

Child's Name _____

Summer Reading Program June 3 to August 10, 2019

How does your child register for the Summer Reading Program, complete the Activity Log, and earn prizes?

To register for the Pre-Reader Summer Reading Program:

- Participation is **FREE**.
- The **Pre-Reader** program is designed for children ages 0 - 3 and/or are not yet reading on their own.
- The Fargo Public Library Summer Reading Program officially starts **Monday, June 3, 2019**. Stop by any library location on or after this date to register and pick up an Activity Log. Registration forms and schedules are available at each library location and on our website. Call **701 241-1495** or visit our website **www.fargoilibrary.org/kids** for more details.

To earn prizes:

- For every **10 activities** you or other adult complete with your child, they earn a prize.
- To earn a free book, children must complete all **40 activities**.
- Parents can adapt activities to meet your child's abilities. All activities can be substituted with reading two picture books.
- Stop in any Fargo Public Library location **before August 10, 2019** to claim your child's prizes.

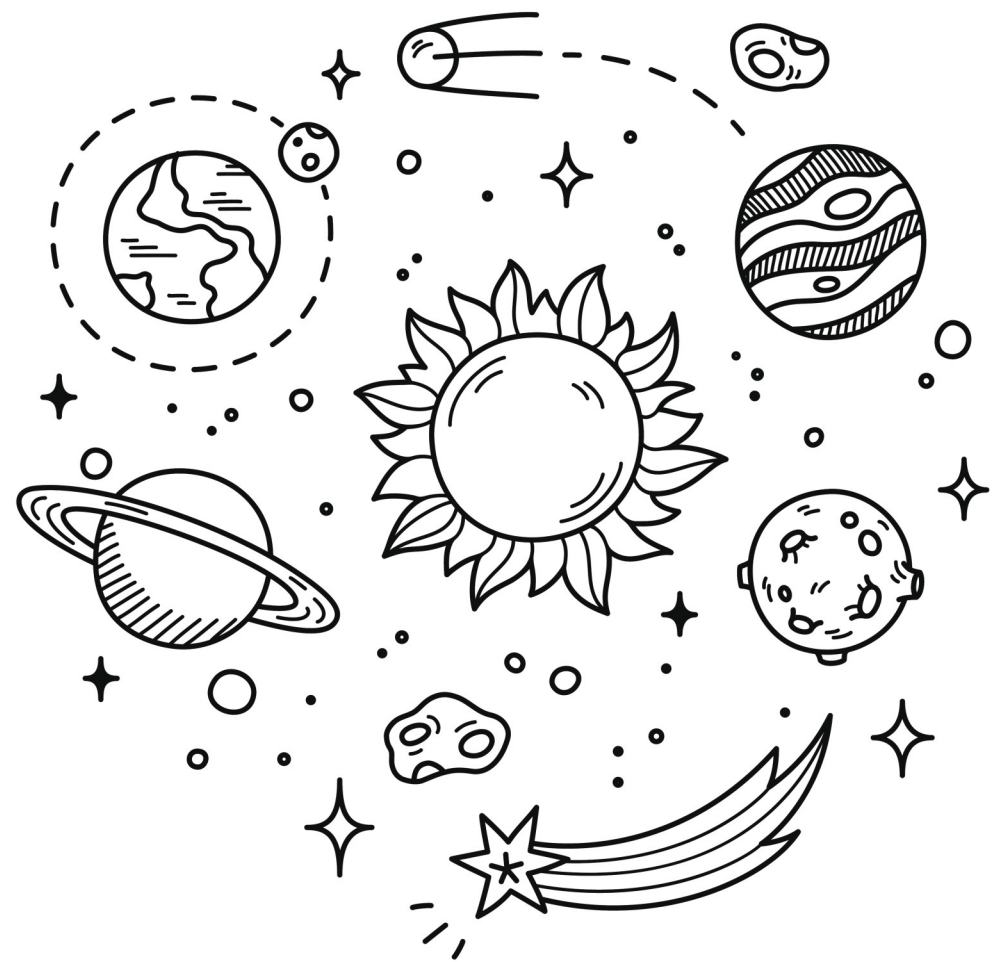

To have your child's name in The Forum:

- Any child in the Pre-Reader program who completes all **40 activities** and collects **5 stickers** for attending library events, donating food or toiletry items, completing the Fargo History Hunt, or complete an activity sheet will get their name published in The Forum on **Saturday, August 31, 2019** (as space allows).
- Turn in your child's completed Activity Log to library staff with their name legibly written on the front, no later than **August 10, 2019**.

Thank you to our sponsors:

Pre-Reader Activity Log

How to get your child ready to read today!

Early Literacy is what children know about reading and writing before they can actually read and write. Studies shows that **children get ready to read years before they start school**. You can help your child learn important skills **now** so they can become good readers. Even **babies** are born ready to learn.

There are five activities based on Early Literacy skills to help your child achieve reading success: **reading, writing, singing, talking, and playing**. Research demonstrates that the **more children know about language and literacy** before they begin formal schooling, the **better equipped they are to succeed in reading**.

Children's Services staff can provide you with more information about Early Literacy Skills, suggest fun books to read together, and other activities you can do with your child that highlight Early Literacy Skills.
