She said this rule has not been enforced in the past and she is wondering if Commissioners wish to keep it or delete it.

Mayor Walaker stated he feels the City Commissioners need to allow the citizens the opportunity to express themselves to the best of their ability. He said he feels the wording which allows the citizens only three minutes to speak should be deleted.

Commissioner Wimmer stated the Mayor should be able to control the meetings and if the wording limiting the time to speak is removed, it could create additional problems.

There was discussion regarding changing the wording in Item "C" to suggest the citizens speak three minutes and it was agreed the wording would be changed to accommodate the word "suggested".

Commissioner Wimmer offered the following Resolution and moved its adoption:

WHEREAS, It is desirable that the transaction of City business be done in an orderly fashion; and

WHEREAS, The Board of City Commissioners of the City of Fargo deems it desirable and necessary to promulgate rules and regulations for the guidance of commissioners and citizens.

- C. The Mayor or other presiding Commissioner will announce the item on the agenda. It is suggested the person who requested placement of the item on the agenda be given up to three (3) minutes to present any additional information not included in the letter. There will be opportunity for input after a motion is made and seconded. Proponents will be recognized first, then opponents. It is suggested persons wishing to speak be allowed no more than three minutes each. Time for each side will be designated by the Chair. Additional time will be allowed only if Commissioners have questions

or if there has been a majority vote to allow additional discussion. The item will be voted upon and no further discussion will be allowed.

In the event the motion for reconsideration passes, the matter shall not be reconsidered until all persons appearing at the original hearing on the matter have been advised and offered an opportunity to appear and be heard again, or until notice of rehearing on the matter has been published in the official newspaper of the City.
- H. Any on duty policeman may be considered as a sergeant at arms for Commission meetings and may be summoned to maintain order by any member of the Board of City Commissioners at any time.
