# PrimeMail

The home delivery pharmacy service that makes sense for your life and your budget

## *Start saving*

- PrimeMail can make a difference in your budget with savings that really make a difference — **up to 33%<sup>1</sup>**
- Save time by getting up to a 90-day supply at a time — which can also mean fewer copays
- Standard shipping is always free

## *It's easy*

- Ordering online is quick and easy, and medicine is always delivered in a plain package to help ensure privacy
- PrimeMail delivers anywhere in the U.S., so you can get your medicine even if you're away from home
- We speak clearly — no jargon, just what you need to know, plain and simple

## *Here to help*

- Speak with our pharmacy team 24/7
- Every prescription we touch is checked and re-checked in 17 different ways by our pharmacists
- We can send you refill alerts and reminders the way that you want

You have *more* things to worry about than your medicine.

## Fortunately for you, we don't.

All PrimeMail orders are processed by licensed pharmacists, and all medicines are in tamper-evident containers, shipped in plain packaging. PrimeMail can save you time and possibly money.

*24/7 support*

Log in to [MyPrimeMail.com](https://myprimemail.com), or call **877.357.7463** to talk with a member of our pharmacy team, any time, day or night.

*what you love.*

Start by switching to PrimeMail today.

## *Online*

Visit **MyPrimeMail.com**, click on “Transition Prescriptions from Retail to PrimeMail,” and follow the directions.

## *Mail*

Mail the prescription with a completed order form and your copay using the postage-paid envelope. Refill requests may also be mailed with a completed order form.

## *Phone*

Call **877.357.7463**, 24/7, to refill or transfer a current prescription. Please have your member ID card, prescription information and your doctor's contact information ready.

## *Doctor*

Ask your doctor to fax a prescription request to **877.774.6360** to send your prescription to PrimeMail electronically.

You didn't take a *personal day* to deal with your prescriptions.

Your time is valuable. We think you deserve more of it. PrimeMail sends up to a 90-day supply of your long-term medicine so you can spend less time waiting in lines, and more time doing what you want.
