Bid Awarded to Repair and/or Replace the Shooting Range at the Regional Law Enforcement Training Center:

The Board received a communication from Police Chief Keith Ternes stating for the past several months, members of the area law enforcement agencies that oversee the Fargo Regional Law Enforcement Training Center Shooting Range, have been planning for the replacement and/or upgrade of the range because the range is in desperate need of repair. He said bids to do the repair and replacement work at the training center were solicited and Meggitt Defense Systems-Caswell provided the training center advisory board with a quote of \$298,865. He said Fargo's Finance Director Kent Costin has suggested financing this project by securing a low interest loan (5 years at 4%) to finance Fargo's portion of this project. The following users of the training center, he said, have agreed to pay the following annual amounts over the next five years to finance the replacement needs at the training center:

Fargo	\$22,744
Cass County	\$16,173
West Fargo	\$ 8,592
NDSU	\$ 3,032

He said the total amount needed to pay for the City of Fargo's share of this project would be approximately \$113,720 over the five year period.

Assistant Chief Todd Osmundson said the current range was built by Meggitt Defense Systems 27 years ago and three-fourths of the 10 lanes are in operating condition. He said they have known about the need for repair for three years and have already built in \$75,000 for the expense. The remainder, he said, will be paid back by the agencies involved.

In response to a question from Commissioner Wimmer, Mr. Costin said the project was discussed at the Finance Committee meeting several months ago and, with costs going up, it was decided to proceed now utilizing a short term 5 year loan.

Commissioner Wimmer moved the bid be awarded to Meggitt Defense Systems-Caswell in the amount of \$298,865 to repair and/or replace the shooting range at the Fargo Regional Law Enforcement Training Center and that the financing of this project be approved as proposed by the City's Finance Director.

Second by Piepkorn. On call of the roll Commissioners Wimmer, Piepkorn, Williams, Mahoney and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Amended Resolution of Annexation of a Part of Section 5, Township 138 North, Range 49 West Adopted: Agreements for Future Annexation and Deferral of Special Assessments with Certain Property Owners Approved:

The Board received a communication from City Attorney Erik Johnson requesting approval of an Amended Resolution of Annexation of part of Section 5 of Stanley Township and of certain agreements with property owners relating to future annexation and the deferral of special assessments. Mr. Johnson stated at the July 28, 2008 City Commission meeting, he presented an Agreement with the City of Horace and other protesting property owners regarding the disputed annexation in Sections 5 and 6 of Stanley Township. He submitted a copy of the July 24th letter that provided an explanation as to the basic terms of the agreements, an Amended Resolution of Annexation and a map depicting the boundaries of the annexation. He stated the map also depicts an area to the west of this annexation and to the east of the Sheyenne River that will be the subject of future annexations and is the subject of the Agreements Regarding Future Annexation with property owners Diede, LeClair, Nudell, Smylie and Gensler. He said a formal public hearing on this Amended Resolution of Annexation is not required, however, he published a notice of the Resolution in the newspaper once a week for two successive weeks to give any property owners notice that the City would be moving forward with this amended annexation, in accordance with the agreement entered into at the mediation in April, 2007. He said assuming the Board approves the following agreements and the Amended Resolution, the Amended Resolution, along with an accurate map of the annexation area, will be recorded at the courthouse and this will finalize the annexation:

1. Agreement for Future Annexation (Diede);
2. Agreement for Future Annexation (LeClair);
3. Agreement for Future Annexation (Nudell);
4. Agreement for Future Annexation (Smylie);
5. Agreement for Future Annexation (Gensler);
6. Agreement for Deferral of Special Assessments (Gensler); and
7. Agreement for Deferral of Special Assessments (Diede).

Mr. Johnson stated the agreements with these property owners call for future annexation to occur within 15 years after they connect to Fargo's sewer system. He said the Agreements for Deferral of Special Assessments pertain to property owned by the Gensler's and Diede's that is located within the immediate annexation area. He said the Gensler's and Diede's intend to farm this land for the foreseeable future and wanted the benefit of a deferral agreement for special assessments that might otherwise be levied against their property for improvements installed to support development in neighboring properties. He said the special assessment deferral agreements are consistent with the City's standard policy for such deferrals.

Commissioner Wimmer offered the following Resolution and moved its adoption:

BE IT RESOLVED BY THE BOARD OF CITY COMMISSIONERS OF THE CITY OF FARGO:

WHEREAS, The City of Fargo, Cass County, North Dakota, is a municipal corporation, organized and existing under the laws of the State of North Dakota, with about ninety-five thousand (95,000) inhabitants; and

WHEREAS, The City of Fargo, by resolution proposed to annex all of Sections 5 and 6, Township 138 North, Range 49 West [Stanley Township], County of Cass and State of North Dakota, approved by the City Commission on January 20, 2003; and,

WHEREAS, Upon hearing before the Fargo City Commission, held on November 24, 2003, it was established that protests to said annexation of Sections 5 and 6 of Stanley Township were submitted in writing by the owners of one-fourth or more of the territory proposed to be annexed and the Fargo City Commission approved the submission of the proposed annexation to a committee for mediation as provided in § 40-51.2-07.1 N.D.C.C.; and,

WHEREAS, Subsequent to the approval of the January 20, 2003 resolution by the city of Fargo proposing to annex Sections 5 and 6; the City Council of the City of Horace did accept certain petitions for annexation into the city of Horace of certain property located within Sections 5 and 6 of Stanley Township and, as a result of said acceptance being subsequent in time to Fargo's January 20, 2003 resolution, Fargo's resolution is first in time; and,

WHEREAS, A mediation committee as contemplated by N.D.C.C. § 40-51.2-07 comprised of Bismarck attorney, Timothy Durick, appointed by the governor, representatives of the protestors, and the involved cities, appeared at Fargo City Hall beginning at 10:00 a.m. on Thursday, April 19, 2007 for the purpose of engaging in mediation of Fargo's proposed January 20, 2003 annexation resolution; and,

WHEREAS, As a result of said mediation, an agreement was reached, by which the City of Fargo, the City of Horace and certain protesting property owners agreed, among other things, as follows (Exhibits referred to below not included herewith, but are included with the actual such agreement on file with the Office of the City Auditor, 200 North 3rd Street, Fargo, North Dakota):

...that, subject to the terms of (said) agreement, Fargo be, and is hereby is, authorized to immediately bring to successful completion an annexation of a certain portion of Section 5, Township 138 North, Range 49 West [Stanley Township], County of Cass and State of North Dakota lying east and north of the line described on attached Exhibit "A".

(hereinafter referred to as the "Fargo/Horace Boundary").

and, subject to the terms of (said) agreement, Horace will refrain from annexing into the city of Horace any land lying east and north of the Fargo/Horace Boundary. A map of the Fargo/Horace Boundary, and the respective "Horace side" lying west and south of said line and the "Fargo

side” lying east and north of said line is attached hereto as Exhibit B and incorporated as if fully set forth herein.

2. ... that Fargo may, and Fargo agrees it will forthwith pass an amended resolution of annexation of an area within Section 5 of Stanley Township lying east and north of the Fargo/Horace Boundary [to be referred to herein as the “Fargo Section 5 Annexation”], to complete its annexation as agreed at the mediation.

3. If the [Fargo] Board of City Commissioners approves the amended annexation of the Fargo Section 5 Annexation, then Horace may move forward with annexation of certain land lying within Sections 5 and 6, Township 138 North, Range 49 [Stanley Township][stet], County of Cass and State of North Dakota, lying west and south of the Fargo/Horace Boundary, said land to be referred to herein as the “Horace Annexation Area” and the proposed annexation by Horace of said area to be referred to herein as the “Horace Annexation”.

4. Horace acknowledges that Fargo has entered into agreements with certain property owners whose property lies east of the Fargo/Horace Boundary, whereby such property owners will receive a delay or deferral of annexation of such property into Fargo, but which agreements will also serve as a binding commitment that such property will eventually be annexed into the city of Fargo. Pursuant to N.D.C.C. § 40-51.2-02.1, for a term of 20 years, Horace agrees to not interfere with any of said agreements nor cause any breach thereof (again, said agreements pertaining to lands lying east of the Fargo/Horace Boundary). As such, Horace agrees it will neither approve any petition nor approve any resolution for annexation of any such lands.

WHEREAS, There is contiguous and adjacent to the City of Fargo, tract or parcel of land hereinafter specifically described, containing approximately 476.99 acres, more or less, which tract or parcel of land is not presently a part of the City of Fargo.

NOW, THEREFORE, BE IT RESOLVED, By the Board of City Commissioners of the City of Fargo, North Dakota, that:

A. This instrument shall serve as an amendment to the resolution initially approved and adopted on January 20, 2003, and,

B. The boundaries of the City of Fargo be, and they hereby are, extended so as to include and incorporate within the corporate limits of the City of Fargo, Cass County, North Dakota, the following described land:

Renaissance Zone Project for Great Plains Integrated Marketing, Inc. Approved:

A Hearing had been set for this day and hour to receive comments on a Renaissance Zone Project for Great Plains Integrated Marketing, Inc. for a business leasing property as part of a zone project at 64 1/2 Broadway.

No written protest or objection to the Project has been received or filed in the City Auditor's Office.

The Board determined that no person is present to protest or offer objection to the Project.

The Board received a communication from Senior Planner Robert Stein stating the Renaissance Zone Law states "a business that purchases or leases property as part of a zone project is exempt from income tax for five taxable years beginning in the year of the investment or lease for income derived from the business locations within the zone". He said the Fargo Renaissance Zone Development Plan further states "Tenant must be leasing space in a building that has been approved as a zone project to be eligible for consideration". He stated the Renaissance Zone Authority felt that lease projects such as the application from Great Plains Integrated Marketing, Inc. would generally be straightforward and could be advanced to the City Commission following staff review and would generally not require direct Authority action. He said staff review found the applicant has met the aforementioned requirements. He said the project addresses the business retention and expansion goals stated in the Renaissance Zone Development Plan.

Commissioner Mahoney moved the Renaissance Zone application filed by Great Plains Integrated Marketing, Inc. for a project located at 64 1/2 Broadway be approved and the income tax exemptions be granted as recommended by the Renaissance Zone Authority.

Second by Piepkorn. On call of the roll Commissioners Mahoney, Piepkorn, Wimmer, Williams and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Renaissance Zone Project for Vlana Vlee, Inc. Approved:

A Hearing had been set for this day and hour to receive comments on a Renaissance Zone Project for Vlana Vlee, Inc. for a business leasing property as part of a zone project at 102 Broadway.

No written protest or objection to the Project has been received or filed in the City Auditor's Office.

The Board determined that no person is present to protest or offer objection to the Project.

The Board received a communication from Senior Planner Robert Stein stating the Renaissance Zone Law states "a business that purchases or leases property as part of a zone project is exempt from income tax for five taxable years beginning in the year of the investment or lease for income derived from the business locations within the zone". He said the Fargo Renaissance Zone Development Plan further states "Tenant must be leasing space in a building that has been approved as a zone project to be eligible for consideration". He stated the Renaissance Zone Authority felt that lease projects such as the application from Vlana Vlee, Inc. would generally be straightforward and could be advanced to the City Commission following staff review and would generally not require direct Authority action. He said staff review found the applicant has met the aforementioned requirements. He said the project addresses the business retention and expansion goals stated in the Renaissance Zone Development Plan.

Commissioner Mahoney moved the Renaissance Zone application filed by Vlana Vlee, Inc. for a project located at 102 Broadway be approved and the income tax exemptions be granted as recommended by the Renaissance Zone Authority.

Second by Piepkorn. On call of the roll Commissioners Mahoney, Piepkorn, Wimmer, Williams and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Recommendation from the Finance Committee to Retain Ownership of the City-Owned Property at 324 7th Street North Approved:

The Board received a communication from Finance Director Kent Costin stating the City of Fargo currently owns property at 324 7th Street North which is the former location of the FM Indian Center. He said a development group inquired about the City's willingness to sell this property so they could build a multi-family housing unit. He said this site includes a 50' x 140' parking lot and, as this property was purchased with Community Development Block Grant funds, the rental income from the parking lot is accruing to this fund in accordance with HUD program income regulations. He said the Finance Committee met with the developers' representative to discuss their development plans and is recommending the City retain this property until the impact of the NDSU Downtown campus can be assessed.

In response to a question from Commissioner Wimmer, Mr. Costin said the City is taking a slow and cautious approach in deciding whether to sell the property. He said the City may wait a year to see how the situation goes with increased parking demands from the new downtown NDSU buildings.

Commissioner Williams said waiting gives the City flexibility for future planning.

Mark Thelen, 3633 17th Street South, said he represents the development group that expressed interest in buying the property. He said multi-family housing is consistent with zoning in this area and housing is needed more than parking.

In response to a question from Commissioner Mahoney, Mr. Costin said a formal process needs to be followed because federal funding was used for the Community Development Block Grant project for this property.

Commissioner Piepkorn moved the recommendation from the Finance Committee to retain ownership of the City-owned property at 324 7th Street North be approved.

Second by Mahoney. On call of the roll Commissioners Piepkorn, Mahoney, Williams and Walaker voted aye.

Commissioner Wimmer voted nay.

The motion was declared carried.

Joint Powers Agreement with Southeast Cass Water Resource District for Southside Flood Control Project Approved (Improvement District No. 5073):

The Board received a communication from Senior Engineer April Walker submitting a Public Works Projects Evaluation Committee Report of Action recommending approval of a Joint Powers Agreement (JPA) with Southeast Cass Water Resource District for Southside Flood Control project development and construction, as well as a flow chart of the Fargo/SE Cass responsibilities based on the JPA.

The Board also received a communication from Attorney Jonathan Garaas stating he has been authorized by the Horace City Council to present two proposals in regard to some general concepts which would be acceptable to the governing body of the City of Horace. The first proposal, he said, is that due consideration should be given to a flood control project because of elevation concerns adjacent to the inlet of the Sheyenne Diversion located near the intersection of Cass No. 14 and the Horace city limits. He said some overland flooding caused by the Sheyenne River water may occur resulting in the possibility of minor flooding in the vicinity of the Country Acres subdivision. The Horace City Council, he said, would be interested in the possible development of a flood control project in that specific area (a small levee with gates from the existing Sheyenne Diversion project extending to the southeast to connect to the natural high ground in Section 30-138-49). He said an engineer opined that the project cost would be approximately \$625,000. N.D.C.C. § 40-22-06, he said, seems to coincide with these project concepts. He said the actual implementation of the statute for the development of a flood control project, and the creation of an appropriate Joint Powers Agreement between the City of Horace and Southeast Water Resource District would likely be favorably considered and such flood control project would also be advantageous to the City of Fargo. The second proposal, he said, refers to the Wild Rice River Levee Alternative and there is little likelihood acceptance by the Horace City Council for that project's boundaries as currently envisioned exists. The Sheyenne Diversion project, he said, provides adequate flood protection for most of Horace's land. As was recently pointed out by FEMA officials, any revision of the FEMA map presently being done for the City of Fargo will not be relevant to any other city - including the City of Horace, he said. Mr. Garaas stated even if proposed map revisions are deemed somehow relevant, the July 10, 2008 submissions to the Fargo City Commission establish only small quantities of land within the existing boundaries of the City of Horace and its extra-territorial jurisdiction immediately adjacent to the existing legal drain would be influenced by the preliminary 100-year base flood event. He said if the proposed Joint Powers Agreement between

the City of Fargo and the Southeast Cass Water Resource District is substantially revised, there is some possibility that the City of Horace could join in such an agreement, so long as it is not construed to be a municipal endorsement of the Wild Rice River Levee Alternative. All of the alternative flood projects appear to include lands protected by the Sheyenne Diversion, or lands in the 500 year floodplain, he said. He stated the City of Horace would likely oppose any provision within a Joint Powers Agreement whereby the authority of the Southeast Cass Water Resource District, or the City of Horace, would be granted or shared with any other municipality - in this case the City of Fargo. He said such proposed document could be revised to reflect a single Southeast Water Resource District project with two separate components; a Horace component limited in assessment area to its city limits/extraterritorial jurisdiction and a Fargo component limited in assessment area to its city limits/extraterritorial jurisdiction. He said the purpose is to ascertain if the development of a flood control project within the City of Horace can be developed by the Southeast Cass Water Resource District.

City Attorney Erik Johnson said the concerns raised by Attorney Garaas' letter can be addressed as the City moves forward with the project. He said it is only the beginning of planning for the project and there will be a number of steps taken between now and when the project actually starts.

Mayor Walaker said this agreement does not pre-empt Horace from making an agreement with SE Cass Water Resource District.

Commissioner Williams moved the Joint Powers Agreement with Southeast Cass Water Resource District be approved.

Second by Wimmer.

In response to a question from Commissioner Mahoney, Mr. Johnson said the Water Resource Board will handle assessments for the project.

On call of the roll Commissioners Williams, Wimmer, Mahoney, Piepkorn and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Commissioner Mahoney moved that the Board adjourn to 5:00 o'clock p.m., Monday, August 25, 2008.

Second by Wimmer. All the Commissioners voted aye and the motion was declared carried.

The time at adjournment was 5:58 o'clock p.m.
