Dear Mayor and Commissioners,

As we continue our shared commitment to addressing homelessness in our region, the FM Coalition to End Homelessness and United Way of Cass-Clay return to provide an update on *United to End Homelessness*, first introduced during the December 23rd, 2024, City Commission meeting. This initiative was launched to scale housing and supportive services to meet the need in our community and prevent increases in unsheltered homelessness. Today, we share our progress, highlight key challenges, and outline the next steps required to maintain stability through the summer.

The purpose of this presentation is to:

1. **Provide an update on our progress** scaling housing and supportive services, including the acquisition of underutilized housing units, the alignment of existing programs, and strengthened cross-sector partnerships.
2. **Share the challenges** we continue to face in meeting the scale of need, specifically the financial resource gap.
3. **Reaffirm the core strategies** of the *United to End Homelessness* initiative, rapid access to housing, wraparound supportive services, homelessness prevention, and the critical importance of maintaining momentum toward our community-wide launch.
4. **Recognize the critical role of the City of Fargo** as a key partner in this work, whose continued collaboration, support, and commitment have been instrumental in strengthening and aligning our community's response to homelessness.

We know from national best practices and local experience that brief disruptions in shelter and service availability can reverse progress and increase system strain. Maintaining consistent support and housing navigation will enable our partners to continue assisting individuals who are still transitioning from crisis to stability.

The FM Coalition to End Homelessness and United Way of Cass-Clay remain steadfast in our commitment to this work. Through continued partnership with the City of Fargo and other metro leaders, we are building the foundation necessary to make homelessness rare, brief, and one-time in our region. We look forward to sharing our update and working together to ensure no one is left behind as we bring this vision to life.

Sincerely,

A handwritten signature in black ink, appearing to read "Chandler Esslinger".

Maximum Density Allowed (Residential): AG allows a maximum of 1 dwelling unit per 10 acres.		Maximum Density Allowed: SR-4 allows 12.1 dwelling units per acre. Residential uses are not allowed in the P/I zone.	

Proposal:

The applicant requests two entitlements:

1. A major subdivision, entitled **Selkirk Place Third Addition**, plat of a portion of the Northwest Quarter and part of Auditor's Lot 2 in the Northeast Quarter of Section 11, Township 138 North, Range 49 West of the 5th Principal Meridian, Cass County North Dakota; and
2. A zone change from AG, Agricultural to SR-4, Single-Dwelling Residential, and P/I, Public/Institutional

This project was reviewed by the City's Planning and Development, Engineering, Public Works, and Fire Departments ("staff"), whose comments are included in this report.

Surrounding Land Uses and Zoning Districts:

- North: SR-4 and SR-5, Single-Dwelling Residential; MR-3, Multi-Dwelling Residential; platted; not yet undeveloped

- East: County Drain 53; AG—undeveloped;
- South: AG; undeveloped
- West: AG; undeveloped

Context:

Schools: The subject property is located within the Fargo School District and is served by Bennett Elementary, Discovery Middle and Davies High schools.

Neighborhood: The subject property is located within the Davies neighborhood.

Parks: The project includes a public park, which will be developed at the time of residential development.

Pedestrian / Bicycle: There are no off-road bike facilities along 64th Avenue South or Interstate 29. See "TRAIL CONNECTIVITY" below.

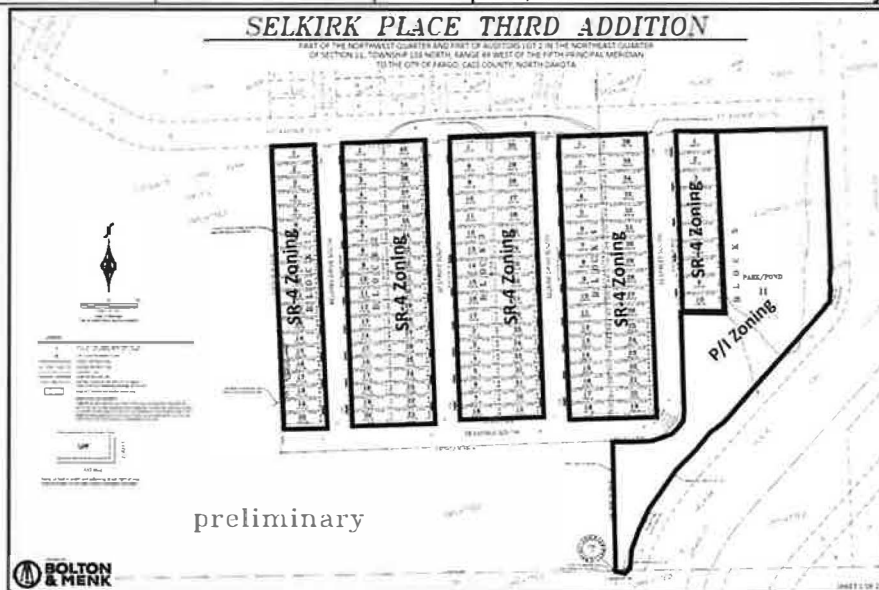

Transit/MATBUS: The subject property is not on a MATBUS route.

Staff Analysis:

PLAT AND ZONE CHANGE

The plat will create a total of 143 lots. One lot is for a park and stormwater detention facility. The rest of the lots are for single-dwelling residential development. Lots will be zoned as shown in the chart and graphic below.

BLOCK	LOTS	ZONING	LAND USE
1	1-20	SR-4	Single-Dwelling Residential
2	1-40	SR-4	Single-Dwelling Residential
3	1-36	SR-4	Single-Dwelling Residential
4	1-36	SR-4	Single-Dwelling Residential
5	1-10	SR-4	Single-Dwelling Residential
5	11	P/I	Public park; stormwater detention facility

The SR-4 zoned lots range in size from 4,522 square feet to 6,944 square feet. The developer intends these for detached single dwelling residences. All SR-4 zoned lots meet the minimum required lot area of the SR-4 zone of 3,600 square feet.

The 6.75 acre P/I zoned lot is intended for a public park and stormwater detention facility. This lot is intended to be conveyed by the developer to the Fargo Park District following plat recordation.

ACCESS: The lots will be accessed by way of dedicated public streets. Necessary rights of way will be dedicated with the plat, as shown in the chart below.

STREET	CLASSIFICATION	COMMENT
Belding Drive South	Local	Continues existing street
32 nd Street South	Local	Continues existing street
Selkirk Drive South	Local	Continues existing street
30 th Street South	Local	New street
69 th Avenue South	Collector	New street

NEGATIVE ACCESS EASEMENT: The plat depicts negative access easements (NAE's) along the side yards of the residential lots along 67th Avenue South. These NAE's prevent direct access to these lots from 67th Avenue. Small NAE's also are depicted along the local residential streets. These are intended to manage driveway widths and locations.

SIDEWALK AND BOULEVARD ALONG 67th and 69th AVENUES SOUTH: The property owners of the lots with side yard frontage along 67th and 69th Avenues South will have some responsibility for sidewalk and boulevard maintenance along those frontages, as described in the amenities plan.

TRAIL CONNECTIVITY: Planning, Engineering, and Park District staff have worked with the applicant to insure effective trail connectivity. Off-street shared use paths are intended for 67th Avenue South and along the nearby Drain 53. The Fargo Park District has a separate agreement with the applicant.

GROWTH PLAN: This subdivision was designed prior to the adoption of the Fargo Growth Plan 2024. However, it is consistent with place type designation for this area of Urban Neighborhood. Primary uses in the Urban Neighborhood place type designation are small lot single-family detached housing.

Zoning

Section 20-0906. F (1-4) of the LDC stipulates the following criteria be met before a zone change can be approved:

1. Is the requested zoning change justified by a change in conditions since the previous zoning classification was established or by an error in the zoning map?

Staff is unaware of any error in the zoning map as it relates to this property. The property is currently zoned AG, Agricultural. The proposed zoning of SR-4 and P/I will allow the proposed single-dwelling residential and park development. **(Criteria Satisfied)**

2. Are the City and other agencies able to provide the necessary public services, facilities, and programs to serve the development allowed by the new zoning classifications at the time the property is developed?

City staff and other applicable review agencies have reviewed this proposal. Staff finds no deficiencies in the ability to provide all of the necessary services to the site. Lots in the subdivision will front on dedicated public streets. The necessary rights of way for these streets will be dedicated with the plat. These streets will provide access and public utilities to serve the development. **(Criteria satisfied)**

3. Will the approval of the zoning change adversely affect the condition or value of the property in the vicinity?

Staff has no documentation or evidence to suggest that the approval of this zoning change would adversely affect the condition or value of the property in the vicinity. Written notice of the proposal was sent to all property owners within 300 feet of the subject property. To date, Planning staff has received no comments or inquiries about the project. Staff finds that the approval of the zoning change will not adversely affect the condition or value of the property in the vicinity. **(Criteria satisfied)**

4. Is the proposed amendment consistent with the purpose of this LDC, the Growth Plan, and other adopted policies of the City?

The LDC states "This Land Development Code is intended to implement Fargo's Comprehensive Plan and related policies in a manner that protects the health, safety, and general welfare of the citizens of Fargo." The proposed development is consistent with the recently adopted Fargo Growth Plan 2024. **(Criteria satisfied)**

Subdivision

The LDC stipulates that the following criteria are met before a major plat can be approved

1. Section 20-0907.C.1 (Development Review Procedures—Subdivisions—Major Subdivisions) of the LDC stipulates that no major subdivision plat application will be accepted for land that is not consistent with an approved Growth Plan or zoned to accommodate the proposed development.

The proposed zoning designations for the development on this property are SR- and P/I. These zones will accommodate the proposed single-dwelling residential and park development, and are consistent with the recently adopted Fargo Growth Plan 2024. In accordance with Section 20-0901.F of the LDC, notices of the proposed plat have been sent out to property owners within 300 feet of the subject property. To date, Planning staff has received no comments or inquiries about the project. **(Criteria Satisfied)**

2. Section 20-0907.B.4 of the LDC further stipulates that the Planning Commission shall recommend approval or denial of the application and the City Commission shall act to approve or deny, based on whether it is located in a zoning district that allows the proposed development, complies with the adopted Area Plan, the standards of Article 20-06 and all other applicable requirements of the Land Development Code.

The proposed zoning designations for the development on this property of SR-4 and P/I are consistent with the recently adopted Fargo Growth Plan 2024. The project has been reviewed by the city's Planning, Engineering, Public Works, Inspections, and Fire Departments and found to meet the standards of Article 20-06 and other applicable requirements of the Land Development Code. **(Criteria Satisfied)**

3. Section 20-0907.C.4.f of the LDC stipulates that in taking action on a Final Plat, the Board of City Commissioners shall specify the terms for securing installation of public improvements to serve the subdivision.

Staff has created an amenities plan that specifies the terms of securing installation of public improvements to serve the subdivision. This amenities plan has been reviewed by the Public Works Project Evaluation Committee (PWPEC) and the applicant. The City's standard policy is that any improvements associated with the project (both existing and proposed) are subject to special assessments. Special assessments associated with the costs of the public infrastructure improvements are proposed to be spread by the front footage basis and storm sewer by the square footage basis as is typical with the City of Fargo assessment principles. **(Criteria Satisfied)**

Staff Recommendation:

Suggested Motion: "To accept the findings and recommendations of staff and hereby waive the requirement to receive the rezoning Ordinance one week prior to the first reading and place the rezoning Ordinance on for first reading, and move to approve the proposed: 1) zone change from AG, Agricultural to SR-4, Single-Dwelling Residential and P/I, Public/Institutional; and 2) plat of **Selkirk Place Third Addition** major subdivision, as presented; as the proposal complies with the Fargo Growth Plan 2024, Standards of Article 20-06, and Sections 20-0906.F (1-4) and 20-0907 of the LDC, and all other applicable requirements of the LDC."

Planning Commission Recommendation: October 1st, 2024

At the October 1st, 2024, Planning Commission hearing, that Commission, by a vote of 7-0 with three Commissioners absent and one Commission seat vacant, moved to accept the findings and recommendations of staff and recommended approval to the City Commission of the proposed: 1) zone change from AG, Agricultural to SR-4, Single-Dwelling Residential and P/I, Public/Institutional; and 2) plat of **Selkirk Place Third Addition** major subdivision, as presented; as the proposal complies with the Fargo Growth Plan 2024, Standards of Article 20-06, and Sections 20-0906.F (1-4) and 20-0907 of the LDC, and all other applicable requirements of the LDC.

Proposal:

The applicant requests one entitlement:

1. **Zone Change** from SR-4, Single Dwelling Residential to SR-5, Single Dwelling Residential.

This project was reviewed by the City's Planning and Development, Engineering, Public Works, and Fire Departments ("staff"), whose comments are included in this report.

Surrounding Land Uses and Zoning Districts:

- North: Single Family Residence, Zoned SR-4
- East: Single Family Residence, Zoned SR-4
- South: Single Family Residence, Zoned SR-2
- West: Single Family Residence, Zoned SR-4

Area Plans:

The subject property is designated as SR-4, Single Dwelling Residential and located within the Davies Neighborhood. The 2024 Fargo Growth Plan designates this area as a Suburban Neighborhood place type with primary uses listed as small to medium lot, single-family detached housing, townhomes (with limited massing up to four units per building), duplex, triplex, quadplex, ADU's, places of worship, schools, daycare centers, and home office. The proposed SR-5 zoning is consistent with these land use and place types.

Context:

Neighborhood: The subject property is located within the Davies Neighborhood.

Schools: The subject property is located within the Fargo school district, specifically in the Centennial Elementary, Discovery Middle, and Davies High Schools.

Parks: The subject property is located approximately 0.21 miles from Golden Valley Park (6977 Golden Valley Parkway South) and 0.5 miles from the Davies Recreational Pool (7150 25 Street South). Amenities at Golden Valley Park include basketball court, grill, picnic table, two playgrounds, and a shelter. Amenities at Davies Recreational Pool include outdoor pools and waterslide, restrooms, and concessions.

Pedestrian / Bicycle: A shared-use path, located along 67th Avenue South (approximately 0.07 miles north of the subject property) connects to a shared-use path along 25th Street South, providing connected access to Davies High School and Davies Recreational Pool and the metro path system.

Transit: There are no MATBUS Routes near the subject property. The closest MATBUS Route, is Route 18, which stops at the 52nd Ave. Walmart (approximately 2.5 miles from the subject property)

Staff Analysis:

The Lands Development Code allows for a maximum density of 12.1 units per acre in SR-4 zoned districts and a maximum density of 14.5 units per acre in SR-5 zoned districts.

The property is currently zoned SR-4, Single Dwelling Residential. The density allowed on this 0.90 acre lot by the current SR-4 zoning is 10.89 dwelling units, which means a maximum of 10 units, as fractional numbers of units are always rounded down to the closest whole number. The applicant proposed rezoning to SR-5, which would allow 13 units to be built on the property. The preliminary site plan provided by the applicant proposes 11 units.

Zoning

Section 20-906. F (1-4) of the LDC stipulates the following criteria be met before a zone change can be approved:

- 1. Is the requested zoning change justified by a change in conditions since the previous zoning classification was established or by an error in the zoning map?**

Staff is unaware of any error in the zoning map as it relates to this property. The property is currently zoned SR-4, Single-Dwelling Residential. The proposed SR-5, Single-Dwelling Residential, zoning is consistent with the "Suburban Neighborhood" land use designation of the 2024 Growth Plan. The change in zoning will allow the developer to construct an additional three residential units on this property. **(Criteria Satisfied)**

- 2. Are the City and other agencies able to provide the necessary public services, facilities, and programs to serve the development allowed by the new zoning classifications at the time the property is developed?**

City staff and other applicable review agencies have reviewed this proposal. Staff finds no deficiencies in the ability to provide all of the necessary services to the site. The subject property is adjacent to existing developed public right-of-way, which provide access and public utilities to serve them.

(Criteria satisfied)

- 3. Will the approval of the zoning change adversely affect the condition or value of the property in the vicinity?**

Staff has no documentation or evidence to suggest that the approval of this zoning change would adversely affect the condition or value of the property in the vicinity. Written notice of the proposal was sent to all property owners within 300 feet of the subject property. To date, Planning staff has received and responded to one inquiry about the project, with no concerns. Staff finds that the approval of the zoning change will not adversely affect the condition or value of the property in the vicinity. **(Criteria satisfied)**

- 4. Is the proposed amendment consistent with the purpose of this LDC, the Growth Plan, and other adopted policies of the City?**

The purpose of the LDC is to implement Fargo's Comprehensive Plan and related policies in a manner that protects the health, safety, and general welfare of the citizens of Fargo. Staff finds this proposal is consistent with the purpose of the LDC, the 2024 Growth Plan, and other adopted policies of the City. **(Criteria satisfied)**

Staff Recommendation:
Suggested Motion: "To accept the findings and recommendations of the Planning Commission and staff and hereby waive the requirement to receive the rezoning Ordinance one week prior to the first reading and place the rezoning Ordinance on for first reading and move to approve the proposed zone change from SR-4, Single-Dwelling Residential to SR-5, Single-Dwelling Residential, for Lot 11, Block 1, Golden Valley Sixth Addition , as outlined in the staff report, as the proposal complies with the 2024 Growth Plan, Section 20-0906.F (1-4) of the LDC and all other applicable requirements of the LDC."
Planning Commissslon Recommendation: April 1st, 2025
At the April 1st , 2025 Planning Commission hearing, that Commission, by a vote of 9-0 with two Commissioners absent, moved to accept the findings and recommendations of staff and recommended approval to the City Commission of the proposed zone change from SR-4, Single-Dwelling Residential to SR-5, Single-Dwelling Residential, for Lot 11, Block 1, Golden Valley Sixth Addition , as outlined in the staff report, as the proposal complies with the 2024 Growth Plan, Section 20-0906.F (1-4) of the LDC and all other applicable requirements of the LDC."

AN ORDINANCE ENACTING ARTICLE 10-14 OF
CHAPTER 10 OF THE FARGO
MUNICIPAL CODE RELATING TO CAMPING ON
PUBLIC PROPERTY

WHEREAS, the electorate of the city of Fargo has adopted a home rule charter in accordance with Chapter 40-05.1 of the North Dakota Century Code; and,

WHEREAS, Section 40-05.1-06 of the North Dakota Century Code provides that the City shall have the right to implement home rule powers by ordinance; and,

WHEREAS, Section 40-05.1-05 of the North Dakota Century Code provides that said home rule charter and any ordinances made pursuant thereto shall supersede state laws in conflict therewith and shall be liberally construed for such purposes; and,

WHEREAS, the Board of City Commissioners deems it necessary and appropriate to implement revisions to the city of Fargo Municipal Code addressing camping and campsites in the city of Fargo on public property by the adoption of this Ordinance and Resolution; and

WHEREAS, the Board of City Commissioners of the city of Fargo deems camping or establishing a campsite on public property to be a public health and safety risk to both the housed and unhoused and intends, through the adoption of this Ordinance and Resolution, to create enforcement tools to prevent camping or the establishment of campsites on public property, and to establish a program for the removal of the camping and campsite materials and personal property associated with camping on public property; and

WHEREAS, the Board of City Commissioners of the city of Fargo intends to address the social, public safety and health hazards, environmental issues, physical safety and property risks of those persons experiencing homelessness and camping on public property, in a manner that is compatible with the needs of everyone in Fargo to be healthy, safe, and have access to public places, in an objectively reasonable time, place, and manner process; and

WHEREAS, the Board of City Commissioners of the city of Fargo intends to adopt by Resolution reasonable policies related to the enforcement of this Ordinance prohibiting camping on public property and the removal of prohibited and non-compliant camping sites.

COMMISSIONER _____ introduced the following resolution and moved its adoption:

Resolution Regarding Ordinance Prohibiting Camping on Public Property and Rights of Way in the city of Fargo

WHEREAS, the city of Fargo has adopted an Ordinance prohibiting camping on public property and on the public rights of way except pursuant to Resolution; and

WHEREAS, the city of Fargo wishes to prioritize enforcement of Fargo Municipal Code Article 10-14 to address the City resources needed to remove all campsites and in recognition of the need to address the housing needs of persons camping on public property and public rights of way; and

WHEREAS, the city of Fargo recognizes that temporary, controlled permission of camping in compliance with approved rules and expectations may be necessary for a limited duration, until such time as permanent housing resources become available; and

WHEREAS, the city of Fargo's goal is to implement a Housing First program that will eliminate the need for any camping on public property and rights of way as housing becomes available; and

WHEREAS, in conjunction with the approval of this Resolution, the Board of City Commissioners requires a minimum of two reports (spring and fall) from Fargo Cass Public Health or other appropriate City staff be presented, with additional updates as requested. The reports shall include, but not be limited to, data regarding the progress of the Housing First initiative, status of existing camps and information regarding camp reductions; and

WHEREAS, in accordance with Fargo Municipal Code Article 10-14, the Board of City Commissioners of the city of Fargo approves the following enforcement priorities, rules and expectations for camping on public property and public rights of way.

NOW, THEREFORE, BE IT RESOLVED by the Board of City Commissioners of the city of Fargo:

1. Camping in or within 100 feet of critical infrastructure (under bridges, lift stations, outfalls, city buildings, water intake and pump house), within 100 feet of a bridge embankment, on public sidewalks, and within 30 feet adjacent to public bike paths is strictly prohibited. An enforcement officer shall provide notice as provided by Fargo Municipal Code §10-1403 and immediately cite persons in violation of the removal notice. Appropriate steps will then be taken to remove the unlawful campsite.
2. Camping in, or within 100 feet of a Park established by the Park District of the city of Fargo (Park District), is prohibited pursuant to Resolution of the Park District adopting Fargo Municipal Code Article 10-14 and Resolutions and Guidelines adopted by the Board of City Commissioners of the city of Fargo.
3. Camping in areas posted as No Trespassing or No Camping by authorized City personnel is strictly prohibited.
4. Campsites within the service area of the Downtown Engagement Center in compliance with all Camp Protocols and Expectations, attached hereto as Exhibits A & B, and not located in a priority enforcement area, shall be monitored and persons occupying such camps shall be expected to engage in such services available.
5. Persons who have been warned that their conduct is not in compliance with the approved Camp Protocols and Expectations will be subject to citation and Notice of Camp Removal in accordance with Fargo Municipal Code Article 10-14.

The motion for the adoption of the foregoing resolution was duly seconded by COMMISSIONER _____, and upon roll call vote, the following voted in favor thereof: COMMISSIONERS _____. The following were absent and not voting: _____, and the following voted against the same: _____, whereupon the resolution was declared duly passed and adopted.

Dated this ____ day of _____, 2024.
