No Commissioner being absent and none voting nay, the motion was declared carried.

Item No. 1 Omitted:

Item No.1 (Communication regarding request for an overwidth driveway at 2730 Samuel Drive) was omitted.

Michael Lochow Reappointed to the Fargo Access Channel Board:

The Board received a communication from Mayor Walaker recommending that Michael Lochow be reappointed to the Fargo Access Channel Board.

Commissioner Williams moved Michael Lochow be reappointed to the Fargo Access Channel Board for a 3-year term ending June 30, 2016.

Second by Mahoney. On call of the roll Commissioners Williams, Mahoney, Wimmer, Sobolik and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Appointments to the Board of Adjustment:

The Board received a communication from Mayor Walaker recommending that Dominic Fischer be appointed to the Board of Adjustment for a three-year term and that Alternate Deborah Wendel Daub be appointed to fill the unexpired term created by the resignation of Chad Peterson.

Commissioner Wimmer moved Dominic Fischer be appointed to the Board of Adjustment for a 3-year term ending June 30, 2016, and Deborah Wendel Daub be appointed to the Board of Adjustment for a term ending June 30, 2015.

Second by Sobolik. On call of the roll Commissioners Wimmer, Sobolik, Mahoney, Williams and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Appointments to the Ambulance Service Oversight Committee:

The Board received a communication from Director of Public Health Ruth Bachmeier stating Susan Jarvis, Sanford Health; Rachael Boyer, Essentia Health; and Peggy Hanson, Fargo VA Hospital have been recommended by their organizations to serve on the City of Fargo Ambulance Oversight Committee. She said the committee also requires one City Commissioner be appointed.

Commissioner Mahoney moved the following be appointed to the Ambulance Service Oversight Committee: Susan Jarvis for a two-year term; Rachael Boyer for a three-year term; Peggy Hanson for a one-year term and Commissioner Mahoney for a three-year term.

Second by Williams. On call of the roll Commissioners Mahoney, Williams, Wimmer, Sobolik and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Request from Edward Ferguson for a Setback Waiver Denied:

The Board received a communication from Attorney Jade Rosenfeldt of the Vogel Law Firm stating her firm is representing Edward Ferguson in regard to a

zoning and setback matter. She said in February of this year, Mr. Ferguson came before the Commission requesting that his property located at 4103 66th Street South be considered for a setback waiver of Ordinance No. 4818. Mr. Ferguson, she said, was told that he was not eligible for a waiver under this Ordinance due to his property being unplatted. She said she and Mr. Ferguson met with City Engineer April Walker, Assistant City Attorney Nancy Morris and Senior Planner Nicole Crutchfield and it was determined during that meeting that staff would be unable to accommodate Mr. Ferguson's request again due to the fact that Mr. Ferguson's property is unplatted. She said thus Mr. Ferguson is requesting that the Commission revise Ordinance No. 4818 to include unplatted property as part of those properties eligible for waivers of the Ordinance.

City Engineer April Walker said staff met with Mr. Ferguson and determined that without a change to the Ordinance, staff did not have the authority to accommodate Mr. Ferguson's request as his property remains unplatted. She said staff reviewed the river setback ordinance and are recommending the ordinance stay intact and the distinction remain between platted and unplatted. Ms. Walker made a PowerPoint presentation of properties along the rivers and drain corridors that have had to be removed by the City prior to the setback ordinance being in place.

In response a question from Commissioner Williams as to what the definition of platting is, City Attorney Erik Johnson stated the term platting is clearly defined in the North Dakota Century Code as the process of laying out lots and blocks. He said in the City's Land Development Code where it is referred to as subdivisions, which is the same process. The difference between platting and zoning is that if it has been platted there is already a defined lot, he said. There is room for development on the lot, maybe just not how Mr. Ferguson intended to use the space, he said. Relative to flooding concerns, the setback is not just about flooding, he said, but also about slumping and problems of stability.

Edward Ferguson, property owner, said the platting issue is merely a matter of opinion and the fact of the matter is that what Mr. Johnson is referring to is formal platting. While the City maintains that there is still enough land to develop, which is probably technically true, the fact of the matter is, he said, that it is a really ugly area and an entire row of tree growth would have to be cut down, which is esthetically unrealistic, looks poor and would not be the best use of the land. He said his proposal is the best use of the land, would be a considerable increase to the tax base in Fargo and flood insurance would not be required.

Commissioner Williams moved to accept the City Attorney's definition of platting, and the setback waiver request from Edward Ferguson for unplatted property be denied.

Second by Sobolik. On call of the roll Commissioners Williams, Sobolik, Wimmer, Mahoney and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

#### Renaissance Zone Project for Land Elements, Inc. Approved:

A Hearing had been set for this day and hour to receive comments on a Renaissance Zone Project for Land Elements, Inc. for a business leasing property as part of a zone project at 210 Broadway, Suite 302.

No written protest or objection to the Project has been received or filed in the City Auditor's Office.

The Board determined that no person is present to protest or offer objection to the Project.

The Board received a communication from Planning Administrator Nicole Crutchfield stating the Renaissance Zone Law states "a business that purchases or leases property as part of a zone project is exempt from income tax for five taxable years beginning in the year of the investment or lease for income derived from the business locations within the zone". She said the Fargo Renaissance Zone Development Plan further states "Tenant must be leasing space in a building that has been approved as a zone project to be eligible for consideration". She stated the Renaissance Zone Authority felt that lease projects such as the application from Land Elements, Inc. would generally be straightforward and could be advanced to the City Commission following staff review and would generally not require direct Authority action. She said staff review found the applicant has met the aforementioned requirements. She said the project addresses the business retention and expansion goals stated in the Renaissance Zone Development Plan.

Commissioner Sobolik moved the Renaissance Zone application filed by Land Elements, Inc. for a lease project located at 210 Broadway, Suite 302 be approved and the income tax exemptions be granted as recommended by the Renaissance Zone Authority.

Second by Wimmer. On call of the roll Commissioners Sobolik, Wimmer, Williams, Mahoney and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Application Filed by The Fargo Brewing Company, LLC d/b/a Fargo Brewing Company for an Alcoholic Beverage License Approved:

A Hearing had been set for this day and hour on the application filed by The Fargo Brewing Company, LLC d/b/a Fargo Brewing Company for a Class "Y" Alcoholic Beverage License at 610 North University Drive, notice of which had been duly published in the official newspaper for the City of Fargo.

No written protest or objection to the granting of the application has been received or filed in the office of the City Auditor, and said application has been approved by the Police Department as to the character of the applicant.

The Board determined that no person is present at this Hearing to protest or offer objection to the granting of the application.

Commissioner Wimmer moved the application be approved.

Second by Williams. On call of the roll Commissioners Wimmer, Williams, Mahoney, Sobolik and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Application Filed by Mosaic Foods, LLC d/b/a Mosaic Catering and Events for an Alcoholic Beverage License Approved:

A Hearing had been set for this day and hour on the application filed by Mosaic Foods, LLC d/b/a Mosaic Catering and Events for a Class "F" Alcoholic Beverage

License at 69 4th Street North, notice of which had been duly published in the official newspaper for the City of Fargo.

No written protest or objection to the granting of the application has been received or filed in the office of the City Auditor, and said application has been approved by the Police Department as to the character of the applicant.

The Board determined that no person is present at this Hearing to protest or offer objection to the granting of the application.

Commissioner Wimmer moved the application be approved.

Second by Sobolik. On call of the roll Commissioners Wimmer, Sobolik, Mahoney, Williams and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Application to Transfer the Alcoholic Beverage License from JL Beers, Inc. d/b/a JL Beers to JLB South, Inc. d/b/a JL Beers Approved:

A Hearing had been set for this day and hour on an application to transfer the Class "CD" Alcoholic Beverage License from JL Beers, Inc. d/b/a JL Beers at 518 1st Avenue North to JLB South, Inc. d/b/a JL Beers at the corner of 32nd Avenue South and 42nd Street South, notice of which had been duly published in the official newspaper for the City of Fargo.

No written protest or objection to the granting of the application has been received or filed in the office of the City Auditor, and said application has been approved by the Police Department as to the character of the applicant.

The Board determined that no person is present at this Hearing to protest or offer objection to the granting of the application.

Commissioner Wimmer moved the application be approved.

Second by Williams. On call of the roll Commissioners Wimmer, Williams, Mahoney, Sobolik and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Application to Transfer the Alcoholic Beverage License from WOW Inc, LLC d/b/a WOW The Bar to JL Beers, Inc. d/b/a JL Beers & Vinyl Taco Approved:

A Hearing had been set for this day and hour on an application to transfer the Class "AB" Alcoholic Beverage License from WOW Inc, LLC d/b/a WOW The Bar at 1150 43 1/2 Street South to JL Beers, Inc. d/b/a JL Beers & Vinyl Taco at 518 1st Avenue North, notice of which had been duly published in the official newspaper for the City of Fargo.

No written protest or objection to the granting of the application has been received or filed in the office of the City Auditor, and said application has been approved by the Police Department as to the character of the applicant.

The Board determined that no person is present at this Hearing to protest or offer objection to the granting of the application.

Commissioner Wimmer moved the application be approved.

Second by Sobolik. On call of the roll Commissioners Wimmer, Sobolik, Mahoney, Williams and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Application Filed by Craig Holdings, LLC for Payment in Lieu of Tax Exemption Approved:

A Hearing had been set for this day and hour on an application filed by Craig Holdings, LLC for payment in lieu of property tax exemption at 719 NP Avenue North where the applicant will construct a new apartment project.

No written protests have been filed for the attention of the Board.

The Board determined that no person is present at this Hearing to protest or offer objection thereto.

Commissioner Sobolik moved that the application filed by Craig Holdings, LLC for a ten year payment in lieu of tax exemption pursuant to Chapter 40-57.1, NDCC be approved as follows:

Year 1 through 5 - \$0

Year 6 through 10 - \$11,688

Second by Wimmer. On call of the roll Commissioners Sobolik, Wimmer, Mahoney, Williams and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Application Filed by Precision Equipment Mfg., LLC for a Five-Year Property Tax Exemption Approved:

A Hearing had been set for this day and hour on an application filed by Precision Equipment Mfg., LLC for a five-year property tax exemption for an expansion of their operation to include a new building located at 4409 33rd Street North where the applicant will manufacture flame and flameless ground heaters, end-dump, side-dump and hopper-bottom trailers.

City Assessor Ben Hushka said the exemption will be for the incremental value of the new building.

No written protests have been filed for the attention of the Board.

The Board determined that no person is present at this Hearing to protest or offer objection thereto.

Commissioner Sobolik moved that the application filed by Precision Equipment Mfg., LLC for a five-year 100% property tax exemption pursuant to Chapter 40-57.1, NDCC be approved.

Second by Wimmer. On call of the roll Commissioners Sobolik, Wimmer, Mahoney, Williams and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Hearing on a Petition for Annexation of 22.10 Acres of Land Located in Section 5, Township 138 North, Range 49 West in Stanley Township and Within the Extraterritorial Area Continued to August 5, 2013:

A Hearing had been set for June 24, 2013 on a Petition for annexation of 22.10 acres of land located in Section 5, Township 138 North, Range 49 West in Stanley Township and within the extraterritorial area.

At the June 24, 2013 meeting, the Hearing was continued to this day and hour; however, Planning Administrator Nicole Crutchfield is requesting the Hearing be

continued to August 5, 2013. She said the petitioner desires to have the proposed plat and zoning request on the same agenda, which is projected to be August 5, 2013.

Commissioner Sobolik moved the Hearing be continued to 5:15 o'clock p.m. Monday, August 5, 2013.

Second by Wimmer. On call of the roll Sobolik, Wimmer, Mahoney, Williams and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Hearing on an Application for a Conditional Use Permit Continued to August 5, 2013 (1133 Elm Street North):

A Hearing had been held by the Fargo Planning Commission on June 4, 2013 to consider a request for a Conditional Use Permit to allow a telecommunication support structure (TSS) in a P/I, Public and Institutional zoning district on Lot 1, Block 1, Mickelson Fields Addition (1133 Elm Street North), and the Fargo Planning Commission at such Hearing recommended that the Conditional Use Permit be denied.

The City received an appeal of the denial of the Conditional Use Permit from the Fargo Park District/Faulk & Foster (representing Verizon Wireless), which requires that a Public Hearing be held by the City Commission.

The City Auditor's Office published a Notice of Hearing stating July 8, 2013 was the time and date set for said Hearing at which time all interested persons could appear and would be heard.

At the July 8, 2013 meeting, the Hearing was continued to this day and hour.

The Board received a communication from Planning Administrator Nicole Crutchfield stating this application is for a conditional use permit (CUP) to allow a telecommunications support structure (TSS) on a P/I, Public and Institutional zoned property located at 1133 Elm Street North. She said the property is the site of Jack Williams Stadium at the Mickelson baseball complex. She said the Planning Commission at their June 4, 2013 meeting voted to deny the CUP 7-0 on the basis that the proposal was not compliant with all the requirements of the Land Development Code (LDC), Watercourse Setbacks and Use Standards. Currently, she said, within the LDC there is not a variance option available that would allow an applicant relief from these code requirements. After considering the codes as they are currently written staff found two options that would create an opportunity for the TSS to be located in the vicinity, she said. Potential options for resolution, she said, are as follows:

- (1) Find an alternative location for the TSS that is not in conflict with the LDZS or MDZS but that is still located within the Park District land.
- (2) Modify the Land Development Code 20-0403 to revise the 300 foot residential separation requirement.

The applicant has challenged the staff's interpretation of the code restrictions, she said.

Ralph Wyngarden said he is from Faulk & Foster on behalf of Verizon Wireless and would like to make it clear that his organization is not agreeable to a denial and would like to come to an agreement with the City. He said he does think that a

decision can be made tonight and feels that this proposal is well integrated into the parks and would fit well within the character of the property.

Jim Larson, Park District, said the Park Board is very interested in seeing this agreement go forward from the perspective of the gain or the benefit that it will have for the American Legion. He said the Board has already approved to allow the revenue from the lease to go directly to the American Legion for capital improvements on the site. The second component is that the Park District will accept the liability or risk of damage to this structure from any flooding or others, he stated, which will then be passed on to Verizon Wireless. He said it is not the Park District's intent to violate any codes and he believes that there is an option for change in the structure to make this project work for everyone.

Commissioner Wimmer moved appropriate staff be directed to meet with the Park Board and the representative from Verizon Wireless to work out an agreeable solution and come back to the Commission in two weeks with a recommendation, and that the hearing be continued to August 5, 2013.

Second by Sobolik. On call of the roll Commissioners Wimmer, Sobolik, Mahoney, Williams and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

At 6:25 p.m. the Board took a five-minute recess.

After recess: All Commissioners present. Mayor Walaker presiding.

Appeal of the Board of Adjustment's Decision on a Variance Request at 1007 8th Street South: Variance Granted:

A Hearing had been set for June 24, 2013 on the appeal of the June 7, 2013 Board of Adjustment's decision on a variance request at 1007 8th Street South to allow a new house to exceed the allowable building coverage by 3%.

At the June 24, 2013 meeting, the Hearing was continued to this day and hour.

No written protest or objection to the granting of the variance has been received or filed in the office of the City Auditor.

The Board determined that no person is present at this Hearing to protest or offer objection thereto.

The Board received a communication from Planning Administrator Nicole Crutchfield stating the agenda item is the result of an appeal of a decision of the Board of Adjustment. She said having been appealed in accordance with the Land Development Code (LDC), this item must now be considered and acted upon by the Board. She said the application is for a variance of Section 20-0501 of the LDC which limits building coverage to a maximum of 35 percent of the lot area in a SR-3, Single-Dwelling Residential zoning district. She said the variance was requested in order to allow the applicant's proposed house to cover up to 38.7 percent of the lot area located at 1007 8th Street South. At their June 7, 2013 meeting, she said, the Board of Adjustment voted 2-2 to deny the variance. She said because a concurring vote by four members of the Board of Adjustment is required to grant a variance, the requested variance failed for lack of a majority. The basis for the failed motion was that not all of the criteria for approval were found to be met, she said, and staff recommends denial of the variance due to building coverage exceeding 35 percent of the lot area in a SR-3, Single-Dwelling Residential zoning district.

Commissioner Sobolik moved the findings of staff and the Board of Adjustment be denied and the variance be granted, and staff be directed to review the Land Development Code making any appropriate updates.

Second by Wimmer. On call of the roll Commissioners Sobolik, Wimmer, Williams, Mahoney and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Hearing on the Special Assessment List for Mill and Overlay and Incidentals Improvement District No. 6098 Approved:

A Hearing had been set for June 24, 2013 on the special assessment list for the construction of Mill and Overlay and Incidentals Improvement District No. 6098 in the City of Fargo, North Dakota, on which special assessment list a Hearing had been held by the Special Assessment Commission after which it had been confirmed and filed with the Board of City Commissioners.

At the June 24, 2013 meeting, the Hearing was continued to this day and hour.

The Board received a communication from City Engineer April Walker stating at the June 24, 2013 meeting the Board received a protest to the assessment of specials for Mill and Overlay and Incidentals Improvement District No. 6098. She said the protest was presented by Dean Hulse who represented a petition signed by 38 residents of East Gateway Circle. The protest outlined several neighborhood traffic concerns that need to be considered separately from the question of benefits and costs to the properties with respect to the constructed infrastructure, she said. The petition had been previously considered by the Special Assessment Committee (SAC), she said. The SAC did not agree with the petition as the basis for setting benefit and cost, she said, and presented the Improvement District to the Board without altering the spread of benefits. She said staff has identified three potential courses of action:

1. The Board can agree with SAC. The benefits will stand as presented and the assessments will be levied. This option is consistent with policy and statute, and staff is recommending this alternative.
2. The City Commission can also decide to pay down the assessments of any of the parcels in the Improvement District that they deem appropriate. This does not change the benefits assigned to the property and is simply the discretion of the Commission to provide additional funding to offset the assessment of a specific property. This will require a funding source to be identified. The financial impact of approving this request is estimated to be \$17,087.03. Staff is not recommending this alternative, as it is not consistent with policy.
3. The City Commission can direct staff to change the policy used to derive benefit for a property. This is the most complicated of the options available. There does not appear to be anything in statute that would prevent the City from developing a policy for assigning benefit based on traffic volumes. This would be a major change to the current funding policy for projects. To create a policy that is traffic centric would require the collection and analysis of data that does not currently exist to arrive at a policy. This policy would then require frequent updating, as traffic is variable and dependant on many factors.

Dean Hulse, 1437 East Gateway Circle, said the number of cars that these streets are designed to carry is irrelevant; the point is there is a disparity amongst traffic in this improvement district. He said the point is that the residents are all being assessed the same amount of money but are not getting the same amount of traffic. Most of the people that he spoke to when collecting the signatures for the petition were concerned about the traffic volume and the speed, he said, and this special assessment protest was their way of bringing this issue to the forefront. He said he has been talking to the traffic department about this for two years with no real resolution to the problem.

Commissioner Williams moved that the special assessment list for Mill and Overlay and Incidentals Improvement District No. 6098 be and the same is hereby approved and confirmed and ordered filed in the office of the City Auditor, that the City Auditor's Office be instructed to proceed to collect the assessments in the manner provided by law and that the interest rate be set at 1% per annum over the net rate on bonds financing said projects and that Mr. Hulse's traffic concerns be referred to the Traffic Technical Advisory Committee.

Second by Wimmer. On call of the roll Commissioners Williams, Wimmer, Sobolik, Mahoney and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Ordinance Relating to Alcoholic Beverages to be Placed on First Reading at the Next Regular Meeting of the Board:

The Board received a communication from Assistant City Attorney Jason Loos stating this Ordinance is to amend the City law addressing the factors to be considered by the Commission in granting or denying a liquor license and the 100-foot separation restriction. He said this amendment has been recommended by the Liquor Control Board.

Commissioner Williams moved the Ordinance Amending Section 25-1508 of Article 25-15 of Chapter 25 of the Fargo Municipal Code Relating to Alcoholic Beverages be received and filed and placed on first reading at the next Regular Meeting of the Board.

Second by Sobolik. On call of the roll Commissioners Williams, Sobolik, Mahoney, Wimmer and Walaker voted aye.

No Commissioner being absent and none voting nay, the motion was declared carried.

Commissioner Wimmer moved that the Board adjourn to 5:00 o'clock p.m., Monday, August 5, 2013.

Second by Sobolik. All the Commissioners voted aye and the motion was declared carried.

The time at adjournment was 6:59 o'clock p.m.
