for library staff to reach residents of Fargo who might not have access to the library. With the Book Bike, library staff can create new cards, check out materials and make sure people know about all of the resources and the variety of events going on at the library.

The bike was built by Workman Cycles and purchased through Great Northern Bicycle Co. The custom box was designed and built by local architect/designer Scott Dahms of Dahms Design.

The Book Bike will be out in the community at various events this fall, weather permitting.

PARKING @ YOUR LIBRARY

Wondering where to park at the downtown Main Library this fall? Parking is available in the library's west parking lot along 4th Street North. Parking is also available in the Civic Center Quad parking lot located north of the Main Library between the Civic Center and the library. More parking can be found in the Civic Center/Library parking lot located east of the building along 3rd Street North. Library patrons park for free when using these lots each day. These spots have a 3-hour time limit in order to accommodate as many library patrons as possible each day. *Handicapped parking spaces are available in all three parking lots.*
