# Summer Reading Challenge

## June 1 - Aug. 20

This summer, your challenge is to explore the oceans that make up our world and read to earn spins on the prize wheel and a book of your choice!

How it works:

- 1. Read each day.** You decide what and how much to read. We suggest 20 minutes (or 2 picture books), but choose whatever goal works best for you.
- 2. Log on to Beanstack** ([fargo.lib.ri.beanstack.org](http://fargo.lib.ri.beanstack.org)) and record the days you've read. Or, log it on this paper log and at the end of each week log your days in Beanstack. For every 7 days you read (up to 35 days), you earn a prize wheel spin. Days do not need to be consecutive to count.
- 3. Visit any Fargo Public Library location** to spin the wheel and collect your prize.
- Once you've read 42 days, you've earned a **free book**.
- We also **have weekly drawings** from June 6 through Aug. 20. Each week as you log reading (at least one day during the week), you are automatically entered into that week's prize drawing. Prizes include Squishmallows, LEGOs, outdoor water toys, and more!

\*Prize drawings are Monday through Sunday. Days must be logged by the following Monday to be included. Any days backdated after the weekly drawing will not be included. Reading must be logged in Beanstack to be eligible for weekly drawings.
