One Book, One Community 2019

Fly Girls by Keith O'Brien

This year, the One Book, One Community reading project's title is the New York Times bestseller *Fly Girls: How Five Daring Women Defied All Odds and Made Aviation History* by Keith O'Brien.

Fly Girls is the previously untold story of five remarkable women who competed against men in the high-stakes national air races of the 1920s and 1930s. The women fought for the chance to fly and race airplanes – and in 1936, one of them would triumph, beating the men in the toughest air race of them all.

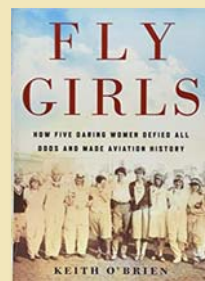

This year's One Book, One Community reading project features an author visit, films, a book discussion and historical presentations as part of the event series. Visit any library location or www.1book1community.org for a schedule of events and related resources.

Parking is available in the library's west parking lot along 4th Street North. More parking can be found in the City Hall/Library parking lot located east of the building along 3rd Street North. Library patrons park for free when using these lots each day. These spots have a 3-hour time limit in order to accommodate as many library patrons as possible each day. *Handicapped parking spaces are available in both parking lots.*

BE A LIBRARY VOLUNTEER

All it takes to be a library hero is a few hours, two days a month. That's it! You can be a hero by taking the library out to people who love to read but can't get to the library themselves. Through the Fargo Public Library's Outreach program, readers at local senior centers, nursing homes, and senior apartments get books, movies, music, and information about the world. And you get to be a hero. No cape necessary. To get your hero on, contact Volunteer Coordinator Pam Strait at pstrait@fargolibrary.org or call 701-241-8111.
