDING BONDS, SERIES 2019B, PRESCRIBING THE TERMS AND COVENANTS THEREOF, AND CREATING A FUND FOR THE PAYMENT THEREOF

WHEREAS, the City Commission (the "Commission"), of the City of Fargo, Cass County, North Dakota (the "Issuer") hereby authorizes the issuance and sale of its Taxable Refunding Improvement Refunding Bonds, Series 2019B (the "Bonds"), in a principal amount not to exceed $14,015,000, to be used, together with any other funds of the Issuer which may be required, to refund the 2022 through 2036 maturities of the Refunding Improvement Bonds, Series 2011A, dated May 15, 2011 (the "Refunded Bonds"). The Refunded Bonds will be called for redemption and paid on May 1, 2021 (the "Crossover Date");

WHEREAS, the Issuer is authorized by North Dakota Century Code Chapter 40-27 (the "Act") to issue such Bonds;

WHEREAS, the Bonds will be payable solely from certain escrow account earnings described herein, the special improvement warrants delivered in connection with the Refunded Bonds (the "Warrants") and the special assessments levied for the improvements financed by the Refunded Bonds (the "Improvements"); and

WHEREAS, the Warrants are pledged to payment of the Refunded Bonds through the Crossover Date and will remain on deposit in the Series 2011A and 2011B Refunding Improvement Bond Fund established therefor;

WHEREAS, pursuant to North Dakota Century Code Section 40-26-08, whenever all special assessments for an improvement are insufficient to pay principal or interest then due on the warrants related thereto, the Issuer shall levy a tax upon all of the taxable property in the Issuer for the payment of such deficiency.

BE IT RESOLVED by the Commission of the Issuer, as follows:

1. **Findings.** It is hereby found, determined, and declared that the Warrants held in the special funds for the Refunded Bonds were duly and legally authorized under authority of and in accordance with the provisions of Title 40 of the North Dakota Century Code, as amended; that all acts, conditions, and things required by the Constitution and laws of the State of North Dakota to be done, to exist, to happen, and to be performed precedent to the issuance of the Bonds hereinafter described have been done, do exist, have happened, and have been performed in due form, time and manner as so required; and that the issuance of the Bonds is necessary and expedient and for the best interest of the Issuer and its inhabitants, taxpayers, and the owners of property liable to be assessed for said Improvements.

2. **Form of Bonds.** The Bonds shall be in substantially the form attached as Attachment A hereto.

3. **Authorization and Terms of Bonds.** The Commission of the Issuer hereby authorizes Baker Tilly Municipal Advisors, LLC, St. Paul, Minnesota, to solicit bids for the
purchase of the Bonds pursuant to the Official Terms of Offering attached hereto as Attachment B. The City Commission hereby authorizes the Issuer to accept bids to purchase the Bonds upon the terms and conditions set forth in this resolution. The Commission hereby delegates the power and authority to the Mayor, the City Auditor, and the City Finance Director of the Issuer to review bids received for the purchase of the Bonds and to accept a bid at a later date to finalize the actual principal amount of Bonds to be issued, the amortization schedule, the interest rates and underwriter’s compensation, provided that the net present value of the debt service savings as a result of the refunding is at least 3% of debt service on the Refunded Bonds.

4. Approval of Documents and Authorization for Execution and Delivery.

(a) Bond Purchase Agreement. The execution of a Bond Purchase Agreement setting forth such final terms by the Mayor and City Auditor of the Issuer is hereby approved and authorized and such execution shall be conclusive evidence of such agreement and shall be binding upon the Issuer. The provisions of the Bond Purchase Agreement as so executed, including all Exhibits and Appendices thereto, are incorporated herein by reference.

(b) Official Statement. The Bonds will be offered for sale by means of an Official Statement. The Mayor and City Auditor hereby ratify the distribution of the Preliminary Official Statement, prepared by Baker Tilly Municipal Advisors, LLC, as the Issuer’s municipal advisor, to prospective purchasers of the Bonds. The City Auditor is hereby authorized on behalf of the Issuer to deem the Preliminary Official Statement a “final” official statement as of its date, in accordance with Rule 15c2-12(b)(1) promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934. The Mayor and the City Auditor are hereby authorized and directed to approve, and, if requested, to execute the final Official Statement to be prepared substantially in the form of the Preliminary Official Statement, including final pricing terms.

(c) Approval and Execution of Documents. Upon the determination of the terms of the Bonds (within the limits set forth herein), the Bond Purchase Agreement, and such other documents and certificates shall be executed in the name and on behalf of the Issuer by the Mayor and the City Auditor, but with such changes therein, not inconsistent with this Resolution, as may be approved by the officers executing the same, which approval shall be conclusively evidenced by the execution thereof.

5. Terms, Execution and Delivery.

(a) Maturities and Interest Rates. The Bonds shall be issued in the denomination of $5,000 each, or any integral multiple thereof, shall mature on the dates and in the respective years and amounts, and shall bear interest from date of original issue until paid or duly called for redemption payable on the dates and at the respective annual rates as set forth in the Bond Purchase Agreement. The Bonds shall be issuable only in fully registered form. The interest thereon and, upon surrender of each Bond, the principal amount thereof shall be payable by check or draft issued by the Registrar described herein; provided that, so long as the Bonds are registered in the name of a securities depository, or a nominee thereof, in accordance with Section 15 hereof, principal and interest shall be payable in accordance with the operational arrangements of the securities depository.
(b) **Dates and Interest Payment Dates.** Each Bond shall bear a date of original issue as of the date on which the Bonds are delivered to the purchaser. Upon initial delivery of the Bonds pursuant to Section 9 and upon any subsequent transfer or exchange pursuant to Section 6, the date of authentication shall be noted on each Bond so delivered, exchanged or transferred. Interest on the Bonds shall be payable on each May 1 and November 1, commencing May 1, 2020, each such date being referred to herein as an Interest Payment Date, to the persons in whose names the Bonds are registered on the Bond Register, as hereinafter defined, at the Registrar’s close of business on the fifteenth day of the calendar month next preceding such Interest Payment Date, whether or not such day is a business day.

(c) **Redemption.** The Bonds will be subject to redemption as set forth in Attachment B and the Bond Purchase Agreement. In the event any Bond is called for redemption prior to maturity, the Issuer will cause a notice of redemption to be sent to the Bond Registrar, Paying Agent and the registered owners of the Bonds called for redemption at least twenty (20) days before the date specified for redemption at the address shown on the registration books of the Bond Registrar. Within ten (10) days before the thirtieth (30th) day prior to any specified redemption date, if less than all Bonds of a single maturity are to be redeemed the Bond Registrar will select for redemption (by lot or in such manner as the Bond Registrar may determine) from all outstanding Bonds of the applicable maturity a principal amount of such Bonds equal to the aggregate principal amount of such Bonds to be redeemed, and will call such Bonds or portions thereof for redemption on such Redemption Date; provided that the portion of any Bond to be redeemed shall be in the principal amount of $5,000 or an integral multiple thereof and that in selecting Bonds for redemption, the Bond Registrar shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by $5,000. If less than all Bonds are to be optionally redeemed, the maturity or maturities of the Bonds to be redeemed shall be selected by the Issuer.

(e) **Initial Registrar.** Books for the registration and for the transfer of the Bonds as provided in this Resolution shall be kept by the City Auditor of the Issuer, which is hereby appointed the Bond Registrar, Transfer Agent and Paying Agent (the “Registrar”).

6. **Transfer and Exchange.** The Bonds are transferable upon the books of the Issuer at the principal office of the Bond Registrar by the registered owner thereof in person or by his attorney duly authorized in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the registered owner or his attorney; and may also be surrendered in exchange for Bonds of the same series of other authorized denominations. Upon such transfer or exchange the Issuer will cause a new Bond or Bonds of the same series to be issued in the name of the transferee or registered owner, of the same aggregate principal amount, bearing interest at the same rate and maturing on the same date, subject to reimbursement for any tax, fee or governmental charge required to be paid with respect to such transfer or exchange. No transfer of Bonds shall be required to be made during the 15 days next preceding an interest payment date, nor during the 45 days next preceding the date fixed for redemption of such Bonds.

The Issuer and the Bond Registrar may deem and treat the person in whose name any Bond is registered as the absolute owner thereof, whether the Bond is overdue or not, for the purpose of
receiving payment and for all other purposes, and neither the Issuer nor the Bond Registrar shall be affected by any notice to the contrary.

7. **Bonds Mutilated, Destroyed, Lost, or Stolen.** If any Bond shall become mutilated or be destroyed, lost, or stolen, the Issuer in its discretion may execute and upon its request, the Bond Registrar shall authenticate and deliver a new Bond of the same series in exchange for the mutilated Bond or in lieu of and substitution for the Bond so destroyed, lost, or stolen. In every case of exchange or substitution, the applicant shall furnish to the Issuer and to the Bond Registrar in a form satisfactory to both (i) evidence of their satisfaction of the mutilation, destruction, loss, or theft of the applicant’s Bond and of the ownership thereof and (ii) in the case of any destroyed, lost, or stolen Bond, such security or indemnity as may be required by them to save each of them harmless from all risks, however remote. The Bond Registrar may authenticate any Bond issued upon such exchange or substitution and deliver such Bond upon the request of the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses, including counsel fees, of the Issuer or the Bond Registrar.

If any Bond that has matured or is about to mature shall become mutilated or be destroyed, lost, or stolen, instead of issuing a Bond in exchange or substitution therefor, the Issuer may pay or authorize the payment of such Bond (without surrender thereof except in the case of a mutilated Bond) if the applicant for such payment shall furnish to the Issuer and to the Bond Registrar evidence to the satisfaction of the Issuer and the Bond Registrar of the mutilation, destruction, loss, or theft of such Bond and the ownership thereof and, in the case of any destroyed, lost, or stolen Bond, such security or indemnity as they may require to save them harmless from all risks.

Every Bond issued pursuant to the provisions of this Section in exchange or substitution for any Bond of the same series that is mutilated, destroyed, lost, or stolen shall constitute an additional contractual obligation of the Issuer, whether or not the destroyed, lost, or stolen Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits hereof equally and proportionately with any and all other Bonds. All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the respect to the replacement or payment mutilated, destroyed, lost, or stolen Bonds, and shall preclude any and all other rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

8. **Cancellation and Disposition of Bonds.** All mutilated Bonds, all Bonds surrendered for exchange or transfer, all Bonds that have been paid at maturity or upon prior redemption, and all Bonds surrendered to the Issuer for cancellation shall be canceled by the Bond Registrar Trustee (as the case may be) and cremated or destroyed by other means.

9. **Execution, Authentication and Delivery.** The Bonds shall be prepared under the direction of the City Auditor and shall be executed and authenticated on behalf of the Issuer by the signatures of the Mayor and the City Auditor. All signatures may be printed, lithographed or engraved facsimiles of the original. In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as
if he had remained in office until delivery. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this resolution unless and until a certificate of authentication on such Bond has been duly executed by the manual signature of an authorized representative of the Registrar. Certificates of authentication on different Bonds need not be signed by the same representative. The executed certificate of authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this Resolution. When the Bonds have been so prepared and executed, the Issuer shall deliver the same to the Purchaser in exchange for the purchase price thereof.

In the event of the absence or unavailability of the Mayor, the City Auditor, or other appropriate officer of the Issuer, the Bonds and the other documents authorized for execution and delivery pursuant to this section may be executed and delivered by the individual or individuals authorized generally by the Issuer to act on behalf of the Mayor, the City Auditor, or other officer of the Issuer in such circumstances, including, without limitation, the Deputy Mayor and the Deputy City Auditor, as the case may be.

10. Escrow Account. Certain proceeds of the Bonds will be irrevocably appropriated for the payment of interest on the Bonds to, and the payment and redemption of the remaining principal amount of the Refunded Bonds on, the Crossover Date. The City Auditor is hereby authorized and directed, simultaneously with the delivery of the Bonds, to deposit the proceeds thereof, to the extent described above in an escrow account created under an Escrow Agreement between the Issuer and U.S. Bank National Association (the Escrow Agent). The Mayor and City Auditor are authorized and directed to execute and deliver the Escrow Agreement. The City Auditor shall give, or cause such Escrow Agent to give notice of the redemption of the Refunded Bonds in accordance with the resolution under which the Refunded Bonds were issued. The Escrow Agent is hereby authorized and directed to call the Refunded Bonds for redemption and prepayment on the Crossover Date and to give notice of redemption in accordance with the provisions of the Escrow Agreement.

11. Establishment of Bond Fund. There shall be and is hereby created a special fund to be maintained by the City Auditor separate and apart from all other funds of the Issuer, to be designated as the SERIES 2019B TAXABLE REFUNDING IMPROVEMENT REFUNDING BOND FUND (herein referred to as the “Bond Fund”). To the Bond Fund shall be credited:

(a) any amount initially deposited therein pursuant to Section 10 hereof;

(b) all receipts of principal and interest on the investments held in the Escrow Account established in Section 10 to and including the Crossover Date (other than amounts received from maturing investments on the Crossover Date to be used to redeem the Refunded Bonds);

(c) from and after the Crossover Date, all improvement Warrants originally held in the Refunded Bonds sinking fund and all special assessments and ad valorem taxes pledged to their payment; and

(d) any other funds appropriated by the Council for the payment of the Bonds.

12. Covenants. The Issuer hereby covenants and agrees with the holders from time to time of the Bonds issued pursuant hereto:
(a) That it will use due diligence to collect all amounts due on the Warrants and to levy and collect the special assessments appropriated for their payment.

(b) That it will preserve and enforce for the benefit of the holders from time to time of the Bonds all of the rights, powers, and privileges reserved, to the holders of the Warrants, and all of the covenants of the Issuer as provided in the resolution authorizing the issuance of the improvement Warrants.

(c) That at the time and in the manner prescribed by § 40-26-08, North Dakota Century Code, as amended, this governing body will levy general taxes on all taxable property in the corporate limits of the Issuer for the payment of any deficiency in any special fund and will cause the proceeds thereof to be applied in payment of the principal of and interest on the then unpaid Warrants drawn on said special fund; provided that the Issuer reserves the right to levy taxes in the manner and to the extent permitted by law for payment and discharge of any deficiency in said special funds prior to the date upon which it may become obligatory to levy such deficiency taxes, and the amounts thereof shall be credited against the levies which the Issuer might otherwise have been obligated to make.

(d) That in the event the moneys in the Bond Fund should at any time be insufficient to meet all payments of principal and interest then due on the Bonds, said moneys shall be first used to pay the interest accrued on all outstanding Bonds, and the balance shall be applied in payment of the principal of said Bonds in order of their maturity dates, earliest maturities first, Bonds bearing the same maturity dates being paid pro rata. The Issuer reserves the right and privilege of refunding any of such matured Bonds for the payment of which moneys are not at the time available by issuing new bonds payable from said Bond Fund, which bonds shall be on a parity with those theretofore issued as to interest charges thereon, but the maturity thereof shall be subsequent to the maturity of all Bonds payable from said Fund and then outstanding, provided that no holder of Bonds herein authorized to be issued shall be obligated to accept any such bond in exchange for any of such matured Bond.

13. Payment and Discharge: Deceasance. When all of the Bonds have been discharged as provided in this paragraph, all pledges, covenants and other rights granted by this resolution shall cease. The Issuer may discharge its obligations with respect to all or a portion of the Bonds which are due on any date by depositing with the Paying Agent on or before that date a sum sufficient for the payment of the principal thereof, and interest accruing thereon to such duty in full. If any Bond shall not have been paid when due, the same may nevertheless be discharged by depositing with the Paying Agent a sum sufficient for the payment of the principal thereof in full with interest accrued thereon from the date to which interest has been paid to the date of such deposit and payment to the owners thereof. The Issuer may also discharge its obligations with respect to all or a portion of the Bonds, by depositing with the paying agent on or before that date an amount equal to the principal, interest and redemption premium, if any, which are due on the maturity date, or earlier redemption date selected by the Issuer, provided that notice of such redemption has been duly given as provided herein. The Issuer may also at any time discharge its obligations with respect to all or a portion of the Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a bank or financial institution qualified by law as an escrow agent for this purpose, cash or securities which are general obligations of the United States or securities of United States agencies which
are authorized by law to be so deposited, bearing interest payable at such times and at such rates and maturing on such dates as shall be sufficient to pay all principal, interest, and redemption premium to become due thereon to maturity or the date of earlier redemption selected by the Issuer. If less than all of the Bonds are to be discharged pursuant to this paragraph, the maturity date, the mandatory sinking fund redemption requirement with respect to Term Bonds, and series may be selected by the Issuer in its sole discretion.

14. **Authentication of Transcript.** The officers of the Issuer are hereby authorized and directed to prepare and furnish to the Purchaser and to Dorsey & Whitney LLP, Bond Counsel, certified copies of all proceedings and records relating to the Bonds and such other affidavits, certificates and information as may be required to show the facts relating to the legality and marketability of the Bonds, as the same appear from the books and records in their custody and control or as otherwise known to them, and all such certified copies, affidavits and certificates, including any heretofore furnished, shall be deemed representations of the Issuer as to the correctness of all statements contained therein.

15. **Securities Depository.** (a) For purposes of this section the following terms shall have the following meanings:

"Beneficial Owner" shall mean, whenever used with respect to a Bond, the person in whose name such Bond is recorded as the beneficial owner of such Bond by a Participant on the records of such Participant, or such person’s subrogee.

"Cede & Co." shall mean Cede & Co., the nominee of DTC, and any successor nominee of DTC with respect to the Bonds.

"DTC" shall mean The Depository Trust Company of New York, New York.

"Participant" shall mean any broker-dealer, bank or other financial institution for which DTC holds Bonds as securities depository.

"Representation Letter" shall mean the Representation Letter pursuant to which the sender agrees to comply with DTC’s Operational Arrangements.

(b) The Bonds shall be initially issued as separately authenticated fully registered bonds, and one Bond shall be issued in the principal amount of each stated maturity of the Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the bond register in the name of Cede & Co., as nominee of DTC. The Registrar and the Issuer may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, if any, giving any notice permitted or required to be given to registered owners of Bonds under this resolution, registering the transfer of Bonds, and for all other purposes whatsoever; and neither the Registrar nor the Issuer shall be affected by any notice to the contrary. Neither the Registrar nor the Issuer shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant, or any other person which is not shown on the bond register as being a registered owner of any Bonds, with respect to the accuracy of any records maintained by DTC or any Participant, with respect to the payment by DTC or any Participant of any amount with respect to the principal of or interest
on the Bonds, with respect to any notice which is permitted or required to be given to owners of Bonds under this resolution, with respect to the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Bonds, or with respect to any consent given or other action taken by DTC as registered owner of the Bonds. So long as any Bond is registered in the name of Cede & Co., as nominee of DTC, the Registrar shall pay all principal of and interest on such Bond, and shall give all notices with respect to such Bond, only to Cede & Co. in accordance with DTC’s Operational Arrangements, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer’s obligations with respect to the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than DTC shall receive an authenticated Bond for each separate stated maturity evidencing the obligation of the Issuer to make payments of principal and interest. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the Bonds will be transferable to such new nominee in accordance with paragraph (e) hereof.

(c) In the event the Issuer determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bonds in the form of bond certificates, the Issuer may notify DTC and the Registrar, whereupon DTC shall notify the Participants of the availability through DTC of Bonds in the form of certificates. In such event, the Bonds will be transferable in accordance with paragraph (e) hereof. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the Issuer and the Registrar and discharging its responsibilities with respect thereto under applicable law. In such event the Bonds will be transferable in accordance with paragraph (e) hereof.

(d) The execution and delivery of the Representation Letter to DTC by the Issuer is hereby confirmed and ratified.

(e) In the event that any transfer or exchange of Bonds is permitted under paragraph (b) or (c) hereof, such transfer or exchange shall be accomplished upon receipt by the Registrar of the Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee in accordance with the provisions of this resolution. In the event Bonds in the form of certificates are issued to owners other than Cede & Co., its successor as nominee for DTC as owner of all the Bonds, or another securities depository as owner of all the Bonds, the provisions of this resolution shall also apply to all matters relating thereto, including, without limitation, the printing of such Bonds in the form of bond certificates and the method of payment of principal of and interest on such Bonds in the form of bond certificates. Any successor depository must be both a “clearing corporation” as defined in North Dakota Century Code, Section 41-08-02 and a qualified and registered “clearing agency” as provided in Section 17A of the Securities Exchange Act of 1934, as amended.

Board of City Commissioners
City Hall
Fargo, ND  58102

Dear Commissioners:

Chapter 57-02.2 of the North Dakota Century Code provides for a property tax exemption for certain types of improvements made to existing buildings.

I have attached a copy of an application for real estate tax exemption of building improvements for the property at 2818 Lilac Ln. N as submitted by Wade L. & Linn M Webb. A description of the property involved, types of improvements to be made, and assessment information are indicated on the application.

It is my opinion that the value of some of the improvements, referred to in the application, qualifies for the exemption. This exemption would be for the years 2020, 2021, & 2022.

The estimated annual tax revenue lost by granting the exemption, based upon the estimated cost of the improvements, would be about $60 with the City of Fargo's share being $10.

Sincerely,

Dear Commissioners:

Chapter 57-02.2 of the North Dakota Century Code provides for a property tax exemption for certain types of improvements made to existing buildings.

I have attached a copy of an application for real estate tax exemption of building improvements for the property at 1513 39 Ave. S as submitted by Paul A. & Amy Sjurseth. A description of the property involved, types of improvements to be made, and assessment information are indicated on the application.

It is my opinion that the value of some of the improvements, referred to in the application, qualifies for the exemption. This exemption would be for the years 2020, 2021, & 2022.

The estimated annual tax revenue lost by granting the exemption, based upon the estimated cost of the improvements, would be about $165 with the City of Fargo’s share being $25.

Sincerely,

Ben Hushka

Fargo, ND 58102

Dear Commissioners:

Chapter 57-02.2 of the North Dakota Century Code provides for a property tax exemption for certain types of improvements made to existing buildings.

I have attached a copy of an application for real estate tax exemption of building improvements for the property at 3419 Maple St. N as submitted by Cari N. Lake. A description of the property involved, types of improvements to be made, and assessment information are indicated on the application.

It is my opinion that the value of some of the improvements, referred to in the application, qualifies for the exemption. This exemption would be for the years 2020, 2021, 2022, 2023, & 2024.

The estimated annual tax revenue lost by granting the exemption, based upon the estimated cost of the improvements, would be about $380 with the City of Fargo's share being $65.

Sincerely,
